INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
Eutectic Corp. 401(k) Profit Sharing Plan
Jackson, Wisconsin

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Eutectic Corp. 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Eutectic Corp. 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the year ended December 31, 202, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the Financial Statements

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the Financial Statements

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Eutectic Corp. 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Eutectic Corp. 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Eutectic Corp. 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Eutectic Corp. 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental information included in *Schedule H - Line 4(i)* is presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

EUTECTIC CORP. 401(k) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of the Eutectic Corp. 401(k) Profit Sharing Plan provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all employees of Eutectic Corporation (the "Company") and is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

Eligibility

Eligible employees include all regular full-time employees of the Company that have reached the age of 20 ½. Employees are eligible to participate in the Plan on the first of the month subsequent to completing 90 days of service. Upon enrollment in the Plan, a participant may direct Company and employee contributions to any combination of available investment options.

Plan Administration

The Plan is administered by the Company. Great-West Trust Company is the Trustee of the Plan, and safekeeps all of the Plan assets. CBIZ Investment Solutions provides brokerage and advisory services. Empower Annuity Insurance Company provides recordkeeping services. Lastly, CBIZ Benefits and Insurance Services provide contract administration related to the Plan.

Contributions

Upon completing the Plan's eligibility requirements, participants may make pre-tax and Roth elective deferrals. Each year, participants may contribute up to the maximum allowed by the Internal Revenue Code.

The Company is authorized under the Plan to make discretionary contributions to the Plan. The Company's contribution is determined as a percentage of salary deferrals, a uniform percentage of compensation, or a uniform dollar amount. For the years ended December 31, 2023 and 2022, the Company matched 50% of the participant's contribution, up to 10% of eligible compensation, which amounted to \$168,732 and \$168,732, respectively.

Additional Company contributions may be contributed at the discretion of the Company's Board of Directors. No additional discretionary contributions were made for the years ended December 31, 2023 or 2022.

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

Participant Accounts

A separate account is maintained for each participant in the Plan, reflecting elective deferrals, employer contributions, forfeitures, loans, withdrawals, fees, and earnings. Allocations are based on participant eligible earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the Company contribution portion of their accounts plus earnings thereon is based on years of continuous service under the following schedule:

Years of Service	Vesting %
1	0%
2	50%
3	100%

Under normal retirement, death or disability, a participant's account becomes fully vested. If employment is terminated before the account becomes fully vested, the non-vested portion will be forfeited.

Forfeited Accounts

Forfeitures arise as a result of participants who terminate service before coming 100% vested in the Company's contributions. Forfeitures are used first to pay Plan expenses, then allocated to participants accounts.

During the years ended December 31, 2023 and 2022, \$2,195 and \$2,195, respectively, was used to offset Plan expenses and \$0 was used to offset Company contributions during both 2023 and 2022.

As of December 31, 2023 and 2022, unallocated forfeitures were \$4,274 and \$4,274, respectively.

Investment Options

Participants may invest their account balances in multiples of 1 percent to any of the defined investment options offered by the Plan and maintained by the Trustee. Participants may change their investment options at any time.

Payment of Benefits

Upon death, disability, retirement or other termination of service, a participant may receive an amount equal to the value of their vested account balance. The Plan provides for normal retirement at age 65 and early retirement on or after attaining age 59 ½. According to the Plan, the following forms of distributions are available, depending on the vested account balance: lump sum payment, an annuity, and rollover to an IRA or another qualified plan. Also, participants are allowed to withdraw a portion of their account balance prior to termination of their employment under certain hardship conditions specified in the Plan.

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

Notes Receivable from Participants

Participants may borrow up to the lesser of \$50,000 or 50% of their vested account balance in the Plan. Loans are made at the prime rate plus 1% and are repaid through payroll deductions. The remaining account balance serves as security for the loan and any defaulted balances are included in the participant's gross income for federal income tax purposes as if a regular distribution was made.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event the Plan is terminated, participant would become 100% vested in their Company contributions.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements of the Plan have been prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Administrative Expenses

All administrative expenses are typically paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in the administrative expenses. Investment-related expenses are allocated proportionately to Plan participants based upon their respective account balances and are included in net investment income. The Plan received indirect payments from certain investment funds for recordkeeping services which is included as an offset of administrative expenses.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisers, trustees, and insurance company. See Note 6 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

NOTES TO FINANCIAL STATEMENTS

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Payment of Benefits

Benefits are recorded when paid.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses are expensed as they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 and 2022. Delinquent participant notes receivables are recorded as benefit payments on the basis of the terms of the plan document.

Excess Contributions Payable

Contributions received from the participants for the years ended December 31, 2023 and 2022 are net of payments of \$5,718 and \$17,471, respectively, made subsequent to year end to certain active participants to return to them excess deferral contributions as required to satisfy the relevant nondiscrimination provision of the Plan. Included in the Plan's Statements of Net Assets Available for Benefits are excess contributions payable of \$-0- and \$17,471 as of December 31, 2023 and 2022, respectively.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the financial statements.

Subsequent Events

The Plan Administrator has evaluated events and transactions for potential recognition or disclosure in the financial statements through September 18, 2024, the date on which the financial statements were available to be issued.

NOTE 3 - INCOME TAX STATUS

The Internal Revenue Service (IRS) has determined and informed the Plan sponsor by dated June 30, 2020, that the Plan is designed in accordance with the applicable sections of the IRS to maintain tax-exempt status. Although the Plan has been amended since receiving the determination letter, Eutectic Corp. 401(K) Profit Sharing Plan and the Plan's management believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

NOTE 4 - INFORMATION CERTIFIED BY THE PLAN'S TRUSTEE

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. , Certain information in the accompanying financial statements and supplemental schedule, including investments held at December 31, 2023 and 2022, and net appreciation in fair value of investments, and interest and dividends for the year ended December 31, 2023, were obtained or derived from information supplied to the plan administrator and certified as complete and accurate Great-West Life & Annuity Insurance Company and Great-West Trust Company, LLC, (collectively "Great-West"), the Trustee of the Plan.

NOTE 5 - RELATED PARTY and PARTY-IN-INTEREST TRANSACTIONS

Investments include an unallocated investment contract managed by Great-West, who is a related party to the trustee and recordkeeper on the Plan. Trust Company. Also, fees related to Plan operations and investment activity are paid to various service providers. These transactions and notes receivable from participants qualify as party-in-interest transactions. These transactions are not considered prohibited transactions under ERISA regulations.

NOTE 6 - FAIR VALUE MEASUREMENTS

FASB ASC 820, *Fair Value Measurements*, establishes a framework for measuring fair value, in conformity with accounting principles generally accepted in the United States of America. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

- | | |
|----------------|---|
| <u>Level 1</u> | Quoted prices (unadjusted) for identical assets or liabilities in active markets that the entity has the ability to access as of the measurement date. |
| <u>Level 2</u> | Significant other observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable inputs. |
| <u>Level 3</u> | Significant unobservable inputs that reflect a company's own assumptions about the assumptions that market participants would use in pricing and asset or liability. |

There have been no changes in methodologies used at December 31, 2023 and 2022. There are no plan assets requiring the use of Level 3 inputs for the periods presented.

The following is a description of the valuation methodologies used for assets measured at fair value as of December 31, 2023 and 2022.

- Mutual Funds: Valued at daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

NOTE 6 - FAIR VALUE MEASUREMENTS (CONTINUED)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022.

Fair Value Measurements at December 31, 2023				
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	<u>\$</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$</u>
Total investments, at fair value				<u>\$</u>

Fair Value Measurements at December 31, 2022				
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	<u>\$ 5,752,214</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 5,752,214</u>
Total investments, at fair value				<u>\$ 5,752,214</u>

NOTE 6 – FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACTS

The Plan holds a traditional investment contract with an insurance company that meets the fully benefit-responsive investment contract criteria and therefore is report at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if there were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses.

The traditional investment contract held by the Plan is a guaranteed investment contract (“GIC”). The contract issuer s contractually obligated to repay the principal and interest at a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer but may not be less than zero percent. The crediting rate is reviewed on a quarterly basis for resetting. The contract cannot be terminated before the schedule maturity date. The Plan’s ability to receive amounts due in accordance with fully benefit-responsive investment contracts is dependent on the third-party issuer’s ability to meet its financial obligations. The issuer’s ability to mee its contractual obligations may be affected by the future economic and regulatory developments.

Certain events limit the Plan’s ability to transact at contract value with Great-West including plan termination and other events as specified in the GIC. The plan administrator does not believe that any events which would limit the Plan’s ability to transact at contract value with participants or the issuer are probable of occurring.
