INDEPENDENT AUDITORS' REPORT

To the Plan Sponsor
Ehrhardts' Lebanon LLC 401(k) Profit Sharing Plan
Saint Robert, Missouri

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the Ehrhardts' Lebanon LLC 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Ehrhardts' Lebanon LLC 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial for the Audit of the Financial Statements section of our report. We are required to be independent of the Ehrhardts' Lebanon LLC 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Ehrhardts' Lebanon LLC 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with auditing standards generally accepted in the United States of America will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with auditing standards generally accepted in the United States of America, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Ehrhardts' Lebanon LLC 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Ehrhardts' Lebanon LLC 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental Schedule H, Line 41 – Schedule of Assets held at End of Year is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional

procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compare such information to the related certified investment information.

In forming our opinion on the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

EHRHARDTS' LEBANON LLC 401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023

1. Description of plan

The following description of Ehrhardts' Lebanon LLC 401(k) Profit Sharing Plan ("Plan") provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

a. General

The Plan is a defined contribution plan covering all employees of Ehrhardts' Lebanon LLC, Ehrhardt's Warrensburg, LLC, SJS Hospitality LLC, Moka Hospitality, LLC, Moka Hospitality II, LLC, Blue Dome Hotel Center, LLC, Weller Senior Living, LLC, TS2 KC, LLC and TS2 Olathe Properties, LLC. Employees are eligible to make elective deferrals after completing one year of service and are age twenty-one or older. Employees are credited with one year of service for eligibility purposes if they work at least 1,000 hours during the year. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

b. Contributions

Participants may contribute a percentage of their annual wages by way of pre-tax salary reductions up to the maximum allowable under the Internal Revenue Code. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions up to the maximum allowable under the Internal Revenue Code.

During 2023, the Company made non-elective safe-harbor contributions to the Plan totaling \$209,354, which represented 3% of the compensation of each employee who is eligible to participate in the Plan.

The Company may also make a discretionary contribution to the Plan, allocated to each participant as a percentage of compensation. The Plan allows the Company to make discretionary contributions in varying percentages to different employee groups as defined in the Plan Document. During 2023, the Company made discretionary contributions of \$103,213, which represented 4% to 5% of each eligible participant's compensation, depending on the employee group in which the participant was classified.

c. Participants' accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution and (b) plan earnings. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

1. Description of plan (continued)

d. Vesting

Participants are immediately vested in their voluntary contributions and the Company's matching and safe-harbor contributions, plus actual earnings thereon. Vesting in the Company's discretionary contributions of their accounts plus actual earnings thereon is based on years of continuous service. A participant is 100% vested after six years of credited service.

e. Payment of benefits

Participants who terminate service and have account balances of \$1,000 or less may receive an automatic distribution of that balance at the Company's discretion. Participants with balances greater than \$1,000 may elect to receive a lump-sum amount equal to the vested value of his or her account.

f. Investment options

Upon enrollment in the Plan, a participant may direct contributions in any of 22 investment options.

g. Forfeitures

Forfeitures of employer discretionary contributions will be used to pay expenses or reduce employer contributions typically in the year following the forfeiture. For the year ending December 31, 2023 and 2022, forfeitures available to be used were \$-0- and \$931.

During the year ending December 31, 2023, \$3,741 of the forfeitures were used to pay for plan expenses and offset employer contributions.

h. Administrative expenses

Administrative expenses of the Plan include investment advisory fees, custodian fees, third-party administrator fees, and audit fees. All other expenses are absorbed by the Plan sponsor.

i. Participant Investment Rollovers

Participants are allowed to transfer or rollover funds into the Plan from other qualified plans.

j. In-Service Withdrawals

Certain participants may make withdrawals prior to termination of employment. Hardship withdrawals are available to Plan participants, as defined by the Plan and permitted by the IRC. Hardship withdrawals are limited to the participant's elective deferrals. Participants who have attained the age of 59½ are allowed to receive a distribution of all or any portion of their vested account balances in a single sum payment.

2. Summary of significant accounting policies

The following are the significant accounting policies followed by the Plan:

Basis of accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

Investment valuation and income recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 6 for a discussion of fair value measurement.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of benefits

Benefits are recorded when paid.

3. Plan termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

4. Transactions with parties-in-interest

Acensus, LLC is the custodian of the Plan investments. Acensus, LLC is the Plan record keeper and Williams Benefit Consulting, LLC is a third party administrator of the Plan responsible for providing all required plan documents, annual discrimination testing, annual 5500, and distribution processing. KPM is the investment advisor for the Plan. RMMC is the plan auditor. Each of these entities and the participating employers listed in footnote 1(a) are classified as parties-in-interest with respect to the Plan.

Investment advisor fees, custodial fees, recordkeeping fees, fees associated with distributions, and some of the accounting and legal fees are paid for with Plan assets. All of the other administrative costs, including the salary of the Plan administrator associated with the Plan are paid by the Plan sponsor.

5. Tax status

The Internal Revenue Service has determined and informed the Company by a letter dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

5. Tax status (continued)

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

6. Fair value measurements

ASC 820 establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets in active markets that the plan has the ability to access.

Level 2 Inputs to the valuation methodology include

- quoted prices for similar assets in active markets;
- quoted prices for identical or similar assets in inactive markets;
- inputs other than quoted prices that are observable for the asset;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means

If the asset has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2023 and 2022.

Mutual and Money Market funds: Valued at the daily closing price as reported by the Fund. Funds held by the Plan are required to publish their daily net assets value and to transact at that published price.

6. Fair value measurements (continued)

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022.

	December 31, 2023			
	Level 1	Level 2	Level 3	Total
Mutual funds	8,494,362	-	-	8,494,362
Money market fund	16,020	-	-	16,020
Total assets at fair value	<u>\$8,510,382</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$8,510,382</u>

	December 31, 2022			
	Level 1	Level 2	Level 3	Total
Mutual funds	6,925,256	-	-	6,925,256
Money market fund	13,335	-	-	13,335
Total assets at fair value	<u>\$6,938,591</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$6,938,591</u>

7. Information prepared and certified by Qualified Institution

The December 31, 2023 and 2022 Statements of Net Assets Available for Benefits, the investment activities included on the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2023, and the accompanying notes to the financial statements were prepared in part from information certified by the Trustee in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. The information certified includes investments of \$8,510,382 and \$6,938,591, respectively, at December 31, 2023 and 2022 and related income of \$1,010,277 for the year ended December 31, 2023.

8. Separated participants

At December 31, 2023, \$242,020 of the net assets available for benefits are for those participants who have separated from active service with the Plan sponsor.

9. Risks and uncertainties

The Plan invests in various investment securities exposed to market risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

10. Subsequent event

The Plan has evaluated subsequent events through September 27, 2024, the date which the financial statements were available to be issued. There were no significant events noted that did not exist at the date of the balance sheet but arose subsequent to that date.
