Part III Accountant's Opinion

3 Complete lines 3a through 3c if the opinion of an independent qualified public accountant is attached to this Form 5500. Complete line 3d if an opinion is not attached.

a The attached opinion of an independent qualified public accountant for this plan is (see instructions):

(1) ☒ Unmodified (2) ☐ Qualified (3) ☐ Disclaimer (4) ☐ Adverse

b Check the appropriate box(es) to indicate whether the IQPA performed an ERISA section 103(a)(3)(C) audit. Check both boxes (1) and (2) if the audit was performed pursuant to both 29 CFR 2520.103-8 and 29 CFR 2520.103-12(d). Check box (3) if pursuant to neither.

(1) ☒ DOL Regulation 2520.103-8 (2) ☐ DOL Regulation 2520.103-12(d) (3) ☐ neither DOL Regulation 2520.103-8 nor DOL Regulation 2520.103-12(d).

c Enter the name and EIN of the accountant (or accounting firm) below:

(1) Name: **SWALLING & ASSOCIATES, PC**

(2) EIN: **92-0138439**

d The opinion of an independent qualified public accountant is **not attached** as part of Schedule H because:

(1) ☐ This form is filed for a CCT, PSA, DCG or MTIA. (2) ☐ It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l. DCGs do not complete lines 4e, 4f, 4k, 4l, and 5, and DCGs generally complete the rest of Part IV collectively for all plans in the DCG, except as otherwise provided (see instructions).

During the plan year:

	Yes	No	Amount
a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)		☒	
b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)		☒	
c Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)		☒	
d Were there any nonexempt transactions with any party-in-interest? (Do not include transactions reported on line 4a. Attach Schedule G (Form 5500) Part III if "Yes" is checked.)		☒	
e Was this plan covered by a fidelity bond?	☒		500000
f Did the plan have a loss, whether or not reimbursed by the plan's fidelity bond, that was caused by fraud or dishonesty?		☒	
g Did the plan hold any assets whose current value was neither readily determinable on an established market nor set by an independent third party appraiser?		☒	
h Did the plan receive any noncash contributions whose value was neither readily determinable on an established market nor set by an independent third party appraiser?		☒	
i Did the plan have assets held for investment? (Attach schedule(s) of assets if "Yes" is checked, and see instructions for format requirements.)	☒		
j Were any plan transactions or series of transactions in excess of 5% of the current value of plan assets? (Attach schedule of transactions if "Yes" is checked and see instructions for format requirements.)		☒	
k Were all the plan assets either distributed to participants or beneficiaries, transferred to another plan, or brought under the control of the PBGC?		☒	
l Has the plan failed to provide any benefit when due under the plan?		☒	
m If this is an individual account plan, was there a blackout period? (See instructions and 29 CFR 2520.101-3.)		☒	
n If 4m was answered "Yes," check the "Yes" box if you either provided the required notice or one of the exceptions to providing the notice applied under 29 CFR 2520.101-3.			

5a Has a resolution to terminate the plan been adopted during the plan year or any prior plan year? ☐ Yes ☒ No
If "Yes," enter the amount of any plan assets that reverted to the employer this year _____.

Independent Auditor's Report

To the Board of Trustees
ASNA Retirement Plan
Utqiagvik, Alaska

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of ASNA Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of ASNA Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosures under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year the ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section—

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of ASNA Retirement Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and the maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about ASNA Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of ASNA Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about ASNA Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

To the Board of Trustees
ASNA Retirement Plan

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including the form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

ASNA Retirement Plan
Notes to the Financial Statements
December 31, 2023 and 2022

Note 1 – Description of Plan

The following description of ASNA Retirement Plan (the Plan) provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan established by the Arctic Slope Native Association, Ltd. (Plan Sponsor) under the provisions of Section 401(a) of the Internal Revenue Code (IRC), which includes a qualified cash or deferred arrangement as described in Section 401(k) of the IRC, for the benefit of eligible employees of the Plan Sponsor. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan began October 1, 1993 and was subsequently amended and restated effective January 1, 2022 to include amendments required by the Hardship Distribution provisions of the Bipartisan Budget Act of 2018.

The Plan is administered by the Finance Committee, which consists of certain employees of the Plan Sponsor. John Hancock Life Insurance Company (U.S.A.) (John Hancock) and Variable Annuity Life Insurance Company (VALIC) are the custodians of the Plan.

Recent Legislation

The SECURE 2.0 Act of 2022 (SECURE 2.0), signed into law on December 29, 2022, makes significant changes to existing law for retirement plans by building upon provisions in the SECURE Act of 2019. SECURE 2.0 introduces new requirements and considerations for plan sponsors that are intended to expand coverage, increase savings, preserve income, and simplify plan rules and administrative procedures. Each of the provisions in SECURE 2.0 has its own effective date ranging from the date of enactment to 2028 and beyond, with the bulk of the provisions taking effect in 2023 and 2024. The plan has adopted the required minimum distribution at age 73 effective January 1, 2023, and is in the process of evaluating other voluntary provisions. The Plan is required to be amended in regard to other requirements of SECURE 2.0 by December 31, 2025.

Eligibility

Prior to January 1, 2022, all employees who were not covered by a collective bargaining agreement, unless specifically provided in the collective bargaining agreement, were eligible to participate in the Plan. With a plan amendment effective January 1, 2022, employees covered by a collective bargaining agreement, leased employees, employees who are contracted as "locums provider", and employees who are nonresident aliens who received no earned income from the Plan Sponsor, which constitutes income from sources within the United States, are not eligible to participate in the Plan.

All other employees are eligible to participate in the Plan. Employees considered eligible to participate in the Plan are admitted to the Plan on their date of hire.

ASNA Retirement Plan
Notes to the Financial Statements (Continued)
December 31, 2023 and 2022

Note 1 – Description of Plan (Continued)

Contributions

Participants may elect to contribute 401(k) or Roth contributions up to 100% of pretax or after-tax eligible compensation, as defined by the plan document, subject to certain limitations under the IRC. Eligible participants who have attained age 50 may elect an additional catch up contribution, subject to certain limitations under the IRC.

The Plan Sponsor made a safe harbor nonelective contribution of 3% of gross compensation as defined in the plan document in 2023. Profit sharing contributions may be made at the discretion of the Plan Sponsor. Profit sharing contributions, if any, are allocated to participant accounts based on the total eligible compensation paid to all participants. The Plan Sponsor contributed a discretionary amount currently equal to 5% of eligible compensation for all eligible employees in 2023.

Participant Accounts

Individual accounts are valued daily and maintained for each of the Plan's participants to reflect the participant's contributions, the related Plan Sponsor's contributions, and the participant's share of the Plan's income and expenses. Participants may direct their account balance into any of the investment options allowed under the Plan. Participant accounts are valued daily and participants can change their deferral election percentages each payroll cycle.

Notes Receivable from Participants

Participants may borrow from their accounts up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loans may not exceed five years. The notes bear interest at rates equal to 2% points above the prime rate and is fixed over the life of the note. Principal and interest are paid ratably through periodic payroll deductions.

Vesting

Participants receive full and immediate vesting in their safe harbor nonelective contributions. Participants who achieve normal retirement age, who are deceased, or disabled, provided they are employees at such time, are 100% vested in their accounts. Upon termination of employment, for any reason other than those described above, participants are vested in their account value for the profit sharing plan, based upon completed years of service. A participant is 20% vested in their account value for the profit sharing plan per completed year of service and 100% vested after five years of completed service. A year of service is a plan year in which a participant works 1,000 hours or more.

ASNA Retirement Plan
Notes to the Financial Statements (Continued)
December 31, 2023 and 2022

Note 1 – Description of Plan (Continued)

Forfeitures

Forfeited nonvested accounts had a balance of \$358,823 and \$305,134 at December 31, 2023 and 2022, respectively, held in the insurance company general account. Forfeitures can be used to reduce administrative expenses or to reduce employer contributions. If a prior participant returns to service before five consecutive one year breaks in service, the participant must repay any amounts distributed that were Plan Sponsor funded in order to reinstate previously forfeited benefits, if any. Forfeitures totaling \$409,603 and \$220,080 were used to offset 2023 and 2022 employer contributions, respectively.

Benefit Payments

Amounts credited to an individual participant's account are distributed on termination of employment or when a participant dies or becomes disabled, as a lump sum amount equal to the vested value of their account. Distributions may be deferred until the participant reaches the age of 73 if the value of the distribution is not less than \$5,000. However, the plan agreement stipulates that distributions must commence no later than April 1 of the year following the year in which the participant reaches the age of 73. Participants hired before January 1, 2017, may be entitled to receive installment or partial distributions.

Participants may be entitled to receive an in-service distribution limited to two per year.

Note 2 – Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability or an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

ASNA Retirement Plan
Notes to the Financial Statements (Continued)
December 31, 2023 and 2022

Note 2 – Summary of Significant Accounting Policies (Continued)

Investment contracts held by a defined contribution plan are required to be reported at fair value. However, contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the plan.

Purchases and sales of investments are recorded on a trade-date basis. Interest and dividend income is recorded on the accrual basis. Net appreciation includes capital gain distributions and gains and losses on investments bought and sold as well as held during the year. Revenue sharing income represents contractually agreed amounts from John Hancock expense reduction credits received from funds held by the Plan.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 and 2022.

Payments of Benefits

Benefits are recorded as distributions when paid.

Administrative Expenses

The Plan permits the payment of Plan expenses to be made from the Plan's assets. Certain transaction fees specifically related to a participant, such as loan set-up fees, are charged to the participant account. All other administrative expenses, such as the quarterly John Hancock administration and participant distribution fees, including auditing and recordkeeping expenses, are paid by the Company and excluded from these financial statements.

Reclassifications

Certain reclassifications have been made to the 2022 financial statements to confirm to the 2023 presentation.

Subsequent Events

Management has evaluated subsequent events for disclosure in the financial statements through September 23, 2024, which is the date the financial statements were available to be issued.

ASNA Retirement Plan
Notes to the Financial Statements (Continued)
December 31, 2023 and 2022

Note 3 – Information Certified by John Hancock and VALIC

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosures under ERISA. Accordingly, as permitted under such election, the following information contained in the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, was certified by John Hancock and VALIC (the Custodians) to be complete and accurate:

- (a) Pooled separate accounts of insurance company, at fair value, deposit administration account, at contract value, and notes receivable from participants, as shown in the Statements of Net Assets Available for Benefits as of December 31, 2023 and 2022;
- (b) Total investment income and interest on notes receivable from participants, as shown in the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2023; and
- (c) All information included in Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2023, as shown in the ERISA-required supplemental schedule.

Note 4 – Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to un-observable inputs (level 3). The three levels of the fair value hierarchy under Financial Accounting Standards Board Accounting Standards Codification (ASC) 820, *Fair Value Measurements*, are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include –

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from, or corroborated by, observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

ASNA Retirement Plan
Notes to the Financial Statements (Continued)
December 31, 2023 and 2022

Note 4 – Fair Value Measurements (Continued)

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Pooled separate accounts of insurance company. Valued at their fair value which represents the Plan's proportionate share of the total fair value of the net assets of the underlying mutual funds. In determining the total fair value of the net assets of the investment funds, the issuer has valued investments at the quoted closing net asset value (NAV) per share as reported in active public markets.

In accordance with the fair value measurement guidance, investments in pooled separate accounts that are measured at fair value using the NAV per share (or its equivalent) practical expedient are not required to be classified in the fair value hierarchy. All of the investments held by the Plan at December 31, 2023 and 2022, except for the VALIC Fixed Account Plus and Short Term Fixed Account (see Note 5), are pooled separate accounts measured at fair value using the NAV practical expedient and, accordingly, are excluded from the fair value hierarchy.

Fair Value of Investments that Calculate Net Asset Value

The following table summarizes the pooled separate accounts measured at fair value based on NAV per unit as of December 31, 2023 and 2022. There are no unfunded commitments.

	Fair Value at December 31, 2023	Fair Value at December 31, 2022	Unfunded Commitment	Redemption Frequency	Redemption Notice Period
Target risk (a)	31,516,001	\$24,519,397	N/A	Daily	Daily
Aggressive growth (b)	1,827,312	1,838,288	N/A	Daily	Daily
Growth (c)	4,087,080	3,324,622	N/A	Daily	Daily
Other (d)	<u>552,970</u>	<u>814,540</u>	N/A	Daily	Daily
Total investments at NAV	<u>\$ 37,983,363</u>	<u>\$30,496,847</u>			

- a) *Target Risk* –The objective of these portfolios is to provide a diversified mix of stock, bonds, and other investments to create a desired risk profile.
- b) *Aggressive Growth* - The objective of these portfolios is to provide aggressive growth of capital throughout the U.S. and global.
- c) *Growth* - The objective of these portfolios is to provide growth of capital throughout the U.S., Europe, and the Pacific Basin Plan.
- d) *Other* - The objective of these portfolios is based on the underlying investments and varies between high, long-term total return to conservation of capital, current income and long-term growth of capital and income throughout the U.S. and global.

ASNA Retirement Plan
Notes to the Financial Statements (Continued)
December 31, 2023 and 2022

Note 5 –Short Term Fixed Account

The Plan invests in a benefit responsive investment contract (deposit administration account) issued by VALIC through one account (Short Term Fixed Account). The accounts are credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. There are no reserves against contract value credit risk of the contract issuer or otherwise. The average yield and the credit interest rate was 1.00% for 2023 and 2022. The crediting interest rate, which is determined monthly for new contributions and resets on January 1 of each year, is based on an agreed upon formula with the issuer and shall not be less than the lower of either 3.00% or the one month average value of the five year Constant Maturity Treasury Rate reported by the Federal Reserve, rounded to the nearest 1/20th of 1%, for the second quarter during which the certificate for a participants accounts is issued, reduced by 1.25%, and where the resulting interest rate is not less than 1.00%.

There are certain employer-initiated events which could limit the ability of the Plan to transact at contract value with the issuer. The Plan Sponsor does not believe it is probable that the occurrence of any such event which would limit the Plan's ability to transact at contract value with participants.

Note 6 –Tax Status

The Internal Revenue Service (IRS) has determined and informed the Plan's volume submitter sponsor by an opinion letter dated July 30, 2021, that the Non-Standardized Pre-Approved Profit Sharing Plan with CODA sponsored by Pioneer Pension Consulting, LLC which has been adopted by the Plan, is acceptable pursuant to Section 401 of the IRC and in compliance with the applicable requirements of the IRC. The Plan has not requested its own determination letter from the IRS. Although the Plan has been amended since receiving the opinion letter, the Plan Administrator believes the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believes the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that, more likely than not, would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

ASNA Retirement Plan
Notes to the Financial Statements (Continued)
December 31, 2023 and 2022

Note 7 – Related Party Transactions and Party-in-Interest Transactions

Certain Plan investments are shares of investments managed by John Hancock and VALIC, the custodians the Plan. Therefore, investment transactions qualify as party-in-interest transactions as defined by ERISA. Such transactions are permitted under the provisions of the Plan and are exempt from the prohibition of party-in-interest transactions under ERISA. Notes receivable from participants also qualify as exempt party-in-interest transactions.

Note 8 – Plan Termination

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. Upon termination all account balances become fully vested and all remaining assets in the affected participants' accounts shall be distributed to the participants and beneficiaries of the Plan in the order provided by ERISA.

Note 9 – Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. The Plan's exposure to a concentration of risk is dependent upon funds selected by participants. The following table shows details on investments that represent a concentration of greater than 10% of the Plan's investments in either years:

	December 31, 2023		December 31, 2022	
	Balance	% of Investments	Balance	% of Investments
Vanguard Target Retirement 2045	\$ 4,270,302	11%	\$ 3,287,359	11%
Vanguard Target Retirement 2035	4,216,040	11%	3,056,769	10%
Vanguard Target Retirement 2030	*	10%	3,256,111	11%

Due to the concentration of investments denoted above, in addition to the level of risk associated with certain investments, it is at least reasonably possible that changes in the value of investments will occur in the near term and that such changes could materially affect the value of the participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

* Balance did not represent a concentration of 10% or greater to the Plan's investments as of December 31, 2023.
