Tyson & Mendes, LLP 401(k) Profit Sharing Plan & Trust

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Tyson & Mendes, LLP 401(k) Profit Sharing Plan & Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Tyson & Mendes, LLP 401(k) Profit Sharing Plan & Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note D to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Tyson & Mendes, LLP 401(k) Profit Sharing Plan & Trust and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Tyson & Mendes, LLP 401(k) Profit Sharing Plan & Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Tyson & Mendes, LLP 401(k) Profit Sharing Plan & Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Tyson & Mendes, LLP 401(k) Profit Sharing Plan & Trust's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of Form 5500, Schedule H, line 4(i), Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

TYSON & MENDES, LLP 401(k) PROFIT SHARING PLAN & TRUST
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE A - DESCRIPTION OF PLAN

The following description of Tyson & Mendes, LLP (the Company) 401(k) Profit Sharing Plan & Trust (the Plan) provides only general information. Participants should refer to the plan adoption agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan initially effective on January 1, 2004 and restated on February 1, 2022. The Plan covers all employees of the Company who have attained the age of twenty-one and have completed 30 days of continuous employment. Employees are considered to have met the age and service requirements if employed on May 10, 2004. In order to be eligible for profit sharing contributions, the Plan requires the completion of 500 hours of service within the Plan year. If the participant is employed by the Company on the last day of the Plan year, the 500 hours of service requirement is waived. Participants may make elective deferrals into the Plan upon meeting the eligibility requirements and subject to an entry date, the first day of the month coinciding with or next following date requirements are met. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Plan Amendment

Effective June 1, 2023, the Plan was amended to include Roth elective deferrals.

Presentation

Certain amounts in the financial statements and associated notes may not add due to rounding.

Plan Administration

The Plan Sponsor is the administrator of the Plan and oversees governance of the Plan. As administrator, the Plan Sponsor has authority and responsibility for matters in connection with the operation and administration of the Plan (including the authority to select the Plan's investment options, which are available for employees to select for investment). On February 1, 2022, the Plan underwent a change in trustee, which resulted in a transfer of assets from Mid Atlantic Trust Company (MATC) to Reliance Trust Company (RTC). RTC acts at the direction of the Plan's administrator. On January 1, 2022, the Company underwent a change in recordkeeper from Paychex, Inc. (Paychex) to Automatic Data Processing, Inc (ADP). ADP is responsible for the day-to-day recordkeeping functions of the Plan.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time or to terminate the Plan subject to the provisions of ERISA. For this purpose, termination includes a complete discontinuance of contributions under the Plan or a partial termination. In the event of Plan termination, participants' accounts become fully vested and nonforfeitable. In the case of a partial termination, only those employees who are affected by the partial termination of the Plan will become fully vested and nonforfeitable.

Contributions

For the years ended December 31, 2023 and 2022, each eligible employee may contribute up to 75% of their pretax compensation, as defined in the Plan, to a maximum per year of \$22,500 in 2023 and \$20,500 in 2022. Participants who reach age fifty by December 31, 2023 and 2022 may contribute up to \$7,500 in 2023 and \$6,500 in 2022 of additional tax deferred compensation under catch-up provisions of the Plan. Participants may also contribute amounts representing distributions from other qualified benefit or contribution plans.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE A - DESCRIPTION OF PLAN (continued)

Plan participants are also eligible for a Company match. The Company matches participant pre-tax contributions at a rate of 100% up to 3%, plus 50% of the amount of participant salary deferral contributions between 3% and 5%. Employer contributions at December 31, 2023 and 2022 were \$1,497,004 and \$1,367,114, respectively.

The Plan provides for discretionary employer profit sharing contributions. There were no profit sharing contributions for the years ended December 31, 2023 and 2022.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution, if applicable, and (b) Plan earnings, and is charged an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined by the Plan. A participant is entitled to benefits based on their vested account balance. Participant contributions at December 31, 2023 and 2022 were \$2,910,797 and \$2,593,898, respectively.

Vesting

Participants are immediately fully vested in their contributions and the employer matching contribution plus actual earnings thereon. Vesting in the Company's profit sharing contributions plus actual earnings thereon is based on years of service. A participant is 100% vested after six years of credited service. Non-vested benefits are forfeited when a participant's employment terminates. Regardless of the vesting schedule, a participant shall become fully vested upon reaching retirement age, death, or disability.

Investment Options

The Plan offers a broad range of diversified investment options with different risk and return characteristics. The variety enables participants to select the options that best fit their investment style, from conservative to aggressive.

Notes Receivable from Participants

If authorized by the Plan's trustee, participants may borrow from their pretax vested account a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of the vested account balance. Under no event will the loan amount exceed \$50,000. Loans are secured by up to 50% of the participant's vested account and bear interest at the prime rate plus 1%. Loan terms generally range from 1 to 5 years. Principal and interest is paid ratably through monthly payroll deductions. Notes receivable for the years ended December 31, 2023 and 2022 were \$323,171 and \$245,167, respectively.

Payment of Benefits

Distributions from a participant's account are generally made upon termination of employment, retirement, disability, or death. Terminated employees, with account values up to \$5,000, will receive a lump sum payment equal to their account value. Participants or their beneficiaries with account values greater than \$5,000 may receive distributions in a lump sum, installment, or partial withdrawals. Benefits paid to beneficiaries upon death of participants are made in accordance with elections available under the Plan. Total benefit payments made to participants for the years ended December 31, 2023 and 2022 were \$2,445,572 and \$1,828,946, respectively. Distributions payable to Plan participants at December 31, 2023 and 2022 totaled \$5,265 and \$0, respectively.

NOTE A - DESCRIPTION OF PLAN (continued)

Forfeited Accounts

Forfeitures of non-vested employer contributions will first be used to reduce plan administrative expenses and any remaining forfeiture amounts will be used for future matching employer contributions. Forfeitures of non-vested accounts totaled \$830 and \$86 for the years ended December 31, 2023 and 2022, respectively.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Date of Management's Review

Subsequent events were evaluated through October 1, 2024, which is the date the financial statements were available to be issued. There were no material subsequent events which affected the amounts or disclosures in the financial statements.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Basis of Accounting

The accompanying financial statements of the Plan are prepared using the accrual method of accounting.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2023 and 2022, no allowance for credit losses has been recorded. Loans are considered to be in default if scheduled loan repayment is not made by the end of the calendar quarter following the calendar quarter in which the missed payment was due. The Plan has the authority to take all reasonable actions to collect the balance due on the loan, including filing a lawsuit or foreclosing on the security for the loan. Under certain circumstances, a loan that is in default may be considered a distribution from the Plan and could be considered taxable income to the participant. Deemed distributions to participants totaled \$320 and \$27,552 for the years ended December 31, 2023 and 2022, respectively.

Investment Valuation and Income Recognition

Investments are reported at fair value, with the exception of the collective trust, which is stated at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The trustee determines the Plan's valuation policies. See Note C for discussion of fair value measurements. See Note E for discussion of the collective trust.

Purchases and sales of securities are recorded on trade-date basis, interest income is recorded on accrual basis, and dividends are recorded on ex-dividend date. Net appreciation/depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Participant notes receivable are valued at face value which approximates fair value.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Payment of Benefits

Benefit payments to Plan participants are recorded upon distribution.

Administrative Expenses

The Company provides for certain administrative expenses for the Plan and pays for certain outside administrative services. The cost of Company provided services is not reflected in the financial statements.

NOTE C - FAIR VALUE MEASUREMENTS

The Plan follows the methods of fair value measurement under FASB ASC 820 to value its financial assets. Fair value is based on the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. In order to increase consistency and comparability in fair value measurements, a fair value hierarchy that prioritizes observable and unobservable inputs used to measure fair value into three broad levels has been established, which are described below:

- Level 1 Unadjusted quoted prices in active markets that are accessible at the measurement date for identical assets and have the highest priority.
- Level 2 Observable inputs other than quoted prices for identical assets (Level 1).
- Level 3 Unobservable inputs with the lowest priority.

The Plan uses appropriate techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs are not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs are not available. The Plan holds no Level 3 assets.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Mutual Funds (including Money Market Funds) - The fair value of mutual funds is based on quoted net asset values of the shares as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission (SEC). The funds must publish their daily net asset value (NAV) and transact at that price. The mutual funds held by the Plan are considered to be actively traded.

Collective Trust - Valued based on NAV of units held in the collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The net asset value is based on the fair value of the underlying investments held by the fund less its liabilities.

NOTE D - INVESTMENTS

Unaudited Information Certified by RTC

Certain information related to investments disclosed in the accompanying financial statements and supplemental schedule, including investments held at December 31, 2023 and 2022, and net (depreciation) appreciation in fair value of investments, interest and dividends for the years ended December 31, 2023 and 2022, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by RTC. The information certified includes total investments and notes receivable of \$24,167,775 and \$17,030,259 for the years ended December 31, 2023 and 2022, respectively.

The Plan's net assets (including gains and losses on investments bought and sold, as well as held during the year) increased in value by \$7,178,327 and decreased in value by \$346,240 for the years ended December 31, 2023 and 2022, respectively.

TYSON & MENDES, LLP 401(k) PROFIT SHARING PLAN & TRUST
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE E - COLLECTIVE TRUST

In 2022, the Plan began investing in a collective trust through the Invesco Stable Asset Fund (the Fund). The primary investment objective of the Fund is to seek the preservation of principal and to provide interest income reasonably obtained under prevailing market conditions and rates, consistent with seeking to maintain required liquidity.

The Fund invests primarily in synthetic guaranteed investment contracts (GICs). These contracts meet the fully benefit-responsive investment contract criteria and therefore are reported at contract value. Contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive stable value collective trust because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by the Fund, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan is required to provide the Fund an irrevocable written notice twelve months in advance for any withdrawal that is not a participant-initiated withdrawal, such as any withdrawal that results from an employer-initiated event. Examples of employer-initiated events include but are not limited to: termination of the plan or a request for total withdrawal of the Plan's assets from the Fund; elimination of the Fund from the Plan's investment line-up; and termination or consolidation of the plan resulting from the spin-off, sale or merger of the employer. The Fund has absolute discretion to determine that a withdrawal request is the result of an employer-initiated event. The Plan administrator does not believe that the occurrence of any such event is probable.

In addition to the limitations above, the Fund has certain rights to terminate the contract and settle at an amount that differs from contract value. For example, certain breaches by the Plan of its obligations, representations, or warranties under the terms of the investment contract can result in its termination at market value, which may differ from contract value.

NOTE F - RELATED PARTY TRANSACTIONS

ADP provides certain non-fiduciary administrative services and RTC provides directed trustee services on behalf of the Plan. Prior to the transfer of assets stated under Plan Administration in Note A, these services were provided by Paychex and MATC. In addition, the Company engages an independent third-party investment advisor to perform investment monitoring and reporting. Accordingly, transactions between these entities qualify as party-in-interest transactions. Fees paid by the Plan for these services were included in administration expense, and totaled \$103,358 and \$80,348 for the years ended December 31, 2023 and 2022, respectively.

All of these party-in-interest transactions are exempt from the prohibited transactions rules of ERISA.

TYSON & MENDES, LLP 401(k) PROFIT SHARING PLAN & TRUST
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE G - TAX STATUS

The Company has adopted a prototype plan and relies on the prototype plan's determination letter from the IRS dated October 6, 2020. The Company has not applied for a determination letter from the IRS specific for the Plan. The trustee and plan administrator believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code (IRC) and, accordingly, is exempt from Federal and State income tax. Therefore no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

NOTE H - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits. The current economic environment has increased the degree of uncertainty.

The Plan's exposure to a concentration of credit risk is dependent upon funds selected by participants. These risks and uncertainties could impact participants' account balances and the amounts reported in the financial statements. As a result of funds selected by participants, certain funds individually represent a concentration greater than 10% of the Plan's net assets available for benefits. As of December 31, 2023 and 2022, the following funds all represented greater than 10% of the Plan's net assets available for benefits:

	<u>2023</u>	<u>2022</u>
Fidelity Blue Chip Growth Fund	11%	-
State Street Target Retirement 2050 Fund	34%	35%
Vanguard 500 Index Fund - Admiral Class	-	11%
