INDEPENDENT AUDITORS' REPORT

TO THE PLAN ADMINISTRATOR OF COIT SERVICES, INC. EMPLOYEE SAVINGS & RETIREMENT PLAN

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed the audits of the financial statements of COIT SERVICES, INC. EMPLOYEE SAVINGS & RETIREMENT PLAN ("the Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from qualified institutions as of December 31, 2023 and 2022 and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental Schedule H – Line 4i: Schedule of Assets (Held at End of Year) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

COIT SERVICES, INC. EMPLOYEE SAVINGS & RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2023

NOTE 1 – DESCRIPTION OF THE PLAN

The following description of the Coit Services, Inc. Employee Savings & Retirement Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

General – The Plan was established on January 1, 1989 to provide retirement benefits for employees of Coit Services, Inc. and subsidiaries (the “Company”). The Plan is a defined contribution plan covering, generally, all eligible employees who have attained twenty-one years of age and completed one year of service with at least 1,000 hours of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”) and certain provisions of the Internal Revenue Code (“IRC”). The Retirement Committee is responsible for the oversight of the Plan and determines the appropriateness of the Plan’s investment offerings and monitors investment performance.

The Plan provides for a Plan administrator who is responsible for keeping accurate and complete records with regard to the Plan’s operations, informing participants of changes or amendments to the Plan’s provisions, ensuring that the Plan conforms to the law and government regulations, and providing participants with any reports and documents required by law.

Participant Contributions – Each year, participants may voluntarily contribute up to 100% of their annual compensation, as defined by the Plan, on a pre-tax basis, as well as a post-tax basis (“Roth”) effective July 1, 2023, up to a maximum amount allowed by the IRC. The maximum allowed deferral amount was \$22,500 for the year ended December 31, 2023. Participants who have attained age 50 before the end of the Plan year are also eligible to make additional catch-up contributions of \$7,500 in 2023. Participants may also make rollover contributions from other qualified defined benefit or defined contribution plans. Newly eligible participants are automatically enrolled with a contribution of 2% of eligible compensation, unless the employee affirmatively elects otherwise. The Plan will automatically increase this percentage annually by 1% of eligible compensation up to a maximum of 6% unless the employee affirmatively elects otherwise.

Employer Contributions – The Company may make discretionary matching or other contributions. Contributions are subject to certain limitations. For the year ended December 31, 2023, the Company matched \$0.10 per \$1.00 of participant contributions up to a total of \$1,000 per participant.

COIT SERVICES, INC. EMPLOYEE SAVINGS & RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2023

NOTE 1 – DESCRIPTION OF THE PLAN (Continued)

Participant Accounts – The Plan maintains an account for each participant, which is credited with the participant's contributions and Company discretionary matching contributions and allocations of the Company's other discretionary contributions, if any, and Plan earnings or losses and charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that may be provided from the participant's vested account.

Vesting – Participants are immediately vested in their voluntary contributions and rollover contributions plus actual earnings thereon. Vesting in the Company's discretionary matching and other discretionary contributions plus actual earnings thereon is based on years of continuous service. The vesting schedule is as follows:

<u>Years of Service</u>	<u>Vesting Percentage</u>
Less than 1	0%
1	20%
2	40%
3	60%
4	80%
5 or more	100%

Investment Options – The Plan currently offers various mutual funds, collective trust funds, and a guaranteed interest account as investment options for participants. Each investment option has its own investment strategy, which can be obtained through the prospectus of the respective fund. Participants may change their investment options at any time.

Notes Receivable from Participants – Participants may borrow from their vested fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account. Loan terms range from one to five years, or up to thirty years for the purchase of a primary residence. The loans are secured by the balance in the participants' vested accounts and bear a fixed interest rate based on the prime rate of interest published by financial institutions as of the date of the loan, plus 2 percent as determined under the loan policy. Principal and interest are paid ratably through payroll deductions. Any outstanding loans will become due and payable upon termination of employment.

NOTE 1 – DESCRIPTION OF THE PLAN (Continued)

Payment of Benefits – Participants are eligible to receive distributions from the Plan upon reaching the age of 59½ years, retirement, termination of service, disability, or death. A participant may also be eligible for a withdrawal due to financial hardship in certain circumstances. Distributions to the participant or beneficiary are made in the form of a lump sum payment of the entire vested account balance or a single sum distribution of a portion of the vested account balance. Terminated participants with account balances in excess of \$5,000 may delay the receipt of distributions; however, the Company will roll over terminated participants' account balances between \$1,000 and \$5,000 to an individual retirement account, as designated by the Plan administrator, unless directed otherwise by the terminated participant. Vested account balances of less than \$1,000 are automatically cashed out as a single lump-sum distribution. Mandatory distributions are required to begin no later than April 1st following the later of the end of the year a participant retires or reaches age 73.

Forfeited Accounts – Non-vested portions of a participant's account are forfeited on separation of employment. Forfeitures may be applied to reduce plan administrative expenses, and any remaining forfeitures may be applied to reduce future employer contributions at the discretion of the Company. At December 31, 2023 and 2022, forfeited non-vested accounts amounted to \$13,924 and \$8,938, respectively. \$380 were used to reduce plan administrative expenses during the year ended December 31, 2023. No forfeitures were used to reduce employer contributions during the year ended December 31, 2023.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting – The Plan's financial statements are prepared on the accrual basis of accounting, in conformity with accounting principles generally accepted in the United States of America.

Use of Estimates – The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of changes in net assets available for benefits during the reporting period. Actual results may differ from those estimates.

Investment Valuation and Income Recognition – Investments are reported at fair value, except for the Guaranteed Interest Account, which is reported at contract value (see Note 5). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan administrator determines the Plan's valuation policies utilizing information provided by the custodian and the Plan's investment advisor. See Note 3 for discussion of fair value measurements.

COIT SERVICES, INC. EMPLOYEE SAVINGS & RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2023

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Investment Valuation and Income Recognition (Continued) – Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Contributions – Participant and Company contributions are recorded in the Plan year which coincides with the payroll pay date.

Notes Receivable from Participants – Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses when they are incurred. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Payments of Benefits – Benefits are recorded when paid.

Expenses – Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Certain expenses paid from Plan assets are proportionately allocated to the accounts of all participants in the Plan. Such expenses include fees for investment advisory and recordkeeping services. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation/depreciation of fair value of investments.

NOTE 3 – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under the *Fair Value Measurements and Disclosures* topic of the Financial Accounting Standards Board Accounting Standards Codification ("FASB ASC") are described as follows:

COIT SERVICES, INC. EMPLOYEE SAVINGS & RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2023

NOTE 3 – FAIR VALUE MEASUREMENTS (Continued)

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used by the Plan for assets measured at fair value as of December 31, 2023 and 2022:

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective Trust Funds: Valued at the NAV of units of a common collective trust fund. The NAV, as provided by the investment company, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (issuances and redemptions) may occur daily. If the Plan initiates a redemption of the collective trust, the issuer reserves the right to temporarily delay withdrawal in order to ensure that securities liquidations will be carried out in an orderly business manner.

NOTE 3 – FAIR VALUE MEASUREMENTS (Continued)

The preceding valuation methods may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan's management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

In accordance with fair value measurement guidance, investments in pooled separate accounts that are measured at fair value using the net asset value per share (or its equivalent) practical expedient are not required to be classified in the fair value hierarchy.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments measured at fair value as of December 31, 2023 and 2022:

NOTE 4 – CERTIFIED INVESTMENT INFORMATION

The Plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Empower Trust Company, LLC (“Empower Trust”), the custodian of the Plan, and Empower Annuity Insurance Company of America (“Empower Insurance”), an insurance company who maintains certain Plan assets under a guaranteed interest account, have certified to the completeness and accuracy of all investments and notes receivable from participants reflected on the Statements of Net Assets Available for Benefits, and in Notes 3 and 5, as of December 31, 2023 and 2022, the supplemental Schedule H – Line 4i: Schedule of Assets (Held at End of Year) as of December 31, 2023 and the related investment activity and interest income earned on the notes receivable from participants reflected in the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2023.

The Plan’s independent public accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

NOTE 5 – GUARANTEED INTEREST ACCOUNT

As part of the Group Variable Funding Agreement with Massachusetts Mutual Life Insurance Company (“MassMutual”) over which Empower Insurance has been granted power of attorney, the Plan entered into a fully benefit-responsive investment contract (“Guaranteed Interest Account”). MassMutual maintains the contributions in a general account. The account is credited with earnings based on an annual interest rate of no less than 1.00% which is reset annually and charged for participant withdrawals and administrative expenses. The issuer is contractually obligated to repay the principal and interest that is guaranteed to the Plan. There are no reserves against contract value for credit risk of the contract issuer or otherwise.

The contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by MassMutual, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawals or transfer of all or a portion of their investment at contract value.

The Plan’s ability to receive amounts due is dependent on the issuer’s ability to meet its financial obligations. The issuer’s ability to meet its contractual obligations may be affected by future economic and regulatory developments.

The contract does not allow transfers and surrender of the Guaranteed Interest Account prior to the termination of the contract if the amount of any transfer or surrender from the Guaranteed Interest Account in any 12 month period exceeds 1/6th of the Guaranteed Interest Account value as of the most recent month-end value from one year prior, unless MassMutual consents to the transfer or surrender. This restriction does not apply to benefit payments.

There were no unfunded commitments as of December 31, 2023 and 2022.

NOTE 6 – TAX STATUS

The Plan is a defined contribution plan designed to qualify as a tax-exempt plan under the IRC. The Plan adopted a pre-approved defined contribution plan that has received an opinion letter June 30, 2020, in which the Internal Revenue Service (“IRS”) stated that the pre-approved defined contribution plan and related trust are designed in accordance with the applicable requirements of the IRC. The Plan has not received a separate determination letter; however, the plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC, and; therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

NOTE 6 – TAX STATUS (Continued)

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the federal and state taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 7 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

NOTE 8 – RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

The Plan's assets are managed and held by an affiliate of Empower Retirement. Empower Retirement executes investment transactions, and therefore, these transactions qualify as party-in-interest transactions.

NOTE 9 – CONCENTRATIONS

As of December 31, 2023 and 2022, two and four investments accounted for approximately 23% and 44%, respectively, of total investments. Additionally, as of December 31, 2023 and 2022, the aggregate of the target date funds was 26% and 24%, respectively, of total investments.

NOTE 10 – RISKS AND UNCERTAINTIES

The Plan provides for various investment options in any combination among the funds sponsored by the Plan. Investment securities are exposed to various risks, such as interest rate, market fluctuations and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in investment values in the near term would materially affect the participants' account balances and the amounts reported in the accompanying Statements of Net Assets Available for Benefits.
