Independent Auditors' Report

To the Plan Participants and Trustees of
Integra Connect LLC, 401(k) Profit Sharing Plan & Trust
Ellicott City, Maryland

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Integra Connect LLC, 401(k) Profit Sharing Plan & Trust (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Independent Auditors' Report (continued)

Opinion

In our opinion, based on our audits and on the procedures performed as described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of Integra Connect LLC, 401(k) Profit Sharing Plan & Trust and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Integra Connect LLC, 401(k) Profit Sharing Plan & Trust's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Independent Auditors' Report (continued)

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Integra Connect, LLC 401(K) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Integra Connect, LLC 401(K) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Independent Auditors' Report (continued)

Auditors' Responsibilities for the Audit of the Financial Statements (continued)

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) and the schedule of delinquent participant contributions as of and for the year ended December 31, 2023 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Notes to Financial Statements
December 31, 2023 and 2022

1. Description of the Plan

The following description of the Integra Connect, LLC 401(k) Profit Sharing Plan & Trust (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

- A. General - The Plan is a defined contribution and profit sharing plan covering substantially all employees of the participating affiliates of Integra Connect, LLC, comprised of participants employed with Integra Cloud, LLC, Integra Life Science, LLC, Integra Shared Services, LLC, Integra Population Health, LLC, Integra GPO, LLC and Centrex Revenue Solutions, LLC. All participating affiliates and employers are collectively referred to as the "Company". Employees who are age 21 or older are eligible to participate on the same date the requirements are satisfied for deferrals and for the Company contribution. To receive the Company profit sharing contributions, employees must also complete one year of eligible service as defined by the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Company's management oversees governance of the Plan, determines the appropriateness of the Plan's investment offerings, monitors investment performance, and reports to the Plan's Board of Trustees. The effective date of the Plan is January 1, 2015 with the most recent restatement date effective February 1, 2022.
- B. Contributions - Participants may contribute up to 100% of their aggregate compensation for each year in which they are a participant in the Plan up to the maximum allowable contributions under the Internal Revenue Code (IRC), which totaled \$22,500 in 2023. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. For the year ended December 31, 2023, the maximum allowable amount for catch-up contributions totaled \$7,500. The Plan allows for pre-tax and after-tax (Roth) deferrals and rollover contributions.

The Company may contribute on a per payroll basis to the Plan, on behalf of each eligible participant. The Company matched 100% of the participant deferrals to a maximum of 3% deferral of eligible compensation, and 50% of the participant deferrals of 3% to 5% deferral of eligible compensation as defined by the Plan. The Company may also make discretionary profit-sharing contributions to the Plan to be allocated based on participant compensation to total compensation of all participants eligible for profit sharing contributions who are employed on the last day of the plan year. Participants direct the investment of their contributions and Company contributions into various investment options offered by the Plan. The Plan currently offers various registered investment companies and a stable value fund as investment options for participants.

Notes to Financial Statements
December 31, 2023 and 2022

1. Description of the Plan (continued)

- C. Participant Accounts - Each participant account is credited with the participant's contributions and allocations of, (a) the Company's contribution, and (b) Plan earnings (losses), and charged with an allocation of administrative expenses paid by the Plan. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.
- D. Vesting - Participants are immediately vested in their contributions and Company safe-harbor matching contributions plus actual earnings thereon. Vesting in the Company's non-safe harbor matching contribution and profit-sharing contribution portions of their accounts is based on years of continuous service. A participant vests 25% after one year of service and becomes fully vested over a four-year schedule. Participants shall become fully vested upon death, total and permanent disability and upon attainment of normal retirement, as defined.
- E. Notes Receivable from Participants - Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the participant's entire vested account balance, without regard to the intended use of the funds. Notes receivable are collateralized by the participant's vested account balance and are accounted for as a specific investment of the borrowing participant's account. The principal of the notes, along with interest, is repaid through payroll deductions. Notes receivable bear interest at the prime rate plus 1%. Notes receivable are to be repaid within five years.
- F. Payment of Benefits - The Plan provides for distributions of accumulated benefits upon death, disability or retirement of participants. The full value of a participant's account will be paid to the participant's spouse or designated beneficiary in the event of death or total permanent disability. On termination of service, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. Participants may withdraw funds while in service at age 59½ from their vested account balance.
- G. Forfeited Accounts - At December 31, 2023 and 2022, forfeited nonvested accounts totaled \$59,414 and \$8,534, respectively. Forfeitures of non-vested accounts are permitted to be used to pay Plan expenses, reduce future Company contributions, or be reallocated to participants. During 2023, \$12,367 were used to pay Plan expenses.

Notes to Financial Statements December 31, 2023 and 2022

2. Summary of Significant Accounting Policies

Basis of Accounting - The financial statements of the Plan are prepared using the accrual method of accounting.

Use of Estimates - The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP") requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

Notes Receivable from Participants - Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. As of December 31, 2023 and 2022, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the Plan administrator considers the participant loan to be in default, the participant loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Investment Valuation and Income Recognition - Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's management determines the Plan's valuation policies. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits - Benefits paid to participants are recorded when paid.

Expenses - Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Investment related expenses are included in net appreciation of fair value of investments. Fees for the administration of notes receivable from participants and distributions are included in administrative expenses and charged directly to the participant's account. Expenses for recordkeeping, advisory and other fees are paid through an allocation to participants accounts and are included in administrative expenses.

3. Information Prepared and Certified by Empower Trust Company, LLC

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified to as complete and accurate by the custodian.

	2023	2022
Investments, at fair value:		
Interest-bearing cash	\$ - 0 -	\$ 23,609,535
Registered investment companies	30,912,104	781
Stable value fund	425,796	- 0 -
	<u>31,337,900</u>	<u>23,610,316</u>
Notes receivable from participants	288,104	482,402
Investment income	3,402,921	
Interest income on notes receivable from participants	22,458	

4. Fair Value Measurements

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available. There are no plan assets requiring the use of Level 2 or Level 3 inputs for the periods presented.

4. Fair Value Measurements (continued)

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022:

	Fair Value Measurements at the End of the Reporting Period Using:	
	Fair Value	Quoted Prices In Active Markets for Identical Assets (Level 1)
<u>December 31, 2023</u>		
Registered investment companies	\$ 30,912,104	\$ 30,912,104
Total assets in the fair value hierarchy	\$ 30,912,104	
Investments measured at net asset value	425,796	
Investments at fair value	\$ 31,337,900	
<u>December 31, 2022</u>		
Interest-bearing cash	\$ 23,609,535	\$ 23,609,535
Registered investment companies	781	781
Total assets in the fair value hierarchy	\$ 23,610,316	\$ 23,610,316
Investments measured at net asset value	- 0 -	
Investments at fair value	\$ 23,610,316	

Level 1 Fair Value Measurements

Registered investment companies held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded. Interest-bearing cash is valued at the account balance at year-end.

Investments Measured at Net Asset Value

The stable value fund is valued at the NAV of shares in each account held by the Plan at year end. The net asset value is not a publicly-quoted price in an active market. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value.

INTEGRA CONNECT, LLC 401(K) PROFIT SHARING PLAN & TRUST

Notes to Financial Statements
December 31, 2023 and 2022

4. Fair Value Measurements (continued)

Gains and losses included in the changes in net assets available for benefits for the year ended December 31, 2023, are reported in net appreciation in fair value of investments.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The Plan's policy is to recognize transfers between Levels 1 and 2 and into and out of Level 3 at the end of the reporting period. For the year ended December 31, 2023, there were no significant transfers between Levels 1 and 2 and no transfers into or out of Level 3.

Fair Value of Investment in Entities that Use NAV

The following table summarizes investment measured at fair value based on NAV per share as of December 31, 2023 and 2022:

Investment	Fair Value		Unfunded Commitment	Redemption Frequency	Redemption Notice Period
	2023	2022			
Stable value fund	\$ 425,796	\$ - 0 -	N/A	Daily	None

5. Related-Party Transactions and Party in Interest Transactions

Certain Plan investments are managed by Empower Trust Company, LLC. Empower Trust Company is the custodian as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. As described in Note 2, the Company pays certain expenses related to plan operations. The Plan has a number of service providers. Such parties are parties-in-interest under ERISA. All of these party-in-interest transactions are exempt from the prohibited transactions rules of ERISA.

6. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the statement of net assets available for benefits.

INTEGRA CONNECT, LLC 401(K) PROFIT SHARING PLAN & TRUST

Notes to Financial Statements
December 31, 2023 and 2022

7. Nonexempt Transactions

During 2023, there were certain pay periods where employee withholdings and loan payments totaling \$317,019 were not timely remitted to the Plan by the Company. The Company made a contribution representing lost earnings to the Plan associated with the untimely remittances in the subsequent year.

8. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

9. Tax Status

The Plan is operating under an adoption agreement of a volume submitter profit sharing plan structured by the Plan's third-party administrator. The Internal Revenue Service (IRS) has determined and informed the third-party administrator by a letter dated November 30, 2020, that the volume submitter profit sharing plan is designed in accordance with applicable sections of the IRC. The volume submitter profit sharing plan's opinion letter has been relied upon by this Plan.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

10. Asset Transfer

On December 30, 2022, substantially all investments with John Hancock Trust Company, LLC were liquidated and held in interest-bearing cash in anticipation of a transfer to the new custodian, Empower Retirement. The transfer was received by Empower Retirement on January 3, 2023. Upon receipt, the funds were invested as shown in the chart below, in accordance with the employees' projected retirement date. After the initial transfer, participants were able to change the investment allocation in their account if they chose to do so.
