Independent Auditor's Report

To the Participants and Plan Administrator of the Associated Community Bancorp, Inc. Profit Sharing/401(k) Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Associated Community Bancorp, Inc. Profit Sharing/401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists.

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4(i) - Schedule of Assets (Held at End of Year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Associated Community Bancorp, Inc. Profit Sharing/401(k) Plan

Notes to Financial Statements

As of December 31, 2023 and 2022 and for the Year Ended December 31, 2023

1. DESCRIPTION OF THE PLAN

The following description of the Associated Community Bancorp, Inc. Profit Sharing/401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan Document for a more complete description of the Plan’s provisions.

General

The Plan is a defined-contribution plan which covers substantially all employees of Associated Community Bancorp, Inc. and its subsidiaries (the “Company”). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

All assets acquired under this Plan as a result of participant and Company contributions, income and other additions will be administered, distributed, forfeited and otherwise governed by the provisions of this Plan. The Plan is administered by the Company for the exclusive benefit of participants in the Plan and their beneficiaries.

Eligibility

All employees are eligible to make salary deferral contributions to the Plan. Participants who are employed by the Company at year end and have completed 1,000 hours of service during the Plan year are eligible to participate in any discretionary employer contribution. Employees that retired during the Plan year are also eligible to participate in any discretionary employer contribution.

Contributions

Generally, participants may make salary deferral contributions up to 60% of eligible compensation, as defined, subject to Internal Revenue Code (“IRC”) limitations. Eligible participants who have attained 50 years of age prior to the end of the Plan year are eligible to make catch-up contributions in accordance with, and subject to, IRC limitations. The Company reserves the right to make discretionary contributions to the Plan. Participants may also roll over amounts representing distributions from other qualified plans. All new participants are auto enrolled at a rate of 2% of the compensation, unless the employee opts not to participate. The Plan includes an option for Roth 401(k) contributions.

See independent auditor’s report.

Associated Community Bancorp, Inc. Profit Sharing/401(k) Plan

Vesting

Participants are immediately vested in their salary deferral contributions plus actual earnings thereon.

Participants vest in any discretionary employer contributions as follows:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 1	0%
1	20
2	40
3	60
4	80
5	100

At the retirement age of 65 or older, death or disability, participants become 100% vested.

Payment of Benefits

Upon retirement, death, permanent disability, or termination of employment, participants become entitled to the total value of their vested account, determined as of the valuation date. The Plan also provides for in-service withdrawals by qualified participants as defined in the Plan Document. Such withdrawals are limited to the vested interest of the participant's account, but not the earnings thereon, determined as of the valuation date. Distributions are paid by lump sum.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's discretionary contributions, and (b) investment earnings. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment Options

Participants may direct salary deferral contributions and employer discretionary contributions to selected investments as made available and determined by the Plan Administrator. Participants may change their investment options and/or elective deferrals during the year. Elective deferral changes will become effective at the beginning of the next payroll cycle. These accounts include a variety of investment options with various objectives and degrees of financial risk.

Associated Community Bancorp, Inc. Profit Sharing/401(k) Plan

Notes Receivable from Participants

Loans may be made when requested by the participant, but only for hardship purposes, as defined in the Plan Document. All loans shall bear a reasonable rate of interest as determined by the Plan Administrator based on the prevailing interest rates charged by persons in the business of lending money for loans which would be made under similar circumstances. Interest and principal are repaid and credited to the participant's account based on their current investment choices.

The maximum loan amount is one half of the participant's vested 401(k) account balance, not to exceed \$100,000. The minimum loan amount is \$1,000. Participants may not have more than one loan outstanding at any given time. Loans are repayable over a period of up to five years, unless such loan is used to acquire a principal residence of the participant in which case the term may be extended to a maximum of 10 years.

Forfeitures

At December 31, 2023 and 2022, forfeited nonvested accounts totaled \$24,317 and \$19,955 respectively. These amounts are first used to pay administrative expenses then to reduce future employer contributions. In 2023, no forfeitures were utilized to reduce administrative expenses.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right to terminate the Plan by action of the Board of Directors and subject to the provisions of ERISA. In the event of Plan termination, participants are 100% vested in their accounts.

2. SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The financial statements of the Plan are prepared on the accrual method of accounting and are in conformity with accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Associated Community Bancorp, Inc. Profit Sharing/401(k) Plan

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value based on amounts reported by Fidelity by reference to the quoted market prices of the underlying investments. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in the fair value of investments includes the Plan's gains and losses on investments purchased and sold as well as held during the year.

Fair Value Hierarchy

The framework defines fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date and sets out a fair value hierarchy. The fair value hierarchy gives the highest priority to quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Inputs are broadly defined as assumptions market participants would use in pricing an asset or liability. The three levels of the fair value hierarchy are described below:

Level 1 – Valuation is based on quoted prices in active markets for identical assets. Valuations are obtained from readily available pricing sources for market transactions involving identical assets.

Level 2 – Valuation is based on observable inputs other than Level 1 prices, such as quoted prices for similar assets; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets.

Level 3 – Valuation is based on unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets. Level 3 assets include financial instruments whose value is determined using unobservable inputs to pricing models, discounted cash flow methodologies, or similar techniques, as well as instruments for which the determination of fair value requires significant management judgment or estimation.

In certain cases, inputs used to measure fair value may fall into different levels of the fair value hierarchy. In such cases, an investment's level within the fair value hierarchy is based on the lowest level of input that is significant to the fair value measurement. The Plan's assessment of the significance of a particular input to the fair value measurement in its entirety requires judgment and considers factors specific to the investment.

Associated Community Bancorp, Inc. Profit Sharing/401(k) Plan

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan Document. No allowance for credit losses has been recorded as of December 31, 2023 and 2022.

Contributions

Contributions from Plan participants and the matching contributions from the Employer are recorded in the year in which the employee contributions are withheld from compensation.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

The Plan's administrative expenses are paid by either the Plan or the Plan's Sponsor as provided by the Plan Document.

Risks and Uncertainties

The Plan provides for various investment options. Investments are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

3. INFORMATION CERTIFIED BY FIDELITY MANAGEMENT TRUST COMPANY

The Plan Administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following information certified by Fidelity Management Trust Company (the "Trustee"), except for comparing such information certified by the Trustee to information included in the Plan's financial statements and supplemental schedule. The Plan Administrator has obtained certifications from the Trustee for 2023 and 2022 that such information is complete and accurate.

See independent auditor's report.

Associated Community Bancorp, Inc. Profit Sharing/401(k) Plan

Information certified as of and for the years ended December 31, 2023 and 2022 is as follows:

	2023	2022
Investments:		
Investments at fair value	\$ 11,671,764	\$ 11,355,400
Participant loans:		
Notes receivable from participants	33,633	30,581
Investment income:		
Net appreciation in fair value of investments	1,313,652	
Interest and dividend income	399,408	
Interest income:		
Notes receivable from participants	2,002	

The Trustee also certified the information included in the Schedule of Assets (Held at End of Year).

4. INVESTMENTS

The following is a summary of the Plan's investments at December 31, 2023 and 2022:

	2023	2022
Mutual funds	\$ 10,788,406	\$ 10,337,262
Money market funds	883,358	1,018,138
	<u>\$ 11,671,764</u>	<u>\$ 11,355,400</u>

The net appreciation in the fair value of investments (including dividends reinvested and investments bought, sold, as well as held) during the year ended December 31, 2023 was determined by the change in the underlying fair value of investments.

Fair Value Hierarchy

Following is a description of the valuation methodology used for assets measured at fair value.

Mutual Funds and Money Market Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

See independent auditor's report.

Associated Community Bancorp, Inc. Profit Sharing/401(k) Plan

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets measured at fair value on a recurring basis as of December 31, 2023 and 2022:

	December 31, 2023			Fair Value
	Level 1	Level 2	Level 3	
Mutual funds	\$10,788,406	\$ -	\$ -	\$10,788,406
Money market funds	883,358	-	-	883,358
Total investments	<u>\$11,671,764</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$11,671,764</u>
	December 31, 2022			Fair Value
	Level 1	Level 2	Level 3	
Mutual funds	\$10,337,262	\$ -	\$ -	\$10,337,262
Money market funds	1,018,138	-	-	1,018,138
Total investments	<u>\$11,355,400</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$11,355,400</u>

5. TAX STATUS

The Plan is a prototype plan and a determination letter was received by Fidelity Management & Research Company on June 30, 2020, in which the Internal Revenue Service ("IRS") stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the determination letter. However, the Plan Administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS or Department of Labor ("DOL"). The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023 and 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by the IRS or DOL, however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to 2020.

See independent auditor's report.

6. RELATED PARTY TRANSACTIONS AND PARTY IN INTEREST TRANSACTIONS

Certain Plan investments are managed by Fidelity Management Trust Company, the Trustee of the Plan, and therefore these transactions qualify as party-in-interest transactions. Fees paid for investment management services are included as a reduction of the return earned on these investments.

7. RECONCILIATION TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Form 5500:

	December 31,	
	2023	2022
Net assets available for benefits per the financial statements	\$ 11,781,291	\$ 11,468,077
Employer contribution receivable	(75,894)	(82,096)
Net assets available for benefits per Form 5500	<u>\$ 11,705,397</u>	<u>\$ 11,385,981</u>

The following is a reconciliation of the net increase in the statement of changes in net assets available for benefits per the financial statements to the Form 5500:

	December 31, 2023
Net increase in net assets available for benefits per the financial statements	\$ 313,214
Add: prior year employer contribution receivable	82,096
Less: current year employer contribution receivable	<u>(75,894)</u>
Changes in net assets available for benefits per the Form 5500	<u>\$ 319,416</u>

8. SUBSEQUENT EVENTS

Management has evaluated subsequent events through September 24, 2024, which is the date the financial statements were available to be issued. There were no subsequent events that require adjustment to or disclosure in the financial statements.
