INDEPENDENT AUDITORS' REPORT

To the Plan Administrator
Sunrise Management Group 401(K) Safe Harbor Plan
Ridgeland, Mississippi

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Sunrise Management Group 401(K) Safe Harbor Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Sunrise Management Group 401(K) Safe Harbor Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the years then ended, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Sunrise Management Group 401(K) Safe Harbor Plan, and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Sunrise Management Group 401(K) Safe Harbor Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Sunrise Management Group 401(K) Safe Harbor Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about of Sunrise Management Group 401(K) Safe Harbor Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

SUNRISE MANAGEMENT GROUP 401(K)
SAFE HARBOR PLAN
Notes to Financial Statements

Note 1: Description of Plan

The following description of the Sunrise Management Group 401(k) Safe Harbor Plan ("Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

a. General

The Plan is a defined contribution plan covering all employees of Sunrise Management Group, Inc. ("Company") who have completed ninety days of service and who are age 18 or older. Effective July 1, 2021, the Plan was amended to lower the age requirement from 21 to 18. The Plan is subject to the Employee Retirement Income Security Act of 1974 (ERISA).

b. Contributions

Each year, participants may contribute up to 100% of pretax annual compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Company shall make 401(k) Safe Harbor Matching Employer Contributions on behalf of its eligible participants. This Safe Harbor Matching Contribution will be 100% vested when made and will be based on 100% of the first 3% of the eligible Participant's compensation contributed to the Plan and 50% of the next 2% of the eligible Participant's compensation contributed to the Plan. The Company may make Nonelective contributions using a discretionary formula. Contributions are subject to certain Internal Revenue code limitations.

c. Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Firm's matching contribution and, (b) Plan earnings (losses), and charged with an allocation of administrative expenses paid by the Plan. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

d. Vesting

Participants are immediately vested in their voluntary contributions, plus actual earnings thereon. Vesting in the Company's discretionary and matching contribution portion of their accounts, plus actual earnings thereon, is based on a 6 year graduated schedule. Upon death, total disability, or retirement (age 65), a participant is also 100% vested.

e. Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their account balance. The loans are secured by the balance in the participant's account and bear interest at the prime rate plus 2%.

f. Payment of Benefits

On termination of service, a participant will receive a lump-sum amount equal to the value of his or her account, according to the provisions of the Plan.

g. Forfeited Accounts

At December 31, 2023 and 2022, forfeited nonvested accounts totaled $0. These accounts are used to pay expenses of the Plan.

Note 2: Summary of Significant Accounting Policies

a. Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

b. Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP") requires the plan administrator to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

c. Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly fashion between market participants at the measurement date. See Note 8 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

d. Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred.

e. Payment of Benefits

Benefits are recorded when paid.

f. Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Firm and are therefore excluded from these financial statements. Investment-related expenses are included in administrative expenses.

Note 3: Tax Status

The Plan adopted a non-standardized form of a prototype plan sponsored by American Funds. The prototype plan has received an opinion letter from the Internal Revenue Service dated March 31, 2014, as to the prototype plan's qualified status. The prototype plan opinion letter has been relied upon by this Plan. The Plan administrator believes the Plan is designed and is being operated in compliance with the applicable provisions of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities: however, there are currently no audits for any tax periods in progress.

Note 4: Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

Note 5: Risks and Uncertainties

Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Note 6: Information Certified by the Plan Trustee

The December 31, 2023 and 2022 Statements of Net Assets Available for Benefits, the investment activities included on the Statements of Changes in Net Assets Available for Benefits for the years ended December 31, 2023 and 2022, and the accompanying notes to the financial statements were prepared in part or entirely from information certified by the Trustee in accordance with 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. The information certified includes total investments and notes receivable from participants of $3,101,463 and $2,316,341 at December 31, 2023 and 2022, respectively, and related net (depreciation) appreciation of $408,284 and $(603,307) and dividends of $76,473 and $129,741, for the years ended December 31, 2023 and 2022, respectively.

Note 7: Related Party and Party in Interest Transactions

Certain Plan investments are shares of mutual funds managed by Capital Bank and Trust Company. As Capital Bank and Trust Company is the trustee as defined by the Plan, these transactions qualify as party-in-interest transactions. The Plan's party-in-interest transactions include administrative fees paid to Capital Bank and Trust Company.

Note 8: Fair Value Measurements

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. Fair value refers to the price that would be received to sell an asset or paid to transfer a liability in an orderly fashion between market participants in the market in which the reporting entity transacts. The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. Investments with readily available active quoted prices or for which fair value can be measured from actively quoted prices will have a higher degree of market price observability and a lesser degree of judgment used in measuring fair value. Investments carried at fair value will be classified and disclosed in one of the following three categories:

Level 1 - Quoted market prices in active markets for identical assets and liabilities.

Level 2 - Observable market-based inputs or unobservable inputs that are corroborated by market data.

Level 3 - Unobservable inputs that are not corroborated by market.

The following table sets forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2023 and 2022:

	Assets at Fair Value			
	Level 1	**Level 2**	**Level 3**	**Total**
December 31, 2023				
Mutual funds	$ 2,959,345	-	-	$ 2,959,345
December 31, 2022				
Mutual funds	$ 2,193,108	-	-	$ 2,193,108

Note 8: Fair Value Measurements (continued):

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Mutual funds – valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asst value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Gains and losses (realized and unrealized) included in changes in net assets available for benefits for the years ended December 31, 2023 and 2022, are reported in net appreciation (depreciation) in fair value of investments.

For the years ended December 31, 2023 and 2022, there were no transfers between Levels 1 and 2 and no transfers in or out of Level 3.

Note 9: SECURE Act 2.0

On December 23, 2022, Congress passed the Consolidated Appropriations Act of 2023 which included SECURE Act 2.0. SECURE Act 2.0 contains over 90 new retirement provisions, with varying effective dates through 2027. Since SECURE Act 2.0 provisions include both required and optional elements, the plan administrator will determine the optional provisions to elect and amend the Plan documents accordingly. Certain provisions will become effective in 2024 and thereafter. Accordingly, there is no material impact to the Plan's 2023 financial statements.

Note 10: Subsequent Events

Events that occur after the Statement of Net Assets Available for Benefits date but before the financial statements are available to be issued must be evaluated for recognition or disclosure. The effects of subsequent events that provide evidence about conditions that existed at the Statement of Net Assets Available for Benefits date are recognized in the accompanying financial statements. Subsequent events which provide evidence about conditions that existed after the Statement of Net Assets Available for Benefits date require disclosure in the accompanying notes. Subsequent events have been evaluated through September 19, 2024, which is the date the financial statements were available to be issued and concluded that no subsequent events have occurred that would require recognition in the financial statements.
