Independent Auditor's Report

To the Board of Directors
Associated Food Stores, Inc.

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Associated Food Stores, Inc. 401(k) Plan and Trust (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023 and 2022 and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution for the year ended December 31, 2023 and 2022 stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedules Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) at December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

ASSOCIATED FOOD STORES, INC. 401(k) PLAN AND TRUST

Notes to Financial Statements

December 31, 2023 and 2022

(1) PLAN DESCRIPTION

The following description of the Associated Food Stores, Inc. (the Employer) 401(k) Plan and Trust (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

(a) General

The Plan is a defined contribution plan covering all employees of the Employer and related retail stores. The Investment Committee of the Employer controls and manages the operation and administration of the Plan. The Empower Annuity Insurance Company (Empower) serves as custodian of the Plan. The Plan's investments are administered by an affiliate of its custodian, Empower Retirement, LLC (Empower Retirement). Empower maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan is designed to be compliant with the Safe Harbor Provisions of e-CFR 26 §1.401(k)-3.

(b) Employee Eligibility

An employee is eligible to participate in the Plan upon attaining age 21 and completing one year of service. A year of service is defined as a year in which an employee works at least 1,000 hours. Once the eligibility requirements are met, an employee may enter the Plan on the first day of any month.

(c) Employee Contributions

Employees may elect under a salary reduction agreement to contribute up to 25 percent of before-tax gross compensation. Contributions are limited by the Internal Revenue Code, which established a maximum employee contribution amount of \$22,500 and \$20,500 for the years ended December 31, 2023 and 2022. Participants age 50 and older may contribute an additional \$7,500 and \$6,500 for the years ended December 31, 2023 and 2022. Participants may also rollover amounts representing distributions from other qualified defined benefit or defined contribution plans.

(d) Employer Contributions

The Employer makes a matching contribution equal to a percentage of the employee's contribution. During 2023 and 2022, the Employer made matching contributions equal to 100 percent of before-tax employee contributions, based on the employee's contribution rate up to three percent of the employee's salary, and 50 percent of before-tax employee contributions, based on the employee's contribution rate from four to five percent of the employee's salary. The Employer may also make discretionary contributions based on a ratio of each participant's annual salary.

(e) Investment Options

Participants may direct contributions to any of the investment options as detailed in the accompanying schedule of assets (held at end of year).

ASSOCIATED FOOD STORES, INC. 401(k) PLAN AND TRUST

Notes to Financial Statements

December 31, 2023 and 2022

(1) PLAN DESCRIPTION (CONTINUED)

(f) Vesting Schedule

Employee contributions and earnings thereon are 100 percent vested. Employer matching contributions and earnings thereon are also 100 percent vested.

(g) Distribution of Benefits

Upon termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or annual installments over a ten-year period. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

(h) Plan Termination

Although the Employer has not expressed any intent to do so, it has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to provisions of ERISA.

(i) Participant Accounts

Individual accounts are maintained for each Plan participant. Each participant's account is credited with (1) the participant's contribution, (2) the Employer's contribution, and (3) an allocation of Plan earnings. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

(j) Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$500, up to a maximum of \$50,000 or 50 percent of their vested account balance, whichever is less. The loans are secured by the balance in the participant's account and bear interest at rates ranging from 4.25 percent to 9.50 percent.

(k) Allocation of Earnings

The net increase or decrease in the value of each investment fund attributed to interest, changes in market value, expenses, and gains and losses realized from the sale of assets is allocated to employees' accounts based upon relative fund account balances.

(l) Hardship Withdrawals

Participants may withdraw their vested account balance, subject to certain limitations, in the event of undue hardship.

Notes to Financial Statements

(2) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following are the significant accounting policies followed by the Plan:

(a) *Basis of Presentation*

The Plan's financial statements are presented on the accrual basis of accounting.

(b) *Investment Valuation and Income Recognition*

The Plan's investments are stated at fair value or its equivalent for which the fair value is not readily determinable.

Purchases and sales of securities are recorded on a trade-date basis. Interest is recorded as earned. Dividends on mutual funds are recorded on the ex-dividend date. Net appreciation in fair value of investments includes gains and losses on investments sold during the year as well as appreciation and depreciation of the investments held at the end of the year.

(c) *Notes Receivable from Participants*

Notes receivable from participants are measured at their unpaid balance plus any accrued but unpaid interest. Delinquent loans are reclassified as distributions based upon the terms of the Plan document.

(d) *Other Income and Administrative Expenses*

For the years ended December 31, 2023 and 2022, other income is comprised of investment fund management fees refunded to the Plan by Empower. Administrative expenses consisted of loan fees, administrative custodial fees, and professional fees from independent consultants.

(e) *Risk and Uncertainties*

The Plan may invest in various types of investment securities. Investment securities are exposed to a variety of risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term, and that such a change could materially affect the amounts reported in the statements of net assets available for benefits.

(f) *Use of Estimates*

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

ASSOCIATED FOOD STORES, INC. 401(k) PLAN AND TRUST

Notes to Financial Statements

December 31, 2023 and 2022

(3) INFORMATION CERTIFIED BY THE PLAN CUSTODIAN

The following data has been certified as complete and accurate by the Plan custodian:

- (a) Investments included in the statements of net assets available for benefits;
- (b) Investment income included in the statements of changes in net assets available for benefits, comprised of net appreciation in market value of investments, interest and dividends; and
- (c) Information included in supplemental Schedule 1 - Schedule H, Line 4i - Schedule of Assets (Held at End of Year).

(4) TAX STATUS OF THE PLAN

The Employer adopted a Prototype Non-Standardized Profit Sharing Plan, which received a favorable opinion letter from the Internal Revenue Service (IRS) on July 28, 2005 stating that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code. In the opinion of the Plan administrator, the Plan and the underlying trust are being operated in compliance with the applicable sections of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan, and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that, as of December 31, 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements.

(5) FAIR VALUE OF INVESTMENTS

The Plan adopted FASB Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosures*. ASC 820 defines fair value as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. ASC 820 also establishes a fair value hierarchy which requires an entity to maximize the use of observable inputs when measuring fair value. The standard describes three levels of inputs that may be used to measure fair value:

- Level 1 - Unadjusted quoted prices in active markets that are accessible at the measurement date for identical unrestricted assets or liabilities;
- Level 2 - Quoted prices for identical or similar assets or liabilities in markets that are not considered to be active or identical or similar financial instruments for which all significant inputs are observable, either directly or indirectly; and
- Level 3 - Prices or valuations that require inputs that are both significant to the fair value measurements and unobservable.

ASSOCIATED FOOD STORES, INC. 401(k) PLAN AND TRUST

Notes to Financial Statements

December 31, 2023 and 2022

(5) FAIR VALUE OF INVESTMENTS (CONTINUED)

The fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuations techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. In periods of market inactivity, the observability of prices and inputs may be reduced for certain instruments. This condition could cause an instrument to be reclassified from Level 1 to Level 2 or from Level 2 to Level 3.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022.

	<u>Total</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
<u>December 31, 2023</u>				
Registered investment companies	\$ 41,094,946	\$ 41,094,946	\$ -	\$ -
<u>December 31, 2022</u>				
Registered investment companies	\$ 62,875,380	\$ 62,875,380	\$ -	\$ -

Registered Investment Companies

Investments in registered investment companies (mutual funds) traded on national securities exchanges are valued at quoted closing prices on the last business day of the year.

(6) POOLED SEPARATE ACCOUNTS

Investments in pooled separate accounts (PSA) are valued at the net asset value of units held by the Plan at year end reflecting the closing price reported on the applicable active market on which the underlying investments in equity securities are traded. ASC 820 allows net asset value (NAV) per share to serve as a practical expedient to estimate the fair value of a PSA as long as certain requirements are met. The Plan's PSA's meet those requirements. The PSA's can be redeemed at NAV on a daily basis. Unfunded commitments typically are found in private equity funds and therefore are not applicable to PSA's.

(7) GUARANTEED INCOME AND STABLE VALUE FUND

The Guaranteed Income Fund (GIF) is a group annuity product issued by Empower Annuity Insurance Company (EAIC). Amounts contributed to the contract are deposited in EAIC's general account. Payment obligations and the fulfillment of any guarantees specified in the group annuity contract are insurance claims supported by the full faith and credit of EAIC. Contract value represents deposits made to the contract, plus earnings at guaranteed crediting rates, less withdrawals and fees. The contract is affected directly between the Plan Sponsor and the issuer. The repayment of principal and interest credited to participants is a financial obligation to the issuer. Given these provisions, Empower considers this contract to be benefit responsive. Therefore, contract value is the only required measure.

ASSOCIATED FOOD STORES, INC. 401(k) PLAN AND TRUST

Notes to Financial Statements

December 31, 2023 and 2022

(7) GUARANTEED INCOME AND STABLE VALUE FUND (CONTINUED)

The Stable Value Strategy Fund offered by Transamerica Life Insurance Company seeks to protect against loss of principal while providing returns in excess of money market funds and one-year treasury bills. The Stable Value Strategy Fund has a portfolio investment rate design in which all deposits are credited with the same interest rate, credited on a daily basis and there is no set maturity. The effective interest rate is set monthly and effective on the first day of the month. Contract charges may reduce this return. Deposits to this account are invested in the Transamerica Life Insurance Company's general account.

(8) COLLECTIVE TRUST ACCOUNTS

Investments in collective trust accounts (CT) are valued at the net asset value of units held by the Plan at year end reflecting the closing price reported on the applicable active market on which the underlying investments in equity securities are traded. ASC 820 allows net asset value (NAV) per share to serve as a practical expedient to estimate the fair value of a CT as long as certain requirements are met. The Plan's CT's meet those requirements. The CT's can be redeemed at NAV on a daily basis. Unfunded commitments typically are found in private equity funds and therefore are not applicable to CT's.

(9) RELATED PARTY TRANSACTIONS

Certain Plan investments are interests in pooled separate accounts managed by Empower Retirement. Empower Retirement is an affiliate of Empower, the custodian of the Plan. Therefore, these transactions qualify as party-in-interest. However, these are not considered prohibited transactions by statutory exemptions under ERISA regulations.

(10) CHANGES TO THE PLAN

During the year, the Plan switched recordkeeper moving from Prudential to Transamerica. Additionally, the Plan was modified to be a Multiple Employer Plan (MEP) and signed several participation agreements with unrelated employers who are cooperative members of Associated Food Stores.

(11) SUBSEQUENT EVENTS

Subsequent events have been evaluated through October 3, 2024, the date the financial statements were available to be issued, no subsequent events were noted.
