INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee and participants of the
Deposco, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2023 Financial Statements

We have performed an audit of the financial statements of the Deposco, Inc. 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) which comprise the statement of net assets available for benefits as of December 31, 2023, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (the 2023 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2023 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution as of December 31, 2023, and for the year then ended, stating that the certified investment information, as described in Note 3 to the 2023 financial statements, is complete and accurate.

Opinion on the 2023 Financial Statements

In our opinion, based on our audit and the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2023 Financial Statements section of the report,

- the amounts and disclosures in the accompanying 2023 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and
- the certified investment information in the accompanying 2023 financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2023 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2023 Financial Statements section of our report. We are required to be independent of the Plan and to meet our ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is responsible for maintaining a current Plan instrument, including all Plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2023 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2023 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the 2023 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the 2023 financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of the accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2023 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2023 financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – 2023 Supplemental Schedule Required by ERISA

The 2023 supplemental schedule, Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the 2023 financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2023 financial statements. The information included in the 2023 supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the 2023 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2023 financial statements or to the 2023 financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the 2023 supplemental

schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the 2023 supplemental schedule, we evaluated whether the 2023 supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion,

- the form and content of the 2023 supplemental schedule, other than the information in the 2023 supplemental schedule that agreed to or is derived from the certified investment information, is presented in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the certified investment information in the 2023 supplemental schedule agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter – Auditor's Report on the 2022 Financial Statements

Predecessor auditors performed an audit of the 2022 financial statements of the Deposco, Inc. 401(k) Plan. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the plan that were certified by the qualified institutions. Their report dated October 11, 2023 indicated that (a) the amounts and disclosures in the 2022 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2022 supplemental schedule, other than the information in the 2022 supplemental schedule that agreed to or is derived from the certified investment information, were presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA; and the information in the 2022 supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determines meets the requirements of ERISA Section 103(a)(3)(C).

Deposco, Inc. 401(k) Plan

Notes to Financial Statements

December 31, 2023 and 2022

1. Description of the Plan

The following description of the Deposco, Inc. 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan document, copies of which are available from the plan administrator, for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering eligible employees of Deposco, Inc. (the Company), as defined in the Plan document. All employees except union, nonresident aliens, and leased employees are eligible to participate in the Plan. Employees become eligible to participate in the Plan on the first of the month coinciding with or following their date of hire. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Participants may elect to contribute pre-tax and/or Roth contributions up to 100% of eligible compensation as defined by the Plan document, not to exceed \$22,500 in 2023. Additional catch-up contributions of up to \$7,500 may be made by those participants who have attained age 50 prior to the end of the Plan year. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers).

The Company may make discretionary matching or profit sharing contributions to eligible employees. In 2023, the Company made a discretionary matching contribution equal to 50% of the first 4% of eligible compensation that participants contributed to the Plan. There were no discretionary profit sharing contributions made in 2023.

Participant Accounts

Each participant's account is credited with the participant's contributions, rollovers, the Company's contributions, and earnings and losses on the investments in their account, and is charged with certain fees related to specific transactions. Participants direct the investment of their contributions into various investment options offered by the Plan. Participants may change their investment options on a daily basis. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their contributions and rollovers plus actual earnings thereon. Participants vest 25% per year in discretionary matching and profit sharing contributions and are fully vested after four years of service.

Deposco, Inc. 401(k) Plan

Notes to Financial Statements

December 31, 2023 and 2022

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of the vested balance of their account. A participant may have one note outstanding at any time. The notes are secured by the balance in the participant's account and bear a reasonable rate of interest. During 2023, notes had fixed rates of interest ranging from 5.00% to 9.50% for the term of the note, not to exceed 5 years unless used for the purchase of a participant's principal residence. Principal and interest are paid through payroll deductions.

Payment of Benefits

At the time of death, disability, termination of service, or retirement, the participant or their beneficiary may receive payment of the vested interest in their account in a lump-sum distribution. The participant's contributions may also be withdrawn for certain hardship situations. If a participant terminates employment and has an account balance less than \$1,000, the participant will automatically receive a lump-sum payment equal to the value of their account.

Forfeited Accounts

At December 31, 2023 and 2022, forfeited non-vested accounts totaled \$10,450 and \$13,798, respectively. Forfeitures may be used to reduce future employer contributions or pay Plan administrative expenses. During 2023, \$17,666 in forfeitures were used to reduce employer contributions and no forfeitures were used to pay Plan administrative expenses.

Administrative Expenses

Certain administrative expenses are permitted to be paid by the Plan in accordance with the Plan's provisions. Loan origination fees and certain transaction fees for withdrawals are charged directly to the respective participants' accounts. These expenses are paid to a service provider of the Plan and therefore qualify as party-in-interest transactions. Certain expenses incidental to the administration of the Plan are paid by the Company. The Company does not expect reimbursement from the Plan for any expenses paid on behalf of the Plan.

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are presented on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect

Deposco, Inc. 401(k) Plan

Notes to Financial Statements

December 31, 2023 and 2022

the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

Contributions

Participant contributions are considered payable to the Plan upon the withholding of contributions from the participant's paycheck. The employer discretionary matching contributions are considered payable to the Plan when the related participant's contributions are payable to the Plan. The employer discretionary profit sharing contributions are considered payable when they are approved to be paid by the Company. Any unfunded participant or employer contributions are included in participant or employer contributions receivable on the statements of net assets available for benefits as of December 31, 2023 and 2022.

In accordance with Financial Accounting Standards Board's Accounting Standards Codification 326, *Financial Instruments—Credit Losses*, the Company estimates the current credit risk associated with employer contribution receivables. The Company determined that no allowance for credit loss was necessary as of December 31, 2023 and 2022.

Valuation of Investments

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for a discussion of fair value measurements.

Net change in fair value of investments includes interest and dividends, and realized and unrealized gains and losses on the respective investments. Interest income is recorded when received.

Payment of Benefits

Benefits are recorded when paid.

Notes Receivable from Participants

Notes receivable from participants are carried at their outstanding balances plus accrued interest. Interest income is recorded when received by the Plan. No allowance for credit losses has been recorded as of December 31, 2023 or 2022. If a participant ceases to make note repayments and the plan administrator deems the participant note to be in default, the participant note balance is reduced, and a benefit payment is recorded. Notes receivable from participants also qualify as party-in-interest transactions.

Reclassifications

Certain 2022 amounts have been reclassified to conform to the 2023 presentation. The effects of the reclassifications are not considered material to the financial statements taken as a whole.

Deposco, Inc. 401(k) Plan

Notes to Financial Statements

December 31, 2023 and 2022

Subsequent Events

Management evaluates events occurring subsequent to the date of the financial statements in determining the accounting for and disclosure of transactions and events that affect the financial statements. Subsequent events have been evaluated through September 30, 2024, which is the date the financial statements were available to be issued.

3. Information Certified by the Qualified Institution

All information in the accompanying financial statements and supplemental schedule, including investments held and notes receivable from participants at December 31, 2023 and 2022, and the net change in fair value of investments and interest income for the year ended December 31, 2023, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by John Hancock Life Insurance Company (U.S.A.) (John Hancock), the Plan's qualified institution.

4. Investments

All plan investments are managed by John Hancock, the Plan's qualified institution; therefore, transactions in this investment qualify as party-in-interest transactions. Fees incurred by the Plan for investment management services are included in net change in fair value of the investment as they are paid through revenue sharing rather than as a direct payment.

Investments are exposed to various risks such as interest rate, currency, market, and credit risks. Market risks include U.S. and global events which could impact the value of Plan investments. Such events would include healthcare crises, such as a pandemic, international conflicts, supply chain disruptions, global monetary policy decisions, significant exogenous economic influences, significant cybersecurity attacks, or similar events. It is at least reasonably possible that changes in their fair value will occur in the near term and that such changes could materially affect participants' account balances.

The Financial Accounting Standards Board established a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value into three levels. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities, and the lowest priority to unobservable inputs. The three levels of the fair value hierarchy are described as follows:

Level 1 – unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access

Level 2 – other observable data, including quoted prices for similar assets in inactive markets

Level 3 – unobservable inputs

Deposco, Inc. 401(k) Plan

Notes to Financial Statements

December 31, 2023 and 2022

Observable inputs are those based on market data obtained from sources independent of the Plan, and unobservable inputs reflect the Plan's own assumptions based on the best information available. The input levels are not necessarily an indication of the risk or liquidity associated with financial instruments at that level but rather the degree of judgment used in determining those values.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Fair value for pooled separate accounts is determined by prices published daily by the account manager, which is the net asset value (NAV) of the account (Level 1). Net asset value is determined by the fair value of the mutual funds, stocks, debt instruments and other securities in the accounts. Participants can trade the pooled separate accounts daily at the published NAV.

The Plan invests in a stable value fund which invests in security-backed contracts that include group annuity contracts, bond funds, and guaranteed investment contracts (GICs), which are general obligations of the insurance companies that issue the contracts. The stable value fund trades daily at the net asset value (NAV) which is based on the contract value of the underlying investments (Level 1). The stable value fund has redemption restrictions that limit the timing of withdrawals by the Plan sponsor, but withdrawals for plan distributions, loans, hardship withdrawals, and transfers to other investments are paid immediately at full value. Withdrawals caused by the Plan sponsor may either be paid out immediately (subject to a market value adjustment) or at the full contract value over a period of five years.

The following table summarizes the Plan's investments based on the inputs used to determine their fair values as of December 31, 2023 and 2022:

	Level 1	
	2023	2022
Pooled separate accounts	\$ 10,012,192	\$ 6,235,502
Stable value fund	46,094	34,684
Total investments, at fair value	\$ 10,058,286	\$ 6,270,186

5. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, participants would become fully vested in all Company contributions.

Deposco, Inc. 401(k) Plan

Notes to Financial Statements

December 31, 2023 and 2022

6. Income Tax Status

The Plan is operating under a non-standardized pre-approved profit sharing/money purchase/CODA plan document (pre-approved plan) prepared by Palmer Pension Services, Inc. (Palmer). The Internal Revenue Service has determined and informed Palmer by a letter dated June 30, 2020, that the pre-approved plan is designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has not obtained an individual determination letter and has been amended since Palmer received the opinion letter, the plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and has no income subject to unrelated business income tax. The Plan's income tax returns for the past three years are subject to examination by tax authorities and may change upon examination.
