This representation letter is provided in connection with your audits of the financial statements and supplemental schedule of the Sumitomo (SHI) Cryogenics of America, Inc. 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974, as amended ("ERISA"), which comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements (collectively, the "financial statements").

We acknowledge that the audits did not extend to any statements or information related to assets held for investment of the Plan ("investment information") by Reliance Trust Company, the trustee of the Plan, which is a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, a qualified institution, that prepared and certified the investment information in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. We acknowledge our election to have ERISA Section 103(a)(3)(C) audits does not affect our responsibility for the financial statements. We have determined that ERISA Section 103(a)(3)(C) audits are permissible under the circumstances. We have also determined that the investment information is prepared and certified by a qualified institution as described in 29 CFR 2520.103-8, that the certifications meet the requirements of 29 CFR 2520.103-5, and that the certified investment information is appropriately measured, presented, and disclosed in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

The purpose of an ERISA Section 103(a)(3)(C) audit is to express an opinion on whether the amounts and disclosures in the financial statements and supplemental schedule, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with U.S. GAAP and that the information regarding assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the certified investment information.

Certain representations in this letter are described as being limited to matters that are material. Items are considered to be material, regardless of size, if they involve an omission or misstatement of accounting information that, in light of surrounding circumstances, makes it probable that the judgment of a reasonable person relying on the information would be changed or influenced by the omission or misstatement. An omission or misstatement that is monetarily small in amount could be considered material as a result of qualitative factors.

We confirm, to the best of our knowledge and belief, as of October 4, 2024, the following representations made to you during your audits.

Financial Statements

1. We have fulfilled our responsibilities, as set out in the terms of the audit engagement letter dated November 6, 2023, including our responsibility for the preparation and fair presentation of the financial statements.

16. For the 2023 Plan year, the authorized discretionary profit sharing contribution was 2% of base compensation for eligible participants. The Plan sponsor contributed \$194,870 for the year ended December 31, 2023 for the discretionary profit sharing contribution.

 - f. All minutes of the meetings of committees or trustees related to the Plan or summaries of actions of recent meetings for which minutes have not yet been prepared.
 - g. Communications from regulatory agencies concerning noncompliance with, or deficiencies in, financial reporting practices, regulatory filings or other matters related to the Plan.
18. All material transactions have been recorded in the accounting records and are reflected in the financial statements.
19. We have disclosed to you the results of our assessment of the risk that the financial statements may be materially misstated as a result of fraud.
20. We have no knowledge of any fraud or suspected fraud that affects the Plan and involves:
 - a. Plan management,
 - b. Employees who have significant roles in internal control, or

- c. Others where the fraud could have a material effect on the financial statements.
- 21. We have no knowledge of any allegations of fraud or suspected fraud affecting the Plan's financial statements communicated by employees, former employees, participants, regulators, beneficiaries, service providers, third-party administrators, or others.
- 22. We have obtained the SOC 1 report from our service organization, ADP. We have reviewed such report, including the complementary user controls. We have implemented the relevant user controls, and they were in operation for the year ended December 31, 2023.
- 23. We have no knowledge of any instances of noncompliance or suspected noncompliance with laws and regulations (including ERISA, DOL, and Internal Revenue Service ("IRS") regulations) whose effect should be considered when preparing the financial statements.
- 24. We have disclosed to you the names of all of the Plan's related parties and parties-in-interest and all the related-party and party-in-interest relationships and transactions, including any side agreements.
- 25. The Plan has satisfactory title to all owned assets, which are recorded at fair value, except as disclosed in the financial statements. All liens, encumbrances, or security interests requiring disclosure in the financial statements have been properly disclosed.
- 26. We have no—
 - a. Plans or intentions that may materially affect the carrying value or classification of assets and liabilities.
 - b. Intentions to terminate the Plan.
- 27. Amendments to the Plan instrument, if any, have been properly recorded or disclosed in the financial statements.
- 28. The Plan has complied with all aspects of contractual agreements that would have a material effect on the financial statements in the event of noncompliance.
- 29. The methods and significant assumptions used to estimate fair values of financial instruments, including nonreadily marketable securities, are as follows:

Mutual funds:

Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common collective trust:

A common collective trust is valued at the net asset value or equivalent based on units of the common collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is generally based on the fair value of the underlying investments held by the common collective trust less its liabilities. This practical expedient is not used when it is determined to be probable that the common collective trust will sell the investment for an amount different than the reported NAV. Were the Plan to initiate a full redemption of the common collective trust, the common collective trust reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

The methods and significant assumptions used result in a measure of fair value appropriate for financial measurement and disclosure purposes.

30. We are responsible for the estimation methods and assumptions used in measuring assets and liabilities reported or disclosed at fair value, including information obtained from brokers, pricing services, or other third parties. Our valuation methodologies have been consistently applied from period to period. The fair value measurements reported or disclosed represent our best estimate of fair value as of the measurement date in accordance with the requirements of Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, *Fair Value Measurement*. In addition, our disclosures related to fair value measurements are consistent with the objectives outlined in FASB ASC 820.
31. All required amendments to and filings of Plan documents with the appropriate agencies have been made. Effective May 1, 2022, through the adoption of an Automatic Data Processing non-standardized defined contribution pre-approved plan, the Plan was amended and restated. The IRS issued an opinion letter dated October 6, 2020, stating that the pre-approved defined contribution plan document was designed in accordance with applicable Internal Revenue Code ("IRC") requirements as of that date. Although the Plan has been amended since receiving the opinion letter, management of the Plan believes the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Therefore, the Plan administrator believes the Plan, as amended, is qualified and the related trust is tax-exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2020.
32. The Plan and the trust established under the Plan are qualified under the appropriate section of the IRC and we intend to continue them as a qualified plan and trust. The Plan sponsor has operated the Plan and trust in a manner that did not jeopardize this tax status. Required nondiscrimination testing related to IRC Section 401(k) and 401(m) arrangements, as applicable, has been completed for the Plan, and any excess deferrals or contributions have been disposed of in accordance with regulations.
33. The Plan has complied with the DOL's regulations concerning the timely remittance of participant contributions to trusts containing assets for the Plan.
34. The Plan has complied with the fidelity bonding requirements of ERISA.
35. We have obtained appropriate fee disclosures from covered service providers and have concluded the fees are reasonable. The Plan is in compliance with DOL regulations regarding ERISA Section 408(b)(2).
36. We have apprised you of all communications, whether written or oral, with regulatory agencies concerning the operation of the Plan.
37. We have apprised you of any cybersecurity incidents or related loss contingencies which would materially affect the operation of the Plan.

- 38. All cash and bank accounts and all other properties and assets of the Plan of which we are aware are included in the financial statements as of December 31, 2023.
- 39. Receivables recorded in the financial statements represent valid claims against debtors for transactions arising on or before the date of the statement of net assets available for benefits and have been reduced to their estimated net realizable value.
- 40. All investments are readily marketable, and no restricted securities or derivatives are held. There are no investments in default or considered uncollectible. Provision has been made for any material loss to be sustained in the fulfillment of, or from the inability to fulfill, any investment related to other purchase or sales commitments.
- 41. We acknowledge that administrative expenses paid by the Plan sponsor on behalf of the Plan will not be reimbursed by the Plan.
- 42. We will notify you in advance of our intent to include your report, in whole or in part, in any document other than Form 5500 filed with a regulatory agency or printed, in whole or in part, for any reason, and you will have the opportunity to review such matter before its filing or issuance.

ERISA Required Supplemental Schedules

- 43. We acknowledge our responsibility for the presentation of the ERISA-required supplemental schedules in accordance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. We believe the form and content of Schedule H, Line 4(i) – Schedule of Assets (Held at End of Year) as of December 31, 2023, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
