Together with Independent Auditors' Report**

**As of December 31, 2023 and 2022 and
For the Year Ended December 31, 2023**

INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of
the ProFund Advisors LLC Plan and its Participants:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audits - Modified Cash Basis

We have performed audits of the accompanying financial statements – modified cash basis of the ProFund Advisors LLC Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits - modified cash basis as of December 31, 2023 and 2022, the related statement of changes in net assets available for benefits – modified cash basis for the year ended December 31, 2023, and the related notes to the financial statements – modified cash basis.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements – modified cash basis performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022 and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements - modified cash basis, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audits of the Financial Statements - Modified Cash Basis section of the report—

- the amounts and disclosures in the financial statements - modified cash basis referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.
- the information in the financial statements - modified cash basis referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial statements – Modified Cash Basis section of our report. We are required to be independent of the ProFund Advisors LLC Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Basis for Accounting

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than the accounting principles generally accepted in the United States of America.

Responsibilities of Management for the Financial statements – Modified Cash Basis

Management is responsible for the preparation and fair presentation of the financial statements - modified cash basis in accordance with the modified cash basis of accounting as described in Note 2; this includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements under the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements - modified cash basis that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements - modified cash basis.

In preparing the financial statements - modified cash basis, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the ProFund Advisors LLC Plan's ability to continue as a going concern for one year after the date of the financial statements - modified cash basis are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements - modified cash basis are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audits of the Financial Statements - Modified Cash Basis

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audits - Modified Cash Basis section of our report, our objectives are to obtain reasonable assurance about whether the financial statements - modified cash basis as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements – modified cash basis.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements - modified cash basis, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements - modified cash basis.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the ProFund Advisors LLC Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements - modified cash basis.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the ProFund Advisors LLC Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements - modified cash basis, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements - modified cash basis as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audits.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2023 is presented for the purpose of additional analysis and is not a required part of the financial statements - modified cash basis but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements - modified cash basis. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements - modified cash basis and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements - modified cash basis or to the financial statements - modified cash basis themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

PROFUND ADVISORS LLC PLAN

Notes to the Financial Statements – Modified Cash Basis As of December 31, 2023 and 2022 and For the Year Ended December 31, 2023

1. DESCRIPTION OF THE PLAN

The following description of the ProFund Advisors LLC Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a complete description of the Plan's provisions.

General

The Plan is a defined contribution plan established by ProFund Advisors LLC effective January 1, 2000. The Plan covers all employees of ProFund Advisors LLC and its participating companies, ProShare Advisors LLC, ProFund Distributors, Inc., and as of June 11, 2021, ProShares Services LLC, (collectively, the Company), who have attained the age of 21. A participant may enter the Plan on the first day of the month following employment assuming he or she is 21 years of age. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) and was most recently amended and restated February 2, 2022 through the adoption of the Fidelity Basic Plan Document No. 17, which is a pre-approved plan.

Participant Contributions

The Plan allows automatic enrollment of employees hired or rehired after November 30, 2018, once the eligibility requirements have been met. Employees are automatically enrolled with pre-tax deferral contributions deducted from their pay at a rate of 6% of their compensation unless the employee opts out of Plan participation or elects a different deferral percentage.

Participants may contribute up to 60% of their compensation, as defined by the Plan, not to exceed the maximum allowable contributions under Section 402(g) of the Internal Revenue Code (the Code). Participants may also contribute Roth 401(k) contributions to the Plan. Pre-tax and Roth 401(k) contributions to the Plan may not exceed \$22,500 for the year ended December 31, 2023. Participants who have attained age 50 before the end of the Plan year may make additional catch-up contributions, subject to limitations imposed by the Code. For the year ended December 31, 2023, the maximum allowable amount for catch-up contributions totaled \$7,500. Participants are also permitted to make rollover contributions to the Plan. Eligible employees who have not yet satisfied the age requirement are permitted to make rollover contributions to the Plan.

Company Contributions

The Company makes matching contributions each payroll period on behalf of eligible participants. Contributions are ultimately computed on a Plan year basis based upon year to date compensation and deferrals, requiring a true up at year end.

The Company matches 50% of the first 6% of annual compensation that a participant contributes to the Plan. The Company has elected to not match participant catch-up contributions. Company matching contributions totaled \$703,013 for the year ended December 31, 2023.

PROFUND ADVISORS LLC PLAN

Notes to the Financial Statements – Modified Cash Basis As of December 31, 2023 and 2022 and For the Year Ended December 31, 2023

1. DESCRIPTION OF THE PLAN – cont'd.

Company Contributions – cont'd.

The Company may also make a discretionary non-elective contribution on behalf of eligible active participants. Discretionary non-elective contributions are allocated to all eligible participants in proportion to their eligible compensation for the year. Participants need not defer into the Plan to receive such a contribution. Employees must be employed on the last day of the Plan year to share in any such contribution. There were no Company discretionary non-elective contributions for the year ended December 31, 2023.

Participant Accounts

Each participant's account is participant-directed and credited with the participant's contributions and allocations of: (a) Company contributions, (b) Plan earnings and losses and (c) administrative expenses. Any earnings, losses, and administrative expenses are allocated to participant accounts based upon the balance in each account. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in participant contributions plus earnings thereon. Participants vest in Company contributions and earnings thereon based on years of service, as defined by the Plan, according to the following schedule:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 2	0%
2	25%
3	50%
4	75%
5	100%

Upon retirement, death, or disability, a participant becomes 100% vested in Company contributions.

Notes Receivable from Participants

Participants may borrow up to 50% of their vested account balance, not to exceed \$50,000. The minimum note amount is \$1,000 and a participant may have no more than one note outstanding at any given time. Notes are collateralized by the participant's vested account balance. Note repayments are generally made through payroll deductions and bear interest at a reasonable rate at the time of loan origination. Notes for reasons other than the purchase of a primary residence are to be repaid within five years. Notes for the purchase of a primary residence are to be repaid within ten years.

PROFUND ADVISORS LLC PLAN

Notes to the Financial Statements – Modified Cash Basis As of December 31, 2023 and 2022 and For the Year Ended December 31, 2023

1. DESCRIPTION OF THE PLAN – cont'd.

Forfeitures

Forfeitures of Company contributions may be used to pay administrative expenses or to reduce future Company contributions. Forfeitures shall be returned to a rehired employee in the event that the individual incurs a break in service of less than five consecutive years. Forfeitures of Company contributions become available to the Plan to pay administrative expenses or reduce Company contributions in the Plan year when a participant's vested portion of his or her account is distributed or upon a participant's break in service in excess of five consecutive years. Forfeitures in the amount of \$74,488 were used to reduce Company contributions for the year ended December 31, 2023. Forfeitures available as of December 31, 2023 and 2022 totaled \$15,930 and \$13,683, respectively.

Payment of Benefits

Upon termination of service, retirement (age 65), attainment of age 59 ½, death, or disability, a participant or their beneficiary, in the event of death, may elect to receive a lump-sum amount or installments (upon retirement) equal to the value of the participant's vested interest in his or her account. Employees may at any time withdraw their rollover contributions from the Plan. Upon proof, to the satisfaction of the Plan administrator, of an immediate and heavy financial need, amounts contributed by the participant may be withdrawn for a hardship purpose. Distributions are subject to the applicable provisions of the Plan agreement. In all cases, certain income tax penalties may apply to withdrawals or distributions prior to retirement. As of December 31, 2023 and 2022, there were no net assets of the Plan allocated to participants who had elected to withdraw from the Plan but had not received such distributions prior to year end.

Plan Expenses

All administrative expenses are paid with the assets of the Plan, unless paid by the Company, at its discretion. During the year ended December 31 2023, the Company elected to pay the majority of the Plan's direct expenses. Loan and distribution fees are paid by the Plan participants. Investment related expenses are included in net appreciation in fair value of investments.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The Plan's financial statements - modified cash basis are prepared using the modified cash basis of accounting, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America. Accordingly, certain additions are not recorded until the cash is collected and certain deductions are not recorded until the obligation is disbursed.

PROFUND ADVISORS LLC PLAN

Notes to the Financial Statements – Modified Cash Basis As of December 31, 2023 and 2022 and For the Year Ended December 31, 2023

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – cont'd.

Use of Estimates

The preparation of financial statements - modified cash basis in conformity with the modified cash basis of accounting, a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America, requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements – modified cash basis and the reported amounts of additions to net assets available for benefits – modified cash basis and deductions from net assets available for benefits – modified cash basis during the reporting period. Actual results could differ from those estimates.

Risks and Uncertainties

The Plan provides for investments in assets that are exposed to risks, such as interest rate, credit and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities may occur and materially affect participant account balances and the amounts reported in the statements of net assets available for benefits – modified cash basis.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Fair Value Measurement

Accounting Standards Codification (ASC) 820, *Fair Value Measurement*, defines fair value and establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

PROFUND ADVISORS LLC PLAN

Notes to the Financial Statements – Modified Cash Basis As of December 31, 2023 and 2022 and For the Year Ended December 31, 2023

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – cont'd.

Fair Value Measurement – cont'd.

The three levels of the fair value hierarchy under ASC 820 are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based upon the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value.

Interest bearing cash: The Plan's investment consists of shares of a money market portfolio which is valued using quoted market values in an active market.

Interests in registered investment companies: Valued at the closing price of shares held by the Plan at year-end. Shares are traded on an active market.

Interests in common/collective trust: Valued at fair value based on the unit value of the fund. Unit value is determined by the institution sponsoring such fund using the net asset value (NAV) or its equivalent as a practical expedient by dividing the fund's net assets at fair value by its units outstanding at the valuation date.

Interests in self-directed funds: The Plan's self-directed funds consist of shares of a money market portfolio, which is valued using quoted market values in an active market; common and preferred stock, which are valued at the closing price reported in the active markets in which the individual securities are traded; registered investment companies, which are valued at the closing price of shares held by the Plan at year-end; and debt instruments, which are valued at amortized cost, which approximates fair value.

PROFUND ADVISORS LLC PLAN

Notes to the Financial Statements – Modified Cash Basis As of December 31, 2023 and 2022 and For the Year Ended December 31, 2023

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – cont’d.

Fair Value Measurement – cont’d.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain instruments could result in a different fair value measurement at the reporting date. There have been no changes in the methodologies used as of December 31, 2023 and 2022.

The following table sets forth by level, within the fair value hierarchy, the Plan’s investments at fair value as of December 31, 2023:

	Level 1	Level 2	Level 3	Total
Interest bearing cash	\$ 2,182,632	\$ -	\$ -	\$ 2,182,632
Interests in registered investment companies	30,640,241	-	-	30,640,241
Interests in self-directed funds	9,951,815	-	-	9,951,815
Interests in common/collective trusts ^(a)	n/a	n/a	n/a	9,450,455
Total investments, at fair value	\$ 42,774,688	\$ -	\$ -	\$ 52,225,143

^(a) Certain investments that were measured at NAV per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy, in accordance with fair value measurement and disclosure guidance. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits – modified cash basis.

The following table sets forth by level, within the fair value hierarchy, the Plan’s investments at fair value as of December 31, 2022:

	Level 1	Level 2	Level 3	Total
Interest bearing cash	\$ 1,916,718	\$ -	\$ -	\$ 1,916,718
Interests in registered investment companies	30,044,011	-	-	30,044,011
Interests in self-directed funds	7,844,948	-	-	7,844,948
Total investments, at fair value	\$ 39,805,677	\$ -	\$ -	\$ 39,805,677

The following table presents the investments which are estimated using the NAV per share as a practical expedient as of December 31,:

	2023	2022	Redemption Frequency	Redemption Notice Period	Unfunded Commitments
Interests in common/collective trusts ^(b)	\$ 9,450,455	\$ -	Daily	Daily	None

^(b) Certain funds use an asset allocation strategy designed for investors based on expected retirement age. Other funds invest in equity or real estate securities.

Notes to the Financial Statements – Modified Cash Basis As of December 31, 2023 and 2022 and For the Year Ended December 31, 2023

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – cont'd.

Payment of Benefits

Benefits are recorded when paid.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes are treated as distributions based upon the terms of the Plan document.

Subsequent Events

The Plan evaluated for disclosure any subsequent events through September 30, 2024, the date the financial statements - modified cash basis were available to be issued, and determined there were no material subsequent events that warrant disclosure.

3. INVESTMENTS

All investment data contained in the accompanying financial statements - modified cash basis and supplemental schedule, including assets held at December 31, 2023 and 2022, and interest and dividend income and net realized and unrealized appreciation in fair value of investments for the year ended December 31, 2023 was obtained or derived from the information supplied to the Plan administrator and certified as complete and accurate by the Trustee of the Plan, Fidelity Management Trust Company.

4. PARTY-IN-INTEREST TRANSACTIONS

The Plan invests in shares of mutual funds managed by Fidelity Investments Institutional Operations Company, Inc. (FIIOC). FIIOC acts as Custodian for the Plan and is related to the Plan's Trustee. The Plan loans funds to its participants according to the applicable provisions of the Plan agreement. The Company provides the Plan with certain accounting and administrative services for which no fees are charged. All such transactions qualify as party-in-interest transactions, which are exempt from the prohibited transaction rules.

5. INCOME TAX STATUS

The pre-approved plan, on which the Plan was designed, received a favorable opinion letter from the Internal Revenue Service dated June 30, 2020, stating that the Plan is qualified under Section 401(a) of the Code and therefore, the related trust is exempt from taxation. Subsequent to the issuance of the opinion letter, the Plan was amended. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualification. The Plan administrator believes that the Plan is designed and currently being operated in compliance with the applicable requirements of the Code. Therefore, no provision for income taxes has been included in the Plan's financial statements - modified cash basis.

PROFUND ADVISORS LLC PLAN

Notes to the Financial Statements – Modified Cash Basis As of December 31, 2023 and 2022 and For the Year Ended December 31, 2023

5. INCOME TAX STATUS – cont'd.

ASC 740, *Income Taxes*, prescribes a recognition threshold and a measurement attribute for the financial statement recognition and measurement of tax positions taken or expected to be taken in a tax return as well as guidance on de-recognition, classification, interest and penalties and financial statement reporting disclosures. For these benefits to be recognized, a tax position must be more-likely-than-not to be sustained upon examination by taxing authorities. Given the Plan is tax exempt and has no unrelated business income, the provisions of ASC 740 do not have an impact on the Plan's financial statements - modified cash basis. The Plan recognizes interest and penalties accrued on any unrecognized tax exposures as a component of income tax expense. The Plan does not have any amounts accrued relating to interest and penalties as of December 31, 2023 and 2022. The Plan is subject to routine audits by the IRS and Department of Labor; however, there are currently no audits for any periods in progress.

6. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of a Plan termination, affected participants will become 100% vested in their accounts.
