The Fort Wayne Rescue Mission Ministries Inc. 403(b) Plan
Fort Wayne, Indiana

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of The Fort Wayne Rescue Mission Ministries Inc. 403(b) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of The Fort Wayne Rescue Mission Ministries Inc. 403(b) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Disclaimer of Opinion

We do not express an opinion on the accompanying financial statements of The Fort Wayne Rescue Mission Ministries Inc. 403(b) Plan. Because of the significance of the matters described in the Basis for Disclaimer of Opinion section of our report, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the financial statements.

Basis for Disclaimer of Opinion

As described in Note 2, the Plan has excluded from investments in the accompanying statement of net assets available for benefits certain annuity and custodial accounts issued to current and former employees prior to January 1, 2009, as permitted by the Department of Labor's Field Assistance Bulletin No. 2009-02, Annual Reporting Requirements for 403(b) Plans. The investment income and distributions related to such accounts have also been excluded in the accompanying statement of changes in net assets available for benefits. The amount of these excluded annuity contracts and custodial accounts and the related income and distributions are not reasonably determinable. Accounting principles generally accepted in the United States of America require that these accounts and the related income and distributions be included in the accompanying financial statements.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about The Fort Wayne Rescue Mission Ministries Inc. 403(b) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our responsibility is to conduct an audit of The Fort Wayne Rescue Mission Ministries Inc. 403(b) Plan's financial statements in accordance with auditing standards generally accepted in the United States of America and to issue an auditors' report. However, because of the matters described in the Basis for Disclaimer of Opinion section of our report, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

We are required to be independent of The Fort Wayne Rescue Mission Ministries Inc. 403(b) Plan, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit.

Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. THE FORT WAYNE RESCUE MISSION MINISTRIES INC. 403(B) PLAN

Notes to Financial Statements
December 31, 2023

Note 1. Plan Description

The Fort Wayne Rescue Mission Ministries Inc. 403(b) Plan is a defined contribution plan covering employees of Fort Wayne Rescue Mission Ministries, Inc. (the Organization or Employer). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The provisions of the Plan are included in the official Plan document, which legally governs the operations of the Plan and is available for more detailed information. The Plan was most recently amended, effective December 17, 2020. The most significant changes were to allow only two outstanding loans at one time and change the match basis from an annual basis to a pay period basis.

Eligibility

All employees are eligible to participate in the Plan immediately upon employment. To be eligible for Employer contributions, an employee must attain age 21 and complete one year of service (1,000 hours).

Contributions

Participants may elect to contribute between 1% and 100% of eligible pre-tax compensation up to the statutory dollar limit established by the Internal Revenue Code. Participants may also elect to make Roth deferral contributions. The Employer contribution is discretionary. For 2023, the Organization elected to match 50% of employee salary deferrals, up to 6% of eligible pre-tax compensation and to make a non-elective contribution of 6% of compensation for all eligible employees.

Participant Accounts

Each participant's account is credited with the participant's contribution, Employer contributions (if any), and an allocation of Plan earnings. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment Options

Participants have the option of investing in a variety of investments offered by Great-West Trust Company LLC (Great-West). Additionally, participants previously had investment options offered by Lincoln National Life Insurance Company (Lincoln). There are currently no contributions made to Lincoln. All amounts in participant accounts are participant-directed; however, if a participant does not choose an investment allocation, the Plan provides for a default investment option. Investment allocations can be changed daily.

THE FORT WAYNE RESCUE MISSION MINISTRIES INC. 403(B) PLAN

Notes to Financial Statements (Continued)
December 31, 2023

Note 1. Plan Description (Continued)

Notes Receivable from Participants

The Plan allows participants to borrow from their accounts a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. A participant may have two loans outstanding at a time. The duration of any loan shall be no more than five years unless such loan is for the purchase of a participant's primary residence. Repayments are made through payroll deductions. The loans are secured by the balance in the participant's account and bear interest at a fixed rate of interest at prime plus 2% at the time of origination (5.25% through 10.50% at December 31, 2023). Loans outstanding at December 31, 2023, mature through December 2028.

Vesting

Participants are immediately vested in all contributions plus actual earnings thereon.

Benefit Payments

Benefits under the Plan are payable in the form of lump sum and installment distributions. Benefits are payable when a participant retires, dies, or otherwise ceases to be an employee. Participants who are still active may also receive lump sum benefit payments upon attaining age 59 1/2 or for hardships. Additionally, rollover contributions are available for distribution at any time.

Termination of the Plan

Although the Organization has not expressed any intent to terminate the Plan, it may do so at any time, subject to the provisions set forth in ERISA.

Note 2. Significant Accounting Policies

Basis of Financial Statements

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

The Plan's financial statements do not present information regarding certain investments held by Lincoln in custodial accounts issued to current and former employees prior to January 1, 2009. The Plan Administrator has elected to exclude those contracts and accounts and the related activity from the Plan's financial statements for purposes of the annual reporting requirements of ERISA in accordance with transition relief as provided by the Department of Labor's Field Assistance Bulletin No. 2009-02, Annual Reporting Requirements for 403(b) Plans. Presentation of this information is required by accounting principles generally accepted in the United States of America. The effects of this departure from generally accepted accounting principles on these financial statements are not reasonably determinable.

THE FORT WAYNE RESCUE MISSION MINISTRIES INC. 403(B) PLAN

Notes to Financial Statements (Continued)
December 31, 2023

Note 2. Significant Accounting Policies (Continued)

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in the fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 or 2022. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Payment of Benefits

Payment of benefits to participants are recorded when paid.

Subsequent Events

The Plan Administrator has evaluated events and transactions for possible recognition or disclosure through August 21, 2024, the date the financial statements were available to be issued.

THE FORT WAYNE RESCUE MISSION MINISTRIES INC. 403(B) PLAN

Notes to Financial Statements (Continued)

Note 3. Information Certified by the Plan's Custodian

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the following information was certified by Great-West Trust Company LLC, and was not subjected to any auditing procedures performed by the independent public accountants.

- a. Total investments as shown in the accompanying statements of net assets available for benefits.
- b. Net investment income as shown in the accompanying statement of changes in net assets available for benefits, including dividends and net realized and unrealized appreciation in fair value of investments.

Note 4. Fair Value Measurements

Fair value measurements are based upon the exit price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants, and are determined by either the principal market or the most advantageous market.

Inputs used in the valuation techniques to derive fair values are classified based on a three-level hierarchy to prioritize the inputs used in the valuation techniques to derive fair values. The basis for fair value measurements for each level within the hierarchy is described below with Level 1 measurements having the highest priority and Level 3 measurements having the lowest priority.

Level 1: Fair value is based on unadjusted quoted prices for identical assets or liabilities in an active market that the Plan has the ability to access at the measurement date.

Level 2: Fair value is based on quoted prices in markets that are not active, quoted prices for similar assets and liabilities in active markets, and inputs that are observable for the asset or liability, either directly or indirectly, for substantially the full term of the asset or liability.

Level 3: Fair value is based on prices or valuation techniques that require inputs that are both significant to the fair value measurement and unobservable.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

THE FORT WAYNE RESCUE MISSION MINISTRIES INC. 403(B) PLAN

Notes to Financial Statements (Continued) December 31, 2023

Note 4. Fair Value Measurements (Continued)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Money market fund and mutual funds: Valued at quoted market prices, which represent the net asset values (NAV) of shares held by the Plan at year end.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments measured at fair value on a recurring basis as of December 31, 2023 and 2022.

Assets at Fair Value as of December 31, 2023				
	Level 1	Level 2	Level 3	Total
Money market fund	\$ 30,666	\$ -	\$ -	\$ 30,666

THE FORT WAYNE RESCUE MISSION MINISTRIES INC. 403(B) PLAN

Notes to Financial Statements (Continued)
December 31, 2023

Note 6. Income Tax Status

The Plan obtained its latest opinion letter on March 31, 2017, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the opinion letter. However, the Plan Administrator and the Plan's tax counsel believe that the Plan is designed and currently being operated in compliance with the applicable requirements of the Internal Revenue Code and, therefore, believe that the Plan is qualified.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to 2020.

Note 7. Risks and Uncertainties

The Plan may invest in various types of investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
