INDEPENDENT AUDITOR'S REPORT

To the Trustee of the
Whitley Penn 401(k) Profit Sharing Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Whitley Penn 401(k) Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note D to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, which raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

Auditor's Responsibilities for the Audit of the Financial Statements - continued

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, which raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedule, Schedule H, line 4i - Schedule of Assets (Held at End of Year) for the year ended December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

Other Matter - Supplemental Schedules Required by ERISA - continued

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

WHITLEY PENN 401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2023 and 2022

A. Description of Plan

General

The following description of the Whitley Penn 401(k) Profit Sharing Plan (the “Plan”) provides only general information. The Plan is sponsored by Whitley Penn LLP (the “Partnership” or the “Plan Sponsor”). Participants should refer to the Plan document for a more complete description of the Plan’s provisions. The Partnership’s offices are located throughout Texas and New Mexico.

The Plan is a defined contribution plan established May 16, 1988, covering substantially all employees of the Partnership, upon commencement of their employment, who are at least 21 years of age and are not:

- Non-resident aliens;
- Independent contractors or interns;
- Leased employees;
- Union members.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”), as amended.

Contributions

Participant:

Participants may elect to contribute a percentage or a flat dollar amount of their eligible compensation into the Plan after the eligibility requirements are met. After 30 days of employment, unless participants elect otherwise, all employees automatically contribute 3% of eligible compensation to the Plan. This percentage will annually automatically increase by 1%, up to 8%, of eligible compensation unless the participant elects otherwise. For contributions withheld from compensation, the percentage, or flat dollar amount, is subject to an annual limit of the lesser of 100% of eligible compensation, or \$22,500 and \$20,500, the maximum annual salary deferral contribution limit as set forth by the Internal Revenue Code (“IRC”), for 2023 and 2022, respectively, in a calendar year. Participants may enroll or change their contribution election as of the beginning of each pay period. Some, or all, of a participant’s contribution may be designated as a Roth Deferral Contribution. Roth Deferral Contributions are made on an after-tax basis; however, such contributions will not be taxed at the time of a distribution. All participants who were eligible to make salary deferral contributions under the Plan, and who have attained age 50 before the close of the Plan year, were eligible for catch-up contributions of up to \$7,500 and \$6,500 during 2023 and 2022, respectively. Participants may also make rollover contributions from other qualified plans.

WHITLEY PENN 401(k) PROFIT-SHARING PLAN

NOTES TO FINANCIAL STATEMENTS *(continued)*

A. Description of Plan - continued

Contributions - continued

Employer:

The Partnership may contribute to the Plan a discretionary matching percentage of salary deferrals, which percentage will be determined each year and applied to participants' accounts each payroll period. There was no match made during 2023 and 2022.

The Partnership may also contribute to the Plan a discretionary profit-sharing contribution in an amount to be determined at the Plan year-end by the Management Committee. Profit-sharing contributions made to the Plan by the Partnership will be allocated to each participant's account in the ratio that a participant's compensation bears, to the total eligible compensation paid to all eligible participants. During years in which the Plan is considered top heavy, the profit-sharing contribution will only be allocated to non-key participants and will be at least 3% of eligible compensation. In 2023 and 2022, the Partnership made discretionary profit-sharing contributions, net of forfeitures, of approximately \$3,432,000 and \$3,166,000, respectively.

Participant Accounts

Each participant's account is credited with the participant's elective contribution, employer contributions, and earnings thereon. Allocations are based on participant earnings or account balances as defined in the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately fully vested in their salary deferral contributions, plus actual earnings thereon and in all other accounts, if the participant dies, becomes disabled, or retires while an employee of the Partnership. Vesting in the Partnership's discretionary matching and profit-sharing contribution portion of accounts due to termination for reasons other than those previously mentioned is as follows:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than two (2) years	0%
Two (2) years	20%
Three (3) years	40%
Four (4) years	60%
Five (5) years	80%
Six (6) or more years	100%

WHITLEY PENN 401(k) PROFIT-SHARING PLAN

NOTES TO FINANCIAL STATEMENTS *(continued)*

A. Description of Plan - continued

Vesting - continued

A year of service, for vesting purposes, is defined as a Plan year in which the employee completes an entire calendar year of service.

Investment Options

Upon enrollment in the Plan, a participant may direct employer and participant contributions of any percentage into a variety of investment options, which vary in degree of risk. Participants may change their investment options daily.

Forfeitures

Forfeitures can be used to reduce the Partnership's contributions or pay plan expenses. In 2023 and 2022, Partnership contributions were reduced by approximately \$180,000 and \$232,000, respectively, from previously forfeited balances, in accordance with the Plan document. Unallocated forfeitures were approximately \$32,000 and \$39,000 at December 31, 2023 and 2022, respectively.

Benefit Payments

Participants withdrawing during the year for reasons of minimum required distribution at age 72, disability, retirement, death, or termination of employment are entitled to their vested account balance. If withdrawing participants are not entitled to their entire account balance, the amounts not received are forfeited. Benefit payments are made in the form of a lump-sum payment or direct rollovers into an Individual Retirement Account or another qualified plan. In-service withdrawals are available to participants who meet certain hardship requirements or attain age 59½.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000, up to a maximum amount equal to the lesser of \$50,000 or 50%, of their vested balance. A participant may have up to three notes outstanding at a time; however, the total outstanding balance of all notes may not exceed the lesser of \$50,000 or 50% of the participant's vested balance. Note repayments must be made over a five-year period unless it is for the purchase of a principal residence, in which case the note repayment period may not exceed beyond 15 years from the date of the note. Maturities range from 2024 to 2038 as of December 31, 2023. Notes receivables are secured by the participant's account and bear interest at the prime rate + 1%. Interest rates on outstanding notes ranged from 4.25% to 10.50% at December 31, 2023. Principal and interest payments are made through payroll deductions.

Termination of the Plan

Although it has not expressed any intention to do so, the Partnership reserves the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, each participant will become fully vested and the net assets of the Plan would be distributed among the participants in accordance with ERISA.

NOTES TO FINANCIAL STATEMENTS *(continued)*

B. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America (“GAAP”).

Use of Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income

The Plan’s investments are stated at fair value. Shares of registered investment companies are valued based on the quoted market prices of the shares held by the Plan at year end. The fair value of investments in the common/collective trust is determined periodically by Fidelity based upon the current fair value of the underlying assets of the fund based on quoted market prices. Investment gains and losses are accounted for using the average cost basis of the securities sold. These investments are subject to market or credit risks customarily associated with debt and equity investments.

The net realized and unrealized gains and losses on investments include realized gains and losses on sales of investments during the year and unrealized increases or decreases in the market value of investments held at year end. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

The Plan provides for investments in various investment securities which, in general, are exposed to various risks such as interest rate, credit, and overall market volatility risk. Further, due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such change could materially affect the amounts reported in the financial statements.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Employees of the Partnership perform certain administrative functions with no compensation from the Plan. Generally, most Plan expenses are paid by the Partnership and are not reflected in the accompanying financial statements, but a portion of expenses paid by the Plan are reflected in the accompanying financial statements.

WHITLEY PENN 401(k) PROFIT-SHARING PLAN

NOTES TO FINANCIAL STATEMENTS *(continued)*

B. Summary of Significant Accounting Policies - continued

Contributions

Contributions from the Partnership and participants are accrued as they become obligations of the Partnership, as determined by the Plan's administrator, and in the period in which they are deducted, in accordance with salary deferral agreements.

C. Fair Value Measurements

GAAP defines fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date and establishes a three-tier hierarchy that is used to identify assets and liabilities measured at fair value. The hierarchy focuses on the inputs used to measure fair value and requires that the lowest level input be used. The three levels defined in GAAP are as follows:

- Level 1 – observable inputs that are based upon quoted market prices for identical assets or liabilities within active markets.
- Level 2 – observable inputs other than Level 1 that are based upon quoted market prices for similar assets or liabilities, based upon quoted prices within inactive markets, or inputs other than quoted market prices that are observable through market data for substantially the full term of the asset or liability.
- Level 3 – inputs that are unobservable for the particular asset or liability due to little or no market activity and are significant to the fair value of the asset or liability. These inputs reflect assumptions that market participants would use when valuing the particular asset or liability.

GAAP requires that we describe the methodologies used to measure the fair value of assets and liabilities. These methodologies were consistently applied to all assets and liabilities carried as of December 31, 2023 and 2022. We have described below the methodology used to measure each major category of assets and liabilities.

- Registered investment companies are valued at the total market value of the underlying assets provided by the administrator of the Plan and are classified within Level 1 of the valuation hierarchy.
- The common/collective trust fund is measured using the fair value reported by Fidelity and is classified within Level 2 of the valuation hierarchy. Additionally, the common/collective trust is composed primarily of fully benefit-responsive investment contracts and is valued at the NAV of units of the common/collective trust, which was a \$1.00 per unit readily determinable fair value as of December 31, 2023 and 2022.

WHITLEY PENN 401(k) PROFIT-SHARING PLAN

NOTES TO FINANCIAL STATEMENTS *(continued)*

C. Fair Value Measurements - continued

The following table presents the fair value of financial instruments as of December 31, 2023 and 2022, by type of asset and by the GAAP valuation hierarchy described above. The Plan has no assets or liabilities that are classified as Level 3 as of December 31, 2023 and 2022.

Total investments at fair value	<u>\$105,966,143</u>	<u>\$ 2,938,539</u>	<u>\$108,904,682</u>

	December 31, 2022		
	Level 1	Level 2	Total
Registered investment companies	\$ 87,609,197	\$ -	\$ 87,609,197
Common/collective trust fund	-	7,862,899	7,862,899
Total investments at fair value	<u>\$ 87,609,197</u>	<u>\$ 7,862,899</u>	<u>\$ 95,472,096</u>

D. Certified Investments

The plan administrator elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the plan administrator limited auditing procedures with respect to the investment information certified by Fidelity Management Trust Company, which included total investments as of December 31, 2023 and 2022, the total investment income, including net realized and unrealized gains (losses) on investments for the years ended December 31, 2023 and 2022, and all information included in the supplemental Schedule H, line 4i – Schedule of Assets (Held at End of Year).

E. Tax Status

The Plan has adopted the DWC The 401(k) Experts Pre-Approved Profit Sharing/Money Purchase/CODA plan, which is a non-standardized prototype plan. The Plan has received a favorable advisory letter from the IRS dated June 30, 2020, stating that the written form of the plan is acceptable under Section 401(a) of the IRC and that any employer adopting this plan document will be considered to have a plan qualified under Section 401(a) of the IRC. Once qualified, the Plan is required to operate in conformity with the IRC to maintain its qualification.

The plan administrator believes the Plan has been operated in compliance with the applicable requirements of the IRC and, therefore, the Plan and the related trust are exempt from taxation.

WHITLEY PENN 401(k) PROFIT-SHARING PLAN

NOTES TO FINANCIAL STATEMENTS *(continued)*

E. Tax Status - continued

GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2023, there are no uncertain positions taken, or expected to be taken, that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

F. Party-in-Interest

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50% or more of such an employer or employee organization, or relatives of such persons.

The Plan invests in shares of registered investment companies and a common/collective trust fund managed by Fidelity, who acts as trustee for the Plan's investments. Transactions in such investments, as well as loans made to participants, qualify as party-in-interest transactions, which are exempt from the prohibited transaction rules.

G. Subsequent Events

In preparing the Plan's financial statements, the Plan Sponsor has evaluated all subsequent events and transactions for potential recognition or disclosure through September 23, 2024, the date the financial statements were available for issuance.
