FOR THE YEARS ENDED DECEMBER 31, 2023 AND 2022

INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of
Commercial Tire, Inc. Profit Sharing 401(k) Plan
Meridian, Idaho

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Commercial Tire, Inc. Profit Sharing 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Commercial Tire, Inc. Profit Sharing 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from Principal Trust Company as of and for the years ended December 31, 2023 and December 31, 2022 stating that the certified investment information, as described in Note 9 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Commercial Tire, Inc. Profit Sharing 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Commercial Tire, Inc. Profit Sharing 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not

detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Commercial Tire, Inc. Profit Sharing 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Commercial Tire, Inc. Profit Sharing 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets Held for Investment Purposes as of December 31, 2023 and Schedule of Delinquent Participant Contributions for the year ended December 31, 2023 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including the form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

PROFIT SHARING 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2023 AND 2022

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared under the accrual basis of accounting.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 5 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net change in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions and deductions from net assets during the reporting period. Actual results could differ from those estimates.

Events Occurring After Reporting Date

The Plan administrator has evaluated events and transactions that occurred between December 31, 2023 and October 4, 2024, which is the date the financial statements were available to be issued, for possible recognition or disclosure in the financial statements.

2. DESCRIPTION OF PLAN

The following description of the Commercial Tire, Inc. Profit Sharing 401(k) Plan ("Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

COMMERCIAL TIRE, INC.
PROFIT SHARING 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2023 AND 2022

2. DESCRIPTION OF PLAN (CONTINUED)

General. The Plan is a defined contribution plan covering all full-time non-union employees of Commercial Tire, Inc. ("Company"), who have attained the age of eighteen and completed thirty days of service. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Plan Amendments. During 2022, the Plan was amended to (a) allow Roth contributions, (b) reduce the service requirement to enter the Plan from sixty to thirty days, (c) comply with the Bipartisan Budget Act of 2018, and (d) bring the plan into compliance with the legislative and regulatory changes set forth in IRS Notice 2017-37.

Contributions. Each year, participants may contribute up to 100% of pretax annual compensation as defined in the Plan subject to the limits provided by the Internal Revenue Code. Participants may also contribute amounts representing distributions from other qualified plans.

The Company contributes by matching each participant's contribution. The Company matched 25% of each participant's contribution up to 10% of eligible compensation during the years ended December 31, 2023 and 2022. Additional profit sharing amounts may be contributed at the option of the Company's Board of Directors. The Company's Board of Directors elected not to make a profit sharing contribution for the years ended December 31, 2023 and 2022. Contributions are subject to certain limitations.

Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds and pooled funds as investment options for participants. Participants may change their investment options at any time.

Participant Accounts. Each participant's account is credited with the participant's contributions, the Company's matching contributions, an allocation of the Company's discretionary contributions, and Plan earnings and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2023 AND 2022

2. DESCRIPTION OF PLAN (CONTINUED)

Vesting. Participants are immediately vested in their contributions plus actual earnings thereon. A participant becomes fully vested in the Company's contributions made on the participant's behalf upon attaining normal retirement age. Prior to normal retirement age, a participant becomes vested according to years of service. Participants become vested in 20% increments for each year of credited service beginning with the second year of service. A participant is fully vested after six years of credited service.

Payment of Benefits. Benefits are payable upon normal retirement age at age 65, termination of employment, death or disability. On termination of service due to death, disability, termination of employment or retirement, participants may elect to receive their vested benefits in a single lump sum or in installments over a period of not more than the participant's assumed life expectancy (or the participant and the participant's beneficiary's assumed life expectancies) determined at the time of distribution.

Forfeited Accounts. At December 31, 2023 and 2022, the forfeited nonvested accounts totaled \$14,433 and \$0, respectively. Also, for the years ended December 31, 2023 and 2022, employer contributions were reduced by \$49,146 and \$36,285, respectively, from forfeited nonvested accounts.

3. ADMINISTRATIVE EXPENSES

Certain administrative functions are performed by officers and employees of the Company. No such officer or employee receives compensation from the Plan. In addition, certain administrative expenses are paid directly by the Company, and are not reflected in these financial statements.

NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2023 AND 2022

4. TAX STATUS

On October 17, 2022 the Plan adopted Principal Financial Group's pre-approved defined contribution plan. The Principal Financial Group prototype plan obtained its latest determination letter on June 30, 2020, in which the Internal Revenue Service stated that the plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (IRC).

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are no audits for any tax period in progress.

5. FAIR VALUE MEASUREMENTS

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority; Level 2 inputs consist of observable inputs other than quoted market prices for identical assets; Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used when Level 1 and Level 2 inputs were not available. There are no plan assets requiring the use of Level 3 inputs for the periods presented, and there were no changes in the methods used to measure fair value at December 31, 2023 and 2022.

PROFIT SHARING 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2023 AND 2022

5. FAIR VALUE MEASUREMENTS (CONTINUED)

Level 1 Fair Value Measurements

The fair value of mutual funds and the pooled separate account are based on quoted net asset values of the shares as reported by the fund. The mutual funds held by the Plan are open-end mutual funds registered with the U.S. Securities and Exchange Commission. The pooled separate account is invested in a single mutual fund. The mutual funds must publish their daily net asset value and transact at that price. The mutual funds held by the Plan are considered to be actively traded.

Level 2 Fair Value Measurements

The fair value of common and collective funds are valued using various sources, such as issuer, investment manager, fund accountant, client, etc. or default price if a price is not provided.

The following table sets forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2023 and 2022:

		Fair Value Measurements at the End of the Reporting Period Using:	
		Quoted Prices in Active Markets for Identical Assets (Level 1)	Other Observable Inputs (Level 2)
<u>December 31, 2023</u>			
Mutual funds		\$ 14,095,235	\$ –
Pooled separate account		725,883	–

5. FAIR VALUE MEASUREMENTS (CONTINUED)

	Fair Value Measurements at the End of the Reporting Period Using:	
	Quoted Prices in Active Markets for Identical Assets (Level 1)	Other Observable Inputs (Level 2)
<u>December 31, 2022</u>		
Mutual funds	\$ 11,705,133	\$ -
Common and collective funds	-	4,005,074
Total assets at fair value	<u>\$ 11,705,133</u>	<u>\$ 4,005,074</u>

Gains and losses included in changes in net assets available for benefits for the years ended December 31, 2023 and 2022, are reported in net change in fair value of investments.

The Plan's policy is to recognize transfers between Levels 1 and 2 and into and out of Level 3 as of the date of the event or change in circumstances that caused the transfer. For the years ended December 31, 2023 and 2022, there were no significant transfers between Levels 1 and 2 and no transfers into or out of Level 3, nor were there any purchases or issues of Level 3 assets.

6. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100 percent vested in their accounts.

COMMERCIAL TIRE, INC.
PROFIT SHARING 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2023 AND 2022

7. PARTICIPANT TERMINATIONS

The vested portion of participants' accounts is distributed to terminated participants in accordance with their instructions and Internal Revenue Service regulations. The nonvested portion of the terminated participants' accounts is used to reduce future Company contributions. These forfeitures are maintained in a separate account and make up total nonparticipant-directed investments. See Note 2.

8. RELATED PARTY TRANSACTIONS

Certain Plan investments are shares of pooled funds managed by Principal Trust Company. Fees paid by the Plan to the custodians for administrative services were \$93,811 and \$67,616 for the years ended December 31, 2023 and 2022, respectively.

All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

9. INFORMATION PREPARED AND CERTIFIED BY CUSTODIANS (UNAUDITED)

Principal Trust Company, trustee of the Plan's assets, held the Plan's investments in mutual funds, a pooled separate account, and common and collective funds; and executes transactions therein. Financial information relating to the assets is included in the accompanying financial statements and supplemental schedules and was obtained from data that has been prepared and certified to as complete and accurate by Principal Trust Company. This information, which has not been audited by independent accountants, is summarized as follows:

	<u>2023</u>	<u>2022</u>
Net Assets:		
Mutual funds	\$ 14,095,235	\$ 11,705,133
Pooled separate account	725,883	–

10. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

11. OTHER INCOME AND BENEFITS PAYABLE

Amounts allocated to accounts of persons who have elected to withdraw from the plan but have not yet been paid totaled \$44,611 and \$57,787 as of December 31, 2023 and 2022, respectively.
