Beumer 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Beumer 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits--modified cash basis as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits--modified cash basis for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Beumer Corporation 401(k) Profit Sharing Plan and Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

To the Plan Trustee
Beumer 401(k) Plan
Somerset, New Jersey

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Beumer Corporation 401(k) Profit Sharing Plan and Trust and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter - Basis of Accounting

We draw attention to Note B of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting described in Note B, and for determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Beumer Corporation 401(k) Profit Sharing Plan and Trust's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

To the Plan Trustee
Beumer 401(k) Plan
Somerset, New Jersey

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Beumer Corporation 401(k) Profit Sharing Plan and Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Beumer Corporation 401(k) Profit Sharing Plan and Trust's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

To the Plan Trustee
Beumer 401(k) Plan
Somerset, New Jersey

Other Matters - Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

BEUMER 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE A - DESCRIPTION OF PLAN

The following description of the Beumer 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan, which commenced January 1, 1993. All employees who have attained age 21 are eligible to participate. Employees are able to enter the Plan on the first day of the month coinciding with or next following the date the eligibility requirements are met. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Each year, participants may contribute up to 90% of their gross compensation on a pre-tax basis to a regular 401(k) account or Roth 401(k) account or on an after-tax basis into a non-Roth 401(k) account to the Plan through salary reduction. Participants' elective deferrals are subject to the limitations of Internal Revenue Code Section 402(g). Participants who have attained the age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollovers). The Company can make a discretionary match, as defined in the Plan. The Company's matching contribution will equal 50% of the participant's elective deferral contribution but may not exceed 5% of participant compensation. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 4% of eligible compensation. The automatic deferral amount will increase by 1% of compensation up to a maximum of 8% of compensation. Such increase will be applied as of the first period that begins after the period in which the initial deferral amount was withheld and will occur as of each anniversary of the participant's entry date. Participants' contributions were \$2,314,649 for the year ended December 31, 2023. The Company contributions were \$501,099 for the year ended December 31, 2023.

Participant Accounts

A separate investment account is maintained for each Plan participant. Participants may direct the investment of their accounts into various funds specified by the Plan. Participant accounts are credited with the participant's contribution, an allocation of the Company's matching contribution and an allocation of Plan earnings (losses), as defined in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

See the independent auditors' report.

BEUMER 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE A - DESCRIPTION OF PLAN (Continued)

Vesting

Participants are immediately 100% vested in their own contributions to the Plan. If an employee of Beumer Corporation leaves the Company for any reason, they will be vested in matching contributions and nonelective contributions according to the following schedule:

Less than three years of service	0%
Three years or more of service	100%

Regardless of the vesting schedule, a participant will become fully vested upon death, disability, and at normal retirement age.

Forfeitures

Employees who terminate employment and are not vested will forfeit the nonvested portion of their account balance to the Plan as specified in the Adoption Agreement. The non-vested account balances at December 31, 2023 and 2022 were \$1,062 and \$6,717, respectively. Forfeitures can be applied to reduce employer contributions or pay plan expenses. Forfeited amount of \$42,543 for 2023 was used to reduce employer match contributions.

Plan Expenses

The plan has a separate plan expense account set up to pay expenses of the plan. The account balances at December 31, 2023 and 2022 were \$30,919 and \$50,003, respectively. This account has been established to capture the revenue-sharing amounts received which are used to pay plan expenses.

Loans

Participants may borrow from their fund accounts a minimum of \$500 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at the prime rate as published in *The Wall Street Journal*. Principal and interest are paid ratably through payroll deductions. Any loan will by its terms require that repayment be over a period not extending beyond 5 years from the date of the loan, unless the loan is for the purchase of a participant's primary residence in which the loan repayment period may not extend beyond 30 years.

Payment of Benefits

Participants are eligible to receive a distribution of the vested portion of their individual account balance upon the following:

- The occurrence of any of the distributable events specified in the Adoption Agreement,
- The participant's termination of employment after attaining normal retirement age, or
- Termination of the Plan.

The normal retirement age under this Plan is 65.

See the independent auditors' report.

BEUMER 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE A - DESCRIPTION OF PLAN (Continued)

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contribution at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, distribution of participants' accounts shall be in accordance with the Plan document.

Plan Amendments

Effective January 1, 2022, the plan was amended to state that the prevailing wage compensation related to participants employed with BEUMER LifeCycle Management, LLC is excluded from plan compensation for all employer contributions only.

Effective August 1, 2022, the plan was amended to include after-tax voluntary employee contributions.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the modified cash method of accounting, which adjusts securities investments to fair value.

The Plan accounts for all transactions on the modified cash basis. Security transactions are recorded on the settlement date, and the determination of gain or loss on securities sold is based on the average cost of the securities. Investment income (interest and dividends) is recorded on the date received. Expenses are recorded on the date of payment.

Modified cash basis accounting represents a departure from accounting principles generally accepted in the United States of America. It is not a prohibited method of accounting for employee benefit plans under the reporting requirements of ERISA. The result of the use of the modified cash basis of accounting is that dividends and interest receivable, security trades made but not settled, contributions receivable from the employer and liabilities at December 31, 2023 and 2022, are not included in the accompanying financial statements. Accordingly, the financial statements are not intended to present financial position and changes in net assets in conformity with generally accepted accounting principles.

Use of Estimates

The preparation of financial statements in conformity with the modified cash basis of accounting requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

See the independent auditors' report.

BEUMER 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Investment Valuation and Income Recognition

Plan investments in mutual funds are stated at fair value. Shares of mutual funds are valued at quoted market prices. The Plan's investments in the common collective trust is stated at net asset value as a practical expedient as reported by the trustee which include a mix of mutual funds and managed accounts. Net appreciation or depreciation of investments is reported on the statement of changes in net assets available for benefits and consists of realized gains and losses and the unrealized appreciation or depreciation of these investments. All underlying investments options are valued daily. This daily price is considered the selling price for transfers and withdrawals, and is calculated each day the principle market is open and available to any participant in the Plan.

Purchases and sales of registered investment company shares are recorded at end of day net asset value. Dividends are recorded as of the record date.

Participant loans receivable

Participant loans receivable are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded when received. Related fees are recorded as administrative expenses and are expensed when they are paid.

Contributions

Contributions from participants are recorded in the period in which they are received by the Plan. Company matching and discretionary profit-sharing contributions are recorded in the period made.

Benefit Payments

Benefits are recorded when paid.

Administrative Expenses

Administrative expenses, excluding transaction fees, are paid by the Company.

Party in Interest Transactions

Certain participants have outstanding loans with the Plan as of December 31, 2023 and 2022. These transactions qualify as party in interest transactions allowable under ERISA guidelines.

Date of Management's Review

Management has evaluated subsequent events through October 3, 2024, the date which the financial statements were available to be issued.

See the independent auditors' report.

BEUMER 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE C - RELIANCE ON TRUSTEE'S REPORT

The administrator of the Plan chose the method of compliance permitted by Section 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Under that section, no auditing procedures are required to be performed with respect to the investment information certified by the trustee of the Plan, Reliance Trust Company, other than comparing such information to that contained in the financial statements and supplemental schedule. The information certified by the trustee, which was relied upon in the preparation of these financial statements and supplemental schedule, includes:

	<u>2023</u>	<u>2022</u>
Common/collective trust	\$ 1,290,635	\$ 1,124,914
Mutual funds	25,367,438	21,561,177
Loans	271,233	379,420
Participant loan interest	19,377	*
Investment income		
Interest and dividends	697,861	*
Net investment gain from common/collective trust	31,299	*
Net appreciation in fair value of investments	3,421,254	*

*2022 investment income was not presented in the financial statements.

NOTE D - TAX STATUS

The Plan is a prototype plan sponsored by ADP. The prototype plan has received an opinion letter dated October 6, 2020 that the prototype plans are designed in accordance with applicable sections of the Internal Revenue Code. Although the Plan has been amended, the Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code. The trust established under the Plan to hold the Plan's assets is qualified pursuant to the appropriate section of the Internal Revenue Code, and, accordingly, the trust's net investment income is exempt from income taxes.

In accordance with the modified cash basis of accounting, plan management evaluates tax positions taken by the Plan and recognizes a tax liability or asset if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan Administrator has analyzed the tax positions by the Plan and has concluded that as of December 31, 2023 and 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or asset or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

See the independent auditors' report.

BEUMER 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE E - RISKS AND UNCERTAINTIES

The Plan provides for investments in a selection of mutual funds and a common collective trust. These investments are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain mutual funds, it is at least reasonably possible that changes in the values of mutual funds will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits--modified cash basis.

NOTE F - FAIR VALUE MEASUREMENTS

Professional accounting standards establish a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value into three broad levels.

Level 1 inputs are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access. *Level 2* inputs are other than quoted prices that are observable for the asset or liability, either directly or indirectly through market corroboration, for substantially the full term of the financial instrument. *Level 3* inputs are unobservable inputs based on the Plan's assumptions used to measure assets and liabilities at fair value. The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

Assets of the Plan for which fair values are determined on a recurring basis are as follows:

	2023		2022	
	<u>(Level 1)</u>	<u>Net Asset Value (a)</u>	<u>(Level 1)</u>	<u>Net Asset Value (a)</u>
Mutual funds	\$ 25,367,438	\$ -	\$ 21,561,177	\$ -
Common/collective trust	<u>-</u>	<u>1,290,635</u>	<u>-</u>	<u>1,124,914</u>
	<u>\$ 25,367,438</u>	<u>\$ 1,290,635</u>	<u>\$ 21,561,177</u>	<u>\$ 1,124,914</u>

- (a) Certain investments that are measured at fair value using the net asset value per share (or its equivalent) as a practical expedient have not been categorized in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statement of net assets available for benefits--modified cash basis.

Mutual funds have quoted prices for identical assets in active markets; therefore, the investments are measured at fair value using these readily available Level 1 inputs. The common collective trust is stated at net asset value per share as a practical expedient.

See the independent auditors' report.

BEUMER 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE F - FAIR VALUE MEASUREMENTS (Continued)

The methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE G - SUBSEQUENT EVENTS

Effective April 1, 2024, the plan was amended to change the employer matching contribution formula to be 100% of the first 1% of participant's compensation plus 50% of the next 5% of participant's compensation.

Effective August 1, 2024, the plan was amended to update the eligible employee exclusions. For all contribution types, excluded employees will be union employees, nonresident aliens, and leased employees.

See the independent auditors' report.
