SNELL & WILMER PROFIT SHARING AND SAVINGS PLAN

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed the audits of the financial statements of **Snell & Wilmer Profit Sharing and Savings Plan** ("the Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of December 31, 2023 and 2022 and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules of assets (held at end of year) and delinquent participant contributions as of and for the year ended December 31, 2023, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information are the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or are derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or are derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or are derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

SNELL & WILMER PROFIT SHARING AND SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2023 and 2022

(1) Description of Plan

The following description of the Snell & Wilmer Profit Sharing and Savings Plan (the “Plan”) is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

- A. **General** – The Plan is a defined contribution plan covering all eligible partners and employees of Snell & Wilmer L.L.P. (the “Company”). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”) and the Internal Revenue Code (the “Code”).
- B. **Eligibility** – Partners and employees are eligible to participate in the discretionary contribution portion of the Plan on the earlier of their 18-month anniversary or January 1, after one year of service. The Plan allows immediate participation for employees in the savings portion of the Plan. The Plan excludes from participation any employee who is employed by the Company as a summer associate, part-time associate, Nevada legislative employee, student intern, or law clerk or in a similar position while such employee is enrolled in law school or during any summer semester or other breaks. Staff attorneys are not eligible to participate in the discretionary contribution portion of the Plan, but they are eligible for the savings portion. An individual who joins the Company as a partner becomes eligible for the savings portion of the Plan on the first day of the calendar month that begins at least 30 days following the date on which the individual joined the Company.
- C. **Contributions** – Each year, participants may make elective deferral contributions of up to 100% of the participant’s annual compensation, as defined in the Plan, subject to annual limitations imposed by the Code. For 2023, the annual limit on elective deferrals was \$22,500, plus an additional \$7,500 if the participant was age 50 or older and eligible to make catch-up contributions. A participant’s elective deferrals under the Plan are treated as a pretax contribution, unless the participant irrevocably designates at the time of election that, in lieu of treating all or a portion of the elective deferral contribution as a pretax contribution, all or a portion of the elective deferral contribution should be treated as a Roth contribution. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. Each year at the Company’s election, discretionary contributions are contributed to the Plan. These contributions are also subject to certain limitations imposed by the Code.
- D. **Participant accounts** – Each participant’s account is credited with the participant’s contributions and an allocation of (a) the Company’s contribution, and (b) the Plan earnings, and charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on the participant’s earnings, account balances or specific participant transactions as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.
- E. **Vesting** – Participants are immediately 100% vested in their elective deferral contributions and rollover contributions (plus any earnings thereon). Effective September 3, 2019, employees who are employed, hired, or rehired by the Company on or after September 3, 2019, and who are eligible to receive Company contributions become fully vested in Company contributions (plus any earnings thereon) once they were made, regardless of years of service. Employees that terminated employment prior to September 3, 2019, vested in Company contributions based on years of continued service and became 100% vested after six years of continuous service. The vesting schedule was 20% per year beginning after the second year. Participants become 100% vested upon retirement date, separation of employment due to disability as determined by the Administrative Committee, death, termination of the Plan or complete discontinuance of employer contributions.

SNELL & WILMER PROFIT SHARING AND SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2023 and 2022

(1) Description of Plan (continued)

- F. **Notes receivable from participants** – Participants may borrow from their account a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. All notes receivable from participants shall bear interest at a rate determined by the Administrative Committee, which shall provide the Plan with a rate commensurate with the interest rates charged by persons in the business of lending money for similar notes receivable. All notes receivable from participants shall be repayable over a period not to exceed five years, except that the term may exceed five years (but shall not exceed 10 years) if the proceeds of the notes receivable will be used, within a reasonable time after the funds are disbursed, to acquire or construct the participant's principal residence. All notes receivable from participants are collateralized by the participant's account in the Plan. Principal and interest is paid ratably through payroll deductions.
- G. **Payment of benefits** – Upon termination of service due to death, disability, retirement or other reasons, a participant may receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or installment payments. Participants may also withdraw from their account as set forth in the provisions of the Plan document for certain hardships.
- H. **Forfeitures** – Available forfeitures are first used to pay the Plan administrative expenses and restore any prior forfeitures attributed to rehired eligible employees. Any remaining forfeitures are used to reduce the Company's discretionary contribution. At December 31, 2023 and 2022, forfeited nonvested accounts totaled approximately \$114,000 and \$472,000, respectively. For the Plan year ended December 31, 2023, approximately \$471,000 from forfeited nonvested accounts was used to reduce Company contributions and the related receivable.
- I. **Termination of the Plan** – Although it has not expressed an intention to do so, the Employer has the right to terminate the Plan at any time, subject to the provisions of ERISA. In the event the Plan is terminated, participants shall become 100% vested in their account balances.

(2) Significant accounting policies

The significant accounting policies followed by the Plan are as follows:

Basis of accounting – The accompanying financial statements have been prepared in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP) on the accrual basis of accounting. Accordingly, income and contributions are recognized when earned and expenses are recorded when incurred.

Management's use of estimates – The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment valuation and income recognition – Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis. Net appreciation/depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

SNELL & WILMER PROFIT SHARING AND SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2023 and 2022

(2) Significant accounting policies (continued)

Notes receivable from participants – Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 or 2022. If a participant ceases to make repayments and the Plan administrator deems the participant note receivable to be in default, the participant note receivable balance is reduced and a benefit payment is recorded.

Payment of benefits – Payment of benefits are recorded when paid.

Administrative expenses – Certain administrative functions are performed by officers or employees of the Company. No such officer or employee received compensation from the Plan. Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees mainly related to the administration of notes receivable from participants and investments are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net appreciation in fair value of investments.

Risks and uncertainties – The Plan provides for various investment options. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in risks in the near term could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

Subsequent events – The Plan has evaluated subsequent events through October 2, 2024, the date the financial statements were available to be issued.

(3) Information certified by the Plan's trustee

The Plan Administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Fidelity Management Trust Company ("Fidelity"), the Plan's trustee, has certified that the following information included in the accompanying financial statements and supplemental schedule is complete and accurate:

- Investments, at fair value
- Notes receivable from participants
- Interest income on notes receivable from participants
- Interest and dividends
- Net appreciation in fair value of investments
- Other income
- Schedule of assets (held at end of year)

The Plan's independent public accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

(4) Fair value measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described below:

- Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets.
- Level 2: Inputs to the valuation methodology include quoted prices for similar assets and liabilities in active markets; quoted prices for identical or similar assets and liabilities in inactive markets; inputs other than quoted market prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

These methods described may produce a fair value calculation that may not be indicative of the net realizable value or reflective of future fair value. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 or 2022.

Registered investment companies: Valued at the daily closing price as reported by the respective fund. Funds of registered investment companies held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The shares of registered investment companies held by the Plan are deemed to be actively traded.

Fidelity BrokerageLink accounts: Accounts primarily consist of registered investment companies and common stocks that are valued on the basis of readily determinable market prices.

(4) Fair value measurements (continued)

Common collective trusts: Stated at unit value, or the equivalent of net asset value, which is a practical expedient for estimating fair value. These investments have no unfunded commitments as of December 31, 2023 and 2022, and can be redeemed daily with no redemption notice period or other redemption restrictions.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2023:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Registered investment companies	\$ 186,217,771	\$ -	\$ -	\$ 186,217,771

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2022:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Registered investment companies	\$ 158,183,124	\$ -	\$ -	\$ 158,183,124

Total investments, at fair value	<u>\$ 204,196,352</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 409,286,888</u>

* In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

(5) Parties-in-interest

Certain investments of the Plan are shares of registered investment companies and common collective trusts managed by Fidelity Investments, Inc., a related party of Fidelity. Fidelity is the Plan's trustee and, therefore, these transactions are considered exempt party-in-interest transactions. Fees paid to the trustee were approximately \$154,000 for the year ended December 31, 2023. Fees incurred by the Plan for the investment management services are included in net appreciation in fair value of investments. During 2023, approximately \$262,000 was funded to the Plan by the trustee related to revenue sharing and allocated to eligible participant accounts.

(6) Income tax status

The Plan has received a determination letter from the IRS dated August 13, 2018, stating that the Plan is qualified under Section 401(k) of the Code and, therefore, the related trust is exempt from taxation. The Plan Administrator believes the Plan is designed, and is currently being operated in compliance with the applicable requirements of the Code and, therefore, believes that the Plan, as amended, is qualified and the related trust is tax-exempt.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

(7) Delinquent participant contributions

Plan management determined that certain participant contributions withheld during the 2023 Plan year were remitted late based upon guidelines established by the DOL. These late contributions amounted to \$9,987 for the year ended December 31, 2023. The late contributions were remitted into the Plan during 2023. The lost earnings associated with the late deferrals were immaterial and were remitted into the Plan in 2024.
