Independent Auditor's Report

To the Subscribing Employer and Participating Associations Committees
of the Kentucky Nonprofit Network, Inc. Group Insurance Trust
Lexington, Kentucky

Opinion

We have audited the financial statements of Kentucky Nonprofit Network, Inc. Group Insurance Trust (collectively, the Trust), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of the Trust as of December 31, 2023 and 2022, and the changes in its net assets available for benefits for the year ended December 31, 2023, in accordance with accounting principles generally accepted in the United States of America (GAAP).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Trust and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Trust's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current Trust instrument, including all Trust amendments, administering the Trust, and determining that the Trust's transactions that are presented and disclosed in the financial statements are in conformity with the Trust's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Trust's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of reportable transactions for the year ended December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but are supplementary information required by the Department of Labor's (DOL's) Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

To the Subscribing Employer and Participating Associations Committees
of the Kentucky Nonprofit Network, Inc.
Independent Auditor's Report, continued

Supplemental Schedule Required by ERISA, continued

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

KENTUCKY NONPROFIT NETWORK, INC. GROUP INSURANCE TRUST

Notes to the Combined Financial Statements

1. Description of the Trust

Kentucky Nonprofit Network, Inc. Group Insurance Trust (the Trust) was established for the employers within the nonprofit industry in Kentucky who subscribe to the plans of the Trust (Subscribing Employers). Industry associations sponsor health insurance plans and execute participation agreements with the Trust (Participating Associations). Subscribing Employers must be a member of a Participating Association in order to subscribe to the plans to provide health insurance benefits to their employees. Subscribing Employers adopt individual welfare plans at the member level and the related plans provide dental, vision, emergency medical transportation, accidental death and dismemberment, short-term disability, long-term disability, and group life insurance benefits for participating employees of Subscribing Employers.

The Trust is facilitated by Capstone Administrators, LLC (Capstone) and managed by Kentucky Nonprofit Network, Inc. (KNN). The Trust had 593 participating employees as of December 31, 2023. The Trust is filed as a group insurance arrangement as defined in the applicable sections of Department of Labor (DOL) regulations. The individual Subscribing Employer plans and Participating Association plans are fully-insured through various contracts issued by insurance companies. All benefits are paid directly by the insurance companies.

Each Subscribing Employer completes a subscription agreement whereby the employer creates its own plan by adopting the various provisions and determining the eligibility requirements and the allocation of participant premiums for amounts due for benefit coverage. To assist the Subscribing Employers in satisfying the requirements of applicable DOL regulations, trust arrangements have been established as described in Employee Retirement Income Security Act of 1974 (ERISA). The Trust is designed to collect Subscribing Employer premiums and pay premiums to the group insurer.

Participants should refer to the applicable *Summary Plan Descriptions* pamphlet and their subscription agreements for a more complete description of their individual plans. The individual plans are subject to the provisions of ERISA.

If the Trust was to terminate, KNN would be required to use available funds to (1) pay or provide for the payment of all insurance premiums, service contract fees and other charges required to be paid pursuant to the insurance and/or service contracts, (2) pay or provide for payment of all reasonable and necessary expenses in connection with or arising out of the establishment, installation and administration of the Trust, and (3) apply any balance to such other purposes as shall best effectuate the purposes of the Trust. Currently, there is no intention to terminate the Trust.

2. Summary of Significant Accounting Policies

The financial statements have been prepared in conformity with accounting principles generally accepted in the United States of America (GAAP), which requires the Trust's management to make estimates and assumptions that affect certain reported amounts and disclosures in the financial statements. Actual results may differ from those estimates.

The following is a summary of the significant accounting policies consistently followed by the Trust in the preparation of the financial statements:

KENTUCKY NONPROFIT NETWORK, INC. GROUP INSURANCE TRUST

Notes to the Combined Financial Statements, continued

2. Summary of Significant Accounting Policies, continued

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with GAAP.

Contributions

Premiums due from Subscribing Employers are billed in advance and recorded as receivables until collected and as unearned employer remittances until the related insurance coverage becomes effective. If elected by the Subscribing Employer, employee contributions can be made to the Trust under a Section 125 Plan (the Flexible Benefits Plan). This election allows employers to defer employee contributions pre-tax. Employer contributions include all amounts remitted by Subscribing Employers including amounts originally contributed by participants.

Benefit Obligations

Health costs incurred by participants and their dependents are covered by insurance contracts maintained by the Trust. It is the present intention of the Trust to continue obtaining insurance coverage for benefits. As of December 31, 2023, there were no premiums due to the insurance companies to continue the benefits.

Investment Valuation and Income Recognition

The Trust's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Payment of Benefits

Premiums paid are recorded as insurance premiums in the accompanying statement of changes in net assets available for benefits.

Risks and Uncertainties

Investment securities are exposed to various risks, such as interest rate, market and credit risk. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of the investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect the amounts reported in the statement of net assets available for benefits and the statement of changes in net assets available for benefits.

Income Tax Status

The Trust is tax-exempt under the provisions of Section 501(c)(9) of the Internal Revenue Code (the Code).

KENTUCKY NONPROFIT NETWORK, INC. GROUP INSURANCE TRUST

Notes to the Combined Financial Statements, continued

2. Summary of Significant Accounting Policies, continued

Income Tax Status, continued

The Trust is required to operate in conformity with the Code to maintain tax-exempt status. The Trust's management believe the Trust is being operated in compliance with the applicable requirements of the Code and, therefore, believe the Trust is tax-exempt.

Subsequent Events

The Trust's management has evaluated subsequent events for accounting and disclosure requirements through July 30, 2024, the date the financial statements were available to be issued.

3. Fair Value Measurements

The Trust classifies investments based on a hierarchy consisting of: Level 1 (valued using quoted prices from active markets for identical assets), Level 2 (not traded on an active market but for which observable market inputs are readily available), and Level 3 (valued based on significant unobservable inputs). The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for investments measured at fair value on a recurring basis:

Money market accounts: Valued at cost which approximates fair value.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Trust believes the valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

There were no changes in the methodologies used to measure fair value at December 31, 2023 and 2022.

There were no investments at fair value as of December 31, 2023.

The following table sets forth by level, within the fair value hierarchy, the Trust's investments at fair value as of December 31, 2022:

	<u>Fair Value</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
<u>2022</u>				
Money market accounts	\$ <u>14,721</u>	\$ <u>14,721</u>	\$ <u>-</u>	\$ <u>-</u>

KENTUCKY NONPROFIT NETWORK, INC. GROUP INSURANCE TRUST

Notes to the Combined Financial Statements, continued

3. Fair Value Measurements, continued

To assess the appropriate classification of investments within the fair value hierarchy, the availability of market data is monitored. Changes in economic conditions or valuation techniques may require the transfer of investments from one fair value level to another. The Trust's management evaluates the significance of transfers between levels based upon the nature of the investment and size of the transfer relative to total net assets available for benefits. During the year ended December 31, 2022, there were no transfers between the levels.

4. Administrative Expenses

For the year ended December 31, 2023, administrative expenses of the Trust include the following:

Office administrative costs:	
Contract Administrator fees	\$ 51,156
Miscellaneous	2,387
Professional services:	
Audit and tax return fees	21,050
Legal fees	<u>6,694</u>
 Total administrative expenses	 \$ <u>81,287</u>

5. Party-in-Interest Transactions

The Contract Administrator initiates the collection of premium remittances and the payment of insurance premiums to the respective insurance companies or their agents for the Trust; KNN pays or provides for the payment of the Trust itself for all reasonable and necessary expenses of establishment, installation and administration of the Trust; conducts all transactions with the insurance companies or the service contracts or their agents relative to the execution and administration of the insurance or service contracts; and establishes the rules for the administration of the affairs of the Trust.

The Contract Administrator is compensated for services by administrative fees based on the number of participating employees of each Subscribing Employer and by other fees charged periodically for services rendered. Total fees paid during the year ended December 31, 2023 are disclosed in Note 4.

The Trust's investments are managed by Central Bank & Trust Company. (Central Bank) as of December 31, 2023. Central Bank is the trustee, as defined by the Trust, and therefore, these transactions qualify as party-in-interest transactions. For the year ended December 31, 2023, investment fees of \$2,162 were paid to Central Bank by the Trust.
