INDEPENDENT AUDITOR'S REPORT

To the Board of Directors, Administrator and Plan Participants
First Breckinridge Bancshares, Inc. Retirement Plan
Irvington, Kentucky

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of First Breckinridge Bancshares, Inc. Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of First Breckinridge Bancshares, Inc. Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of First Breckinridge Bancshares, Inc. Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about First Breckinridge Bancshares, Inc.'s Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of First Breckinridge Bancshares, Inc. Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about First Breckinridge Bancshares, Inc. Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, line 4i – schedule of assets (held at end of year) as of December 31, 2023 and Schedule H, Line 4a – schedule of delinquent participant contributions for the year ended December 31, 2023, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

RETIREMENT PLAN**

NOTES TO FINANCIAL STATEMENTS

Note 1. Plan Description

The following description of the First Breckinridge Bancshares, Inc. Retirement Plan (Plan) provides only general information. First Breckenridge Bancshares, Inc. is the plan sponsor. Participants should refer to the plan agreement for a more complete description of the Plan's provisions. Copies of the plan agreement are available from the plan administrator.

General

The Plan is a defined contribution multiple-employer plan. Full-time employees who have completed six months of service and are eighteen years or older are eligible to participate in the Plan. Part-time and other classes of employees are excluded from participating in the Plan. The participating employers (Company) are First Breckenridge Bancshares, Inc., First State Bank, Meade County Bank, West Point Bank, River City Bank, Bank of Clarkson, Bank of Lexington, Inc. and American Bank and Trust Company, Inc. The Plan is subject to the provisions of the Employer Retirement Income Security Act (ERISA).

Contributions

Each year, participants may elect to contribute up to the maximum legal limit, as determined by the Internal Revenue Service (IRS), of pre-tax annual compensation as defined in the Plan. Participants may also contribute amounts representing distributions from other qualified defined benefit or contributions plans. The Company has a safe harbor nonelective contribution equal to three percent of a participant's compensation. The Company may also make matching contributions. There were no matching contributions for the year ended December 31, 2023. Participants direct the investment of their contributions and safe harbor nonelective contributions into various investment options offered by the Plan. The Plan offers one guaranteed investment contract and multiple mutual funds. Contributions are subject to certain IRS limitations.

Participant Accounts

Each participant's account is credited with the participant's contributions, safe harbor nonelective contribution, matching contribution, as well as plan earnings. Participants accounts are charged with an allocation of any administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in both their voluntary contributions and safe harbor nonelective contribution plus actual earnings thereon. Vesting in the Company's matching contribution portion of their accounts is based on years of continuous service.

NOTES TO FINANCIAL STATEMENTS

Note 1. Plan Description (Continued)

Vesting (continued)

A participant is 100 percent vested after five years of credited service as described in the following schedule:

<u>Years of Service</u>	<u>Vested Percentage</u>
1 year	20%
2 years	40%
3 years	60%
4 years	80%
5 years or more	100%

Forfeited Accounts

At December 31, 2023 and 2022, the balance of the forfeited nonvested accounts totaled \$14,401 and \$13,902, respectively. These accounts will be used to pay plan expenses or reduce the Company's contribution.

Payment of Benefits

Upon a participant's separation from service, the value of the participant's vested interest is payable by a lump-sum amount if the vested account is \$1,000 or less. If the vested amount is greater than \$1,000 but less than \$5,000, and the participant does not provide the Plan with an affirmative distribution election, the distribution must be rolled over to an individual retirement account set up in the name of the participant. Distributions of account balances exceeding \$5,000 are subject to participant consent and distribution elections and are payable in a lump sum or in installments. The Plan permits hardship withdrawals from participant contributions, matching contributions, and actual earnings thereon. Participants who are at least 59 ½ may also withdrawal their vested account balance.

CARES Act Provisions

During 2020, the Coronavirus, Aid, Relief and Economic Security (CARES) Act allowed the Employer to temporarily provide expanded retirement plan options to employees who have been impacted by the COVID-19 pandemic. The Employer adopted the provisions related to coronavirus-related distributions. For the period March 27, 2020, through December 31, 2020, participants were eligible to receive a coronavirus-related distribution of up to \$100,000 from their vested account balance without a 10% early withdrawal penalty. Coronavirus-related distributions may be repaid within three years. These repayments will be treated as tax-free rollovers into the participant's account. Participants had to satisfy eligibility requirements to receive the coronavirus-related distribution.

NOTES TO FINANCIAL STATEMENTS

Note 1. Plan Description (Continued)

Administrative Costs

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Employer are excluded from these financial statements. The Company does not intend to request a reimbursement from the Plan. Investment related expenses are included in net appreciation in fair value of investments.

Note 2. Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared using the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires plan management to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value (except for the fully benefit responsive investment contract, which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's management determines the Plan's valuation policies utilizing information provided by the custodian of the Plan. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefit payments are recorded when paid. Under the rules of the preparation of Form 5500, the Plan's Form 5500 will reflect an accrual for the amount to be paid to participants who withdrew from the Plan prior to year-end, and who had requested a distribution which was approved but not yet paid at year end, if any. There were no unpaid distributions at December 31, 2023 and 2022.

Subsequent Events

Management has evaluated subsequent events through September 24, 2024, the date the financial statements were available to be issued.

NOTES TO FINANCIAL STATEMENTS

Note 3. Certified Investments

Certain information related to investments disclosed in the accompanying financial statements and ERISA required supplemental schedules, including investments held at December 31, 2023 and 2022, and net appreciation in fair value of investments, interest, and dividends for the year ended December 31, 2023, was obtained by plan management and agreed to or derived from information certified as complete and accurate Empower Annuity Insurance Company of America and Empower Trust Company, LLC, the custodians of the Plan. The following table sets forth the certified information as follows:

	2023	2022
Investments:		
Investments, at fair value	\$ 23,756,926	\$ 20,096,551
Investments, at contract value	2,913,565	2,745,318
Investment income:		
Net appreciation in fair value of investments	\$ 2,154,346	
Interest	41,118	
Dividends	616,426	

Note 4. Fair Value Measurements

U.S. GAAP provides a framework for fair value measurements. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The methodology for measuring fair value specifies a three-tier hierarchy of valuation techniques based upon whether the inputs to those valuation techniques are based on quoted prices of identical assets or liabilities (Level 1), significant other observable inputs (Level 2), or significant other unobservable inputs that reflect a Plan's own assumptions of market participant valuation (Level 3).

All financial assets, mutual funds, (except for the fully benefit responsive investment contract) as of December 31, 2023 and 2022, are measured at fair value on a recurring basis (at least annually) using Level 1 inputs since they have quoted market prices (or have similar market prices) in active markets.

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2023 and 2022.

Mutual funds: valued at the daily closing price as reported by the fund. The mutual funds held by the Plan are deemed to be actively traded.

NOTES TO FINANCIAL STATEMENTS

Note 5. Fully Benefit-Responsive Investment Contract

The Plan entered into a fully benefit-responsive investment contract with Empower Annuity Insurance Company of America. Empower Annuity Insurance Company of America maintains the contributions in a general account. The account is credited with earnings guaranteed under the contract on the underlying investments and charged for participant withdrawals and administrative expenses. The fully benefit-responsive investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the investment contract meets the criteria to be considered fully-benefit responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the investment contract. Contract value, as reported to the Plan by Empower Annuity Insurance Company of America, represents contributions made under the contract, less participant withdrawals and administrative expenses, plus interest credited. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include termination of the contract, spinoffs, divestitures, layoffs, corporate relocation, partial or total plan termination, retirement incentive programs, and the liberalization of plan withdrawals or transfer rules. Upon occurrence of any of these events, a market value adjustment may apply. The plan administrator does not believe that any events which would limit the Plan's ability to transact at contract value with participants are probable of occurring.

Empower Annuity Insurance Company of America may terminate the contract with a minimum of 30 days advance written notice to the contract owner, if the Plan fails to maintain qualified retirement plan status for any reason.

Note 6. Related Party and Party-in-Interest Transactions

Party-in-interest is defined under Department of Labor regulations as a fiduciary of the Plan, any party rendering services to the Plan, the Company and certain others.

Plan investments are managed and held by Empower Trust Company, LLC and Empower Annuity Insurance Company of America. Empower Annuity Insurance Company of America is the recordkeeper and Nova 401k Associates is the third-party administrator. Meridian Wealth Management, LLC is the investment advisor. Great-West Company, LLC is the custodian.

Empower Trust Company, LLC receives revenue from mutual fund service providers for services provided to the funds. This revenue is used to offset certain amounts owed to record-keepers and custodians for their administrative services to the Plan. If revenue received by Empower Trust Company, LLC exceeds the amount owed Empower Trust Company, LLC remits the excess to the Plan on a quarterly basis. Such amounts may be applied to pay plan administrative expenses, investment advisory fees or allocated to the accounts of the participants.

NOTES TO FINANCIAL STATEMENTS

Note 6. Related Party and Party-in-Interest Transactions (Continued)

As of December 31, 2023 and 2022, unallocated investment credits totaled \$52,178 and \$51,420, respectively. During 2023, the Plan received \$9,555 in investment credits and \$9,555 were utilized to pay third-party administrator fees.

Jones, Nale & Mattingly, PLC is the independent auditor of the Plan. Each of these service providers are a party-in-interest to the Plan.

Note 7. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

Note 8. Tax Status

The Plan is based on a non-standardized pre-approved plan which has received a favorable opinion letter dated June 30, 2020 from the IRS that the non-standardized pre-approved plan is designed to qualify as being exempt from federal income taxes. The plan administrator has not separately applied for a determination letter from the IRS. However, the plan administrator believes the Plan was designed and is currently being operated as a tax-exempt plan in compliance with the applicable requirements of the Internal Revenue Code and, therefore, no income taxes have been provided.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing authorities; however, there are currently no audits for any tax periods in progress.

Note 9. Risk and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Note 10. Prohibited Transaction

During the year ended December 31, 2022, the Company failed to remit certain employee contributions totaling \$32,110 to the Plan within the period prescribed by the Department of Labor. The Company remitted lost earnings on these contributions to compensate affected participants in October 2023.
