Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Orr, Inc. 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the ORR, Inc. 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2023 and 2022 and for the year ended December 31, 2023, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Orr, Inc. 401(k) Profit Sharing Plan

and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Orr Inc.'s 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date of the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statement as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks; such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Orr, Inc.'s 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- conclude whether, in our judgment, there are condition or events, considered in the aggregate, that raise substantial doubt about Orr, Inc.'s 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matter, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of schedule H, Part IV, Line 4a- Schedule of Delinquent Participant Contributions for the year ended December 31, 2023 and Schedule H, Part IV, Line 4i- Schedule of Assets (Held at End of Year) as of December 31, 2023, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Note A - Description of Plan

The following description of the Orr, Inc. ("Company") or ("Employer") 401(k) Profit Sharing Plan ("Plan") provides only general information. Participants should refer to the Plan agreement for a complete description of the Plan's provisions.

General. The plan is a defined contribution plan covering all full-time employees of the Company who have six months of service and are at least 21 years of age. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Plan Administration. The Plan is administered by the Plan Administration who is appointed by the Board of Trustees of the Company. The Plan's Trustee, Empower Retirement, is responsible for managing the Plan's assets.

Contributions. The Employer may make annual discretionary profit-sharing contributions in an amount to be determined at the Plan year-end by the Board of Directors. The employee must meet the eligibility requirements to participate in the Plan and be employed at the end of the year to be eligible for any employer profit sharing contributions made for the Plan Year. Profit sharing contributions are allocated in the ratio that an employee's eligible compensation bears to the total compensation paid to all eligible participants for the Plan Year. No employer contributions were made during the year. Each year, participants may contribute up to 75% of pretax annual compensation, as defined in the Plan. Also, if the participant is over age 50, the participant may contribute an additional salary deferral, pre-tax contributions to the Plan up to the IRS Catch Up Provision Limit. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. All contributions are invested according to the various investment options selected by the employee. The Plan intends to qualify as a participant-directed account plan under section 404(c) of the Employee Retirement Income Security Act (ERISA) of 1974.

Participant Accounts. Each participant's account is credited with the participant's contribution and earnings and an allocation of the Company's contribution. Allocations are based on participant eligible compensation. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Payment of Benefits. On termination of employment, retirement, or disability the participant may take a lump sum or installment distribution from the Plan. In the event of death, the beneficiary will receive the distribution from the Plan.

Vesting. Participants are immediately vested in their own voluntary contributions to their account and any rollover accounts plus the actual earnings thereon. Participants are also immediately vested in the employee contributions. Vesting in the Company safe harbor match and the discretionary profit-sharing contributions portion of their accounts plus actual earnings thereon is based on years of service in accordance with the following schedule:

Years of Service for Vesting	Percentage
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Note A - Description of Plan (continued)

Investment Options. For year ended December 31, 2023, Empower Retirement, the trustee, was responsible for holding the Plan assets. Upon enrollment in the Plan, a participant may direct employee and employer contributions in any investment options. The election allows the participant to allocate their funds among the variable portfolios to take advantage of what each investment option has to offer and help balance different types of risks. The values of the variable portfolios may increase or decrease on any day. Participants may change their investment options at any time. The Plan is intended to be a participant-directed plan as described in 404(c) of the Employee Retirement Income Security Act (ERISA) of 1974, and Labor Regulations governing section 404(c) plans. This means that fiduciaries of the Plan are ordinarily relieved of the liability for any losses which are the direct and necessary result of investment instructions given by a participant or beneficiary under the participant-directed investment feature of the Plan.

Notes Receivable from Participants. Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. All loans must be paid back within five years unless it is for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at rates ranging from 4.25% to 9.50%, which are commensurate with local prevailing rates as determined by the Plan administrator. Principal and interest are paid ratably through weekly or monthly payroll deductions. At December 31, 2023 and 2022, there was $172,071 and $119,407, respectively of participant notes receivable outstanding.

Operating and Administrative Expenses. The Company absorbed all of costs of plan operating and administrative expenses, which are excluded from their financial statements, except the cost related to participant loan initial set up fees, participant loan quarterly maintenance fees and outside fund fees for the years ended December 31, 2023 and 2022. These expenses totaled $16,930.

Separated Participants with Deferred Vested Benefits. At December 31, 2023 and 2022, separated participants with deferred vested benefits totaled $45,809 and $290,477, respectively.

Forfeited Accounts. At December 31, 2023 and 2022, forfeited nonvested accounts totaled $38 and $17, respectively.

Note B - Summary of Significant Accounting Policies

Basis of Accounting. The financial statements of the Plan are prepared using the accrual method of accounting.

Estimates. The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (GAAP) requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition. The Plan's investments are stated at fair value. If available, quoted prices are used to value investments. Participant note receivables are valued at unpaid principal balance plus any accrued interest. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. See Note D for discussion of fair value measurements.

Note B - Summary of Significant Accounting Policies (continued)

Notes Receivable from Participants. Notes receivable from participants are measured at their unpaid principal balance plus any accrued interest. Delinquent participant loans are reclassified as distributions based on the terms of the Plan document. Interest income is recorded on the accrual basis.

Payment of Benefits. Benefits are recorded when paid.

Coronavirus Aid Relief and Economic Security Act of 2020. During 2020, The Plan implemented certain CARES Act provisions to allow for special coronavirus-related distributions up to $100,000 permitted beginning on or after January 1, 2020 and before December 31, 2020, and waiver of 2020 required minimum distributions.

Note C - Information Prepared and Certified by Trustee

The following information included in the accompanying financial statements was obtained from data that has been prepared and certified to as complete and accurate by the Empower Retirement:

	2023	2022
Investments, at fair value:		
Value of interest in registered investment companies	$ 8,946,097	$ 7,330,061
Value of interest in common/collective trusts	100,016	88,414
Notes receivable for participants	$ 172,071	$ 119,407
Dividend income - registered investment companies	$ 17,945	
Net appreciation from registered investment companies	1,202,315	
Net investment gain (loss) from common/collective trust	2,777	
Interest income - notes receivable from participants	8,358	
Other income (loss)	$ 666	

Note D - Fair Value Measurements

Gains and losses included in changes in net assets available for benefits for the year ended December 31, 2023, are reported in net appreciation in fair value of investments.

The Plan's policy is to recognize transfers between Levels 1 and 2 and into and out of Level 3 as of the date of the event or change in circumstances that caused the transfer. For the year ended December 31, 2023 and 2022, there were no significant transfers between Levels 1 and 2 and no transfers into or out of Level 3.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs are only used when Level 1 or Level 2 inputs are not available. There are no plan assets requiring the use of Level 3 inputs for the periods presented.

Note D - Fair Value Measurements (continued)

Mutual Funds

The mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at the price. The mutual funds held by the Plan are deemed to be actively traded.

Collective Investment Trusts

The collective investments trusts are valued at the net asset value per share of the individual collective trusts included in each respective fund, which is based on the fair value of the underlying net assets. The NAV is used as a practical expedient to estimate fair value. These investments are valued at NAV of the units held by the Plan. NAV would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value.

	Fair Value	Identical Assets (Level 1)	Observable Inputs (Level 2)	Unobservable Inputs (Level 3)
December 31, 2023				
Mutual Funds	$ 8,946,097	$ 8,946,097	$ -	$ -
Total	$ 8,946,097	$ 8,946,097	$ -	$ -
December 31, 2022				
Mutual Funds	$ 7,330,061	$ 7,330,061	$ -	$ -
Total	$ 7,330,061	$ 7,330,061	$ -	$ -

The following table summarizes investments for which fair value is measured using the NAV per share practical expedient as of December 31, 2023 and 2022, respectively. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
December 31, 2023				
Collective Investment Trusts	$ 100,016	N/A	Daily	None
December 31, 2022				
Collective Investment Trusts	$ 88,414	N/A	Daily	None

Note E - Related Party Transactions and Party-in-Interest Transactions

Certain Plan investments are shares of common/collective trust funds managed by Great West Trust Company, LLC. The funds totaled $100,016 and $88,414 at December 31, 2023 and 2022, respectively. Great West Trust Company, LLC. is a subsidiary of the Empower Retirement, the trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for the investment management services amounted to $653 and $761 for the year ended December 31, 2023 and 2022 respectively.

All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

Note F - Delinquent Contributions

As required by ERISA Section 2510.3-102, the plan sponsor is required to segregate employee contributions to the plan from its general assets as soon as practicable but in no event more than 15 business days following the end of the month in which amounts are withheld from wages. During the years ended December 31, 2023 and 2022, the Company had contributions not transferred to the third-party administrator within this specified time frame. These late contributions for the years ended December 31, 2023 and 2022, amounted to $57,776 and $43,881, respectively. All contributions will be remitted by October 15, 2024.

Note G - Plan Termination

Although it has not expressed any intention to do so, the Sponsor has the right under the Plan to modify benefits provided to active employees, to discontinue its contributions at any time, and to terminate the Plan subject to the provisions set forth in ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

Note H - Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Note I - Tax Status

The Internal Revenue Service has determined and informed the Company by advisory letter dated June 30, 2020 that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the plan has been amended since receiving the advisory letter, the Plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements. Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable authorities. The plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income examination for years prior to 2019.

Note J - Reconciliation of Financial Statements to Form 5500

There are no disclosures required to provide a reconciliation of the financial statements at December 31, 2023 or 2022 to the Form 5500.

Note K - Subsequent Events

In reviewing its financial statements, management has evaluated events subsequent to the statement of net assets available for benefits date through September 30, 2024 which is the financial statements issuance date.
