INDEPENDENT AUDITORS' REPORT

*To the Trustees,
Medical Diagnostic Associates, P.A. Employees' Profit Sharing Plan
Clark, New Jersey*

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Medical Diagnostic Associates, P.A. Employees' Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Medical Diagnostic Associates, P.A. Employees' Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from Fidelity Management Trust Company, a qualified institution, as of and for the year ended December 31, 2023, stating that the certified investment information, as described in Note D to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.*
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).*

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Medical Diagnostic Associates, P.A. Employees' Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Medical Diagnostic Associates, P.A. Employees' Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.*
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.*
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Medical Diagnostic Associates, P.A. Employees' Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.*
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.*
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Medical Diagnostic Associates P.A. Employees' Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.*

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material

respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of Assets Held for Investment Purposes as of December 31, 2023 is presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.*
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).*

MEDICAL DIAGNOSTIC ASSOCIATES, P.A. EMPLOYEES' PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS

Note A – Description of Plan:

The following description of the Medical Diagnostic Associates, P.A. Employees' Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan qualifying under Section 401(k) of the Internal Revenue Code and is subject to the Employee Retirement Income Security Act of 1974 (ERISA). The Plan was established for the purpose of providing eligible employees of Medical Diagnostic Associates, P.A. (the Company) and their beneficiaries, funds for retirement. The Board of Trustees is responsible for the oversight of the Plan.

Eligibility

Employees are eligible to make elective deferrals upon the completion of 1,000 hours of service within a 12 consecutive month period. Employees covered by a collective bargaining agreement or are considered leased employees are not eligible.

Contributions

Each year, participants may contribute up to 100% of pre-tax annual compensation, as defined in the Plan document, not to exceed \$22,500 or \$30,000 for employees over 50 years of age, for the year ended December 31, 2023. Under the Plan, participants may make tax deferred contributions and Roth elective contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollover), provided they are made within 60 days of receipt of such amounts by the employee. Participants direct the investment of their contributions into various investment options offered by the plan. The Company elected to make a safe harbor 401(k) non-elective contribution in the amount of 3% of compensation for all eligible participants. Additional profit-sharing amounts may be contributed at the option of the Company's board of directors. Profit sharing contributions are allocated to eligible participants based upon the percentage of the participant's compensation to the total compensation of all participants within their compensation class. Participants must be employed on the last day of the year and have worked at least 1,000 hours to be eligible for the profit-sharing contribution. Participants also direct the investment of safe harbor and profit-sharing contributions into the investment options offered by the plan. The Company made safe harbor non-elective contributions and profit-sharing contributions in the amounts of \$314,406 and \$353,499 respectively, for the 2023 Plan year. Contributions are subject to certain limitations.

Participant Accounts

Each participant's individual account is credited with the participant's contributions and Company safe harbor non-elective contributions, as well as allocations of the Company's profit-sharing contribution and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

MEDICAL DIAGNOSTIC ASSOCIATES, P.A. EMPLOYEES' PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS

Note A – Description of Plan (continued):

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Participants are fully vested in the Company's safe harbor non-elective contribution. Vesting in the Company's profit-sharing contribution is based on years of continuous service. A participant is 100% vested after six years of credited service.

Notes Receivable From Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their account balances, whichever is less. The loans are secured by the balance in the participant's account and bear interest at prevailing rates as determined quarterly by the plan administrator. Principal and interest is paid ratably through semi-monthly payroll deductions.

Forfeited Accounts

At December 31, 2023 and 2022, forfeited non-vested accounts totaled \$1,810 and \$18,004 respectively. As permitted by the plan documents, these amounts are used to pay any administrative expense of the plan or to reduce employer contributions. The amount of \$24,338 was used to pay plan expenditures in 2023. No amounts were used to offset employer contributions or plan expenditures in 2022.

Payment of Benefits

Upon termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum payment equal to the value of the participant's vested interest in his or her account, a rollover, or continue his or her account until age 73. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump sum distribution. The plan allows for hardship withdrawals under certain circumstances. The plan permits in-service withdrawals for employee deferral contributions at age 59 ½ and for profit-sharing and safe harbor contributions at age 50.

Note B – Summary of Significant Accounting Policies:

Basis of Accounting

The accompanying financial statements have been prepared on the accrual method of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires Plan management to make estimates and assumptions that affect certain reported amounts and disclosures, including contingencies. Accordingly, actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note C for discussion of fair value measurements.

MEDICAL DIAGNOSTIC ASSOCIATES, P.A. EMPLOYEES' PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS

Note B – Summary of Significant Accounting Policies (Continued):

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable From Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued and unpaid interest. Related fees are recorded as administrative expenses and are expended when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 or 2022. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants and distributions are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net appreciation of fair value of investments.

Subsequent Events

The Plan has evaluated subsequent events through July 10, 2024, the date the financial statements were available to be issued.

Note C – Fair Value Measurements:

The Fair Value Measurements and Disclosures Topic of the Financial Accounting Standards Board ("FASB") Accounting Standards Codification establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

- | | |
|----------------|--|
| <i>Level 1</i> | <i>Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.</i> |
| <i>Level 2</i> | <i>Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities in active or inactive markets, other inputs that are observable for the asset or liability or can be derived principally from or corroborated by observable market data by correlation or other means.</i> |
| <i>Level 3</i> | <i>Inputs to the valuation methodology are unobservable and significant to the fair value measurement.</i> |

Note C – Fair Value Measurements (Continued):

The securities' fair value measurement level for the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for the Plan's assets measured at fair value. There have been no changes in the methodologies for the periods presented in these financial statements.

Mutual funds:

Valued at the daily closing price as reported by the fund. Mutual funds held by the plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Cash and Cash Equivalents:

Interest bearing cash accounts, certificates of deposit and money markets are valued at amortized cost.

The following table sets forth by level, within the fair value hierarchy, the plan's assets at fair value as of December 31, 2023 and 2022. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.

Note D – Financial Information certified by the Custodian:

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at December 31, 2023 and 2022, and net appreciation in fair value of investments, interest and dividends for the year ended December 31, 2023, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Advisor Trust Inc. (the custodian of the plan). Based on information provided and certified by the custodians, there are no fixed income obligations, leases or debt instruments in debt or deemed uncollectable, as defined by ERISA, for the years ended December 31, 2023, and 2022.

The following information as of and for the years ended December 31, was prepared from reports certified by the custodians:

<i>Interest and dividend income-investments</i>	692,221

Note E – Related Party and Party In Interest Transactions:

Transactions with the custodians qualify as party in interest transactions, as well as transactions with the plan sponsor, the accountant involved in the Plan, the third-party administrator, investment managers and advisors. Fees incurred by the plan for investment management services are included in net appreciation in fair value of the investment, as they are paid through revenue sharing, rather than a direct payment. The Plan sponsor pays directly any other fees related to the Plan's operations.

Note F – Plan Termination:

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

Note G – Tax Status:

The IRS has determined and informed the company by a letter dated November 5, 2018, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe that the plan is qualified and the related trust is tax-exempt.

Note G – Tax Status (Continued):

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability or asset if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023 and 2022 there are no uncertain positions taken or expected to be taken that would require recognition of a liability or asset or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. In addition, there have been no tax related interest or penalties for periods presented in these financial statements.

Note H – Risks and Uncertainties:

The Plan provides participants with the option to invest in various investment securities. All investment securities are exposed to some type of risk, including but not limited to, exposure to changes in interest rates, market fluctuations, economic conditions, and currency devaluation. Due to the level of risk associated with certain investment securities, it is possible that changes in the near term could materially affect certain participants' account balances and the amounts reported in the statement of net assets available for benefits and the statement of changes in net assets available for benefits.

Users of these financial statements should be aware that the financial markets' volatility may significantly impact the subsequent valuation of the Plan's Investments. Accordingly, the valuation of Investments at December 31, 2023 may not necessarily be indicative of the amounts that could be realized in a current market exchange.
