Nesnah Management Corporation Employees Savings Plan

Financial Statements and Supplemental Schedule

Year Ended December 31, 2023

WIPFLI

Independent Auditor's Report

To the Plan Administrator
Nesnah Management Corporation Employees Savings Plan
La Crosse, Wisconsin

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Nesnah Management Corporation Employees Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Nesnah Management Corporation Employees Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Nesnah Management Corporation Employees Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Nesnah Management Corporation Employees Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Nesnah Management Corporation Employees Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Nesnah Management Corporation Employees Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Nesnah Management Corporation Employees Savings Plan

Notes to the financial statements

Note 1: Description of Plan

The following description of the Nesnah Management Corporation Employees Savings Plan (the "Plan") provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees, excluding those that are leased, union members, and nonresident aliens, of Nesnah Management Corporation, Burrachos LLC, La Crosse Scale LLC, Star Blends LLC, WIScale LLC, Rogan Scale LLC, Valley Scale LLC, and CodaBow LLC, (collectively the "Employer") who are age 18 or older and have been employed for six months, during which time they complete a minimum of 500 hours of service. If the 500 hours of service requirement is not met, participants become eligible after one year of continuous service. Participants enter the plan quarterly. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Contributions

Participants are allowed to make pretax, after-tax, or a combination of pretax/after-tax contributions to the Plan up to their full eligible compensation as defined by the Plan, subject to certain Internal Revenue Service (IRS) limitations. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers). Participants direct the investment of their contributions into various investment options offered by the Plan.

Effective January 1, 2023, the Plan was amended to provide for a fixed Employer matching contribution equal to 50% of the participant's elective deferrals, not to exceed 6% of the participant's compensation, for a maximum possible contribution of 3% of a participant's compensation. The Employer may also make discretionary profit-sharing contributions to eligible Participants. No such contributions were made in 2023.

Participant Accounts

Each participant's account is credited with the participant's contributions, Employer matching contributions and allocations of the Employer's discretionary profit-sharing contribution (if any), and plan earnings (losses). Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Nesnah Management Corporation Employees Savings Plan

Notes to the financial statements

Note 1: Description of Plan (Continued)

Vesting and Forfeitures

A participant is fully and immediately vested in their contributions and rollover contributions, plus actual earnings thereon. A participant is vested in the Employer's matching and discretionary profit-sharing contributions and earnings thereon according to the following schedule:

<i>Years of Service</i>	<i>Vesting %</i>
Less than 1 year	0 %
1 year	20 %
2 years	40 %
3 years	60 %
4 years	80 %
5 years	100 %

At December 31, 2023 and 2022, forfeited nonvested accounts totaled \$14,334 and \$27,031, respectively. Forfeitures of nonvested participant balances are used to reduce Employer contributions or pay Plan expenses in accordance with the plan document. For the year ended December 31, 2023, \$6,250 of Plan expenses were paid from forfeited nonvested accounts and Employer discretionary matching contributions were reduced by \$30,611.

Payment of Benefits

Upon termination of service due to death, disability, or retirement, or upon separation from service with the Employer, a participant will receive a lump-sum amount equal to the value of the participant's vested interest in the participant's account or may receive required minimum distributions as required by the IRS. In-service withdrawals are also permitted from all vested accounts except for rollovers, provided the participant has attained age 59 ½.

Note 2: Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

Use of Estimates in Preparation of Financial Statements

The preparation of financial statements in accordance with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from these estimates.

Nesnah Management Corporation Employees Savings Plan

Notes to the financial statements

Note 2: Summary of Significant Accounting Policies (Continued)

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid by the Plan. Other expenses of maintaining the Plan are paid by the Employer and are excluded from these financial statements. Investment-related expenses are allocated proportionately to plan participants based on their respective account balances and are included in net appreciation in fair value of investments.

Subsequent Events

The Plan has evaluated subsequent events through September 17, 2024, which is the date the financial statements were available to be issued.

Effective January 1, 2024, the Plan Sponsor changed to Nesnah Ventures, LLC (Burrachos LLC, La Crosse Scale LLC, Star Blends LLC, WIScale LLC, Rogan Scale LLC, Valley Scale LLC, and CodaBow LLC are all subsidiaries of Nesnah Ventures LLC). Nesnah Management Corporation has no employees starting January 1, 2024. The Plan name changed to Nesnah Ventures LLC Employee Savings Plan and the plan number changed to 39-2002496 001.

Note 3: Fair Value Measurements

GAAP establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority level; Level 2 inputs consist of observable inputs other than quoted prices for identical assets in active markets (Level 1); Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. There are no plan assets requiring the use of Level 2 or Level 3 inputs for the periods presented.

Note 3: Fair Value Measurements (Continued)

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used as of December 31, 2023 and 2022.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common collective investment trusts: Valued at the NAV of units of an investment trust fund. The NAV, as provided by the fund, is used as a practical expedient to estimate fair value and is based on the fair value of the underlying assets and liabilities of the fund. Fund unit sales and repurchases occur on a daily basis at the NAV per share determined at close of each business day. As of December 31, 2023 and 2022, there were no unfunded commitments.

The following tables set forth by level, within the fair value hierarchy, the Plan's investment assets at fair value as of December 31, 2023 and 2022. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement:

	Assets at Fair Value as of December 31, 2023			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 9,340,349	\$ -	\$ -	\$ 9,340,349
Total investment assets in the fair value hierarchy	\$ 9,340,349	\$ -	\$ -	\$ 9,340,349
Investment assets measured at NAV				176,871
Total investment assets at fair value				\$ 9,517,220

	Assets at Fair Value as of December 31, 2022			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 9,372,613	\$ -	\$ -	\$ 9,372,613
Total investment assets in the fair value hierarchy	\$ 9,372,613	\$ -	\$ -	\$ 9,372,613
Investment assets measured at NAV				176,435
Total investment assets at fair value				\$ 9,549,048

Note 4: Information Prepared and Certified by Plan Custodian

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Certain information disclosed in the accompanying financial statements and supplemental schedule, including investments and cash equivalents held at December 31, 2023 and 2022, and net appreciation in fair value of investments, and interest and dividends for the year ended December 31, 2023, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Reliance Trust Company (RTC), the Custodian of the Plan.

Note 5: Related-Party Transactions and Party-in-Interest Transactions

Certain Plan investments are managed by Transamerica Financial Life Insurance Company (TFLIC), the third-party administrator of the Plan; therefore, these transactions qualify as party-in-interest transactions. Direct fees incurred and paid by the Plan to TFLIC for certain investment management and administrative services were \$29,301 for the year ended December 31, 2023. The plan audit fee of \$6,000 was also paid by the Plan during 2023. Fees were offset by revenue sharing agreements in the amount of \$35,010.

Note 6: Plan Termination

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their Employer matching and discretionary profit-sharing contributions.

Note 7: Tax Status

The Employer adopted a nonstandard prototype document with an IRS notification letter which states the prototype plan document is in compliance with the applicable sections of the Internal Revenue Code (IRC). The Plan has been amended since receiving the notification letter; however, the plan administrator believes the Plan is designed and being operated in compliance with the applicable requirements of the IRC and has no income subject to unrelated business income tax. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Note 8: Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
