## Independent Auditor's Report

To the Plan Administrator, Board of Trustees, and Plan Participants  
**Endress+Hauser, Inc. Employees' 401(k)/Retirement Savings Plan**  
Greenwood, Indiana

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of **Endress+Hauser, Inc. Employees' 401(k)/Retirement Savings Plan** (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audits and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and
- The certified investment information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Other Matter —Supplemental Schedules Required by ERISA**

The supplemental schedule of delinquent participant contributions for the year ended December 31, 2023, and the schedule of assets (held at end of year) as of December 31, 2023, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. ## **Notes to Financial Statements**

### **1. Description of Plan**

The following description of the Endress+Hauser, Inc. Employees' 401(k)/Retirement Savings Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan agreement or Summary Plan Description for a more complete description of the Plan's provisions.

#### **General**

The Plan is a defined contribution plan established on July 1, 1988, covering employees of certain members of a controlled group, which include Endress+Hauser, Inc.; Endress+Hauser USA Holding, Inc.; Endress+Hauser Flow USA, Inc.; Endress+Hauser (USA) Automation Instrumentation, Inc.; Endress+Hauser Wetzler (USA), Inc.; Endress+Hauser InfoServe, Inc.; Endress+Hauser Optical Analysis, Inc.; and Innovative Sensors Technology, USA Division (the Group).

Employees may enter the Plan upon attaining age 18, with the exception of student interns and temporary employees, who are excluded from participation. However, if a temporary employee completes one year of service, the employee will enter the Plan on the next entry date. There is no service requirement to be eligible to enroll in the Plan. Employees are automatically enrolled to defer 6% of eligible compensation into the Plan at January 1, April 1, July 1, or October 1, following the employee's date of hire or upon meeting age requirements, unless they elect to decline participation in the Plan or elect to defer an amount other than 6% of eligible compensation. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

#### **Contributions**

Participants may contribute up to 100% of their pretax annual compensation as defined by the Plan, up to the maximum amount allowed under the Internal Revenue Code (IRC). Participant contributions are presented net of excess contributions (if any). Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans in the form of rollovers. The Plan allows participants to make Roth contributions on an after-tax basis.

To comply with Safe Harbor provisions, the Group makes a matching contribution each pay period. The amount contributed and allocated to each participant's account is determined by a percentage of the participant's elective deferral equal to 100% of the participant's contributions that do not exceed 6% of the participant's eligible wages.

The Group may also elect to provide discretionary profit-sharing contributions each plan year. The extent and amount of each year's contribution, if any, is at the discretion of the Group. No discretionary profit-sharing contribution was made in 2023.

Employees become eligible for matching and discretionary profit-sharing contributions upon entering the Plan.

## **Notes to Financial Statements**

### **Participant Accounts**

Each participant's account is credited with the participant's contributions, allocations of the Group's contributions and Plan earnings, losses, and expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants may direct their investments into various options offered by the Plan. The Plan offers 38 variable investment options through an American United Life Insurance Company (AUL) pooled separate account, one guaranteed fixed interest account, and one stable value fund as investment options for participants.

### **Vesting**

Participants are immediately vested in their contributions and the Group's contributions plus actual earnings or losses thereon, which is in compliance with the required provisions to operate as a Safe Harbor 401(k) Plan.

### **Notes Receivable from Participants**

Participants may borrow from their accounts a minimum of \$1,000 and up to 50% of their vested account balance, not to exceed \$50,000. The loans are secured by the balance in the participant's account and bear interest as specified in the Plan document, which was the prime rate plus 1% for loans originated in 2023. Interest rates on loans ranged from 3.00% to 9.50% at December 31, 2023. Loan repayments are made ratably through payroll deductions over a period not to exceed five years, unless a loan is used to purchase a primary residence, in which case a loan may be repaid up to a period not to exceed 30 years.

### **Payment of Benefits**

On termination of service, death, disability, or retirement, a participant or beneficiary may receive a lump-sum or equal installments of the amount equal to the value of the participant's vested interest in his or her account. If, at termination, the participant's vested balance is \$5,000 or less, the Plan may distribute the entire vested balance out of the Plan, as allowable by the Plan. In addition, partial distributions are allowed. Additionally, under certain circumstances of financial hardship, the participant is allowed to withdraw funds from the Plan.

Benefits owed to terminated participants are included in net assets available for benefits. There were no amounts payable to terminated participants at December 31, 2023 and 2022.

### **Forfeitures**

Forfeitures from non-vested participant accounts may be used to reduce future Group contributions or reduce administrative expenses. Forfeitures of \$210 were used to reduce administrative expenses during 2023. There were no forfeitures included in net assets at December 31, 2023. Forfeitures included in net assets were \$1,004 at December 31, 2022.

# **Endress+Hauser, Inc. Employees' 401(k)/Retirement Savings Plan**

## **Notes to Financial Statements**

### **Administrative Expenses**

Certain administrative expenses are paid by the Plan. These charges are based on a percentage of the net assets, are allocated daily to the individual participant's funds on a pro-rata basis of account balances, and reduce investment income. Loan initiation fees and quarterly loan administration fees are charged directly to participants' accounts, which reduce the proceeds of the loans. Additionally, participants are charged redemption fees for the sale of certain managed funds without holding the funds for a certain time period, and management fees for account management and consulting services when these services are elected by the participant.

## **2. Summary of Significant Accounting Policies**

### **Basis of Accounting**

The accompanying financial statements and supplemental schedules of the Plan have been prepared in accordance with accounting principles generally accepted in the United States of America.

### **Notes Receivable from Participants**

Participant loans are reported as notes receivable from participants and are measured at the unpaid principal balance plus unpaid accrued interest. The Plan classifies all participant loans with no payments received for three months as in default. Defaulted loans are deemed distributed and recorded as benefits paid to participants in the statement of changes in net assets available for benefits. No allowance for credit losses has been recorded as of December 31, 2023 and 2022. During 2023, the Plan had deemed distributions of \$47,479 related to defaulted loans, which are included in benefits paid to participants and beneficiaries.

### **Management Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results may differ from those estimates.

### **Risks and Uncertainties**

The Plan provides for investment options in investment securities that are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities may occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

The Plan had a concentration in individual investment funds greater than 10% in two funds totaling \$32,361,673 at December 31, 2023, and one fund totaling \$20,971,312 at December 31, 2022, respectively.

## Notes to Financial Statements

### Fair Value Measurement

The Plan has determined the fair value of investments using a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The fair value hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets.

Level 2 Inputs to the valuation methodology include quoted prices for similar assets and liabilities in active markets, and inputs that are observable for the asset or liability, either directly or indirectly, for substantially the full term of the financial instrument.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Pooled Separate Account: Valued at the net asset value (NAV) of units held by the Plan at year-end. The amounts allocated to the separate account are credited to a participant's account in the form of accumulation units. The value of an accumulation unit of any investment account is determined at the close of each business day and is directly related to the NAV of the shares of the underlying investment adjusted for any dividends or distributions received by AUL and the daily equivalent of any fee charged by AUL pursuant to the contract. Each investment account is invested by AUL exclusively in shares of a specific mutual fund. As a result, the fair value of the account is classified as Level 2.

The preceding methods may produce a fair value calculation that may not be indicative of net realizable value or reflective of future values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with those used by other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date. The following table sets forth, by level, within the fair value hierarchy, the Plan's investment assets at fair value as of:

|                                 | Level 2               | Total                 |

### 3. Information Certified by the Plan's Custodian

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA as of December 31, 2023 and 2022, and for the year ended December 31, 2023. Accordingly, the following investment information included in the accompanying financial statements and supplemental schedules as of December 31, 2023 and 2022, and for the year ended December 31, 2023, was obtained and derived from information supplied to the Plan administrator and certified as complete and accurate by the Plan's custodian, AUL:

The Plan's independent auditor did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedules.

### 4. Investments, at Contract Value – AUL Fixed and Stable Value Funds

The Plan maintains two fixed options, which are accounts that are invested in diversified portfolios consisting predominately of fixed-income investments (bonds, mortgages, and private placements), where the objective is to maximize long-term, risk-adjusted returns. These accounts meet the fully benefit-responsive investment contract criteria. Such investment contracts are valued at contract value, which represents contributions and reinvested income

# **Endress+Hauser, Inc. Employees' 401(k)/Retirement Savings Plan**

## **Notes to Financial Statements**

less participant withdrawals and administrative expenses, plus accrued interest. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

Certain events, such as the premature termination of the contract by the Plan or the termination of the Plan, may limit the Plan's ability to transact at contract value. The Plan administrator believes the occurrence of such events that would limit the Plan's ability to transact at contract value with Plan participants is not probable.

### **5. Related-party Transactions and Party-in-Interest Transactions**

Certain Plan investments are managed by an affiliate of AUL. AUL is the custodian of the Plan; therefore, these transactions qualify as party-in-interest transactions for the year ended December 31, 2023. Additional investment fees paid to the custodian are netted against investment returns. The Plan also allows participants to obtain loans from the Plan, which are also considered party-in-interest transactions. Fees paid by the Plan for administrative services were \$25,114 for the year ended December 31, 2023. These party-in-interest transactions are not prohibited under ERISA.

### **6. Plan Termination**

Although it has not expressed any intent to do so, the Group has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, the balance of the net assets of the Plan would be allocated among the participants and beneficiaries as prescribed by ERISA.

### **7. Tax Status**

The Plan has adopted a Non-Standardized Prototype Plan Document sponsored by AUL that obtained a favorable opinion letter on November 30, 2020, in which the Internal Revenue Service stated that the Prototype Document, as then designed, was in compliance with the applicable requirements of the IRC and is, therefore, not subject to tax under present income tax law. The Plan has been amended since receiving the opinion letter. The Plan is required to operate in conformity with the IRC to maintain its qualification. The Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and, therefore, no provision for income taxes is included in the Plan's financial statements.

The Plan reviews its tax positions for uncertainty and records a provision for tax positions which may not be sustained based on their technical merits if examined by taxing authorities. At December 31, 2023 and 2022, there were no matters requiring a provision for uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.
