INDEPENDENT AUDITOR'S REPORT

October 2, 2024

To the Pension Committee of
CCP 401(k) Retirement Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2023 Financial Statements

We have performed an audit of the financial statements of the CCP 401(k) Retirement Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2023, the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2023 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from Empower Trust Company and Empower Life & Annuity Insurance Company of New York as of December 31, 2023 and for the period from August 31, 2023 to December 31, 2023, and from Principal Trust Company as of and for the year ended December 31, 2023 stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

INDEPENDENT AUDITOR'S REPORT

(Continued)

Opinion on the 2023 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2023 Financial Statements section:

- The amounts and disclosures in the 2023 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the 2023 financial statements referred to above related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2023 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2023 Financial Statements section of our report. We are required to be independent of CCP 401(k) Retirement Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2023 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about CCP 401(k) Retirement Savings Plan 's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

INDEPENDENT AUDITOR'S REPORT

(Continued)

Auditor's Responsibilities for the Audit of the 2023 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2023 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of CCP 401(k) Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about CCP 401(k) Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the 2023 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – 2023 Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule, that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule, related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2022 Financial Statements

The financial statements of CCP 401(k) Retirement Savings Plan as of December 31, 2022, were audited by predecessor auditors. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the plan that were certified by a qualified institution. Their report dated September 5, 2023 indicated that in their opinion (a) the amounts and disclosures in the 2022 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2022 supplemental schedules, other than the information in the 2022 supplemental schedules that agrees to or is derived from the certified investment information, were presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, and the information in the 2022 supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

CCP 401(K) RETIREMENT SAVINGS PLAN

NOTES TO THE FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

1. DESCRIPTION OF PLAN

The CCP 401(k) Retirement Savings Plan (Plan) was formed effective January 2, 1985. The Plan is sponsored by Community Care Physicians, PLLC (CCP PLLC). The following description of the Plan provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all eligible full-time and part-time employees of CCP PLLC and a participating employer affiliated through common management, CCP TASS, Inc. (collectively referred to as the Company). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Plan assets are held by the trustee. Company contributions, participant elective deferrals, and participant accounts are held and administered by the trustee, who invests cash received and income from investments based on written instructions from the Company and participants and makes distributions to participants. The Company's Pension Committee and investment advisor are responsible for oversight of the Plan and for determining the appropriateness of the Plan's investment offerings and monitoring investment performance.

As of September 2023, the Plan switched plan recordkeepers from Principal Financial Group to Empower Retirement, LLC. At that time, the custodian and trustee of a majority of the assets transferred from Principal Trust Company prior to the recordkeeping change to Empower Trust Company, LLC and Empower Life & Annuity Insurance Company of New York. A portion of the Plan's assets are still held by Principal Trust Company.

Plan Eligibility

Employees are eligible to participate in the Plan with respect to employee contributions after attainment of age 21 years old with no service requirement. With respect to employer contributions, employees expected to work at least 30 hours per week are required to complete one month of service. Employees expected to work less than 30 hours per week are required to complete 12 months of service in which they were credited with 1,000 hours of service during the eligibility computation period. The "initial eligibility computation period" is defined as the twelve-month period that begins with the date the employee is hired. If the employee does not meet the service requirements during the first year following the date of hire, the eligibility period changes to the Plan year. The requirements could then be met during the Plan year.

Contributions

Employees can elect to defer up to 100% of their eligible compensation, subject to certain limitations. Once eligibility requirements are met (unless the employee elects otherwise), 6% of a participant's eligible compensation will be automatically deferred into the Plan for the benefit of the participant. The automatic enrollment provision of the Plan includes annual escalations of 1% until reaching a maximum of 10% of eligible compensation. Contributions are automatically invested in a Default Alternative fund until changed by the participant. Participants may also make Roth contributions into the Plan. Participants who have attained age of 50 before the end of the Plan year are eligible to make "catch-up" contributions. Rollover contributions from other plans and certain IRA's are permitted.

1. DESCRIPTION OF PLAN (Continued)

Contributions (Continued)

Subsequent to the satisfaction of Plan eligibility, active employees share in employer discretionary profit-sharing contributions and employer discretionary non-elective ADP test safe harbor contributions, regardless of hours worked during the year. Terminated employees are eligible for employer discretionary profit-sharing contributions and employer discretionary non-elective ADP test safe harbor contributions during the year of termination when credited with at least 500 hours of service during the year.

Profit-sharing contributions from the Company are based on a class allocation formula, with each physician in a separate class, as well as a class for each of the following groups: (1) senior management, (2) advanced practitioners, and (3) all other employees. Contributions allocated to each class are discretionary and determined annually by the Board of Directors. For the years ended December 31, 2023 and 2022, the Company's profit sharing contribution amounted to approximately \$6,579,900 and \$6,687,600, net of forfeitures applied.

The Company may make a 3%, nonelective ADP test safe harbor contribution to the Plan based on eligible employee compensation during the period. Non nonelective ADP test safe harbor contributions amounted to approximately \$4,436,100 and \$4,187,200 for the years ended December 31, 2023 and 2022.

Participants direct their elective deferral amounts and Company contributions, if any, to any of several investment options, which are held and administered by the Trustees of the Plan.

Investments

The plan currently offers mutual funds, collective trust funds, self-directed brokerage accounts, and a stable value fund. A portion of investments are held in a pooled separate account administered by the prior recordkeeper, but participants are no longer able to direct contributions to that fund. Participants may change their investment options daily.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000, or 50% of their vested account balance. In addition, the 50% limit is reduced by the highest outstanding loan balance of any previous loans made in the previous twelve months. In general, loans must be repaid within five years; however, if the loan is used to purchase a principal residence, the term may be longer. Notes receivable from participants are secured by the balance in the participants' accounts and bear interest at the prime rate plus 1% (9.50% at December 31, 2023). Principal and interest are paid ratably through regular payroll deductions, which cannot be less frequent than quarterly.

Participant Accounts

Each participant's account is credited with the participant's contribution and (a) the participant's share of the Company's contributions, (b) Plan earnings (losses), and (c) charged with an allocation of any administrative expenses paid by the Plan. Administrative expenses charged to participants, if any, are allocated in a manner deemed reasonable by the Plan administrator and that complies with applicable law. Allocations are based on participant earnings/losses or account balances, as defined by the Plan. The entitled benefit is the participant's account balance subject to vesting.

1. DESCRIPTION OF PLAN (Continued)

Vesting

Participants are immediately vested in their elective deferral amounts, rollover contributions, and the Company's discretionary non-elective ADP test safe harbor contribution, plus actual earnings or losses thereon. Vesting in the Company's profit-sharing contribution is based on years of continuous service. A participant is 100% vested upon: (1) attaining six years of credited service in accordance with the schedule below; (2) disability; (3) death; (4) normal retirement at age 59½; or (5) termination of the Plan. If a participant's employment with the Company is terminated before age 59½ for any reason other than disability or death, the participant shall be entitled to an amount equal to the vested percentage of his or her account balance.

A participant shall have a vested and nonforfeitable interest in his or her account balance determined by the number of years of service as follows:

<u>Years of Service</u>	<u>Vesting %</u>
Less than 2	0
2 but less than 3	20
3 but less than 4	40
4 but less than 5	60
5 but less than 6	80
6 or more	100

Payment of Benefits

On termination of service, a participant may elect to receive an amount equal to the value of the participant's vested interest in their account as a lump sum distribution or defer distribution until a later date. However, if the vested portion of a participant's account balance is \$5,000 or less (excluding rollover balances), this amount will be paid as a lump sum distribution as soon as possible following termination, retirement, disability, or to the beneficiary following death.

While employed, a participant may also withdraw his or her vested account balance on account of financial hardship, as defined in the Plan Document. All hardship withdrawals must comply with the rules relating to hardships which are uniformly applicable to all participants and be used to pay qualifying expenses of certain immediate and heavy financial need.

Forfeitures

Forfeitures may be first used to pay administrative expenses under the Plan. Forfeitures not used to pay administrative expenses are used to reduce the employer's discretionary profit-sharing contributions and are allocated to participant accounts in the same manner. The Plan did not use any forfeitures to pay Plan administrative expenses for the years ended December 31, 2023 and 2022. As of December 31, 2023 and 2022, the balance of forfeited accounts available was approximately \$280,500 and \$209,300, respectively, which were used to reduce the employer's discretionary profit-sharing contributions.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Company and are therefore excluded from these financial statements. The Company paid legal, audit, and administrative costs on behalf of the Plan amounting to approximately \$80,300 and \$114,300 in 2023 and 2022, respectively. Investment-related expenses are included in net appreciation (depreciation) in fair value of investments. Fees for the administration of notes receivable from participants are included in administrative expenses and charged directly to the participant's account.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP) for defined contribution plans.

Recently Adopted Accounting Guidance

ASC Topic 326 Financial Instruments – Credit Losses requires certain financial assets to be measured at amortized cost net of an allowance for estimated credit losses. This standard replaced the incurred loss methodology with an expected loss methodology that is referred to as the current expected credit loss (“CECL”) methodology. The estimated credit loss is required to be based on historical information, current conditions, and forecasts that could impact the collectability of the amounts. Under the standard, disclosures are required to provide users of the financial statements with useful information in analyzing an entity’s exposure to credit risk and the measurement of credit losses.

Effective January 1, 2023, the Plan adopted ASC 326 using the modified retrospective approach for all financial assets measured at amortized cost. The new accounting pronouncement did not have a material impact on the financial statements. Results for reporting periods beginning after January 1, 2023 are presented under CECL while prior period amounts continue to be reported and disclosed in accordance with previously applicable accounting standards.

Use of Estimates

The preparation of financial statements in accordance with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Estimates also affect the reported amounts of additions and deductions during the reporting period. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation and depreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2023 and 2022, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Allowance for Credit Losses

The Plan records a receivable for the employer contribution that is remitted to the Plan subsequent to the Plan's year-end. The Plan considers an expected allowance for credit losses that is updated to reflect any changes in credit risk since the receivable was initially recorded. The estimated allowance for credit losses is based on historical, current, and expected future conditions. The Plan has not experienced any historical credit losses relative to contributions receivable and future economic conditions are not expected to change relative to historical financial information, therefore management has determined that no allowance for credit losses is necessary as of December 31, 2023.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation or depreciation of fair value of investments.

Risks and Uncertainties

The Plan provides for various investment options in a variety of investment securities. Investment securities are exposed to various risks, such as interest rate risk, financial market risk and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amount reported in the statements of assets available for benefits.

Financial Instruments Measured at Fair Value

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, Fair Value Measurements and Disclosures, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurement) and the lowest priority to unobservable inputs (level 3 measurement).

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Financial Instruments Measured at Fair Value (Continued)

The three levels of the fair value hierarchy under FASB ASC 820 are as follows:

- Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2: Inputs to the valuation methodology include:
 - quoted prices for similar assets or liabilities in active markets;
 - quoted prices for identical or similar assets or liabilities in inactive markets;
 - inputs other than quoted prices that are observable for the asset or liability;
 - inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

- Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Mutual funds: Valued at the net asset value of shares held by the Plan at year end based on quoted market prices in an active market.

Collective trust fund and pooled separate accounts: Value based on the fair value using the net asset value (NAV) practical expedient as determined by the issuer based on current fair values of the underlying assets of the fund.

Self-Directed Brokerage Accounts: Accounts consist of mutual funds, exchange-traded funds, and corporate stock that are valued on the basis of readily determinable market prices.

Stable Value Fund - value based on the fair value using the NAV practical expedient as determined by the issuer based on the current fair values of the underlying assets of the fund.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date. There have been no changes in the methodologies used in the prior year.

Reclassifications

Certain reclassifications have been made to the prior year information to conform to the current year presentation.

3. FAIR VALUE MEASUREMENTS

At December 31, 2023, the Plan's investments are measured at fair value on a recurring basis and are valued within the fair value hierarchy as follows:

	Fair Value Measurements at the End of the Reporting Period Using:			
	Quoted Prices in Active Markets for Identical Assets (Level 1)	Other Observable Inputs (Level 2)	Unobservable Inputs (Level 3)	Total
Mutual funds	93,007,165	\$ -	\$ -	\$ 93,007,165
Self-directed brokerage accounts	<u>9,935,618</u>	<u>-</u>	<u>-</u>	<u>9,935,618</u>
	<u>\$ 102,942,783</u>	<u>\$ -</u>	<u>\$ -</u>	102,942,783
Collective trust funds measured at NAV as a practical expedient				196,988,523
Stable value fund measured at NAV as a practical expedient				999,253
Pooled separate accounts measured at NAV as a practical expedient				<u>6,392,752</u>
Total investments at fair value				<u>\$ 307,323,311</u>

3. FAIR VALUE MEASUREMENTS (Continued)

At December 31, 2022, the Plan's investments are measured at fair value on a recurring basis and are valued within the fair value hierarchy as follows:

	Fair Value Measurements at the End of the Reporting Period Using:			Total
	Quoted Prices in Active Markets for Identical Assets (Level 1)	Other Observable Inputs (Level 2)	Unobservable Inputs (Level 3)	
Mutual funds	119,602,867	\$ -	\$ -	\$ 119,602,867
Self-directed brokerage accounts	<u>9,226,665</u>	<u>-</u>	<u>-</u>	<u>9,226,665</u>
	<u>\$ 128,829,532</u>	<u>\$ -</u>	<u>\$ -</u>	128,829,532
Collective trust funds measured at NAV as a practical expedient				68,085,905
Pooled separate accounts measured at NAV as a practical expedient				<u>90,599,184</u>
Total investments at fair value				<u>\$ 287,514,621</u>

In accordance with ASC 820, certain investments that are measured at fair value using the NAV per share (or its equivalent) practical expedient have not been categorized in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

The Plan's policy is to recognize transfers between Levels 1 and 2 and into and out of Level 3 as of the date of the event or change in circumstances that caused the transfer. For the years ended December 31, 2023 and 2022, there were no transfers between Levels 1 and 2 and no transfers into or out of Level 3. A description of where the Plan's investments fall within the ASC 820 hierarchy is provided in Note 3.

3. FAIR VALUE MEASUREMENTS (Continued)

Investments Measured using the Net Asset Value per Share Practical Expedient

The following tables summarize investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2023 and 2022. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

<u>December 31, 2023</u>	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency (If Eligible)</u>	<u>Redemption Notice Period</u>
Pooled separate accounts	\$ 6,392,752	N/A	Daily	Daily
Stable value fund	\$ 999,253	N/A	Daily	30-60 Days
Collective trust funds	\$ 196,988,523	N/A	Daily	Daily

<u>December 31, 2022</u>	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency (If Eligible)</u>	<u>Redemption Notice Period</u>
Pooled separate accounts	\$ 90,599,184	N/A	Daily	Daily
Collective trust funds	\$ 68,085,905	N/A	Daily	Daily

Pooled Separate Accounts

Principal U.S Property account is a pooled separate account which invests the majority of assets in owned private equity commercial real estate. It focuses on properties anticipated to return both lease income and appreciation of the buildings' marketable value. The property holdings usually contain real estate from the multi-family, office, warehouse/manufacturing, and retail sectors. This Separate Account is subject to investment and liquidity risk and other risks inherent in real estate such as those associated with general and local economic conditions.

Stable Value Fund

Effective August 31, 2023, the Plan provided the New York Life Guaranteed Interest Account ("GIA"), a stable value fund managed by New York Life Trust Company ("NYLTC"), as an investment option to participants of the Plan. The GIA is a group annuity contract which consists of a broadly diversified fixed income portfolio within New York Life Insurance Company's ("NYLIC") general account and is intended to provide a stable crediting rate consistent with preservation of principal. Interest is accrued daily and credited monthly to the GIA and reflects the crediting rate declared in advance and guaranteed by NYLIC.

The key factors that impact the crediting rate under the group annuity contract are the timing and magnitude of the cash flows in and out of the general account as well as prevailing market rates on fixed income assets available for investment by the general account. The interest crediting rate may not be reset more frequently than semi-annually after the first contract year. The crediting rate is subject to a minimum rate provision as provided in the group annuity contract, but may never fall below 1% after deduction for any expenses. Participant-initiated transactions are permitted on a daily basis.

3. FAIR VALUE MEASUREMENTS (Continued)

Investments Measured using the Net Asset Value per Share Practical Expedient

Stable Value Fund (Continued)

The group annuity contract provides that, subject to certain limitations, withdrawals for benefit payments at death, retirement, disability, termination of employment, and for loans, hardship withdrawals or in-service withdrawals as permitted by the Plan are completed at contract value. Certain distributions, including but not limited to distributions resulting from employer-initiated events such as Plan termination, merger, spin-off, and early retirement incentives may be completed subject to a market value adjustment, however the Plan administrator deems these employer initiated events as not probable to occur.

The group annuity contract may be terminated by the contract holder at any time, provided written notice of terminations is received by NYLTC at least 30 days but not more than 60 days prior to the intended termination date.

4. INFORMATION PREPARED AND CERTIFIED BY THE TRUSTEES

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified as complete and accurate by Empower Trust Company and Empower Life & Annuity Insurance Company of New York, the trustees, as of December 31, 2023 and for the period from August 31, 2023 to December 31, 2023, and Principal Trust Company, the trustee, as of and for the year ended December 31, 2023 and 2022.

	<u>2023</u>	<u>2022</u>
Investments, at fair value	\$ 307,323,311	\$ 287,514,621
Notes receivable from participants	\$ 2,334,298	\$ 1,779,459
Net appreciation (depreciation) in fair value of investments	\$ 47,665,265	\$ (61,080,916)

Interest on notes receivable from participants	\$ 111,713	\$ 46,448
Schedule of Assets (Held At End of Year)	Schedule I	

5. PARTY-IN-INTEREST TRANSACTIONS

Certain plan investments are managed by Principal Trust Company and Empower Retirement, LLC, who provided certain recordkeeping services for the Plan. Therefore, transactions amongst these accounts qualify as party-in-interest transactions, which are exempt from prohibited transactions rules.

The Plan also allows current employees who are participants to receive loans under specific circumstances. As such, transactions between the participants that have notes receivable to the Plan qualify as party-in-interest transactions

6. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event that the Plan terminates, participants will become 100% vested in their accounts.

7. TAX STATUS

The Plan is tax-exempt under Section 401(a) of the Internal Revenue Code. A prototype document was used by the Plan to obtain its latest determination letter on November 14, 2022, in which the Internal Revenue Service stated that the Plan and related trust, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended subsequent to receiving the determination letter. However, the Plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.
