INDEPENDENT AUDITOR'S REPORT

To the Trustees and Plan Administrator
Coating Place, Inc. Profit Sharing & 401(k) Plan
Verona, Wisconsin

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Coating Place, Inc. Profit Sharing & 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Coating Place, Inc. Profit Sharing & 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 8 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section.

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Coating Place, Inc. Profit Sharing & 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Coating Place, Inc. Profit Sharing & 401(k) Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Coating Place, Inc. Profit Sharing & 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Coating Place, Inc. Profit Sharing & 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedule Required by ERISA

The supplemental Schedule H, line 4i—Schedule of Assets (Held at End of Year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

COATING PLACE, INC. PROFIT SHARING & 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022

NOTE 1 – DESCRIPTION OF PLAN

The following description of the Coating Place, Inc. Profit Sharing & 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General. The Plan is a defined contribution plan covering all employees of Coating Place, Inc. who are at least 18 years of age, have completed 30 continuous days of service, and are not included in one of the excludable categories as defined in the Plan agreement. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA). The assets of the Plan are held for the exclusive benefit of the participating employees. The Trustees are responsible for oversight of the Plan. The Trustees determine the appropriateness of the Plan's investment offerings and monitors investment performance.

Contributions. Participants may contribute up to 80% of their compensation in any plan year, subject to certain Internal Revenue Service (IRS) limitations. Roth elective deferrals are permitted under the Plan. Participants may also contribute amounts representing distributions from other qualified retirement plans (rollovers). The employer matching contribution is a non-elective safe harbor contribution. For the years ended December 31, 2023 and 2022, the safe harbor contribution was 100% of the first 5% of compensation contributed by the participant. The employer may also make discretionary profit-sharing contributions. There were no profit sharing contributions for the years ended December 31, 2023 and 2022.

Participant Accounts. Each participant's account is credited with the participant's salary reduction contributions, employer safe harbor contributions, rollover contributions, and an allocation of the employer's discretionary profit-sharing contribution, if any, and plan net investment income. Each participant's account is charged with any distributions and an allocation of plan net investment loss and administrative expenses. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined in the Plan agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting. Participants are immediately fully vested in their salary reduction contributions, rollover contributions, and employer safe harbor contributions plus actual earnings thereon. Participants who leave the Plan because of death, disability, or normal retirement, as defined in the Plan agreement, are considered 100% vested in their account balance related to employer discretionary profit-sharing contributions. A participant who terminates, for any reason other than the aforementioned, shall have a nonforfeitable right to a percentage of the accrued benefit derived from the employer's discretionary profit-sharing contributions in accordance with the following schedule:

<u>Years of Service</u>	<u>Percentage Vested</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

A participant is credited with a year of service for each plan year in which the participant completes 1,000 hours of service.

NOTE 1 – DESCRIPTION OF PLAN (continued)

Investment Options. Participants are allowed to direct their account balance, their contributions, the employer's safe harbor contributions, and any employer discretionary profit-sharing contributions into any of the investment funds listed in the supplemental Schedule of Assets (Held at End of Year). Participants may change their investment options daily.

Payment of Benefits. Upon termination of service or attaining normal retirement age (65), a participant may elect to receive either a lump sum amount equal to the value of the participant's vested interest in his or her account or annual installments depending on the value of the participant's account. Upon a participant's death, the participant's beneficiary will be paid the balance of the account. In-service distributions are available from salary deferrals and employer safe harbor contributions for employees attaining age 59½ who continue to work for the employer. In-service distributions are also available to participants electing a hardship distribution from their salary deferral account.

Notes Receivable from Participants. Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their vested account balance, whichever is less. Loan terms can range from one to five years unless such loan is used for the purchase of a primary residence in which case such period shall not exceed 15 years. Loans are secured by the balance in the participant's account and bear interest at rates which are commensurate with local prevailing rates as determined by the Plan administrator. Principal and interest is paid ratably through payroll deductions.

Hardship Distributions. Participants may elect to withdraw all or a portion of their balance if they incur a financial hardship. The amount is limited to that necessary to meet the financial need. A hardship is considered any one of the following: deductible medical expenses, expenses to repair damages to principal residence, post-secondary tuition for the participant, spouse or dependents, the purchase (excluding mortgage payments) of a principal residence for the participant or payment needed to prevent the eviction of the participant from his principal residence and funeral or burial expenses for parents, spouse, children, and dependents.

Forfeited Accounts. At December 31, 2023 and 2022, forfeited nonvested accounts totaled \$21,547 and \$16,636, respectively. These accounts will be used to reduce future employer contributions or pay plan expenses. No forfeited nonvested accounts were used to pay plan expenses for the year ended December 31, 2023.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

COATING PLACE, INC. PROFIT SHARING & 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Contributions Receivable

The Plan uses the ERISA definition of plan assets to determine whether an accrual should be made for employee or the related employer contributions receivable based on when amounts have been withheld from employee compensation. A defined contribution plan can elect to recognize the employee and the related employer matching contribution either (1) in the period related to the participant's service or compensation (even if not yet withheld), or (2) in the period the employee contribution is withheld if the policy is applied on a consistent basis.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's management determines the Plan's valuation policies utilizing information provided by investment advisors and trustees. See Note 3 for further discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. No allowance for credit losses has been recorded as of December 31, 2023 and 2022. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded. Distributions from the Plan will be reduced by the amount of outstanding loans, if any. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when incurred.

Payment of Benefits

Benefits paid to participants are recorded when the funds are disbursed. As of December 31, 2023, no distributions had been requested by participants but not yet distributed.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the employer. Expenses paid by the employer and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments.

Date of Management's Review

Management has evaluated subsequent events through September 27, 2024, the date which the financial statements were available to be issued.

COATING PLACE, INC. PROFIT SHARING & 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022

NOTE 3 – FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the custodian. Although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to measure the fair value of certain financial instruments could result in a different fair value at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available. There are no plan assets requiring the use of Level 3 inputs for the periods presented.

Level 1 Fair Value Measurements

The fair values of mutual funds are valued at net asset value of shares held by the Plan at year end.

Level 2 Fair Value Measurements

The fair value of collective trust funds are based on the value of the underlying investments held by the fund. The fair value of collective trust funds are valued at net asset value of shares held by the Plan at year end and is readily determinable.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2023 and 2022.

		Fair Value Measurements at December 31, 2023 Using:	
		Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)
	Fair Value		
Mutual funds	\$ 26,719,950	\$ 26,719,950	\$ -
Collective trust fund	733,730	-	733,730
Total investments at fair value	<u>\$ 27,453,680</u>	<u>\$ 26,719,950</u>	<u>\$ 733,730</u>

COATING PLACE, INC. PROFIT SHARING & 401(K) PLAN

NOTE 3 – FAIR VALUE MEASUREMENTS (continued)

		Fair Value Measurements at December 31, 2022 Using:	
	Fair Value	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)
Mutual funds	\$ 22,102,430	\$ 22,102,430	\$ -
Collective trust fund	732,045	-	732,045
Total investments at fair value	<u>\$ 22,834,475</u>	<u>\$ 22,102,430</u>	<u>\$ 732,045</u>

Gains and losses (realized and unrealized) included in changes in net assets available for benefits for the year ended December 31, 2023, are reported in net appreciation in fair value of investments.

The Plan's policy is to recognize transfers between Level 1 and Level 2 and into and out of Level 3 at the end of the reporting period. For the years ended December 31, 2023 and 2022, there were no significant transfers between Level 1 and Level 2 and no transfers into or out of Level 3.

NOTE 4 – PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by Matrix Trust Company. Matrix Trust Company is the custodian and recordkeeper for the Plan and, therefore, these transactions qualify as party in interest transactions. Fees paid by the Plan include investment management expenses, general administrative service expenses, and recordkeeping fees. These transactions are not, however, considered prohibited transactions under 29 CFR 408(b) of the ERISA regulations.

NOTE 5 – TERMINATION OF PLAN

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In event of plan termination, participants would become 100% vested in the Company contribution portion of their account.

COATING PLACE, INC. PROFIT SHARING & 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022

NOTE 6 – INCOME TAX STATUS

The Company has adopted a prototype non-standardized plan pre-approved by the IRS. The IRS issued an opinion letter dated September 8, 2010, that the prototype non-standardized plan is acceptable with the applicable section of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the opinion letter, the Company and the Plan administrator believe that the Plan is currently designed and operated in compliance with the applicable requirements of the IRC and the Plan and related trust continue to be tax-exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

NOTE 7 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 8 – CERTIFIED INVESTMENTS

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2023 and 2022, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2023, was obtained by management and agreed to or derived from information certified as complete and accurate by Matrix Trust Company (the custodian of the Plan).
