Scope and Nature of the ERISA Section 103(a)(3)(C) Audits

We have performed the audits of the financial statements of the Booster Fuels, Inc. 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022 and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2023 and 2022 and for the year ended December 31, 2023, stating the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- the information in the accompanying financial statements related to assets held by and certified to by the qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to the participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audits* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters we identified during the audit.

Other Matter—Supplemental Schedule Required by ERISA

The supplemental schedule included in the accompanying table of contents is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by the qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Booster Fuels, Inc. 401(k) Plan

Notes to Financial Statements

1. Description of the Plan

Booster Fuels, Inc. established the Booster Fuels, Inc. 401(k) Plan (the Plan), effective January 1, 2018, to provide participants with a means to fund their retirement on a tax-deferred basis. The Plan was most recently amended and restated, effective January 1, 2022. The following description of the Plan provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General:

The Plan is a defined contribution plan under Sections 401(a) and 401(k) and related provisions of the Internal Revenue Code (the Code) and applicable state laws. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Company is the Plan sponsor and Pentegra Services, Inc. (Pentegra) is the Plan administrator. Pentegra assists with selecting investment options, monitoring investment performance and general Plan compliance. Empower Trust Company, LLC (Empower) serves as the Plan's trustee and record keeper. Empower holds, invests and reinvests Plan assets in the interest and direction of the participants and their beneficiaries.

Eligible Participants:

Eligible employees of the Company, as defined by the Plan agreement, may participate in the Plan upon the first day of the month coinciding with the completion at least two months of service.

Contributions:

Participants are permitted to make voluntary pre-tax salary deferral and post-tax contributions up to 90% of their annual eligible compensation, as defined in the Plan agreement. Participants who have reached the age of 50 may also elect to withhold additional "catch-up" contributions under the Code. Participants may also contribute amounts representing distributions from other qualified defined contribution or defined benefit plans (rollovers).

The Plan provides for automatic enrollment on the date a participant becomes eligible to participate in the Plan. The automatic pre-tax salary contributions for eligible participants is 4% of their compensation, unless the participants request a different amount to be contributed or decline participation.

The automatic salary deferral contribution will increase by 1% annually, not to exceed 10%, at the beginning of the subsequent Plan year after automatic enrollment occurred. Participants may adjust their deferral rate or discontinue their contributions at any time.

Booster Fuels, Inc. 401(k) Plan

Notes to Financial Statements

1. Description of the Plan (continued)

Contributions: (continued)

The Company may make discretionary nonelective contributions to the Plan, as determined by the Board of Directors; however, no Company contributions have been made through December 31, 2023.

Contributions are subject to certain limitations under the Code.

Participant Accounts:

Participant accounts are credited with participant contributions and rollovers, Company contributions, if any, and an allocation of Plan net earnings or losses. Allocations are based on participant earnings or account balances, in accordance with the Plan agreement. The benefit to which participants are entitled is the benefit that can be provided from the participant accounts.

Participants may elect to invest their accounts in a variety of participant-directed investment options offered by the Plan that are designed to provide the participants with a wide range of investment options. Participants may authorize transfers among investment options at any time.

Vesting:

Participants are fully (100%) vested in their contributions and any discretionary nonelective Company contributions made on a participant's behalf, plus actual earnings (less any losses) thereon.

Notes Receivable from Participants:

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant notes are reclassified as distributions based upon the terms of the Plan agreement.

Participants may borrow up to one-half of their account balances, a minimum of \$500 and not to exceed \$50,000, for a period not to exceed five years, except for notes used to purchase a primary residence for which terms of up to thirty years are permitted. Participant notes are evidenced by a written note, secured by the balance in the participant's account, and bear interest at a rate commensurate with local prevailing rates, as determined by the Plan administrator under the Plan's note policy. The interest rates on the notes outstanding at December 31, 2023 range from 5.25% to 10.50%. Repayment of principal and interest is generally made through payroll deductions.

Note receivable transactions with participants qualify as party-in-interest transactions. These party-in-interest transactions are exempt from the prohibited transaction rules under ERISA.

1. Description of the Plan (continued)

Liability for Corrective Distributions:

The liability for corrective distributions represents contributions made by certain participants that must be refunded for the Plan to comply with applicable non-discrimination tests. The December 31, 2022 liability of \$16,600 related to non-discrimination test failures was refunded in 2023.

Payment of Benefits:

On termination of service for any reason, participants may receive benefits in a lump-sum cash distribution equal to the value of the participant's account, in partial withdrawals, or in regular cash installment payments of their choice. Participants who have reached age 59.5 may take in-service withdrawals of their account balances. Accounts above \$5,000 may be automatically distributed to individual retirement accounts on behalf of the participants without participant approval. Accounts below \$5,000 may be distributed directly to participants without participant approval. Benefits are recorded when paid.

Plan Expenses:

Several of the investment fund options are subject to investment fees based on a percentage of invested assets, as disclosed in the fund's prospectus. These fees are charged directly against the fund's investment performance and, thus, are not separately disclosed in the Plan's financial statements. Certain account maintenance, benefit payment and note fees are charged to the Plan and allocated to participant accounts. All other administrative expenses related to the Plan are paid by the Company and are not reflected in these financial statements.

Risks and Uncertainties:

Participants may invest their account balances in a variety of investment options offered by the Plan. Investments are exposed to various risks, such as interest rate, market fluctuation and credit risks. Due to the level of risk associated with certain investment options offered by the Plan, it is at least reasonably possible changes in risk in the near term could materially affect participant account balances and the amounts reported in the statement of net assets available for benefits.

Plan Termination:

Although it has not expressed any intent to do so, the Company has the right under the Plan agreement to terminate the Plan at any time, subject to the provisions of ERISA. In the event of a Plan termination, participants would remain fully vested in their accounts and distributions would be made to participants as described in the Plan agreement.

2. Summary of Significant Accounting Policies

Basis of Accounting:

The financial statements of the Plan are prepared on the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

Use of Estimates:

The preparation of financial statements in conformity with GAAP requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investments:

The Plan's investments consist of mutual funds and a common/collective trust, and are accounted for as follows:

Mutual Funds: These funds are valued at the net asset value (NAV) of shares held by the Plan at year end, as quoted in active markets.

Common Collective Trust: The Plan invests in a fully benefit-responsive investment contract through the Invesco Stable Value Trust – Class A1 (the Fund) offered by Invesco Trust Company (Invesco). The Fund is reported at contract value as determined by Invesco. Contract value is the amount participants would receive if they were to initiate permitted transactions with the Fund under the terms of the Plan agreement.

There are certain Company-initiated events that could limit the ability of the Plan to transact at contract value with the Fund. These events include Plan termination, Company bankruptcy, reorganization or merger, and income tax disqualification of the trust that forms a part of the Plan. These events would allow Invesco to terminate the contract with the Plan and settle at an amount different from contract value. If one of these events was to occur, the wrapper contract issuer could terminate the wrapper contract at the fair value of the underlying investments.

The Plan administrator does not believe any events that would limit the Plan's ability to transact at contract value with Plan participants or Invesco are probable of occurring.

2. Summary of Significant Accounting Policies (continued)

Fair Value Measurement:

The Plan uses a three-level hierarchy for fair value measurement based on the nature of inputs used in the valuation of an asset or liability at the measurement date. The three-level hierarchy prioritizes, within the measurement of fair value, the use of market-based information over entity-specific information. Fair value focuses on an exit price and is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The inputs or methodology used for valuing financial instruments are not necessarily an indication of the risk associated with those instruments.

The three-level hierarchy for fair value measurement is defined as follows:

Level I: Inputs to the valuation methodology are quoted prices (unadjusted) for identical assets or liabilities in active markets.

Level II: Inputs to the valuation methodology include quoted prices for similar assets and liabilities in active markets, and inputs that are observable for the asset or liability, either directly or indirectly, for substantially the full term of the financial instrument.

Level III: Inputs to the valuation methodology, which are significant to the fair value measurement, are unobservable.

A financial instrument's categorization within the fair value hierarchy is based upon the lowest level of input that is significant to the fair value measurement.

The Plan's mutual funds are recorded at fair value and are classified within Level I of the fair value hierarchy at December 31, 2023 and 2022. The Fund, reported at contract value, is excluded from the fair value hierarchy under GAAP.

Income Recognition:

Purchases and sales of investments are recorded on a trade date basis. Interest income is recorded on the accrual method of accounting. Dividends are recorded on the ex-dividend date. Net appreciation includes gains and losses on the Plan's investments bought, sold or held during the year.

3. Information Prepared and Certified by Empower

Empower, as the Plan's trustee, has certified the fair value of investments and net income that were used in the preparation of the financial statements and supplemental schedule. The following table summarizes the certified information at:

	December 31,	
	<u>2023</u>	<u>2022</u>
Mutual funds	\$ 3,636,437	\$ 2,663,089
Common collective trust	<u>81,465</u>	<u>102,503</u>
Total certified investments	3,717,902	2,765,592
Notes receivable from participants	<u>89,293</u>	<u>37,913</u>
Total certified assets	<u>\$ 3,807,195</u>	<u>\$ 2,803,505</u>
Certified net income	<u>\$ 559,120</u>	

4. Income Tax Status

The Plan is a non-standardized pre-approved plan offered by Pentegra. The Internal Revenue Service (IRS) has determined and informed Pentegra by a letter dated June 30, 2020, that the plan submitted for review was qualified under applicable provisions of the Code. The Plan has been amended since receipt of the letter. The Plan sponsor and Pentegra believe the Plan is designed and is currently being operated in compliance with the applicable requirements of the Code and related state statutes and is, therefore, qualified and the trust that forms a part of the Plan is exempt from federal and state income taxes.

GAAP requires Plan management to evaluate income tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain income tax position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the income tax positions taken by the Plan and has concluded, at December 31, 2023, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes Plan years after 2020 remain open to income tax examinations.

5. Subsequent Events

Effective April 1, 2024 the Plan was amended as the Plan sponsor terminated their relationship with Pentegra.

Subsequent events have been evaluated through October 1, 2024, which is the date the financial statements were approved by the Plan administrator and available to be issued.
