Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l. DCGs do not complete lines 4e, 4f, 4k, 4l, and 5, and DCGs generally complete the rest of Part IV collectively for all plans in the DCG, except as otherwise provided (see instructions).

During the plan year:

	Yes	No	Amount
a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)		☒	
b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)		☒	
c Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)		☒	
d Were there any nonexempt transactions with any party-in-interest? (Do not include transactions reported on line 4a. Attach Schedule G (Form 5500) Part III if "Yes" is checked.)		☒	
e Was this plan covered by a fidelity bond?	☒		500000
f Did the plan have a loss, whether or not reimbursed by the plan's fidelity bond, that was caused by fraud or dishonesty?		☒	
g Did the plan hold any assets whose current value was neither readily determinable on an established market nor set by an independent third party appraiser?		☒	
h Did the plan receive any noncash contributions whose value was neither readily determinable on an established market nor set by an independent third party appraiser?		☒	
i Did the plan have assets held for investment? (Attach schedule(s) of assets if "Yes" is checked, and see instructions for format requirements.)	☒		
j Were any plan transactions or series of transactions in excess of 5% of the current value of plan assets? (Attach schedule of transactions if "Yes" is checked and see instructions for format requirements.)	☒		
k Were all the plan assets either distributed to participants or beneficiaries, transferred to another plan, or brought under the control of the PBGC?		☒	
l Has the plan failed to provide any benefit when due under the plan?		☒	
m If this is an individual account plan, was there a blackout period? (See instructions and 29 CFR 2520.101-3.)		☒	
n If 4m was answered "Yes," check the "Yes" box if you either provided the required notice or one of the exceptions to providing the notice applied under 29 CFR 2520.101-3.			

5a Has a resolution to terminate the plan been adopted during the plan year or any prior plan year? ☒ Yes ☐ No
If "Yes," enter the amount of any plan assets that reverted to the employer this year 0.

Independent Auditor's Report

Board of Trustees
Local 422 Pension Trust Fund

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Local 422 Pension Trust Fund, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits in liquidation as of December 31, 2023 and 2022, the related statements of changes in net assets available for benefits in liquidation for the years then ended, the statement of accumulated plan benefits in liquidation as of December 31, 2022, and the related statement of changes in accumulated plan benefits in liquidation for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Local 422 Pension Trust Fund's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2023 and 2022, and for the years then ended, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Emphasis of Matter

As further discussed in Note 7 to the financial statements, the Plan terminated effective January 1, 2010, due to the mass withdrawal of all remaining employers from the Plan. In accordance with U.S. generally accepted principles, the accompanying financial statements are presented using the liquidation basis of accounting. Our opinion is not modified with respect to this matter.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Local 422 Pension Trust Fund and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Local 422 Pension Trust Fund's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Local 422 Pension Trust Fund's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Local 422 Pension Trust Fund's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules include Schedule H, Line 4i – Schedule of Assets (Held at End of Year), as of December 31, 2023, and Schedule H, Line 4j – Schedule of Reportable Transactions, for the year ended December 31, 2023, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

LOCAL 422 PENSION TRUST FUND
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE 1 – DESCRIPTION OF PLAN

The following description of the Local 422 Pension Trust Fund (the “Plan”) provides only general information. Participants should refer to the plan document for a more complete description of the Plan’s provisions.

General

The Plan is a multiemployer collectively bargained defined benefit pension plan covering individuals that were represented by Ice, Coal, Miscellaneous Scrap Metal, Auto Wrecking and Smelting Drivers & Workers, Local Union No. 422 affiliated with the International Brotherhood of Teamsters, Chauffeurs, Warehousemen & Helpers of America (the “Union”). It is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

The Plan is administered by a Board of Trustees. The Plan’s Board of Trustees has overall responsibility for the operation and administration of the Plan. The Plan’s Board of Trustees determines the appropriateness of the Plan’s investment offerings and monitors investment performance. Effective January 1, 2010, the Plan’s Board of Trustees declared a mass withdrawal under the provisions set forth in ERISA and terminated the Plan.

Recently Adopted Accounting Pronouncement

In June 2016, the Financial Accounting Standard Board (“FASB”) issued Accounting Standards Update (“ASU”) 2016-13, *Financial Instruments - Credit Losses* (Topic 326), which is effective for the year ended December 31, 2023. This new standard provides financial statement users with more decision-useful information about the expected credit losses on financial instruments and other commitments to extend credit held by a reporting entity at each reporting date. The standard replaced the incurred loss impairment model with a methodology that reflects expected credit losses and requires consideration of a broader range of reasonable and supportable information to inform credit loss estimates. The standard had no material impact on the Plan’s financial statements.

Pension Benefits

Participants who retired after July 1, 2006, with at least five years of vesting service, are eligible to receive normal retirement benefits at age 65 (62 if retired prior to July 1, 2006). A participant’s monthly benefit shall be reduced by 0.75% for each calendar month the retirement benefit begins before reaching the normal retirement age, as defined in the plan document. Participants are eligible to receive early retirement benefits at age 55, provided they have 30 years of vesting service and their termination of Covered Employment, as defined in the plan document, occurs on or after January 1, 2001.

Disability Benefits

Participants who have been totally and permanently disabled since on or before December 31, 2010, and had at least five years of vesting service, were eligible to retire on a disability pension. The monthly amount of the disability pension benefit was equal to the normal retirement benefit at the time payment began. Effective July 1, 2011, no new disability benefits are available to participants.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting and Presentation

The Plan adopted the liquidation basis of accounting effective January 1, 2010 and the accompanying financial statements of the Plan have been prepared on this basis, which does not materially differ from the accrual basis of accounting.

The Plan follows authoritative guidance issued by the FASB, which established the FASB Accounting Standards Codification (“ASC”) as the single source of authoritative accounting principles generally accepted in the United States of America.

Reclassification

Certain accounts in the prior year financial statements have been reclassified for comparative purposes to conform with the presentation in the current year financial statements.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein; disclosure of contingent assets and liabilities; and the actuarial present value of accumulated plan benefits at the date of the financial statements, and changes therein. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan’s Board of Trustees determines the Plan’s valuation policies utilizing information provided by the investment adviser and custodian. See Note 6 for discussion of fair value measurements.

Purchases and sales of securities are recorded on the trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in fair value of investments includes the Plan’s gains and losses on investments bought and sold as well as held during the year.

Employer Withdrawal Liability

The Plan’s actuary calculated a net withdrawal liability totaling approximately \$6,140,000, which included amounts due from each of its contributing employers. Employers are required to pay the Plan in quarterly installments. Due to the quarterly payments being lower than the quarterly assessed interest, the employers are making these payments in perpetuity. Management does not believe the principal portion of the assessed withdrawal liability will be collected; therefore, there is no employer withdrawal liability receivable.

Cash

The Plan considers all highly liquid investments with original maturities of three months or less to be cash. The plan maintains its cash account at a national financial institution. The balance, at times, may exceed federally-insured limits. There were no amounts in excess of the federally-insured limits as of December 31, 2023 and 2022.

Payment of Benefits

Benefit payments to participants are recorded upon distribution.

Subsequent Events

The Plan has evaluated subsequent events through October 3, 2024, the date the financial statements were available to be issued.

NOTE 3 – FUNDING POLICY

The Plan was funded by employer contributions pursuant to collective bargaining agreements. The contributions were designed to fund the Plan's service costs on a current basis and to fund the past service liabilities arising from qualifying services. Due to the mass withdrawal, employers ceased contributions to the Plan and a withdrawal liability was assessed. The Plan's funding is achieved through investment earnings and interest payments made by employers that are subject to the withdrawal liability.

NOTE 4 – INFORMATION PREPARED AND CERTIFIED BY CUSTODIAN

The following information related to investments, which is disclosed in the accompanying financial statements and supplemental schedules, was obtained from data prepared and certified as complete and accurate by Key Bank, the custodian of the Plan, as of December 31, 2023 and 2022, and for the years then ended:

	December 31,	
	2023	2022
Net assets available for benefits:		
Registered investment companies	\$ 15,586,866	\$ 16,041,438
Money market fund	500,727	216,483
	Years Ended December 31,	
	2023	2022
Additions to net assets:		
Net appreciation in fair value of investments	\$ 1,986,617	\$ -
Dividend income	249,383	225,892
Interest income	153,925	119,099
Deduction from net assets:		
Net depreciation in fair value of investments	\$ -	\$ 3,576,336

NOTE 5 - ACTUARIAL PRESENT VALUE OF ACCUMULATED PLAN BENEFITS

Accumulated plan benefits are those future periodic payments, including lump sum distributions that are attributable under the Plan's provisions to the service participants have rendered. Accumulated plan benefits include benefits expected to be paid to (a) retired or terminated participants or their beneficiaries, (b) beneficiaries of participants who have died, and (c) present participants or their beneficiaries. The accumulated plan benefits for active participants are based on their accrued credited service as of the benefit information date. Benefits payable under all circumstances – retirement, death, disability, and termination of employment – are included to the extent they are deemed attributable to participant service rendered to the valuation date.

The actuarial present value of accumulated plan benefits is determined by an independent actuary and is the amount that results from applying actuarial assumptions to adjust the accumulated plan benefits to reflect the time value of money (through discounts for interest) and the probability of payment (by means of decreases such as for death, disability, withdrawal or retirement) between the valuation date and the expected date of payment.

The significant actuarial assumptions used in the valuation as of December 31, 2022 were as follows:

- i Interest rate: 3.90% for 20 years following the valuation date and 3.65% thereafter.
- ii Mortality rate: Rates published by the PBGC for December 31, 2022 under ERISA Section 4044 for healthy and disabled lives.
- iii Retirement age: Earliest eligible retirement age per ERISA Section 4281.12(b).
- iv Benefit election: All participants are assumed to elect the normal form of payment based on their assumed marital status.
- v Administrative expenses: \$10,000, plus \$200 per vested participant, plus the excess of the vested benefit liability over \$200,000, multiplied by a percentage (as defined in the statute).

NOTE 6 – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- a) Quoted prices for similar assets or liabilities in active markets;
- b) Quoted prices for identical or similar assets or liabilities in inactive markets;
- c) Inputs other than quoted prices that are observable for the asset or liability;
- d) Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023, and 2022.

1. Registered investment companies: Valued at the daily closing price as reported by the fund. The mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.
2. Money market fund: Valued at cost plus accrued interest, which approximates fair value.

The following tables set forth, by level within the fair value hierarchy, the fair value Plan's assets as of December 31:

Assets at Fair Value as of December 31, 2023				
	Level 1	Level 2	Level 3	Total
Registered investment companies	\$ 15,586,866	\$ -	\$ -	\$ 15,586,866
Money market fund	500,727	-	-	500,727
Investments at fair value	<u>\$ 16,087,593</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 16,087,593</u>
Assets at Fair Value as of December 31, 2022				
	Level 1	Level 2	Level 3	Total
Registered investment companies	\$ 16,041,438	\$ -	\$ -	\$ 16,041,438
Money market funds	216,483	-	-	216,483
Investments at fair value	<u>\$ 16,257,921</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 16,257,921</u>

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in different fair value measurements at the reporting date.

NOTE 7 – PLAN TERMINATION

At January 1, 2009, the Plan was certified as being in critical status as defined in the Pension Protection Act of 2006 (PPA). In response to this, the Plan's Board of Trustees declared a mass withdrawal under the provisions set forth in ERISA and terminated the Plan effective December 30, 2009. Thereafter, the Plan's Board of Trustees agreed to amend the Plan to effectuate the Plan termination based on a mass withdrawal. The amendment, effective January 1, 2010, allowed the remaining contributing employers to withdraw from participation in the Plan.

Additional provisions of the amendment were as follows:

- i. Effective December 31, 2009, no participant shall accrue any further benefits under the Plan. The accrued benefit for each participant shall be frozen as of December 31, 2009.
- ii. No employer shall have any further obligation under any collective bargaining agreement to make any contributions to the Plan.
- iii. No participant shall be credited with any service for employment after December 31, 2009.
- iv. As of December 31, 2009, all participants in the Plan are vested in their accrued benefits earned as of such date and these benefits shall not be forfeited.
- v. No participant shall earn any further years of eligibility service or further hours of service related to the Plan.

Certain benefits under the Plan are insured by the PBGC. Generally, the PBGC guarantees most vested normal age retirement benefits, early retirement benefits, and certain disability and survivor's pensions. However, the PBGC does not guarantee all types of benefits under the Plan, and the amount of benefit protection is subject to certain limitations. Vested benefits under the Plan are guaranteed at the level in effect on the date of the Plan's termination.

The PBGC's guarantee of benefits in a terminated multiemployer plan, payable as financial assistance to the Plan, only starts if and when the Plan is unable to make payments at the statutorily guaranteed levels. Whether all participants receive their benefits will depend on the sufficiency of the Plan's net assets to provide for accumulated benefit obligations and the level of benefits guaranteed by the PBGC.

NOTE 8 – TAX STATUS

The Plan obtained its latest determination letter on January 8, 2016, in which the Internal Revenue Service ("IRS") states that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code ("IRC"). The Plan has been amended since receiving the determination letter. However, the Plan Administrator believes that the Plan is designed and being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 9 - RELATED-PARTY AND PARTY-IN-INTEREST TRANSACTIONS

The Plan reimburses Local 400 Terminal Employees Welfare Fund (the “Welfare Fund”) for expenses incurred by the Welfare Fund in administering the Plan. These expenses include an allocation of salary, benefits, and taxes paid by the Welfare Fund based on the amount of time spent administering the Plan. For the years ended December 31, 2023 and 2022, the Plan paid \$33,383 and \$35,632, respectively, for these services. These expenses are included in the *administrative fees* on the accompanying statements of changes in net assets available for benefits in liquidation.

The Plan’s expenses include various amounts reimbursed to Commission House Drivers, Helpers and Employees Union Local No. 400 (the “400 Union”) for occupancy costs incurred in the normal course of the Plan’s operations. Reimbursements to the 400 Union, for the years ended December 31, 2023 and 2022, totaled \$2,321 and \$2,383, respectively, and are included in *office expense* on the accompanying statements of changes in net assets available for benefits in liquidation.

The Plan maintains its cash, money market, and investments in accounts held by Key Bank, the custodian of the Plan. These transactions qualify as party-in-interest transactions under ERISA. The Plan has several other arrangements with service providers, which are also party-in-interest transactions under ERISA.

NOTE 10 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect the amounts reported in the statements of net assets available for benefits.
