Report of Independent Auditors

To the Plan Administrators of the
B&P Littleford, LLC 401k Plan
Saginaw, Michigan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of B&P Littleford, LLC 401k Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of B&P Littleford, LLC 401k Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of B&P Littleford, LLC 401k Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about B&P Littleford, LLC 401k Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of B&P Littleford, LLC 401k Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about B&P Littleford, LLC 401k Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at year end) as of December 31, 2023 and schedule of delinquent participant contributions for the year ended December 31, 2023 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

B&P Littleford, LLC 401k Plan

Notes to Financial Statements

December 31, 2023

1. Description of Plan

The following description of the B&P Littleford, LLC 401k Plan (Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a contributory, defined contribution plan with a 401k elective deferral arrangement, which covers substantially all employees of B&P Littleford, LLC (Company). The Plan was formed and became effective on April 21, 1995. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Eligibility

Employees that are age 18 and over are eligible to participate in the Plan immediately upon hire. Non-resident alien employees are excluded from the Plan. Eligible participants are automatically enrolled upon hire to contribute 3% of eligible compensation during the first year, increasing by 1% annually up to the maximum automatic rate of 6%.

Contributions

The Plan allows participants to defer up to a maximum of 50% of their compensation, not to exceed the maximum contribution allowable by the Internal Revenue Code (IRC) adjusted annually for cost-of-living changes. There is no minimum elective deferral limit for the Plan. Rollover contributions are allowed by the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make additional catch-up contributions. The Company contributes employer safe harbor matching contributions of 100% of deferrals of the first 1% of the participant's compensation, plus 50% of deferrals over 1%, not to exceed 6% of the participant's compensation remitted on a quarterly basis. Profit sharing is at the discretion of the Company and is based on a pro rata ratio of each eligible participant's compensation. No profit-sharing contributions were made in 2023 or 2022.

Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of the Company's contributions and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The participant has the responsibility to decide how his or her contribution will be invested. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes to Financial Statements

1. Description of Plan (continued)

Vesting

Participants are immediately vested in their voluntary contributions and rollover contributions plus actual earnings thereon. Participants are 100% vested in safe harbor matching contributions after attaining two or more years of service.

Payment of Benefits

Plan participants are eligible to receive distributions upon reaching retirement age of 65. Participants are eligible to make in-service withdrawals upon reaching age 59 ½. Hardship withdrawals are allowed to pay certain qualifying expenses as defined in the Plan document. In addition, upon separation of employment, because of death, disability, or for other reasons, participants receive their benefits as a lump-sum payment.

Forfeited Accounts

Forfeitures of employer contributions shall be used to reduce the employer's matching contributions or reduce administrative expenses under the Plan. Forfeitures that have not been used to reduce employer contributions or pay administrative expenses are allocated to participants as defined by the Plan document. As of December 31, 2023, forfeited nonvested accounts totaled \$2,988 (\$1,879 as of December 31, 2022). During 2023, employer contributions were reduced by \$2,934 from forfeited nonvested accounts (\$404 in 2022), with the remaining balance allocated to participants.

Administrative Expenses

Certain administrative expenses were paid for by the Company. Additionally, certain administrative expenses were paid by the Plan and are reflected in the accompanying financial statements.

Notes Receivable from Participants

Participants are permitted to borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of 50% of their vested account balance or \$50,000. Such loans are secured by the balance of the participant's account and shall be charged an annual prevailing rate of interest to be fixed by the Plan administrators. Such loans shall be fully repaid on or before five years from the date of disbursement.

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance. Interest income is recorded on the accrual basis. Delinquent participant loans are reclassified as distributions based upon terms in the Plan's loan policy.

Subsequent Events

Subsequent events have been evaluated through September 27, 2024, which is the date the financial statements were available to be issued.

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires the Plan administrators to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Fair Value Measurements

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan utilizes valuation techniques that maximize the use of observable inputs and minimize the use of unobservable inputs. Based on the observability of the inputs used in the valuation techniques, the Plan is required to provide information according to the fair value hierarchy.

The fair value hierarchy ranks the quality and reliability of the information used to determine fair values.

B&P Littleford, LLC 401k Plan

Notes to Financial Statements

December 31, 2023

2. Summary of Significant Accounting Policies (continued)

Fair Value Measurements (continued)

Financial assets and liabilities carried at fair value will be classified and disclosed in one of the following three categories:

Level 1 – Quoted prices (unadjusted) for identical assets or liabilities in active markets that the entity has the ability to access as of the measurement date.

Level 2 – Significant other observable inputs other than Level 1 prices, such as quoted prices for similar assets and liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data.

Level 3 – Significant unobservable inputs that reflect an entity's own assumptions about the assumptions that market participants would use in pricing an asset or liability.

In determining the appropriate levels, the Plan performs a detailed analysis of the assets and liabilities. At each reporting period, all assets and liabilities for which the fair value measurement is based on significant unobservable inputs are classified as Level 3.

For the years ended December 31, 2023 and 2022, the application of valuation techniques applied to similar assets and liabilities has been consistent.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair market value. Shares of mutual funds are valued at quoted market prices in an active market, which represents the value of shares held by the Plan at year end. The pooled separate accounts and common collective trusts, except the stable value fund, are valued at fair value based on the net asset value (NAV). The stable value fund (included in common collective trusts in the statements of net assets available for benefits) is stated at estimated fair value based on the NAV of the participation units in the fund as a practical expedient. There are no lock-up periods, redemption restrictions, or unfunded commitments associated with the investments, including the stable value fund. Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date.

The change in aggregate fair value and the cost of investments purchased, sold, and held is reflected in the statements of changes in net assets available for benefits as net appreciation (depreciation) in fair value of investments.

Payment of Benefits

Benefits are recorded when paid.

3. Financial Data Certified by the Trustee – Unaudited

The Plan's financial information and data was certified by Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company and Principal Life Insurance Company (collectively Principal) in accordance with Section 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the investment balances, interest, dividends, and net appreciation (depreciation) in fair value of investments included in the financial statements and supplemental schedule of assets (held at end of year) were obtained from data that has been prepared and certified as complete and accurate by the trustee. This certified information has not been audited by independent auditors.

4. Fair Value Measurements

The following table sets forth by level, within the fair value hierarchy, the Plan's assets measured at fair value on a recurring basis as of December 31:

	Level 1	Level 2	Level 3	Total
2023				
Mutual funds	\$ 1,792,954	\$ -	\$ -	\$ 1,792,954

5. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. At termination, participant accounts would become fully vested.

6. Income Tax Status

The Plan utilizes a volume submitter plan adopted through Principal. The volume submitter plan obtained its latest determination letter as of June 30, 2020, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (IRC). Although the Plan has been amended or restated since receiving the determination letter, the Plan administrators believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Accordingly, no provision for income tax is included in the accompanying financial statements.

Generally, tax years 2020 through current year remain open to examination. The Plan does not believe that the results from any examination of these open years would have a material adverse effect on the Plan.

7. Party-in-Interest Transactions

Certain investments are managed by Principal (the Plan's trustee and recordkeeper) or affiliates of Principal therefore qualifying as a party-in-interest. Fees of \$20,305 were paid to Principal during 2023 (\$26,056 during 2022). Wilshire Associates, Inc. is also a party-in-interest as they serve as investment advisors to the Plan. Notes receivable from participants are also considered party-in-interest transactions.

8. Risk and Uncertainties

The Plan invests in various investment securities. These investments are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in values of investment securities will occur in the near-term and long-term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
