## INDEPENDENT AUDITORS' REPORT

To the Trustees of  
NUOP Corporation Employees' Profit-Sharing Plan  
Farmingdale, New Jersey

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the NUOP Corporation Employees' Profit-Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements (collectively referred to as the "financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (“GAAS”). Our responsibilities under those standards are further described in the Auditor’s Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management’s election of the ERISA Section 103(a)(3)(C) audit does not affect management’s responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan’s ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current instrument, including all amendments; administering the Plan; and determining that the Plan’s transactions that are presented and disclosed in the financial statements are in conformity with the Plan’s provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor’s Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error and to issue an auditors’ report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists.

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing audits in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control related matters that we identified during the audit.

### **Other Matter**

#### *Supplemental Schedule Required by ERISA*

The supplemental schedule of Schedule H – Part IV – Line 4i - Schedule of Assets (Held at End of Year) (referred to as the “supplemental schedule”), is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all

material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NUOP CORPORATION EMPLOYEES' PROFIT-SHARING PLAN  
NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEARS ENDED December 31, 2023 and 2022

---

**1. Plan Information**

The following brief description of the NUOP Corporation Employees' Profit-Sharing Plan (the "Plan") provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

**General** – The Plan was established as a profit-sharing 401(k) plan that provides for employee participants to elect salary reduction contributions, originally established January 1, 1990, with an amendment and restatement on May 1, 2022. Through December 31, 2023, the Plan covered all full-time employees of NUOP Corporation and its affiliates (the "Employer") who have one year of service (over 1,000 hours) and are age twenty-one or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

The Employer acts as the Sponsor and as Plan Administrator and is responsible for oversight of the Plan. The Investment Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance and reports to the Plan Administrator. The recordkeeper of the Plan is John Hancock Life Insurance Company (U.S.A.) ("John Hancock"), and the custodian of the Plan's investments is John Hancock. The Trustee of the Plan is an executive at the Sponsor.

**Contributions** – Eligible participants may elect to defer a percentage of their compensation or a fixed dollar amount by contributing to their accounts in the Plan on a pre-tax basis, or post-tax basis in the form of Roth contributions, subject to the maximum allowable under the Internal Revenue Code (the "Code"). Eligibility of Roth contributions were introduced to the Plan on May 1, 2022. Highly compensated employees are subject to additional limits set forth in the Code. Participants who have attained age 50 before the end of the Plan year are permitted to make catch-up contributions. Participants may also contribute rollover amounts representing distributions from other qualified retirement plans and/or Individual Retirement Accounts ("IRAs"). Participants direct the investment of their contributions into various investment options offered by the Plan.

Each year the Employer has the right to make a discretionary employer profit-sharing contribution and/or discretionary matching contributions. In addition, the Employer makes a Safe Harbor Matching Contribution equal to 100% of employee deferrals up to 3% of compensation, plus an additional 50% of deferrals up to 5% of compensation.

For the year ended December 31, 2023, the Plan incurred a safe harbor matching contribution of \$326,826. As of December 31, 2023 and 2022, the Plan recorded a receivable for safe harbor matching contributions of \$326,776 and \$202,097, respectively.

**Participant Accounts** – Each participant's account is credited with the participant's contribution and allocations of the Employer's contribution, Plan earnings and charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**Vesting of Participants' Accounts** – Participants are 100% vested in their contributions plus actual earnings thereon. The Employer's discretionary matching and profit-sharing contributions and safe harbor matching contribution portions of participant accounts and actual earnings are 100% vested once granted.

**Payment of Benefits** – On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump sum amount equal to the value of the participant's vested interest in his or her account, or annual installments over a 10 year period. For termination of service prior to retirement, a participant will receive the value of his or her vested account in either a lump-sum payment or installments over a period of not more than the participant's assumed life expectancy (or joint life expectancy of the participant and beneficiary).

**Participant Loans** – Participants may not borrow from the Plan.

**Forfeitures** – Forfeitures of unvested Plan matching or profit-sharing contributions from terminated participant accounts are used to offset future Employer matching contributions and Employer profit-sharing contributions, to restore forfeitures, or to pay Plan expenses. There were no forfeiture account balances at December 31, 2023 and 2022, and no forfeitures were used during the year ended December 31, 2023, due to the immediate vesting of participant accounts currently in place.

## 2. Summary of Significant Accounting Policies

**Basis of Presentation** – The Plan prepares its financial statements on the accrual basis of accounting in accordance with the Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC").

**Use of Estimates** – The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP") requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

**Investment Valuation and Income Recognition** – Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation in the fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**Payment of Benefits** – Benefits are recorded when paid.

**Expenses** – Certain expenses of maintaining the Plan are paid by the Plan, unless paid directly by the Employer. Expenses paid by the Employer are excluded from these financial statements. Investment-related expenses are included in net appreciation or depreciation in fair value of investments. Certain administrative functions are performed by officers or employees of the Sponsor. No such officer or employee receives compensation from the Plan.

**Excess Contributions Payable** – Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the 2023 excess contributions to the applicable participants prior to March 15, 2024.

**3. Information Prepared and Certified by Custodian (Unaudited)**

The following information included in the accompanying financial statements and supplemental schedule as of December 31, 2023 and 2022 and for the year ended December 31, 2023 was obtained from data that has been prepared and certified to as complete and accurate by John Hancock, the custodian of the Plan:

	<u>2023</u>	<u>2022</u>
Investments at Fair Value	<u>\$ 9,873,791</u>	<u>\$ 7,986,556</u>
Net Investment Gain from Pooled Separate Accounts	<u>\$ 1,261,450</u>	

**4. Fair Value**

ASC Topic 820, Fair Value Measurements, establishes a framework for measuring fair value that provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC Topic 820 are summarized as follows:

**Level 1** – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

**Level 2** – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

**Level 3** – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at net asset value used as a practical expedient. There have been no changes in the methodologies used at December 31, 2023 and 2022.

FOR THE YEARS ENDED December 31, 2023 and 2022

*Pooled Separate Accounts (Mutual Funds)* – Investments in pooled separate accounts are represented by a “unit of account” and per unit values whose value is the result of the accumulated values of the underlying investments. These underlying investments are public investment vehicles valued using their daily net asset values (“NAV”) provided by the administrator of the mutual fund investments. The NAV is based on the value of the underlying assets owned by the fund, minus its liabilities and then divided by the number of shares outstanding. Pooled Separate Accounts are classified outside of the fair valuation hierarchy.

The following tables set forth by level, within the fair value hierarchy, are the Plan’s investments at fair value as of December 31, 2023 and 2022:

	Assets at Fair Value as of December 31, 2023			
	Level 1	Level 2	Level 3	Total
Total Assets in the Fair Value Hierarchy	\$ -	\$ -	\$ -	\$ -
Investments Measured at Net Asset Value <sup>(a)</sup>	-	-	-	9,873,791
Investments at Fair Value	<u>\$ -</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 9,873,791</u>

	Assets at Fair Value as of December 31, 2022			
	Level 1	Level 2	Level 3	Total
Total Assets in the Fair Value Hierarchy	\$ -	\$ -	\$ -	\$ -
Investments Measured at Net Asset Value <sup>(a)</sup>	-	-	-	7,986,556
Investments at Fair Value	<u>\$ -</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 7,986,556</u>

(a) In accordance with Sub-Topic 820-10, certain investments that were measured at net asset value per share (or equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

**Transfers between Levels** – For year ended December 31, 2023, there were no significant transfers between Levels 1 and 2 and no transfers in or out of Level 3.

**Fair Value of Investments in Entities that Use NAV** – The following table summarizes investments in which the fair value is measured using the net asset value per share practical expedient as of December 31, 2023 and 2022, respectively. There are no participant redemption restrictions for these investments.

5. **Plan Termination**

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their employer contributions.

6. **Tax Status**

The underlying prototype non-standardized plan, on which the Plan is based, has received an opinion letter from the IRS dated June 30, 2020, stating that the form of the Plan is qualified under Section 401(a) of the Internal Revenue Code ("Code"). The Plan's sponsor has determined that it is eligible to, and has chosen to rely on, the current IRS prototype plan opinion letter. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualification. The Plan's Administrator believes the Plan is being operated in compliance with the applicable requirements of the Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes the Plan is subject to income tax examinations for the years 2022, 2021 and 2020.

7. **Related Party Transactions and Party-in-Interest Transactions**

Certain services are rendered to the Plan by the Employer at no cost to the Plan. The Plan's investments are pooled separate accounts managed by affiliates of the Plan's custodian and recordkeeper, therefore these transactions qualify as party-in-interest transactions. Certain costs such as recordkeeping and advisory are paid indirectly by revenue sharing payments from mutual fund companies to the

NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEARS ENDED December 31, 2023 and 2022

recordkeeper. The charges for such services are included in net change in fair value of pooled separate accounts.

**8. Risks and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

**9. Reconciliation of Financial Statement to Form 5500**

The following is a reconciliation of Net Assets Available for Benefits per the financial statements at December 31, 2023 and 2022 to Net Assets per Form 5500:

	<u>2023</u>	<u>2022</u>
