INDEPENDENT AUDITORS' REPORT

To the Administrative Committee of
the Beaver Run Rental Holdings, LLC 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Beaver Run Rental Holdings, LLC 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Beaver Run Rental Holdings, LLC 401(k) Plan financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the years ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be

independent of Beaver Run Rental Holdings, LLC 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Beaver Run Rental Holdings, LLC 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Beaver Run Rental Holdings, LLC 401(k) Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Beaver Run Rental Holdings, LLC 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i-Schedule of Assets (Held At End of Year) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared

and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS**

DECEMBER 31, 2023 AND 2022

Note 1: Description of Plan

The following description of the Beaver Run Rental Holdings, LLC 401(k) Plan (the “Plan”), provides only general information. Participants should refer to the Summary Plan Description and the prototype Plan document and the accompanying adoption agreement for a more complete description of the Plan’s provisions. The Summary Plan Description has been made available to all participants in the Plan, and a copy of the Plan documents is available from the Plan administrator.

General

The Plan is a defined contribution plan established September 4, 2009. The Plan was restated and amended to comply with requirements of the Internal Revenue Service 2017 Cumulative List (Notice 2017-37). The restated amended plan was effective April 1, 2022. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Administration

The Plan is administered by the Board of Directors of Beaver Run Rental Holdings, LLC.

Empower Annuity Insurance Company of America and its subsidiary, Empower Trust Company, LLC, (collectively, “Empower”) serves as the custodian of the Plan, manages Plan assets, and maintains the Plan’s records. Empower offers Plan participants a variety of investment options through various mutual funds, collective investment trusts and a guaranteed investment contract. Individual accounts are invested in the various investment options at the direction of the participants. The Company provides, at no cost to the Plan, certain administrative, accounting, and legal services to the Plan and also pays the cost of certain outside services for the Plan.

Eligibility

The Plan is available to full time employees, age 21 years or older who have completed 60 days of service. The Plan is not available to part-time, temporary, or seasonal employees (employees whose regular scheduled service is less than 1,000 hours of service per computation period). However, if, a part-time employee completes 1,000 hours of service during an eligibility period, they can enter the Plan on the next regular entry date. Employees may enter the Plan on the first day on which the eligibility requirements have been satisfied. If the participant does not become eligible in the first twelve months of service, the participant will become eligible at the end of any subsequent Plan year in which the participant completes 1,000 hours of service.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

Note 1: Description of Plan (cont.)

Eligibility (cont.)

The Plan excludes leased employees, certain non-resident aliens, or reclassified employees, as defined in the Plan document.

Contributions

Participants may make traditional before-tax and after-tax Roth contributions up to 100% of their annual eligible compensation, subject to limitations imposed by the IRS, which is adjusted annually by the Secretary of the Treasury for inflation. This maximum percentage may be reduced by the Plan administrator in certain circumstances. Once eligible to participate, the Plan automatically enrolls participants to contribute before-tax contributions at 5% of eligible compensation, unless the participant elects a different contribution percentage. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. The Plan also permits rollover contributions from other qualified retirement plans. Employee contributions to the Plan are made through regular payroll deductions.

Effective January 25, 2021 and for the years ended December 31, 2023 and 2022, the Company elected to make a discretionary match of 50% of the participants elective deferral up to 50% of 3% of the participants salary.

Vesting

Participants are immediately 100% vested in their voluntary contributions, and allocated earnings or losses thereon.

Vesting in the Company's contribution portion of their accounts is based on years of continuous service. A participant is vested 100% after five years of credited service as follows:

<u>Years of Service</u>	<u>Vested Interest</u>
Less than 1 year	0%
1 year	20%
2 years	40%
3 years	60%
4 years	80%
5 years or more	100%

NOTES TO FINANCIAL STATEMENTS**

DECEMBER 31, 2023 AND 2022

Note 1: Description of Plan (cont.)

Vesting (cont.)

A participant's account becomes 100% vested upon death, attaining normal retirement age, retirement due to disability, or if the Plan is terminated.

Participants' Accounts

Each participant's account is credited or debited with the participant's contributions, and withdrawals, as applicable, and an allocation of the Company's contribution, Plan earnings and losses thereon, forfeitures, and an allocation of Plan expenses. The benefit to which a participant is entitled is the vested portion of the participant's account.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their vested account balance. A participant may not have more than two loans outstanding at a time. The notes are secured by the balances in the participants' accounts and bear interest at rates that range from of 4.25% to 9.5%, which is commensurate with local prevailing rates as determined quarterly by the Plan administrator at loan origination, and mature at various dates through July 2038. Loans are repaid over a period not to exceed five years with the exception of loans utilized for the purchase of a participant's principal residence which may be repaid over a maximum of fifteen years. Principal and interest is paid ratably through payroll deductions. Participant loans are recorded in the financial statements at amortized cost, which represent unpaid principal plus accrued interest. Upon a participant's termination from employment, the participant's loan shall continue to be payable in accordance with the provision of the participant's loan or due in full upon termination.

Excess Contributions Payable and Ineligible Contributions

Amounts payable to participants for contributions in excess of amounts allowed by the IRS and contributions by participants deemed ineligible are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the 2023 excess contributions in the amount of \$13,509 to the applicable participants prior to the IRS deadline of March 15, 2024. The Plan distributed the 2022 excess contributions in the amount of \$13,605 to the applicable participants prior to the IRS deadline of March 15, 2023.

**BEAVER RUN RENTAL HOLDINGS, LLC 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS**

DECEMBER 31, 2023 AND 2022

Note 1: Description of Plan (cont.)

Payment of Benefits

Upon death, disability, retirement or termination of service, a participant may elect to receive a lump-sum payment in the amount equal to the participant's vested account balance.

The Plan allows in-service distributions and partial distributions to participants age 59½ or older who have not terminated employment with the Plan sponsor. The Plan also provides for hardship withdrawals for defined hardship events. The Plan allows in-plan Roth conversions. Vested account balances of less than \$1,000 may be immediately distributed upon a distribution event. In the event of a distribution where the participant's balance is greater than \$1,000 and less than \$5,000 and the participant has not elected a distribution, the vested account balance will be paid as a distribution to an individual retirement account established for the participant by the Plan administrator.

Effective January 1, 2020, as a result of the Setting Every Community Up for Retirement Enhancement (SECURE) Act, participants with vested balances greater than \$5,000 who leave the Company may leave their money in the Plan until April 1st of the year following the calendar year in which they attain age 72 (if they were born after June 30, 1949) or age 70 ½ (if they were born before July 1, 1949) or, if later, the April 1st of the calendar year following the calendar year in which they terminated employment. In addition, certain distribution rules changed relating to payments to beneficiaries upon a participant's death.

Forfeitures

If at the time of termination of employment the participant is not 100% vested, the non-vested portion ("forfeitures") of the participant's account shall be placed in a separate account. Forfeitures can be used to pay Plan expenses, reduce employer contributions, or shall be allocated to participants in the same manner as the employer's contribution. Unallocated forfeitures at December 31, 2023 and 2022, were \$677 and \$2,799, respectively. In 2023 and 2022, forfeitures were used to pay Plan expenses of \$8,920 and \$5,311, respectively.

NOTES TO FINANCIAL STATEMENTS**

DECEMBER 31, 2023 AND 2022

Note 2: Summary of Significant Accounting Policies

Method of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP"). Wherever necessary, prior period financial statements have been reclassified to conform to changes in the way amounts are classified in the current year financial statements.

Investment Valuation and Income Recognition

Investments are recorded at fair value or contract value as reported to the Plan by the custodian. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policy utilizing information provided by the investment advisers, including the appointment of investment managers, and the monitoring of the performance of the Plan's investment funds. See Note 5 for a discussion of fair value measurements.

Investments in mutual funds are reported at the last reported sales price at the end of the respective periods using the quoted market values. The fair value of the collective investment trusts are based upon the net asset value ("NAV") of units owned by the Plan at year-end.

Fully benefit-responsive investment contracts held by a defined contribution plan are required to be reported at contract value. Fully benefit-responsive contract value is a relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. As required by generally accepted accounting principles, the statements of net assets available for benefits present the contract value of the investment.

The net realized and unrealized investment gain or loss (net appreciation or depreciation in fair value of investments) is reflected in the accompanying statement of changes in net assets available for benefits and is determined as the difference between fair value at the beginning of the year (or date purchased if during the year) and selling price (if sold during the year) or year-end fair value. Purchase and sales of investments are recorded on a trade-date basis. Interest income is recognized on the accrual basis. Dividends are recognized on the ex-dividend date.

**BEAVER RUN RENTAL HOLDINGS, LLC 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS**

DECEMBER 31, 2023 AND 2022

Note 2: Summary of Significant Accounting Policies (cont.)

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses as incurred. As of December 31, 2023 and 2022, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Contributions

Employee contributions are recorded in the period during which the Company makes payroll deductions from the participants' earnings. Matching Company contributions, if applicable, would be recorded in the same period.

Benefits

Benefit claims are recorded as expenses when they have been approved for payment and paid by the Plan.

Expenses

Certain expenses incurred in maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Investment-related expenses are included in net appreciation in fair value of investments.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Note 3: Certified Financial Information (Unaudited)

The Plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan administrator instructed the

Empower has certified in writing to the Plan administrator that the stated amounts for investments at fair value and contract value as of December 31, 2023 and 2022, and the income earned or losses incurred thereon for the years then ended, as reflected in the accompanying financial statements and the supplemental schedule of assets (held at end of year), are complete and accurate.

The fair value and contract value of investments at December 31, 2023 and 2022, reported by Empower Annuity Insurance Company of America, and Empower Trust Company, LLC, the custodian, is as follows:

Investments:	<u>2023</u>	<u>2022</u>
Mutual funds	\$ 1,718,043	\$ 1,902,077

The income earned or losses incurred thereon for the years ended December 31, 2023 and 2022, reported by Empower Annuity Insurance Company of America, and Empower Trust Company, LLC, the custodian, are as follows:

NOTES TO FINANCIAL STATEMENTS**

DECEMBER 31, 2023 AND 2022

Note 4: Investment Contract with Insurance Company

The Plan has a fully benefit-responsive group annuity investment contract with Empower. Empower maintains the contributions in a general account (Key Guaranteed Portfolio Fund). The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The contract is included in the financial statements at contract value as reported to the Plan by the custodian. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investments at contract value.

There are no reserves against the contract value for credit risk of the contract issuer or otherwise. By definition, the contract is an insurance contract. As a result, the Plan may transact according to the terms defined in the contract at any time.

The methodology for calculating the interest crediting rate is based on the earnings of the underlying assets in the entire medium-long term new portfolio compared to the minimum interest crediting rate, as stated in the contract, and prevailing market conditions. The interest crediting rate is reset quarterly.

Certain events limit the Plan's ability to transact at contract value with Empower. Such events include the following: (a) amendments to the plan documents (including partial plan termination or merger with another plan), (b) changes to the plan's prohibition on competing investment options or deletion of equity wash provisions, (c) bankruptcy of the plan sponsor or other plan sponsor events that cause a significant withdrawal from the plan, or (d) failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under the Employee Retirement Income Security Act of 1974. The Plan administrator does not believe that any events that would limit the Plan's ability to transact at contract value with Plan participants are probable of occurring.

NOTES TO FINANCIAL STATEMENTS**

DECEMBER 31, 2023 AND 2022

Note 5: Fair Value Measurements

Generally accepted accounting principles require disclosure about how fair value is determined and establish a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). This hierarchy consists of three broad levels which are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices in active markets for identical assets or liabilities.

Level 2: Other observable market-based inputs or unobservable inputs that are corroborated by market data. Includes quoted prices for similar assets in active markets, quoted prices for identical or similar assets in markets that are not active, and inputs other than quoted prices that are observable for the asset.

Level 3: Unobservable inputs that cannot be corroborated by market data that reflect the reporting entity's own assumptions.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. There have been no changes in methodologies used at December 31, 2023 and 2022. A description of investments by level and the valuation techniques and inputs used in the fair market value measurement of the Plan follows:

Mutual funds: Mutual funds held by the Plan are open ended funds that are registered with the SEC. The fair values of these securities are based on observable market quotations.

Collective investment trusts: Measured using the NAV practical expedient of the collective trust as reported by the fund managers. The NAV practical expedient is based on the fair value of the underlying assets owned, less its liabilities, and divided by the number of units outstanding. There are no restrictions on participant redemptions of the Plan's investments in collective investment trusts.

Note 6: Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions any time and to terminate the Plan subject to the provisions of ERISA. If the Plan is terminated for any reason, all participants become 100% vested, and the Plan administrator is to distribute each participant's interest to the participant or the participant's beneficiary.

NOTES TO FINANCIAL STATEMENTS**

DECEMBER 31, 2023 AND 2022

Note 7: Party in Interest Transactions

Certain Plan investments are mutual funds and a guaranteed investment contract, which are managed by Great-West. Empower is the asset custodian, as defined by the Plan; therefore, these transactions qualify as party-in-interest and are exempt from the prohibited transaction rules. In addition, the Plan provides for loans to participants, which are also party-in-interest transactions that are exempt from the prohibited transaction rules.

Note 8: Income Tax Status

The Plan did not obtain a plan-specific determination letter, as it operates with the custodian's opinion letter, which was issued on the basic Plan document dated November 14, 2022. The Plan administrator believes that the Plan, as amended, continues to be operated and administered in compliance with the applicable requirements of the Internal Revenue Code. Accordingly, no provision for income taxes has been included in the accompanying financial statements. Accounting principles generally accepted in the United States of America, require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 9: Risk and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Additionally, some of the investments held are invested in the securities of foreign companies, which involve special risk and considerations not typically associated with investing in U.S. companies. These risks include devaluation of currencies, less reliable information about issuers, different securities transaction clearance and settlements practices, and possible adverse political and economic developments. Moreover, securities of many foreign companies and their markets may be less liquid and their prices more volatile than those of securities of comparable U.S. Companies.
