To the Board of Trustees
Holy Cross Electric Association, Inc. Medical and Dental Benefits Plan
Glenwood Springs, Colorado

We have audited the financial statements of Holy Cross Electric Association, Inc. Medical and Dental Benefits Plan (the "Plan") as of and for the year ended December 31, 2023. Professional standards require that we provide you with the following information related to our audit.

Qualitative Aspects of Accounting Policies

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the Plan are described in the note 2 to the 2023 audited financial statements. We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus. There are no significant transactions that have been recognized in the financial statements in a different period than when the transaction occurred.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. The most sensitive estimates affecting the financial statements were:

- Estimating an allowance for uncollectible amounts (none at December 31, 2023 and 2022), based on management's experience with refunds and re-insurance, together with actual collections history since year-end.
- Plan benefit obligations, representing the estimated net cost of all benefit claims incurred but unpaid at the statement of net assets date. Because this is not based on an actuarial study – which would estimate the dollar amount of claims incurred during the Plan year but not reported for periods extending beyond the date of the financial statements – the amount of the Plan's benefit obligation may be understated, and our report is adjusted accordingly.

We evaluated the key factors and assumptions used to develop these estimates, and found them to be reasonable in relation to the financial statements taken as a whole.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all known and likely misstatements identified during the audit, other than those that are trivial, and communicate them to the appropriate level of management.

Corrected and Uncorrected Misstatements (continued)

The following misstatements detected as a result of audit procedures – converting from cash basis to accrual basis of accounting – were corrected prior to issuance of the audited 2023 financial statements:

- Reversing 2022 re-insurance receivable ($690,193) and accruing 2023 re-insurance receivable balance ($707,127).
- Reversing 2022 Plan benefit obligation ($1,537,816) and accruing 2023 Plan benefit obligation ($1,336,755).

Disagreements with Management

For purposes of this letter, professional standards define a disagreement with management as a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Management Representations

As is required in all audit engagements, we have requested certain representations from management that are included in the management representation letter.

Recommendations

In planning and performing our audit of the Plan's financial statements as of and for the year ended December 31, 2023, we noted the following opportunity for improvement of internal controls and day-to-day operations.

Beneficial Ownership Reporting Requirement

Pursuant to the federal *Corporate Transparency Act* (the "CTA"), the US Department of Treasury, Financial Crimes Enforcement Network ("FinCEN") has issued regulations with respect to mandated reporting of beneficial ownership information ("BOI") for many US business entities, with the goal of protecting US financial systems from money laundering and other financial crimes.

The CTA considers a "beneficial owner" to be an individual with substantial control over the entity (such as corporate officers, members of the Board of Directors, or managing members), or who holds / controls a significant ownership interest in the entity. An entity subject to BOI reporting must provide FinCEN with personal information on all beneficial owners, including name, address, date of birth, and a copy of current driver's license or passport. This information must also be provided by the individual who completes and makes the required filing with FinCEN.

Reporting entities in existence as of January 1, 2024 must file an initial BOI report by January 1, 2025, while reporting entities formed after January 1, 2024 must file an initial BOI within 90 days of formation. It should be noted that the BOI reporting obligation under the CTA is ongoing; after initial filing, a reporting entity must update their information with FinCEN within 30 days of <u>any</u> change in beneficial ownership, including adding / removing beneficial owners, or any changes to the address or other personal information for an individual beneficial owner.

The CTA provides exemptions from the BOI reporting requirements to, among others, state / local governments, Internal Revenue Code section 501(c) tax-exempt entities, certain SEC-regulated entities, and "large" companies that meet criteria including the number of full-time employees at US operations and reported gross receipts / sales. However, the CTA's exemptions – like the reporting requirements – are complex and should be reviewed carefully with experienced advisers before an entity decides that it is not subject to the BOI reporting requirements.

Recommendations (continued)

Beneficial Ownership Reporting Requirement (continued)

Non-compliance with the CTA can result in significant civil and criminal actions against the entity and deemed beneficial owners, including fines or even jail time for failing to timely, accurately, or completely submit the required BOI information.

FinCEN has created a website that provides further information on BOI reporting requirements at https://www.fincen.gov/boi. Because the rules governing compliance with the CTA – including BOI reporting (and exemptions from reporting) – are complex, and since the scope of our engagement does not include assistance with BOI reporting, we strongly advise the Plan and its Board to consult with legal counsel to best determine if BOI reporting is required by the Plan and, if so, ensuring that the necessary reporting is timely filed.

This report is intended solely for the information and use of the Plan's Board of Trustees, management, and others within the organization and is not intended to be, and should not be, used by anyone other than those specified parties.

Sincerely,

McMahan and Associates, L.L.C.

INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees
Holy Cross Electric Association, Inc. Medical and Dental Benefits Plan
Glenwood Springs, Colorado

Qualified Opinion

We have audited the financial statements of Holy Cross Electric Association, Inc. Medical and Dental Benefits Plan (the "Plan"), an employee benefit plan subject to the *Employee Retirement Income Security Act of 1974* ("ERISA"), which comprise the statements of net assets available for benefits and plan benefit obligation as of December 31, 2023 and 2022 and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, except for the omission of the information described in the *Basis for Qualified Opinion* section of our report, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2023 and 2022, and the changes in net assets available for benefits for the years ended in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Basis for Qualified Opinion

As discussed in Note 2.D to the financial statements, the required actuarial present value of the Plan's benefit obligation was not available for the years ended December 31, 2023 and 2022. We have reviewed the procedures applied in valuing the benefit obligation and have inspected the underlying documentation. In our opinion, those procedures are not adequate to determine the actuarial present value of the Plan's benefit obligation in conformity with U.S. GAAP. The effect on the financial statements of not applying adequate procedures to determine the fair value of the benefit obligation is not determinable.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("U.S. GAAS"). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued

Responsibilities of Management for the Financial Statements (continued)

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with U.S. GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with U.S. GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control–related matters that we identified during the audit.

Other Matter—Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule on page 10 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's *Rules and Regulations for Reporting and Disclosure under ERISA*. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with U.S. GAAS.

Other Matter—Supplemental Schedules Required by ERISA (continued)

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's *Rules and Regulations for Reporting and Disclosure under ERISA*.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's *Rules and Regulations for Reporting and Disclosure under ERISA*.

1. Description of the Plan

The following description of Holy Cross Electric Association, Inc. Medical and Dental Benefits Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

A. General

The Plan provides medical and dental benefits to eligible current and former employees and eligible Directors of the plan sponsor, Holy Cross Electric Association, Inc. (the "Corporation"), a Colorado non-profit corporation which does business under the trade name Holy Cross Energy. The Plan, which was established by the Corporation on July 1, 1983, is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

The Plan's Trustees, who are appointed by the Corporation, are also employees of the Corporation and participants in the Plan.

B. Benefits

The Plan provides medical, dental, and prescription drugs benefits for active and eligible retired employees of the Corporation, retired Directors, and their dependents. Coverage for eligible retired employees and Directors extends one year for every three years of service with the Corporation, or until eligible for Medicare benefits. An unlimited maximum annual benefit per covered individual is available under the Plan. Plan benefits terminate at the date the participant ceases to be eligible for coverage, dies, or the Plan is terminated; whichever occurs earlier.

C. Contributions

The Plan is funded by contributions from the Corporation and participants. For 2023 and 2022, participant contributions under the traditional PPO plan were calculated at 10% of estimated premiums. Effective January 1, 2020, the Plan added a high deductible health plan as an alternative option to the traditional PPO. For 2023 and 2022, participant contributions under the high deductible health plan were calculated at 8.09% of estimated premiums for employee-only, 8.02% of estimated premiums for employee-plus-one, and 8.05% of estimated premiums for family plans.

D. Termination

Although it has not expressed any intent to do so, the Corporation has the right to terminate the Plan, pursuant to the provisions of ERISA. In the event of Plan termination, any remaining net assets would be distributed to the Corporation and the Corporation would assume any liabilities.

2. Summary of Significant Accounting Policies

A. Basis of Accounting

The financial statements of the Plan have been prepared on the accrual basis of accounting which recognizes revenues (increases in net assets) when earned, and expenses (decreases in net assets) when incurred.

2. Summary of Significant Accounting Policies (continued)

B. Cash and Cash Equivalents

The Plan considers all checking, savings, and money market accounts, as well as all investments with original maturities of less than 90 days when purchased, to be cash equivalents for the purpose of the Statement of Cash Flows, since all such funds are highly liquid.

Certificates of deposit held for investment that are not debt instruments and with original maturities of greater than 90 days when purchased are reported as “Investments – Other” in these financial statements.

C. Allowance for Uncollectible Amounts

The Plan utilizes the allowance method of recognizing uncollectible amounts, whereby an allowance for possible future uncollectibility of accounts receivable is established when collectibility becomes doubtful. No such allowance was required at December 31, 2023 and 2022, as all receivables were considered to be collectible.

D. Plan Benefit Obligations

Generally accepted accounting principles require the Plan to report the actuarial present value of the following benefit obligations: claims payable, claims incurred but not reported, and premiums payable to insurance companies. In the Plan’s financial statements, claims incurred but not reported include only those claims reported between the Plan’s year-end and the date the financial statements were prepared. An actuarial study – which would estimate the amount of claims incurred during the Plan year but not reported for periods extending beyond the date of the financial statements – was not available; therefore, the amount of the Plan’s benefit obligation may be understated.

The changes in Plan benefit obligation are set forth below:

	2023	2022
Plan benefit obligation - Beginning of the year	$ 1,537,816	499,256
Claims accrued and/or approved for payment	5,404,017	3,508,179
Claims paid	(5,605,078)	(2,469,619)
Plan benefit obligation - End of the year	$ 1,336,755	1,537,816

E. Income Taxes

The trust established under the Plan to hold the Plan’s assets is intended to qualify under section 501(c)(9) of the Internal Revenue Code and, accordingly, the trust’s net investment income is exempt from income taxes. The Corporation believes that the Plan, as amended, continues to qualify and to operate in accordance with applicable provisions of the Internal Revenue Code granting tax-exempt status to the Plan.

F. Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the Plan sponsor to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amount of revenues and expenses during the reporting period. Actual results could differ from those estimates.

G. Subsequent Events

Management has evaluated subsequent events through October 1, 2024; the date these financial statements were available to be issued.

3. Investments - Other

	2023	2022
Certificates of deposit, maturing within one year, interest at 3.50% - 4.08% p.a. (2022 - 0.10% p.a.)	$ 536,474	527,102

4. Credit Risk and Repurchase Agreement

The Federal Deposit Insurance Corporation ("FDIC") insures up to $250,000 per depositor at each separately chartered FDIC-member financial institution, without regard to the nature of the accounts. The Plan's uninsured cash balances totaled $47,627 at December 31, 2023 (2022 – $34,757).

The Plan has entered into a Sweep and Repurchase Agreement with Alpine Bank, under which funds in excess of a specified threshold are invested by Alpine Bank in obligations issued or guaranteed by the United States government or its agencies, with all such invested amounts available to the Plan upon demand (the "Underlying Securities"). At December 31, 2023 and 2022, the Sweep and Repurchase Agreement had a maximum balance of $2,000,000. Alpine Bank has granted the Plan security interests in the Underlying Securities, but the Underlying Securities are not the property of the Plan. Amounts invested under the terms of the Sweep and Repurchase Agreement are not insured by the FDIC and are not guaranteed by the United States government or its agencies.

Alpine Bank's obligations pursuant to the Sweep and Repurchase Agreement are general obligations secured by the Underlying Securities. Prior to any event of default, the Plan will be paid the repurchase price from the general assets of Alpine Bank rather than from proceeds resulting from the sale of the Underlying Securities. However, in the event of a default, the Plan will be entitled to its ratable portions of the proceeds from the sale of the Underlying Securities in an amount equal to the repurchase price, if sufficient, and the Plan shall become a general, unsecured creditor to Alpine Bank. To the extent that the Plan's ratable share of the proceeds from any sale of the Underlying Securities is not sufficient to cover Alpine Bank's obligation, the deficiency, if any, shall be paid from the general assets of Alpine Bank.

In October 2021, the Plan entered into an Insured Cash Sweep Agreement with Alpine Bank, under which funds from the Plan's operating account are deposited into money market deposit accounts across multiple financial institutions, or members, that participate in the Insured Cash Sweep Network. Because each deposit with participating members in the Insured Cash Sweep Network is less than $250,000, all amounts deposited under the terms of the Insured Cash Sweep Agreement are fully insured by the FDIC.

5. Excess Loss Insurance Premiums

The excess loss insurance limits the amount of claims to be paid by the Plan to $90,000 per participant per year for 2023 ($90,000 – 2022), and to an aggregate of $4,297,000 per year for 2023 (2022 – $4,300,330). Claims in excess of the specified and aggregate dollar amount are paid by the insurance.

6. Administration

Effective January 1, 2020, the Plan entered into an agreement with HealthComp Holding Company, LLC and its subsidiary Benefit Administrative Systems, LLC (collectively, "HealthComp") for the administration of the Plan. The agreement has an initial one-year term, and automatically renews for successive one-year terms unless otherwise terminated. HealthComp's responsibilities under the agreement include claims supervision, accounting, and other administrative services. HealthComp's compensation is paid as a monthly fee, and is determined using an agreed-upon rate per participant and number of dependents.

Administrative expenses are comprised of the following:

	2023	2022
Administrative services fees	$ 210,277	$ 188,929
Audit fee	9,950	9,250
Miscellaneous	11,481	170
Total	$ 231,708	198,349

7. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Plan's Form 5500 return for 2023 and 2022:
