INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of
Vestmark, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Vestmark, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Vestmark, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution, (Reliance Trust Company) as of and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Vestmark, Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Vestmark, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Vestmark, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Vestmark, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets held at December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Vestmark, Inc. 401(k) Plan
Notes to Financial Statements
December 31, 2023 and 2022

Note 1 - Description of the Plan

The following brief description of the Vestmark, Inc. 401(k) Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan established January 1, 2002, which covers all full-time employees, except hourly paid employees, of Vestmark, Inc. (the Plan Administrator) who elect to participate. All investments are participant directed. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Plan adopted the Automatic Data Processing Prototype 401(k) and Profit-Sharing Plan (Base Plan #6) in July 2014.

As of July 1, 2016, the Plan changed the fiduciary from State Street Bank and Trust Co. to Reliance Trust Company.

As of December 1, 2018, the Plan was amended to include participating employees of a newly acquired company, Adhesion Wealth Advisor Solutions. In addition, the employer matching contributions of the Plan were amended.

Eligibility

All employees in the United States become eligible to participate in the Plan upon reaching the age of 21. Entrance into the Plan is effective the first day of the month following completion of eligibility requirements.

Contributions

Participants may elect to contribute up to ninety percent of their pretax annual compensation subject to annual limitations as provided by the Internal Revenue Code. Participants who have attained the age of 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may direct their contributions among various investment vehicles which include mutual funds and a variety of equity securities. Participants may rollover amounts representing distributions from other qualified defined benefit or defined contribution plans. Roth contributions are allowed beginning January 2020.

The Plan Administrator will make a matching contribution equal to 50% of the participant elective deferral. The Plan Administrator will not match elective deferrals that exceed 8% to each participant's account.

Note 1 - Description of the Plan (continued)

Contributions (continued)

Matching contributions by the Plan Administrator are limited to \$5,000 per year per participant. contribution is in proportion to the participants eligible earnings compared to the total eligible earnings of other employees who will share in the contribution. The nonelective contribution, if made will be at the end of each plan year. The Plan Administrator may elect to make a nonelective contribution to the Plan, although the Plan Administrator is not required to make a nonelective contribution. The participant's share of a nonelective

Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of any Plan Administrator contribution and Plan earnings, and is charged with an allocation of administrative expenses, as applicable. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their elective contributions and actual earnings thereon. The employer matching contributions vest as follows:

Effective November 1, 2023, the Plan's Vesting schedule was amended to:

<u>Years of Service</u>	<u>Vested %</u>
Less than one year	0%
1 year or more	100%

Forfeitures of Accounts

Termination of a participant before being fully vested results in forfeiture of the non-vested portion of the participant's account balance. Forfeitures may be used to reduce the Plan Administrator contribution. The forfeited non-vested account was \$23,611 at December 31, 2023 and \$40,857 at December 31, 2022.

Participant Loans

Participants may borrow from their fund accounts a minimum of \$500, up to a maximum equal to the lesser of \$50,000, or fifty percent of their vested account balance. Loan terms range from 1 to 5 years or up to 10 years for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at a rate of prime plus 2% as determined by the Plan Trustee. Principal and interest are paid ratably through payroll deductions. Participants may only have one loan outstanding at any time.

Note 1 - Description of the Plan (continued)

Payment of Benefits

Hardship withdrawals may be requested if any of the following financial needs are met: (1) medical expenses for the participant, participant's spouse, children or dependents; (2) the purchase of the participant's principal residence; (3) to prevent the participant's eviction from or foreclosure on a principal residence; (4) to pay post-secondary education expenses for the participant, participant's spouse, children or dependents and (5) to pay burial or funeral expenses for family members.

Employees are permitted to withdraw funds from their accounts upon attaining the age of 59-1/2, retirement, termination, financial hardship, disability or death. The participant or beneficiary may elect to receive lump-sum cash payments or installment payments.

Plan Termination

Although management has not expressed any intent to do so, the Plan Administrator has the right under the Plan to discontinue and terminate the Plan subject to the provisions of ERISA. In the event the Plan terminates, any unvested participants will become 100% vested in their accounts.

Administrative Expenses

Certain administrative expenses of the Plan are borne by the Plan Administrator.

Note 2 - Summary of Accounting Policies

Basis of Accounting

The financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Investments

The Plan's investments are valued at fair value based on quoted market price. The mutual funds are valued based upon the net asset value of the underlying assets of the account. The Invesco Stable Asset Fund is in a common collective trust fund that invests primarily in benefit-responsive contracts which is valued at contract value. The contract value represents investments at cost plus accrued interest income less amounts withdrawn to pay benefits. The fair value of the stable value common collective trust fund is based on discounting the related cash flows of the underlying investment contracts based on yields or similar instruments. Participant loans are valued at their outstanding balances, which approximate fair value. Purchases and sales of securities are recorded on a trade date basis. Dividends are recorded on the ex-dividend date and interest income is recorded on the accrual basis.

Note 2 - Summary of Accounting Policies (continued)

Contributions

Employee and employer matching contributions are recorded as the Plan Administrator remits payroll withholdings and match for investment into the funds.

Benefits

Benefits are recorded when paid to participants or beneficiaries.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires that Plan management make estimates and assumptions that affect the reported amounts in the financial statements and accompanying notes. Actual results could differ from those estimates.

Risks and Uncertainties

The Plan provides to participants various investment options consisting primarily of mutual funds. Mutual funds invest in securities, such as, stocks, bonds and fixed rate income securities. Investment securities are exposed to risks including changing interest rates, market fluctuations and credit risks. Due to the level of risk associated with investment securities, it is reasonable to assume that changes in the values of the investment securities will occur and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Concentration of Credit Risk

The Plan's investments are held by Reliance Trust Company, Trustee. The Plan's exposure to credit risk is associated with the entity's non-performance of its fiduciary responsibility relating to those amounts. Benefits provided by the Plan are not insured or guaranteed by the Pension Benefit Guaranty Corporation.

Income Taxes

The Plan is subject to routine audits by federal taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 3 - Investments and Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 and its applicability to the Plan are described:

Level 1 – Pricing inputs are quoted prices available in active markets for identical investments as of the reporting date. As required by the FASB “Fair Value Measurements and Disclosures” topic, the Plan does not adjust the quoted price for these investments, even in situations where the Plan holds a large position and a sale could reasonably impact the quoted price.

Level 2 – Pricing inputs are quoted prices for similar investments, or inputs that are observable, either directly or indirectly, for substantially the full term through corroboration with observable market data. Level 2 includes investments valued at quoted prices adjusted for legal or contractual restrictions specific to these investments.

Level 3 – Pricing inputs are unobservable for the investment, that is, inputs that reflect the reporting entity’s own assumptions about the assumptions market participants would use in pricing the asset or liability. Level 3 includes investments that are supported by little or no market activity.

The asset fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common Collective Trust: Valued at contract value where contract value represents investments at cost plus accrued interest income less amounts withdrawn to pay benefits. The fair value of the common collective trust is based on discounting the related cash flows of the underlying investment contracts based on yields on similar instruments.

Total	<u>\$ 39,741,037</u>	<u>\$ 2,446,705</u>	<u>\$ -</u>	<u>\$ 42,187,742</u>

Note 4 - Income Tax Status

The Plan Administrator has received a determination letter dated October 10, 2020, indicating that the ADP Prototype Standardized Plan and related trust are in accordance with the applicable sections of the Internal Revenue Code.

The Plan Administrator believes the Plan is being operated in compliance with the applicable requirements of the Code and, therefore, believes that the Plan is qualified and the related trust is tax exempt.

Note 5 - Related Party Transactions

Reliance Trust Company, the Trustee as defined by the Plan for calendar year 2023 is considered to be a party-in-interest that is exempt from the prohibited transaction rules, as defined by ERISA.

All trustee fees for 2023 were paid by the Plan Administrator.

Participant loans granted in accordance with the Plan are considered to be party-in-interest transactions.
