## **Independent Auditors' Report**

### **To the Administrator of the South Miami Pharmacy Retirement Plan**

#### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the accompanying financial statements of South Miami Pharmacy Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of South Miami Pharmacy Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2023 and 2022 and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

#### **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section -

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of South Miami Pharmacy Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about South Miami Pharmacy Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditors' Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of South Miami Pharmacy Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about South Miami Pharmacy Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### Supplemental Schedules Required by ERISA

The supplemental schedules of: (1) Schedule H, Part IV, Line 4a – Schedule of Delinquent Participant Contributions for the year ended December 31, 2023 and (2) Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2023 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- the form and content of the supplemental schedules, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **South Miami Pharmacy Retirement Plan**

Notes to Financial Statements

December 31, 2023

### **1. Plan Description**

The South Miami Pharmacy Retirement Plan (the “Plan”) is the retirement plan for SMP Acquisition Co. including its participating affiliates South Miami Pharmacy, Inc., SMP Pharmacy Solutions, LLC, North Ridge Plaza Pharmacy and SMP Mid-Atlantic (collectively the “Company”). The following description provides only general information. The Plan document should be consulted for a more complete description of the Plan’s provisions.

#### ***General***

The Plan is a defined contribution plan with a 401(k) and profit-sharing feature covering eligible employees of the Company who are 21 years of age and older. The Plan adopted an automatic enrollment feature to enroll eligible employees into the Plan. The initial participant contribution is 3% of gross pay. Accounts of participants who do not affirmatively elect investment options for their account will be invested in the default investment alternatives established under the Plan. Participants can opt out of the automatic enrollment feature or change their contribution amount or investment allocation at any time. Participants are eligible to receive safe harbor and profit-sharing contributions following their completion of one year of service (consisting of 1,000 hours of service within one employment year) if they are still employed by the Company at year end. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). The plan administrator oversees governance of the Plan, determines the appropriateness of the Plan’s investment offerings and monitors investment performance.

#### ***Contributions***

Each year, participants may contribute eligible pretax compensation, as defined by the Plan, up to the maximum allowed by law. Participants are also permitted to make contributions as “Roth” contributions. In addition, participants may contribute distributions from other qualified plans (rollovers). The Plan has elected to be constituted as a safe harbor plan, which requires a qualified nonelective contribution in an amount equal to 3% of the participant’s eligible compensation. The Plan provides for, at the discretion of the Company’s management, an additional profit-sharing contribution. For the year ended December 31, 2023, the Company has elected to make no profit-sharing contribution. All participant and Company contributions are subject to limitations by law. All contributions are participant directed and can be redirected daily.

#### ***Participant Accounts***

Each participant’s account is credited with the participant’s contributions, the Company’s safe harbor contributions and allocations of discretionary contributions and Plan earnings (and losses) and charged with the participant’s withdrawals or distributions and an allocation of administrative expenses. Allocations are based on participant account balances as defined in the Plan document. The benefit to which a participant is entitled is the participant’s vested account.

## **South Miami Pharmacy Retirement Plan**

### **Notes to Financial Statements**

December 31, 2023

#### **1. Plan Description (*continued*)**

##### ***Vesting***

Participants are immediately vested in their contributions and in any Company safe harbor contributions plus actual earnings thereon. Participants' vesting in the Company's discretionary profit-sharing contribution portion of their accounts plus actual earnings thereon is based on years of service. A participant vests 20% after two years of credited service (consisting of 1,000 or more hours of service) and each year thereafter, until 100% vested after six years of credited service.

##### ***Notes Receivable from Participants***

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Participants are allowed a maximum of two notes outstanding at one time. The maximum of \$50,000 will be reduced by the highest outstanding note balance they had during the previous one-year period. Loans require repayment within no more than 5 years. The loans are secured by the balance in the participant's account and bear interest at 1% over the Prime Rate published in the Wall Street Journal on the first business day of the month the loan is originated. Principal and interest must be paid ratably through payroll deductions or otherwise in at least equal quarterly installments.

##### ***Forfeited Accounts***

Forfeited accounts are amounts forfeited by participants who have terminated their employment and who have withdrawn from the Plan. At December 31, 2023 and 2022 forfeited non-vested accounts totaled \$19,593 and \$14,500. Forfeitures will be used to reduce employer contributions. For the year ended December 31, 2023, forfeitures of \$20,656 were used to reduce employer matching contributions and employer matching contributions receivable.

##### ***Payment of Benefits***

Upon termination of service due to disability or retirement, a participant, or his or her beneficiary, may elect to receive one of the following forms of payment equal to the value of the participant's vested interest in his or her account: 1) Lump sum; 2) Life annuity; 3) Survivor annuity; or 4) partial distribution. In those cases where the vested balance, excluding rollovers, is less than \$5,000, a participant will receive the value of the vested interest as a lump sum distribution.

## **South Miami Pharmacy Retirement Plan**

### **Notes to Financial Statements**

December 31, 2023

## **2. Summary of Significant Accounting Policies**

### ***Basis of Accounting and Use of Estimates***

The financial statements of the Plan are prepared using the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP") which requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

### ***Fair Value Measurements***

The Plan follows U.S. GAAP guidance on *Fair Value Measurements*, which defines fair value and establishes a fair value hierarchy organized into three levels based upon the input assumptions used in pricing assets. Level 1 inputs have the highest reliability and are related to assets with unadjusted quoted prices in active markets. Level 2 inputs relate to assets with other than quoted prices in active markets which may include quoted prices for similar assets or liabilities or other inputs which can be corroborated by observable market data. Level 3 inputs are unobservable and are used to the extent that observable inputs do not exist.

Pursuant to U.S. GAAP guidance, alternative investments where fair value is measured using the net asset value ("NAV") per share as a practical expedient is not categorized within the fair value hierarchy.

### ***Investment Valuation and Income Recognition***

For the year ended December 31, 2023, all of the Plan's investments are stated at fair value except for the group annuity contract, which is valued at contract value. Pooled separate accounts are reported at the value reported to the Plan by the insurance company, which represents the fair value of the underlying investments comprising the accounts. Registered investment companies held by the Plan are valued at fair value based on the daily closing price as reported by the funds. All of the registered investment companies are open-ended and are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The registered investment companies of the Plan are deemed to be actively traded. The common/collective trusts are valued at the NAV, as provided by the trustee, which is used as a practical expedient for fair value based on the fund's underlying investments. The practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. The group annuity contract is valued at contract value, which represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses.

### **Notes to Financial Statements**

December 31, 2023

## **2. Summary of Significant Accounting Policies *(continued)***

### ***Investment Valuation and Income Recognition (continued)***

For the year ended December 31, 2022, all of the Plan's investments are stated at fair value except for the group annuity contract, which is valued at contract value. The pooled separate accounts are valued at the NAV of units held by the Plan. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less liabilities. The practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. The group annuity contract is valued at contract value, which represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is accrued when earned. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

### ***Notes Receivable from Participants***

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2023 and 2022, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

### ***Expenses***

### **Notes to Financial Statements**

December 31, 2023

#### **5. Pooled Separate Accounts**

For the year ended December 31, 2022, the fair value of the investments in the pooled separate accounts are determined by each fund's trustee based on the fair value of the underlying securities within the fund, which represents the NAV of shares held by the Plan at year-end. The investment in the trust is a public investment security valued using the NAV provided by Empower. The NAV is quoted on a private market that is not active; however, the unit price is based on the underlying investments that are traded on an active market. Unit values are determined by dividing the fund's net assets at fair value by its units outstanding at the valuation dates. There are currently no redemption restrictions or unfunded commitments on these investments.

#### **6. Common/Collective Trusts**

The Plan offers 10 common/collective trusts called the Principal LifeTime Hybrid Funds ("Funds"). These Funds include: the Principal LifeTime Hybrid 2020 Fund; the Principal LifeTime Hybrid 2025 Fund; the Principal LifeTime Hybrid 2030 Fund; the Principal LifeTime Hybrid 2035 Fund; the Principal LifeTime Hybrid 2040 Fund; the Principal LifeTime Hybrid 2045 Fund; the Principal LifeTime Hybrid 2050 Fund; the Principal LifeTime Hybrid 2055 Fund; the Principal LifeTime Hybrid 2060 Fund; and the Principal LifeTime Hybrid 2065 Fund.. The unit value of each of these Funds is determined on a daily basis. Units are issued and redeemed at their unit value. Net investment income and realized and unrealized gains and losses on investments are not distributed to participants but are reflected in the unit value. There are no redemption restrictions on these funds. The Plan has no unfunded commitments to these funds at December 31, 2023.

#### **7. MassMutual Group Annuity Contract**

On September 1, 2019, the trustees of the Plan entered into a Group Variable Funding Agreement, (the "Agreement") with Mass Mutual, subsequently acquired by Empower. The accounts covered by the Agreement totaled \$0 and \$2,121,812 at December 31, 2023 and 2022. The Agreement provides for several separate accounts (pooled separate accounts) and one fixed account.

Empower maintains the contributions to the fixed account in a general account. Because the fixed account is benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the fixed account. Contract value represents contributions, plus earnings, less participant withdrawals and administrative expenses. The fixed account totaled \$0 and \$16,869 at December 31, 2023 and 2022.

The value of a participant's interest in the fixed account is the total amounts contributed to the fixed account plus the interest credited. The fixed account earns interest at a rate not less than the Declared Interest Rate (as defined in the Agreement) and not less than the Minimum Guaranteed Interest Rate (as defined in the Agreement). The Minimum Guaranteed Interest Rate is based on a defined formula established by the contract issuer, but may not be less than 1.00%. The Declared Interest Rate as of December 31, 2023 and 2022 was 0% and 1.10%.The Minimum Guaranteed Interest rate is re-determined on an annual basis.

### **Notes to Financial Statements**

#### **7. MassMutual Group Annuity Contract (*continued*)**

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA, and (5) premature termination of the contract. The Plan administrator believes that any events which would limit the Plan's ability to transact at contract value with participants is remote.

The Plan may discontinue the Agreement or request a surrender or partial surrender of the balances at any time.

The credit risk of the issuer, Empower, was evaluated by nationally recognized statistical rating agencies as follows: Moody's Investors Service (Aa3 as of December 2023), A.M. Best (A+ as of December 2023), Standard and Poor's (AA as of December 2023), and Fitch Ratings (AA as of December 2023).

#### **8. Principal Group Annuity Contract**

The Principal Fixed Income Guaranteed Option (the "PFIGO") is a guaranteed general account backed group annuity contract issued by Principal Life Insurance Company. Because the PFIGO is benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the PFIGO. Contract value represents contributions, plus earnings, less participant withdrawals and administrative expenses.

A rate of interest is contractually guaranteed by Principal Life Insurance Company and is credited to participant's account balances. This net crediting rate is after the deduction of fees for administrative and record-keeping services provided to the Plan. The rate is reset on a semiannual basis.

### **Notes to Financial Statements**

#### **8. Principal Group Annuity Contract (*continued*)**

Benefit payments are made at contract value (i.e. no market value adjustments or surrender charge adjustments) for plan benefit events including: retirement, death, disability, termination of employment, loans, withdrawals, or plan termination. An employer level liquidation or employer initiated transfer of the plan's interest in the PFIGO will be subject to either a 12 month advance notice or a 5% surrender charge, whichever the employer chooses. Notification of a plan's intent to terminate its interest may be revoked within 90 days of the receipt of such notice, after which time, the notice becomes irrevocable. A 5% surrender charge will also apply if the cumulative percentage of participant transfers from the PFIGO exceeds 20% of the plan's interest in the contract during the 12 month period immediately preceding the employer-level surrender of the plan's interest in the contract. If this scenario occurs, the surrender charge will be billed to the employer. Management believes no events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

The credit risk of the issuer, Principal Life Insurance Company, was evaluated by nationally recognized statistical rating agencies as follows: Moody's Investors Service (A1 as of July 2024), A.M. Best (A+ as of March 2024), Standard and Poor's (A+ as of April 2024), and Fitch Ratings (AA- as of June 2024).

#### **9. Party-in-Interest Transactions**

For the year ended December 31, 2023, certain investments of the Plan are managed by Principal Trust Company, Principal Life Insurance Company or Principal Global Investors Trust Company, all of whom are members of Principal Financial Group. Principal Trust Company is the trustee as defined by the Plan and, therefore, these transactions qualify as exempt party-in-interest transactions under ERISA.

For the year ended December 31, 2022, certain investments of the Plan are managed by Mass Mutual, acquired by Empower. Empower is the trustee as defined by the Plan, and, therefore, these transactions qualify as exempt party-in-interest transactions under ERISA.

Participants who are active employees may borrow from their accounts and such loans qualify as exempt party-in-interest transactions under ERISA. These loans are recorded as notes receivable from participants in the statements of net assets available for benefits.

Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan.

### 10. Prohibited Transactions

For the 2022 and 2023 plan years, the Employer failed to remit to the Plan certain participants' contributions and loan repayments within the period prescribed by the Department of Labor plan asset regulations totaling \$82,534 and \$2,317. Delays in remitting the contributions and loan repayments to the Plan were due to administrative issues. The Employer has made the necessary corrections to satisfy both the Department of Labor and IRS guidance for the 2022 amounts in 2022. The Employer will make the necessary corrections to satisfy both the Department of Labor and IRS guidance for the 2023 amounts.

### 11. Tax Status

The Internal Revenue Service ("IRS") has determined and informed the prototype document preparer, CCH Incorporated DBA FT William Com, by a letter dated June 30, 2020, that the Plan is designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). Although the Plan has been amended since receiving the opinion letter, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine examinations by taxing jurisdictions for periods since 2020; however, there are currently no examinations for any tax periods in progress.

### **13. Plan Termination**

Although it has not expressed any intent to do so, the Company has the right under the Plan Document, to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts. In the case of a partial termination, only those who separate from service will become fully vested.

### **14. Risks and Uncertainties**

The Plan may invest in various types of investment securities. Investment securities are exposed to various market risks, such as interest rate, market and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statement of net assets available for plan benefits.
