Independent Auditors' Report

To the Board of Trustees of
Glaziers & Glassworkers Local No. 660
Individual Account Plan
Cheektowaga, New York

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Glaziers & Glassworkers Local 660 Individual Account Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statement or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised and subject to periodic examination by a state or federal agency, provided that the statement or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with

generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of the Plan for the year ended December 31, 2023 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Glaziers & Glassworkers Local No. 660
Individual Account Plan
Notes to Financial Statements

1. Description of Plan

The following description of the Glaziers & Glassworkers Local No. 660 Individual Account Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General – The Plan is a profit-sharing pension plan, administered by the Board of Trustees, covering union members of Glaziers & Glassworkers Local No. 660 (the “Local Union”). The Plan was established effective January 1, 1986 and is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (“ERISA”).

The Plan has implemented regulations applicable to employee benefit plans under the Coronavirus Aid, Relief, and Economic Security Act (the “CARES Act”) during the year ended December 31, 2021.

The Plan has implemented regulations applicable to employee benefit plans under the Setting Every Community Up for Retirement Enhancement Act (the “SECURE Act”) during the year ended December 31, 2022.

Contributions and Funding Policy – The Plan is funded by contributions from participating employers under provisions of collective bargaining agreements with the Local Union. Participating employers contributed \$0.60 to \$8.67 and \$0.45 to \$8.87 per hour worked to members’ individual participant accounts, as defined by trade, at December 31, 2023 and 2022, respectively. Participating employers contributed \$0.50 to \$2.00 per hour worked to Apprentice members’ individual participant accounts at December 31, 2023 and 2022, respectively, depending on years enrolled in the apprenticeship program.

Participant Accounts – Individual accounts are maintained for each Plan participant. Participant accounts are increased by contributions made on behalf of participants by participating employers, and the participant’s share of any Plan earnings. Participant accounts are decreased by participant distributions and the participant’s share of any Plan expenses and losses. The allocation of expenses to participant accounts is based on the value of an individual account in relation to the total assets of the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account. At December 31, 2023 and 2022, net assets available for benefits were allocated to 703 active and 40 terminated participants, and 756 active and 45 terminated participants, respectively. Investment allocations within individual accounts are participant-directed.

Rollovers – Effective January 1, 2022 an amendment was adopted to allow for rollovers into the Plan by participants who are no longer employees.

1. Description of Plan (continued)

Vesting – Participants have a vested right to employer contributions made on their behalf with respect to hours of service worked once three years of service have been accumulated with a participating employer.

If a participant terminates employment and incurs five consecutive one-year breaks in service, the non-vested portion of the account will be forfeited. If employment is subsequently resumed prior to incurring the five one-year breaks in service, the value of the account will be restored.

Payment of Benefits – The Plan provides for retirement benefits upon attainment of age 65 (normal retirement), and early retirement benefits the first month following attainment of age 55, provided the retiree has completed ten years of service under the Plan. Normal retirement benefits are payable at the retiree's discretion in the form of a single lump-sum, a joint and survivor annuity, or other form of annuity. Early retirement benefits are paid in a single lump-sum distribution. Death benefits are paid to beneficiaries equal to the deceased participant's vested account balance at the time of death. Hardship distributions are available up to the lesser of 100% of the vested interest in the participant's account or the amount necessary to satisfy the immediate and financial need of the participant.

As of December 31, 2021, an amendment was adopted to include the provisions of the CARES Act, which waives all required minimum distributions for calendar year 2020, provides participants with penalty-free access to their balances up to \$100,000 subject to certain eligibility criteria if distributed prior to January 1, 2021.

As of November 15, 2022, an amendment was adopted to allow for Qualified Birth or Adoption Distributions ("QBAD") which allows for a distribution up to \$5,000 per child or adoptee as a QBAD whether or not the Participant has severed employment.

Forfeitures – The non-vested balances of participant accounts, for those participants who have terminated employment, are forfeited upon the occurrence of five consecutive one-year breaks in service. The Plan's Board of Trustees determines when and in what manner to reallocate forfeitures. Forfeitures totaled \$108,572 and \$4,681 during the years ended December 31, 2023 and 2022, respectively.

Plan Termination – In the event of termination of the Plan, after payment of all obligations and administrative expenses, the assets of the Plan are to be allocated by the Board of Trustees in accordance with the provisions of the Plan and ERISA.

2. Summary of Significant Accounting Policies

Tax Status – The Plan obtained its latest determination letter from the Internal Revenue Service, dated January 11, 2017, stating that the Plan is qualified under Section 401(b)(3) of the Internal Revenue Code (the “Code”). The Plan Administrator and the Plan’s tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Code and, accordingly, the Plan is qualified pursuant to the applicable Code section, and the related trust income is exempt from income taxes. Accordingly, no provision for income taxes has been included in the accompanying financial statements.

Basis of Accounting – The accompanying financial statements of the Plan are prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Employer Contributions Receivable – Contributions receivable from participating employers are recorded at net realizable value. Management closely monitors outstanding balances and estimates uncollectability based on specific existing economic conditions. Upon management’s determination of uncollectability, the specific outstanding balance or portion of outstanding balance of such account is written off through the allowance for potentially uncollectible employer contributions. At December 31, 2023 and 2022, there were no amounts determined to be uncollectible by Plan management.

Investment Valuation and Income Recognition – Plan investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 5 for discussion of fair value measurements. Plan investments are administered by Hand Benefits and Trust Company (“Hand”), the Trustee of the Plan (the “Plan Trustee”). The fair market value of the mutual funds is based upon quoted market prices. The fair market value of the collective investment trust is valued at the net asset value (“NAV”) of units of a collective trust. NAV, as provided by the Plan Trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities.

The Plan presents, in the accompanying statements of changes in net assets available for benefits, the net appreciation (depreciation) in fair value of investments, which includes both realized gains and losses and unrealized appreciation (depreciation) in the fair value of investments. Realized gains and losses on disposition of investments are based upon actual costs and selling prices.

For Form 5500 reporting purposes, realized gains and losses are computed by comparing the investments’ current value at the beginning of the Plan year, or their cost, if acquired during the Plan year, to their sales price.

2. Summary of Significant Accounting Policies (continued)

Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Payment of Benefits – Benefits are recorded when paid.

Administrative Expenses – Expenses necessary to administer the Plan are paid for by the Plan. Fees paid were based on customary and reasonable rates for such services.

Risks and Uncertainties – Investments are exposed to various risks, such as interest rate, credit and market risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amount reported in the statements of net assets available for benefits and the statements of changes in net assets available for benefits.

Use of Estimates – The preparation of financial statements in accordance with accounting principles generally accepted in the United State of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Subsequent Events – Management of the Plan has evaluated subsequent events, for recognition or disclosure, through June 27, 2024, the date the Plan's financial statements were available to be issued, and determined that no additional recognition or disclosure was necessary.

3. Significant Concentrations

During the year ended December 31, 2023, the Plan had four major contributing employers which accounted for \$1,046,582, or 74.9% of total employer contributions. Contributions receivable from these major employers amounted to \$91,303 or 75.6%, or total employer contributions receivable at December 31, 2023.

During the year ended December 31, 2022, the Plan had three major contributing employers which accounted for \$717,529, or 40.1% of total employer contributions. Contributions receivable from these major employers amounted to \$132,917, or 53.7%, or total employer contributions receivable at December 31, 2022.

4. Investments

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor (“DOL”) Rules and Regulations for Reporting and Disclosure under ERISA for the years ended December 31, 2023 and 2022. Accordingly, the Plan Trustee has certified that the following data included in the accompanying financial statements and supplemental schedule of assets (held at end of year) is complete and accurate.

	<u>2023</u>	<u>2022</u>
Fair value at end of year		
Collective investment trust	\$ 272,799	\$ 152,935
Mutual funds	<u>26,403,875</u>	<u>22,327,657</u>
Total fair value at end of year	<u>\$ 26,676,674</u>	<u>\$ 22,480,592</u>
Total net investment income (loss)	<u>\$ 4,603,687</u>	<u>\$ (5,552,612)</u>

5. Fair Value Measurements

FASB ASC Topic 820, *Fair Value Measurement*, provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure the fair value of the Plan’s assets. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

- **Level 1 Inputs** – Unadjusted quoted prices in active markets for identical, unrestricted assets or liabilities that are accessible at the measurement date.
- **Level 2 Inputs** – Quoted prices for similar assets or liabilities in active markets or quoted prices for identical or similar assets or liabilities in markets that are not active. This level also includes inputs other than quoted prices that are observable, either directly or indirectly, for substantially the full term through corroboration with observable, independent market data. This includes investments valued at quoted prices adjusted for legal or contractual restrictions specific to the security. There were no assets of the Plan that utilized Level 2 inputs as its primary measure of fair value at December 31, 2023 and 2022.

Glaziers & Glassworkers Local No. 660
Individual Account Plan
Notes to Financial Statements (continued)

5. Fair Value Measurements (continued)

- **Level 3 Inputs** – Pricing inputs are unobservable for the asset or liability. That is, inputs that reflect the reporting entity’s own assumptions about the assumptions that market participants would use in pricing the asset or liability. There were no assets of the Plan that utilized Level 3 inputs as its primary measure of fair value at December 31, 2023 and 2022.

The asset or liability’s fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Committee. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following table presents the fair value of the Plan’s assets as of December 31:

	<u>2023</u>	<u>2022</u>
Level 1:		
Mutual funds	\$ <u>26,403,875</u>	\$ <u>22,327,657</u>
Total investments within the fair value hierarchy	26,403,875	22,327,657
Investments measured at NAV:		
Collective investment trust	<u>272,799</u>	<u>152,935</u>
Total investments at fair value	<u>\$ 26,676,674</u>	<u>\$ 22,480,592</u>

Investments Measured at Net Asset Value – Included in investments measured at net asset value is the MetLife Stable Value Solutions Fund (“Stable Value Fund”). The Stable Value Fund seeks to provide income while preventing price fluctuations and tends to invest in high-quality bonds with short to intermediate term maturities. The Stable Value Fund also purchases insurance contracts which aim to provide price stability on a day-to-day basis. The fund is invested 100% in the MetLife Group Annuity Contract No. 25554.

5. Fair Value Measurements (continued)

This contract is comprised of four separate accounts: the MetLife Aggregate Bond Index Separate Account, the Wilmington Short/Intermediate Bond Separate Account, the Wilmington Broad Market Bond Separate Account, and the Lord Abbett Short Fixed Income Separate Account.

6. Related Party Transactions

The Plan is a party to an expense sharing agreement with Painters District Council No. 4 Health & Welfare ("PDC4 H&W"), Glaziers & Glassworkers Local No. 660 Supplemental Unemployment Benefits Trust Fund ("Local No. 660 SUB") and Painters District Council No. 4 Finishing Trades Institute of Western & Central New York ("PDC4 FTI") for shared office and administrative expenses. Administrative expenses, other than salaries and benefits that are not specifically attributable to a particular party, are to be shared proportionally based on actual use by each party. Utilities, salaries and benefits are to be allocated based on percentages outlined in the expense sharing agreement. For the years ended December 31, 2023 and 2022, administrative expense reimbursements totaled \$13,779 and \$7,200, respectively.

Employers' remittance of contributions are received by PDC4 H&W and reciprocated back to the Plan monthly. As of December 31, 2023 and 2022, the Plan was owed \$126,387 and \$115,675, respectively, for employer contributions received by PDC4 H&W. These amounts are unsecured and non-interest bearing and expected to be paid in the subsequent Plan year.
