AUDIT REPORT
December 31, 2023 and 2022

A Business Partner, Wherever You are in the World

INDEPENDENT AUDITOR'S REPORT

To the Plan Sponsor of the Feldco 401k Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Feldco 401k Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the Financial Statements

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for at least one year following the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters - Supplemental Schedules Required by ERISA

The supplemental schedule of Schedule H, line 4i – Schedule of Assets (Held at End of Year), as of and for the year ended December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Feldco 401(k) Plan

Notes to the Financial Statements

As of December 31, 2023 and 2022, and for the Year Ended December 31, 2023

NOTE 1 – PLAN DESCRIPTION

The following description of the Feldco 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement or the summary plan description for a more complete description of the Plan's provisions.

A. GENERAL

The Plan is a profit sharing and 401(k) defined contribution plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Plan covers all employees of Feldco Factory Direct, LLC, Feldco Factory Direct National, LLC (a wholly owned subsidiary of Feldco Factory Direct, LLC), and Trio Management Inc. (a wholly-owned subsidiary of Feldco Factory Direct, LLC) (collectively the "Company").

Effective January 1, 2023, the Feldco Factory Direct National 401(k) Plan ("FFD Plan") merged into the Feldco 401(k) Plan. Upon the merge of the FFD Plan, all of its participants retained their vested interest and shall continue to vest in their interest in the amounts attributable to the FFD Plan in accordance with the vesting schedule set forth in the Plan. Pursuant to the terms of the merger and transfer agreement, the entirety of the FFD Plan was transferred into the Plan. The total amount of transferred assets from the FFD Plan to the Plan on January 17, 2023, was \$5,259,059.

Effective January 1, 2023, the Plan was amended, and those changes are reflected in the below general information related to the Plan.

All employees are eligible to participate in the Plan who meet the eligibility requirements, except those individuals classified as union employees, non-resident employees, or Puerto Rico employees. Effective January 1, 2023, eligibility requirements are 60 days of service with no age requirement. Prior to January 1, 2023, eligibility requirements were twelve months of service and twenty-one years of age. Employees can enter the Plan on the first day of the calendar month, coincident with or next following the date the requirements are met.

B. CONTRIBUTIONS

Under the Plan, participants are allowed to defer a portion of their compensation under a salary reduction agreement. Elective deferrals may be made in any amount between one percent and ninety percent of eligible compensation up to applicable ERISA contribution limits for the year. "Compensation" is defined as a participant's W-2 earnings. Participants may change elective deferral elections on the first day of each month of the Plan year.

Effective January 1, 2023, the automatic enrollment will start at six percent of eligible compensation and increase by one percent each year up to twelve percent. Prior to January 1, 2023, the automatic enrollment started at four percent of eligible compensation and increased by one percent each year up to ten percent. Contributions from Plan participants are recorded in the year in which the employee contributions are withheld from compensation.

The Company makes contributions to the Plan equal to a discretionary percentage on behalf of eligible participants that are employed at the end of the Plan year and meet the minimum hours requirement. For the years ended December 31, 2023 and 2022, the discretionary match totaled 6% of an employee's contribution during the year. The employer match is determined subsequent to year-end.

Notes to the Financial Statements

As of December 31, 2023 and 2022, and for the Year Ended December 31, 2023

NOTE 1 – PLAN DESCRIPTION – (CONTINUED) –

C. PARTICIPANT ACCOUNTS

Each participant's account is credited with the participant's elective deferral contribution and an allocation of (a) the Company's employer matching contribution, (b) the Company's discretionary profit-sharing contribution, and (c) plan earnings based upon the investment elections chosen. Allocations are based on participant earnings or account balances, as defined, and directed by participants.

D. NOTES RECEIVABLE FROM PARTICIPANTS

The Plan includes a provision allowing eligible participants to borrow from their accounts at a minimum of \$1,000, and up to a maximum equal to the lesser of \$50,000, or 50% of their vested account balance. Loan terms range from one to five years. The loans are repaid, with interest, through equal payroll deductions. The interest rate charged on loans is based on a rate determined by the Plan Administrator. Participants may not have more than one loan outstanding at any time.

E. VESTING

Employees are 100% vested in their voluntary contributions or rollover contributions made to the Plan. In the case of the employer's discretionary contributions, the Plan uses a graduated scale for vesting:

<u>Full Years of</u>	<u>Vested Percentage</u>
Less than 1	0%
1	20%
2	40%
3	60%
4	80%
5 or more	100%

A participant becomes fully vested upon attainment of normal retirement age while an employee, death while an employee, or upon suffering a disability while an employee. Vesting years are subject to a minimum hours requirement.

F. PAYMENT OF BENEFITS

On termination of service due to death, disability, retirement, or other reasons, a participant can choose to have a distribution of his/her account balance equal to the value of his/her vested interest. In the case of early distribution at age 59 ½, the participant may elect to withdraw all or some of his/her vested amounts (including any earnings thereon). Upon financial hardship, as defined by the Plan agreement, distributions are permitted prior to termination of service.

G. PLAN EXPENSES

Certain expenses relating to the administration of the Plan have been paid by the Company and are not significant to the operation of the Plan.

H. PLAN TERMINATION

The Company reserves the right to alter, amend, or terminate the Plan. In the event of Plan termination, each participant will become one hundred percent vested in their account balance, and participants will be entitled to a full distribution of their account balance. Presently, there is no intention on the part of the Company to terminate the Plan.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. FINANCIAL REPORTING FRAMEWORK

The accompanying financial statements are prepared according to accounting principles generally accepted in the United States of America ("GAAP"), as promulgated by the Financial Accounting Standards Board ("FASB") in the Accounting Standards Codification ("ASC").

B. BASIS OF ACCOUNTING

The financial statements of the Plan are prepared under the accrual basis of accounting.

C. ESTIMATES

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

D. INVESTMENT VALUATION AND INCOME RECOGNITION

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 7 for a discussion of fair value measurements.

Investment (loss) income is recorded when earned, on the accrual basis, and allocated to each participant's account daily based on the number of shares held in each participant account. Purchases and sales of securities are recorded on a trade-date basis. Net appreciation (depreciation) includes the plan's gains and losses on investments bought and sold as well as held during the year. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis.

E. NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are measured at the unpaid principal balance, plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document. No allowance for credit losses has been recorded as of December 31, 2023 and 2022.

F. PAYMENT OF BENEFITS

Benefit payments to participants or beneficiaries are recorded when paid.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – (CONTINUED) –

G. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks including but not limited to, interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances, and the amounts reported in the Statement of Net Assets Available for Benefits.

H. SUBSEQUENT EVENTS

The Plan evaluated subsequent events through October 3, 2024, which is the financial statement issuance date. All items which are required for disclosure have been included in the accompanying financial statements and notes thereto.

NOTE 3 – INFORMATION PREPARED AND CERTIFIED BY CUSTODIAN

The Plan's investments are held in a trust fund administered by John Hancock Life Insurance Company ("John Hancock"). The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified as complete and accurate by the custodian:

- Investments and notes receivable from participants, as shown in the statements of net assets available for benefits as of December 31, 2023 and 2022.
- Investment income and interest income on notes receivable from participants, as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2023.
- Schedule H, line 4i - schedule of assets (held at end of year) as of December 31, 2023.

The Plan's independent accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

NOTE 4 – TAX STATUS

The Plan obtained its latest determination letter, dated June 30, 2020, in which the Internal Revenue Service stated the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the determination letter. However, the Plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, it is believed that the Plan is qualified, and the related trust is tax-exempt.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 5 – PARTY-IN-INTEREST TRANSACTIONS

As of December 31, 2023 and 2022, Plan investments consisted of mutual funds managed by John Hancock, the trustee and record-keeper of the Plan. These transactions qualify as party-in-interest transactions. Also, the Plan has notes receivable from participants that qualify as party-in-interest transactions. The total of these investments and receivables was approximately \$793,856 and \$749,213, as of December 31, 2023 and 2022, respectively.

NOTE 6 – FORFEITED ACCOUNTS

As of December 31, 2023 and 2022, forfeited, non-vested accounts totaled \$2,179 and \$1,290, respectively. Approximately, \$1,375 of forfeitures was used to pay certain administrative expenses in the plan year ended December 31, 2023.

NOTE 7 – FAIR VALUE MEASUREMENTS

FASB ASC 820, Fair Value Measurements, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurement) and the lowest priority to unobservable inputs (level 3 measurement).

In accordance with the framework, the Plan groups assets and liabilities measured at fair value into three levels based on the markets in which the assets and liabilities are traded and the reliability of the assumptions used to determine fair value. These levels are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuations techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. The following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

- *Pooled Separate Accounts*: separate accounts are valued at their "accumulation unit value" (AUV). The separate account is valued daily as the number of accumulation units held multiplied by the AUV. The AUV is determined daily based on the net asset value of shares of the underlying fund, the fund's dividends, and the Plan's contract account charges. Since the AUV is determined based on a combination of the fund NAV and the separate account charges, Level 2 was deemed the proper classification.

As of December 31, 2023 and 2022, and for the Year Ended December 31, 2023

NOTE 7 – FAIR VALUE MEASUREMENTS – (CONTINUED) –

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table classifies the investments measured at fair value on a recurring basis by level within the fair value hierarchy as of December 31, 2023:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Pooled Separate Accounts	\$ -	\$ 12,626,571	\$ -	\$ 12,626,571

The following table classifies the investments measured at fair value by level within the fair value hierarchy as of December 31, 2022:
