Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Citizens Memorial Health Care System Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Citizens Memorial Health Care System Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2023 and 2022, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all

material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Citizens Memorial Health Care System Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Citizens Memorial Health Care System Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial

likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Citizens Memorial Health Care System Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Citizens Memorial Health Care System Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified in the audit.

Other Matters

Supplemental Schedule Required by ERISA

The supplemental schedule H, line 4i - schedule of assets held for investment purposes as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the

responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the information in the supplemental schedule, other than the information agreed to or derived from the certified investment information, is presented, including the form and content, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material aspects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

CITIZENS MEMORIAL HEALTH CARE SYSTEM PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

Years Ended December 31, 2023 and 2022

NOTE 1: DESCRIPTION OF PLAN

The following description of the Citizens Memorial Health Care System Sharing Profit Plan (Plan) provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions, which is available from the plan administrator.

General – The Plan is a defined contribution plan covering all employees of Citizens Memorial Health Care System (System), who have at least one year of service, have reached age 18, work at least 1,000 hours during the 12-month period, and are employed on the last day of the plan year. Related employers who also participate in the Plan include Citizens Memorial Health Care Foundation. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions – Employer contributions are determined by the Board of Directors prior to the end of each fiscal year. Employer contributions are allocated to the participant's account on the pro rata basis that each participant's qualifying compensation bears to the total qualifying compensation of all participants. The Plan does not permit nor require employee contributions. Effective January 1, 2022, rollover contributions are no longer allowed.

Compensation excludes severance pay, sign-on bonus, Christmas bonus, attendance bonus, country club dues, vehicle reimbursement, cell phone reimbursement, life insurance over \$50,000, debt forgiveness, and all management approved cash bonuses.

Participant accounts – Each participant's account is credited with the System's contribution and plan earnings and forfeitures of terminated participants' accounts and is charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting – A participant's interest in the contributions the System makes to the Plan for his or her benefit becomes vested in accordance with the following schedule.

<u>Years of Service with Employer</u>	<u>Percent of Non-forfeitable Accrued Benefits</u>
Any service less than 1 year	None
At least 1 year	20%
At least 2 years	40%
At least 3 years	60%
At least 4 years	80%
At least 5 years	100%

CITIZENS MEMORIAL HEALTH CARE SYSTEM PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

Years Ended December 31, 2023 and 2022

NOTE 1: DESCRIPTION OF PLAN - CONTINUED

Vesting - continued – If a participant dies, becomes disabled or qualifies for early retirement while employed by the System, his or her interest in the System's contributions becomes 100% vested without regard to the above schedule of vesting.

If a participant terminates employment before his or her interest in the System's contributions becomes 100% vested, his or her unvested interest in the System's contributions is forfeited.

Payment of benefits – If a participant ceases to be an employee of the System and his or her account balance is less than \$5,000, the entire vested account balance will be rolled over to an individual retirement account, as designated by the Plan, absent an election by the participant. Participant balances in excess of \$5,000 may remain in the Plan until such time the participant elects to receive a distribution. A participant may elect to receive a lump-sum amount, systematic withdrawals (installments), or an annuity equal to the vested value of his or her account.

Forfeited accounts – Participants who terminate their employment and are less than 100% vested in their account will forfeit the non-vested portion. At December 31, 2023 and 2022, forfeited non-vested accounts totaled \$21,353 and \$64,951, respectively. These accounts will be reallocated to participants in the same manner as the employer contribution, used to pay plan expenses, or used to fund corrective contributions. During 2023 and 2022, \$21,353 and \$64,951, respectively, in forfeitures were reallocated to participants.

Investment options – Investment account options include various funds. Each participant has the option of directing his or her account into any of the investment options and may change the allocation daily.

NOTE 2: SUMMARY OF ACCOUNTING POLICIES

Basis of accounting – The financial statements of the plan are prepared on the accrual basis of accounting.

Use of estimates – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets and changes in net assets and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Non-allocated cash – Cash deposits held in non-interest bearing accounts are classified as non-allocated cash. These deposits are reported separately from other investments on the statements of net assets held for benefits.

CITIZENS MEMORIAL HEALTH CARE SYSTEM PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

Years Ended December 31, 2023 and 2022

NOTE 2: SUMMARY OF ACCOUNTING POLICIES - CONTINUED

Valuation of investments and income recognition – Investments are reported at fair value.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 9 for the discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the plan's gains and losses on investments bought and sold as well as held during the year.

Payment of benefits – Benefit payments to participants are recorded upon distribution.

Expenses – Administrative expenses may be paid by the System or the Plan, at the System's discretion. The Plan has a non-allocated expense budget account held in a non-interest bearing cash account. The purpose of this account is to pay necessary and reasonable plan related expenses in accordance with the Department of Labor's guidance for this Plan and the System's Matched Savings Plan. The System is responsible for determining what expenses the third-party administrator will reimburse from the account. All funds utilized from this account are treated as administrative expenses on the statement of changes in net assets available for benefits for the two plans. Additions to the expense budget account were \$282,900 and \$230,400 for 2023 and 2022, respectively. During 2023 and 2022, \$75,000 and \$35,000, respectively, of the additions to the expense budget account were rebuked back to the participants. Expense budget account funds utilized amounted to \$179,325 and \$288,960 during 2023 and 2022, respectively. The account's balance at December 31, 2023 and 2022 was \$56,634 and \$28,059, respectively.

Subsequent events – The plan has evaluated subsequent events through September 30, 2024, the date the financial statements were available to be issued.

NOTE 3: CERTIFIED INFORMATION

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments held at December 31, 2023 and 2022, net appreciation (depreciation) in fair value of investments, and interest and dividends for the years ended December 31, 2023 and 2022, was obtained by management and agreed to or derived from information certified as complete and accurate by State Street Bank and Trust Company and Transamerica Life Insurance Company, Inc. (the custodian/trustee of the Plan.)

CITIZENS MEMORIAL HEALTH CARE SYSTEM PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

Years Ended December 31, 2023 and 2022

NOTE 4: PARTY-IN INTEREST TRANSACTIONS

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, and a person who owns 50% or more of such an employer or employee association, or relatives of such persons. Certain plan investments are shares of investments managed by State Street Bank and Trust and Transamerica Life Insurance Company, the custodian/trustee of the Plan and, therefore, these transactions qualify as party-in interest transactions.

The Plan incurs expenses related to general administration, record keeping, and auditing fees. The plan sponsor pays a portion of these expenses and certain accounting fees relating to the Plan.

NOTE 5: PLAN TERMINATION

Although it has not expressed any intent to do so, the System has the right to discontinue its contributions at any time and to terminate the plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100% vested in their employer contributions.

NOTE 6: TAX STATUS

The Internal Revenue Service has determined and informed the Company by a letter dated June 30, 2020, that the plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan has not been amended since the receipt of this letter.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the plan, and has concluded that as of December 31, 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2020.

CITIZENS MEMORIAL HEALTH CARE SYSTEM PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

Years Ended December 31, 2023 and 2022

NOTE 7: SEPARATED PARTICIPANTS

At December 31, 2023 and 2022, \$3,531,069 and \$2,478,453, respectively, of the net assets available for benefits are for those participants who have separated from active service with the plan sponsor.

NOTE 8: RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 9: FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board ASC 820, Fair Value Measurements, establishes a framework for measuring fair value and expands disclosures about fair value measurements. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets and liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

CITIZENS MEMORIAL HEALTH CARE SYSTEM PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

Years Ended December 31, 2023 and 2022

NOTE 9: FAIR VALUE MEASUREMENTS - CONTINUED

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

General accounts: Valued by the daily crediting of interest, which is subject to minimum contractual guarantees. The observable inputs used in determining the value include the contract value, credited rate and contractual minimum rates, MVA formula, and the contract surrender charge, if applicable.

Self-directed accounts: Comprised of mutual funds which are valued at the daily closing price reported by the fund. The mutual funds held within the self-directed accounts are open-ended mutual funds that are registered with the Security and Exchange Commission. These funds are required to publish their daily net asset value and to transact at the price. The self-directed accounts held by the Plan are deemed to be actively traded.

Mutual funds: Valued at the daily closing price reported by the fund. Mutual funds held by the plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022:
