**Farrell Fritz, P.C.**  
**401(k) Profit Sharing Plan**

Financial Statements

December 31, 2023 and 2022

## **Independent Auditors' Report**

**To Plan Management**  
**Farrell Fritz, P.C. 401(k) Profit Sharing Plan**  
**Uniondale, New York**

### **Scope and Nature of ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the accompanying financial statements of the Farrell Fritz, P.C. 401(k) Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023 stating that the certified investment information, as described in Note 8 to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by the qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by the institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditors' Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

**Auditors' Responsibilities for the Audit of the Financial Statements (*continued*)**

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

**Other Matter - Supplemental Schedule Required by ERISA**

The supplemental Schedule H, Line 4(i) – Schedule of Assets (Held at End of Year) as of December 31, 2023 is presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and to other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

**Other Matter - Supplemental Schedule Required by ERISA (*continued*)**

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by the qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**401(k) Profit Sharing Plan**

Notes to Financial Statements  
December 31, 2023 and 2022

**1. Description of Plan**

The following description of the Farrell Fritz, P.C. 401(k) Profit Sharing Plan (the “Plan”) provides only general information. Participants should refer to the Plan’s Adoption Agreement and Basic Plan Document for a more complete description of the Plan’s provisions.

***General***

The Plan is a defined contribution plan covering substantially all employees of Farrell Fritz, P.C. (the “Company”). Employees who have completed one-half year of service and are age 21 or older become participants with respect to the 401(k) program under the Plan on the first day of the calendar quarter coinciding with or following satisfaction of the eligibility requirements. Employees who have completed one year of service and are age 21 or older become participants with respect to the employer nonelective contributions on January 1 or July 1 coinciding with or following satisfaction of the eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”), as amended. The Company is the Plan Administrator. Mercer Trust Company, the Plan’s Institutional Investment Fiduciary, Trustee and Custodian, determines the appropriateness of the Plan’s investment offerings, monitors investment performance, and reports to the Board of Directors of the American Bar Association Retirement Funds (the Plan’s Program Sponsor).

***Contributions***

Each year, participants may contribute an amount equal to a specified dollar amount or a percentage of their annual compensation, as defined in the Plan. Participants may contribute these amounts from their pre-tax annual compensation or from their post-tax annual compensation (Roth contributions), or a combination of both. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans (rollover contributions). The Company’s Board of Directors may elect to make an employer nonelective contribution to the account of each participant who completes 1,000 hours of service and is employed on the last day of the respective plan year. These contributions are allocated based on groups as defined in the Plan. The contributions for each group are allocated pro rata based on compensation.

Participants direct the investment of their contributions and Company employer nonelective contributions into various investment options offered by the Plan through the American Bar Association Retirement Funds. For the year ended December 31, 2023, the Company made an employer nonelective contribution to the Plan of \$1,142,974. Contributions are subject to certain Internal Revenue Service (“IRS”) limitations.

Notes to Financial Statements

**1. Description of Plan (*continued*)**

***Participant Accounts***

Each participant's account is credited with the participant's contributions, as well as allocations of the employer nonelective contribution and Plan earnings. Those participants who elect to have their accounts managed by Voya Retirement Advisors are charged a fee to their accounts for such advice. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

***Vesting***

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the employer nonelective contribution portion of their accounts is based on years of continuous service. Participants start vesting in employer nonelective contribution accounts after two years of vesting service at a rate of 20% per year and are 100% vested after six years of vesting service. Participants also become 100% vested in their account immediately upon attainment of normal retirement age, death, or disability, as defined in the Plan.

***Notes Receivable from Participants***

Participants may borrow from their vested accounts a minimum of \$1,000 up to a maximum equal to the lesser of 50% of their vested account balance; or \$50,000, reduced by the excess (if any) of the highest outstanding note balances during the 12-month period ending on the day before the note is issued, over the outstanding balance of notes from the Plan on the date the note is issued. Additionally, a participant may only borrow up to two new notes per year, at a maximum of five notes outstanding at any one time. The notes are secured by the balance in the participant's vested account. Spousal consent applies if a loan is secured by transferred pension accounts. The note interest rate is 1% above the prime rate (published in the Wall Street Journal and updated quarterly) as determined by the Trustee at the time of the loan. Principal and interest are paid ratably through bi-weekly payroll deductions.

***Payment of Benefits***

On termination of service, a participant whose individual vested account balances exceeds \$5,000 may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or annual installments over a period certain, as defined in the Plan. For individual vested account balances of \$1,000 or less, a participant will automatically receive a lump-sum distribution. Individual vested account balances greater than \$1,000 but \$5,000 or less will automatically be directly rolled over to an IRA designated by the Trustee unless the participant elects to receive the value of the vested interest in his or her account as a lump-sum distribution within the time period prescribed by the Plan. Spousal consent rules apply with respect to transferred pension accounts.

**1. Description of Plan (continued)**

***Payment of Benefits (continued)***

Upon death before distribution of a participant's vested account balance, the participant's beneficiary will receive the remaining vested account balance in either a lump-sum or installments. The spouse is the beneficiary of a married participant unless the participant elects otherwise with spousal consent. Pre-retirement survivor annuity rules apply with respect to transferred pension accounts.

***Forfeited Accounts***

At December 31, 2023 and 2022, forfeited nonvested accounts totaled \$9,558 and \$46, respectively. These accounts may be used to restore forfeitures, reduce future employer nonelective contributions, or pay reasonable Plan expenses. During 2023, no forfeitures were used to restore forfeitures, reduce employer nonelective contributions, or pay reasonable Plan expenses.

**2. Summary of Significant Accounting Policies**

***Basis of Accounting and Use of Estimates***

The accompanying financial statements have been prepared under the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP"), which requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

***Fair Value Measurements***

The Plan follows U.S. GAAP guidance on *Fair Value Measurements* which defines fair value and establishes a fair value hierarchy organized into three levels based upon the input assumptions used in pricing assets. Level 1 inputs have the highest reliability and are related to assets with unadjusted quoted prices in active markets. Level 2 inputs relate to assets with other than quoted prices in active markets which may include quoted prices for similar assets or liabilities or other inputs which can be corroborated by observable market data. Level 3 inputs are unobservable and are used to the extent that observable inputs do not exist.

Pursuant to U.S. GAAP guidance, alternative investments where fair value is measured using the Net Asset Value ("NAV") per share as a practical expedient is not categorized within the fair value hierarchy.

**401(k) Profit Sharing Plan**

Notes to Financial Statements  
December 31, 2023 and 2022

**2. Summary of Significant Accounting Policies (continued)**

***Investment Valuation and Income Recognition***

All of the Plan's investments are stated at fair value. The Self-Managed Brokerage Fund consists of mutual funds, stocks, and bonds that are valued based on quoted prices in active markets. The common/collective trust is valued at the NAV of units held by the Plan. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. The practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded when earned. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the Plan year.

***Notes Receivable from Participants***

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recognized when earned. The Plan does not charge participants a fee related to the administration of note receivables. No allowance for credit losses has been recorded as of December 31, 2023 and 2022. If a participant ceases to make loan repayments and the loan is deemed to be in default, the participant loan balance is reduced and a benefit payment is recorded.

***Payment of Benefits***

Benefits are recorded when paid.

***Administrative Expenses***

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Professional account management fees related to investment advice and account management services are charged directly to the participant's account who elected this service. These fees are included in administrative expenses. Investment related expenses and program management fees (see Note 5) are included in net appreciation in fair value of investments.

***Subsequent Events***

Management has evaluated subsequent events for disclosure and/or recognition in the financial statements through the date that the financial statements were available to be issued, which date is September 27, 2024.

(\*) As discussed in Note 2, investments that are measured using the practical expedient are not classified within the fair value hierarchy.

**4. Common Collective Trust**

The common collective trust funds (the "Funds") in which the Plan participates, are maintained by Mercer Trust Company, the Institutional Investment Fiduciary and Trustee of the Plan. Interests in the Funds are represented by units, each of which represents an undivided pro-rata share of the net assets of a fund. Although similar in nature to mutual funds, the Funds are not traded on an active market. Participant transactions (purchases and sales) may occur daily, without requiring notice or restrictions of redemption. The Plan has no unfunded commitments as of December 31, 2023 and 2022.

**5. Related Party and Party-in-Interest Transactions**

The Plan sponsor participates in the ABA Retirement Funds Program (the "Program"). As the Plan's program sponsor, ABA Retirement Funds is responsible for the design and maintenance of the Plan, providing a variety of investment options under the Program and providing independent oversight over the Program's service providers who provide custodial, recordkeeping and administrative services to the Plan.

**Farrell Fritz, P.C.**  
**401(k) Profit Sharing Plan**

Notes to Financial Statements  
December 31, 2023 and 2022

**5. Related Party and Party-in-Interest Transactions (*continued*)**

Certain Plan investments consist of common collective trust funds managed by Mercer Trust Company ("MTC"), the Institutional Investment Fiduciary and Trustee of the Plan. Certain of these investments managed by MTC are also maintained by State Street Bank and Trust Company, as Investment Advisor to the respective common collective trust funds, as defined by the Program. Voya Institutional Plan Services, LLC, an affiliate of Voya Retirement Insurance and Annuity Company and Voya Financial (collectively "Voya"), is the Plan's recordkeeper, as defined by the Plan. Transactions with these related parties qualify as exempt party-in-interest transactions.

The common collective trust funds held by the Plan pay a program fee to ABA Retirement Funds, Voya and MTC for their respective services to the Program. These fees are included in net appreciation in fair value of the investments.

**6. Plan Termination**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer nonelective contributions.

**7. Tax Status**

The Plan is maintained through the adoption of a prototype non-standardized cash or deferred profit sharing plan sponsored by ABA Retirement Funds ("ABARF") and pre-approved by the IRS. ABARF updates the prototype from time to time for compliance with applicable pension laws and submits it to the IRS for an updated opinion letter.

The most recent IRS opinion letter is dated June 30, 2020, and provides that the prototype non-standardized cash or deferred profit sharing plan is acceptable with the applicable sections of the Internal Revenue Code ("IRC"). The Firm amended and restated the Plan by adopting this IRS approved prototype in July 2022. The Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC, and therefore, believes that the Plan continues to be qualified and its related trust continues to be tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more-likely-than-not would not be sustained upon examination by the Internal Revenue Service ("IRS"). The Plan is subject to routine examination by taxing jurisdictions; however, there are currently no examinations for any tax periods in progress.

Notes to Financial Statements  
December 31, 2023 and 2022

**8. Information Certified (Unaudited)**

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year), including investments and noted receivable from participants held at December 31, 2023 and 2022, and net appreciation in value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2023, was obtained by management and agreed to or derived from information certified as complete and accurate by Mercer Trust Company, a qualified institution.

**9. Risks and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

The global and domestic economic uncertainty has resulted in significant volatility in financial markets. This volatility has affected, and may continue to affect, the value of the Plan's net assets available for benefits. The effects of economic and market conditions subsequent to December 31, 2023 are not reflected in these financial statements and future effects on the Plan's net assets available for benefits cannot be predicted.
