SCOPE AND NATURE OF THE ERISA SECTION 103(A)(3)(C) AUDIT

We have performed the audits of the accompanying financial statements of Summit Construction, Inc. 401(k) Profit Sharing Plan and Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Summit Construction, Inc. 401(k) Profit Sharing Plan and Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

OPINION

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

BASIS FOR OPINION

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent Summit Construction, Inc. 401(k) Profit Sharing Plan and Trust and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

INDEPENDENT AUDITOR'S REPORT - CONTINUED

RESPONSIBILITIES OF MANAGEMENT FOR THE FINANCIAL STATEMENTS

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Summit Construction, Inc. 401(k) Profit Sharing Plan and Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE FINANCIAL STATEMENTS

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Summit Construction, Inc. 401(k) Profit Sharing Plan and Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Summit Construction, Inc. 401(k) Profit Sharing Plan and Trust's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

INDEPENDENT AUDITOR'S REPORT - CONTINUED

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audits.

SUPPLEMENTAL SCHEDULE REQUIRED BY ERISA

The supplemental schedule of assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including the form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE A - DESCRIPTION OF PLAN

The following description of Summit Construction, Inc. 401(k) Profit Sharing Plan and Trust provides only general information. Participants should refer to the Summary Plan Description for a more complete description of the Plan's provisions.

General - The Plan is a defined contribution plan covering all employees of Summit Construction, Inc. (Employer) upon the earlier of reaching age 18 and being credited with three months of eligible service. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions - Each year, participants may contribute up to the maximum percentage of pretax annual compensation, as defined in the Plan or such dollar limit established by the Internal Revenue Service. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions and elective Employer matching contributions into various investment options offered by the Plan. The Plan sponsor contributes matching contributions of 20% of participant contributions up to 5% of eligible compensation. During the years ended December 31, 2023 and 2022, the Plan sponsor made a discretionary profit-sharing contribution of \$50,000 and \$20,000 to the plan and matching contributions of \$15,940 and \$18,614, respectively.

Participant Accounts - Each participant's account is credited with the participant's contribution, the Employer's matching contribution and an allocation of Plan earnings. Investment earnings are allocated based on participant account balances. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account. Participants direct the investment of their accounts among available investment options.

Vesting - Participants are vested immediately in all contributions plus actual earnings or losses thereon. Participants will become 100% vested in other Company contributions after the completion of six years of service earning 20% vesting after the completion of second year, and 20% each year thereafter until becoming fully vested after five years of credited service.

Participant Notes Receivable - Loans are permitted under certain circumstances and are subject to limitations. Participants may borrow from their fund accounts up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. Loans are repaid over a period not to exceed five years with exceptions for the purchase of a primary residence. Loans are valued at unpaid principal plus accrued but unpaid interest. Delinquent participant loans are recorded as distributions on the basis of the terms of the Plan agreement. The loans are secured by the balance in the participant's account and bear interest at prevailing rates ranging from 4.25% to 8.00%. Principal and interest are paid ratably through payroll deductions.

Payment Of Benefits - On termination of service and under specific situations of financial hardship, a participant or beneficiary may receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. The Plan also allows for in-service distributions for eligible participants.

Forfeited Accounts - Forfeitures can be used to reduce future employer contributions and pay certain Plan expenses. During 2023 and 2022, the Plan sponsor utilized \$1,280 and \$2,010 of forfeitures, respectively. At December 31, 2023 and 2022, the balances of unallocated forfeited non-vested accounts totaled \$1 and \$200, respectively.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis Of Accounting - The financial statements of the Plan are prepared using the accrual basis of accounting.

Investment Valuation And Income Recognition - Investments in pooled separate accounts are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

See note D for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend basis. Net appreciation (depreciation) includes the plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable From Participants - Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Use Of Estimates - The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Payment Of Benefits - Benefits are recorded when paid.

Plan Expenses - Certain expenses of maintaining the Plan are paid directly by the plan sponsor. Expenses that are paid by the plan sponsor are excluded from these financial statements. Fees related to the administration of notes receivable from participants and distributions from the Plan are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) of fair value of investments.

Subsequent Events - The Plan evaluates the events and transactions occurring subsequent to the date of the financial statements for matters requiring recognition or disclosure in the financial statements. The accompanying financial statements consider events through October 3, 2024, the date the financial statements were available to be issued.

NOTE C - CERTIFIED ASSETS

All information on investments included in the accompanying financial statements and schedule at December 31, 2023 was obtained or derived from information certified as complete and accurate by Empower Annuity Insurance Company of America.

All information on investments included in the accompanying financial statements at December 31, 2022 was obtained or derived from information certified as complete and accurate by the consecutive trustees, Great-West Life and Annuity Insurance Company and Empower Annuity Insurance Company of America.

Notes receivable from participants were certified as complete and accurate by the trustee for the years ended December 31, 2023 and 2022.

NOTES TO FINANCIAL STATEMENTS - CONTINUED

NOTE D - FAIR VALUE MEASUREMENTS

The Plan applies generally accepted accounting principles to establish a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under generally accepted accounting principles are described as follows:

- Level 1 - inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.
- Level 2 - inputs to the valuation methodology include quoted prices for identical or similar assets and liabilities in active or inactive markets; inputs that are observable for the asset or liability, and inputs that are derived principally from or corroborated by observable market data by correlation or other means.
- Level 3 - inputs to the valuation methodology are unobservable and significant to the fair value measurement.

A financial instrument's categorization within the valuation hierarchy is based upon the lowest level of input that is significant to the fair value measurement.

Following is a description of the valuation methodologies used for instruments measured at fair value, including the general classification of such instruments pursuant to the valuation hierarchy.

Pooled Separate Accounts - These investments are accounts maintained by an insurance company for the collective investment and reinvestment of assets contributed thereto from employee benefit plans maintained by more than one employer or controlled group of corporations. They are valued at the net asset value (NAV) of shares held by the Plan at year end. The accounting unit value is determined in a manner similar to a mutual fund NAV calculation: dividing the net assets by the number of units outstanding. Any discrepancies between the two unit values are resolved to ensure the recordkeeping system reflects the accurate value for the day. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchased and sales) may occur daily. Were the Plan to initiate a full redemption of the collective investment, the insurance company reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner. There are no unfunded commitments.

The preceding methods may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the plan's assets at fair value as of December 31, 2023 and 2022, by caption on the statements of net assets available for benefits within the valuation hierarchy.

NOTE E - RELATED PARTIES

The Plan invests in funds managed by Empower Annuity Insurance Company, the trustee for the Plan and, therefore, these transactions qualify as exempt party-in-interest transactions. Fees paid by the Plan for investment management services are included as a reduction of the return earned on each fund.

Certain participants of the Plan have outstanding loans with the Plan at December 31, 2023 and 2022. These loans are considered party-in-interest transactions according to the Department of Labor guidelines. Total outstanding loans as of December 31, 2023 and 2022 were \$70,313 and \$108,431, respectively.

NOTE F - PLAN TERMINATION

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

NOTE G - TAX STATUS

The Plan obtained its latest opinion letter on June 30, 2020, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the opinion letter. The Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and has no income subject to unrelated business income tax.

NOTE H - RISKS AND UNCERTAINTIES

The Plan's investments include financial instruments which are exposed to various risks such as interest rate, market and credit. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of financial instruments will occur in the near term that could materially affect the participants' account balances and the amounts reported in the accompanying financial statements.
