Independent Auditor's Report

Plan Sponsor and Administrator
Imperial Bag & Paper Co., LLC Employee Benefit Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2023 Financial Statements

We have performed an audit of the financial statements of Imperial Bag & Paper Co., LLC Employee Benefit Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2023, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2023 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of Imperial Bag & Paper Co., LLC Employee Benefit Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2023 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the "Auditor's Responsibilities for the Audit of the 2023 Financial Statements" section:

- the amounts and disclosures in the accompanying 2023 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2023 financial statements referred above, related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2023 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the "Auditor's Responsibilities for the Audit of the 2023 Financial Statements" section of our report. We are required to be independent of Imperial Bag & Paper Co., LLC Employee Benefit Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Imperial Bag & Paper Co., LLC Employee Benefit Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2023 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of the 2023 Financial Statement of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

Imperial Bag & Paper Co., LLC Employee Benefit Plan

Notes to Financial Statements December 31, 2023

Note 1. 1. Plan Description

The following description of Imperial Bag & Paper Co., LLC Employee Benefit Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

General

The Plan was established on May 1, 1980 and amended and restated on April 1, 2022. The Plan is a defined contribution plan covering substantially all employees of Imperial Bag & Paper Co., LLC and its affiliated companies (collectively, “Imperial” or the “Company”). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (“ERISA”). There were amendments to the Plan subsequent to April 1, 2022 to allow for the merger of affiliated companies into the Plan.

Eligibility

Employees of the Company are eligible to participate in the Plan immediately upon their date of employment. Employees are eligible to receive the discretionary matching and nonelective contributions if they are employed on the last day of the plan year. The Plan excludes employees of the Company that are residents of Puerto Rico or are covered by a collective bargaining agreement unless the agreement requires the employees to be included under the Plan. There are no minimum age or service requirements to participate in the Plan.

Effective March 15, 2023, and December 15, 2023, the assets of Tepe Sanitary Supply, Inc. 401(k) PS Plan and Triple F Holdings, LLC, respectively, were merged into the Plan. Vesting in the contributions made prior to the merger for the merged plans will be based on the additional vesting schedules as defined in the Plan document.

Contributions

The Plan provides each participant with an opportunity to make pre-tax and/or Roth contributions to the Plan, up to 90% of a participant’s eligible compensation, subject to the limitations of the Internal Revenue Code. Non-union employees hired on or after July 1, 2014 are automatically enrolled in the Plan at a 6% pre-tax deferral percentage. Employees may elect not to participate in the Plan.

The Company can make a discretionary matching contribution calculated on a plan year basis. For the year ended December 31, 2023, the Company elected to match 50% of a participant’s contributions up to 6% of their eligible compensation. The Company can make a discretionary nonelective contribution calculated using an integrated allocation formula. The Company did not make any discretionary nonelective contributions for the year ended December 31, 2023.

Participant Accounts

Each participant’s account is credited with their contributions, employer contributions, allocation of plan expenses, and the earnings thereon. Contributions to the Plan are invested by the trustee as directed by the participants. Each participant may elect from one or more of the investment vehicles offered pursuant to the provisions of the Plan.

Imperial Bag & Paper Co., LLC Employee Benefit Plan

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Participants who were terminated prior to April 1, 2019 vest in the Company's discretionary matching and nonelective contributions plus actual earnings thereon based on the following schedule:

<u>Years of Service</u>	<u>Vesting Requirement</u>
Less than two years	0%
2 years	20%
3 years	40%
4 years	60%
5 years	80%
6 years	100%

Effective April 1, 2019, the Plan was amended and all participants who terminate on or after April 1, 2019 vest in the Company's discretionary and nonelective contributions plus actual earnings thereon based on the following schedule:

<u>Years of Service</u>	<u>Vesting Requirement</u>
Less than two years	0%
2 years	33%
3 years	67%
4 years	100%

Upon reaching normal retirement, disability, or death, a participant's account also becomes fully vested.

Forfeitures

The Plan provides for terminated employees who resume employment within five years to have any forfeited amounts reinstated ("reinstatement period"), if the employee repays the full amount of the distribution attributable to vested employer contributions prior to the end of the reinstatement period. Plan participants' forfeitures may be used to pay Plan expenses or reduce the Employer contributions for the year and, if applicable, any remaining amounts shall be applied toward succeeding plan years until fully utilized. Plan forfeitures of approximately \$120,000 were applied in conjunction with the payment of Employer contributions for the year ended December 31, 2023. Plan forfeitures of approximately \$75,000 were used to pay plan expenses. Forfeitures from employees for the year ended December 31, 2023 were approximately \$326,000. Plan forfeitures of approximately \$8,000 were transferred into the Plan. The available balance of forfeitures as of December 31, 2023 and 2022, were approximately \$314,000 and \$150,000, respectively.

Benefits

A participant's vested interest in the Plan's assets is distributable generally upon termination, disability, retirement or death. Participants may withdraw from their individual accounts pursuant to the specific guidelines as set forth in the plan document.

Notes Receivable from Participants

Participants are permitted to borrow a minimum of \$1,000 up to a maximum equal to the less of \$50,000 or 50% of their vested account balance. The maximum term of a loan is five years; or ten years, if the loan is for the purchase of a principal residence. The loans are secured by the balance in the participant's account and bear interest at the prime rate plus 1%. Notes receivable from participants are repaid through payroll deductions and monitored by the plan administrator. During the year ending December 31, 2023, notes receivable from participants of approximately \$88,000 were transferred from the plan mergers. Notes receivable from participants are measured at their unpaid principal balance, plus any accrued interest. As of December 31, 2023, the interest rates on the outstanding notes receivable from participants ranged from 4.25% to 9.50%.

Administrative Expenses

All transaction fees for loan requests are paid from participants' accounts. Substantially all other administrative expenses are paid by the Plan through an ERISA expense account (see Note 5), if available, otherwise they are paid by the Company.

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements have been prepared using the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Cost of securities sold is determined by the specific identification method. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Subsequent Events

Management evaluated subsequent events for the Plan through October 4, 2024, the date the financial statements were available to be issued.

3. Information Certified by the Plan's Trustee

The following is a summary of the investments and notes receivable from participants regarding the Plan as of December 31, 2023 and 2022, and for the year ended December 31, 2023, including in the Plan's financial statements and supplemental schedule, that was prepared by or derived from information provided by Fidelity Management Trust Company ("Fidelity"), the trustee of the Plan, and furnished to the plan administrator. The plan administrator has obtained certifications from the trustee that such information is complete and accurate.

Information related to investments and notes receivable from participants held by the trustee at December 31, is as follow:

	<u>\$ 316,771,070</u>	<u>\$ 248,494,736</u>

The following was also certified by the trustee for the year ended December 31, 2023:

Note 2. 4. Fair Value Measurements

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques need to maximize the use of observable inputs and minimize the use of unobservable inputs. Valuation techniques used to measure fair value are defined as follows:

- Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.
- Level 2 - Inputs to the valuation methodology include: (a) quoted prices for similar assets or liabilities in active markets; (b) quoted prices for identical or similar assets or liabilities in inactive markets; (c) inputs other than quoted prices that are observable for the asset or liability; and (d) inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies during 2023 and 2022.

- *Mutual funds*: valued at unadjusted quoted prices reported in an active market at the year end.
- *Common collective trust funds*: the fair value of the common collective trust is determined by the trustee of the common collective trust based on the underlying assets, which represents the net asset value. Participant-directed redemptions can be made on any business day and do not have a redemption notice period. There were no unfunded commitments.
- *Money market funds*: valued at cost plus accrued interest, which approximates fair value.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Investments at fair value as of December 31, 2023 are as follows:

	Level 1	Level 2	Level 3	Total
Money market funds	\$ 5,664,463	\$ -	\$ -	\$ 5,664,463
Mutual funds	290,078,865	-	-	290,078,865
Common collective trust funds (a)	-	-	-	15,247,054
Total investments at fair value	<u>\$ 295,743,328</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 310,990,382</u>

Imperial Bag & Paper Co., LLC Employee Benefit Plan

Investments at fair value as of December 31, 2022 are as follows:

	Level 1	Level 2	Level 3	Total
Money market funds	\$ 6,634,728	\$ -	\$ -	\$ 6,634,728
Mutual funds	220,183,897	-	-	220,183,897
Common collective trust fund (a)	-	-	-	17,122,444
Total investments at fair value	\$ 226,818,625	\$ -	\$ -	\$ 243,941,069

(a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) as a practical expedient to fair value have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

5. Related Party Transactions

Fidelity is a party in interest as defined by ERISA and transactions between the plan and Fidelity qualify as party in interest transactions. Fees paid by the Plan to Fidelity for trustee, recordkeeping and administrative services amounted to approximately \$139,000 for the year ended December 31, 2023. Fees paid to the investment advisor and auditor also qualify as party-in-interest transactions. Total fees paid to the investment advisor and auditor were approximately \$258,000 for the year ended December 31, 2023.

Fidelity or its affiliates receive revenue from certain investments in the Plan. Effective September 1, 2017, Fidelity and the Company have agreed that if this revenue exceeds an agreed upon revenue rate, Fidelity shall make an amount equal to such excess available to the Plan to either pay ERISA qualified plan administrative expenses or to be allocated to the account of the participants. For the year ended December 31, 2023, an excess of approximately \$29,000 was made available to the Plan and approximately \$15,000 was paid for recordkeeping and maintenance fees. The remaining balance available to pay future expenses was approximately \$15,000 and \$1,000 as of December 31, 2023 and 2022, respectively.

6. Tax Status

On June 30, 2020, the Internal Revenue Service stated that the pre-approved prototype plan adopted by the Plan, as then designed, qualifies under Section 401(a) of the Internal Revenue Code ("IRC"). The Plan has not received a determination letter specific to the Plan itself; however, the plan administrator believes that the Plan was designed and is being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan's management has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023 and 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan's management believes it is no longer subject to income tax examinations for years prior to 2020.

7. Risk and Uncertainties

The Plan's investments are concentrated in mutual funds, money market funds and a common collective trust fund that invest in marketable securities. Such securities are subject to various risks such as interest rate, market and credit risks, which determine the value of the funds. Due to the level of risk associated with certain securities and the level of uncertainty related to changes in the value of these securities, it is at least reasonably possible that changes in market conditions in the near term could materially affect participants' account balances and the value of investments reported in the financial statements.

Imperial Bag & Paper Co., LLC Employee Benefit Plan

8. Plan Termination

Although it has not expressed any intent to do so, the Company has the right, under the Plan, to discontinue and to terminate the Plan subject to the provisions of ERISA. In the event the Plan is terminated, participants will become fully vested in their accounts.

9. Reconciliation to the Form 5500
