INDEPENDENT AUDITORS' REPORT

To the Administrative Committee of the
OEC Group 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of OEC Group 401 (k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of OEC Group 401 (k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section-

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of OEC Group 401(k) Plan Employee Benefit Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about OEC Group 401(k) Plan Employee Benefit Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud

or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of OEC Group 401(k) Plan Employee Benefit Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about OEC Group 401(k) Plan Employee Benefit Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of Assets (Held at End of Year) at December 31, 2023 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion-

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a Reliance Trust agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

OEC GROUP 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

1. DESCRIPTION OF THE PLAN

The following description of the OEC Group (the “Company”) 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General

The Plan was established on January 1, 2009 for the benefit of the employees of the Company. The Plan is a defined contribution plan covering all full-time employees of the Company who have reached the age of 21 or older and have completed 3 months of service. The Plan was created under Section 401(k) of the Internal Revenue Code and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Contributions

The amount of the Company’s contributions to the Plan is subject to the limitations imposed by law on the maximum amount which can be contributed. The Company’s matching contribution is equal to the lesser of the participants’ contributions or 3% of their annual compensation. Employees are eligible to join and receive the Company’s matching contribution if they have completed 3 months of service and have attained age 21. The Company’s gross contribution for the year ended December 2023 and 2022 was \$646,094 and \$721,318, respectively.

A participant can make voluntary pretax contributions to the Plan provided that such contributions do not exceed 90% of the participant’s gross compensation for the year, subject to certain limitations imposed by the Internal Revenue Code (“IRC”). Eligible Participants can contribute a maximum of \$22,500 for the 2023 Plan year. Participants who have attained age 50 before the end of the Plan year are eligible to make up to an additional \$7,500 catch-up contribution to the Plan for 2023.

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

1. DESCRIPTION OF THE PLAN (CONTINUED)

Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of the Company's matching contribution. Plan earnings (losses) are allocated based on participant account balances, as defined. The benefit to which a participant is entitled is the benefit that could be provided from the participant's vested account.

Participants' Investment Options

Participants must direct their salary deferral contributions and the Company's match contributions, if any, to selected investments made available and determined by the plan administrator. Participants may change their investment options at any time via telephone or internet access to ADP, LLC. Participants direct the investment of their contributions into various investment options offered by the Plan.

Vesting

Employee contributions to the Plan are fully vested upon receipt by the Plan. Vesting in the Company's matching contribution portion of their accounts is determined under the following schedule and is based on vesting years (or periods) of service.

Years of Service	Vesting Percentage
less than 1	0%
1	0%
2	20%

6	100%

OEC GROUP 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

1. DESCRIPTION OF THE PLAN (CONTINUED)

Notes Receivable from Participants

Participants may borrow from their accounts up to a maximum equal to the lesser of: \$50,000 or 50% of their vested account balance. However, the participant may not request a loan for less than \$1,000. The maximum number of notes receivable that participants may have outstanding at any one time is one. Loans must be repaid within five years unless the loan is for the purchase of a primary residence. The note receivable is secured by the balance in the participant's account and bears interest at the prime rate plus 1%. The prime rate is determined based upon the prime rate of interest that is published in the Wall Street Journal on the 14th day of each month. Principal and interest is paid ratably through payroll deduction or other repayment options, which are determined by the plan administrator.

Payment of Benefits

A distribution can be made upon request to a participant due to his/her disability, retirement or termination of employment, and to their beneficiary due to his/her death. The participant or his/her beneficiary will receive a lump-sum amount equal to the value of the participant's vested interest in his or her account.

Forfeitures

At December 31, 2023 and 2022, forfeited non-vested accounts totaled \$33,707 and \$70,414, respectively. These amounts will be used to reduce future employer contributions. Also, in 2023, employer contributions were reduced by \$172,299 from forfeited non-vested accounts.

Plan Termination or Merger

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of the Plan termination, participants would become fully vested with all rights to any amounts in their respective accounts.

OEC GROUP 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the amounts reported in the financial statements and the accompanying notes. Although these estimates are based on management's knowledge of current events and actions it may undertake in the future, they may ultimately differ from actual results.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account. As of December 31, 2023 and 2022, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is eliminated and the delinquent balance of the participant's note receivable is recorded as a benefit payment based on the terms of the Plan document.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Investments in loans to participants are reported at cost, which approximates fair value. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

OEC GROUP 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Administrative Expenses

Administrative expenses, such as the trustee's custodial and administrative fees, are paid by the Plan. Accounting and auditing fees are paid by the Company. Administrative expenses for loans, distributions and withdrawals are paid by the participants.

3. FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, *Fair Value Measurements and Disclosures*, defines fair value as the price that would be received upon sale of an asset or paid upon transfer of a liability in an orderly transaction between market participants at the measurement date and in the principal or most advantageous market for that asset or liability. The fair value should be calculated based on assumptions that market participants would use in pricing the asset or liability, not on assumptions specific to the entity.

FASB ASC 820 specifies a hierarchy of valuation techniques based upon whether the inputs to those valuation techniques reflect assumptions other market participants would use based upon market data obtained from independent sources (observable inputs). In accordance with FASB ASC 820, the following summarizes the fair value hierarchy:

- Level 1 Inputs: Unadjusted quoted market prices for identical assets and liabilities in an active market that the Plan has the ability to access.
- Level 2 Inputs: Inputs, other than the quoted prices in level 1, that are observable either directly or indirectly.

OEC GROUP 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

3. FAIR VALUE MEASUREMENTS (CONTINUED)

Level 3 Inputs: Inputs based on prices or valuation techniques that are both unobservable and significant to the overall fair value measurements.

FASB ASC 820 requires the use of observable market data, when available, in making fair value measurements. When inputs used to measure fair value fall within different levels of the hierarchy, the level within which the fair value measurement is categorized is based on the lowest level input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their net asset value and to transact at that price. The mutual funds held by the plan are deemed to be actively traded.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table presents the Plan's assets and related valuation inputs within the fair value hierarchy utilized to measure fair value as of December 31:

2023	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 21,374,255	\$ -	\$ -	\$ 21,374,255

2022	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 16,441,859	\$ -	\$ -	\$ 16,441,859

OEC GROUP 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

4. INFORMATION CERTIFIED BY THE PLAN'S TRUSTEE

The Plan Administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA as applicable to certain investments. Accordingly, as permitted under such election, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following information certified by Reliance Trust Company (the "Trustee"), except for comparing such information certified by the Trustee to information included in the Plan's financial statements and supplemental schedule.

Reliance Trust Company certified the completeness and accuracy of total investments of \$21,374,255 and \$16,441,859 and total participant notes receivable of \$149,415 and \$172,018 at December 31, 2023 and 2022, respectively, and certified related investment income of \$3,353,089 and interest income on participant notes receivable of \$8,468 for the year ended December 31, 2023.

5. INVESTMENTS

During 2023, the Plan's investments (including investments bought, sold, and held during the year) appreciated in value as follows:

Net appreciation in fair value of mutual funds	\$ 2,808,228
--	--------------

6. INCOME TAX STATUS

The Internal Revenue Service (the "IRS") has determined and informed the Company by a letter dated March 1997, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (the "IRC"). The Plan adopted certain provisions of the Economic Growth and Tax Reconciliation Act of 2001, effective January 1, 2002 as good faith compliance with requirements of the Act.

Accounting principles generally accepted in the United States of America requires the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan does not have any uncertain tax positions.

The Plan is subject to routine audits by the tax authorities; however, there are currently no audits for any tax periods in progress. The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2018.

OEC GROUP 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

7. RISKS AND UNCERTAINTIES

The Plan provides for various investment options in several mutual funds. Such investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the values of investment securities, it is at least reasonably possible that changes in the values of the Plan's investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

8. RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500

The following is a reconciliation of participants' contributions per Schedule H of Form 5500 to the financial statements:

Participants' contributions per Schedule H of Form 5500	\$ 2,336,235
Plus: Excess contributions to be paid for the following year	102,603
Less: Prior year contribution received in the current year	(112,962)

Participants' contributions per the financial statements	\$ 2,325,876
--	--------------
