## **Independent Auditors' Report**

To the Plan Administrator of Teva PR LLC Savings Plan:

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2023 Financial Statements**

We have performed an audit of the financial statements of **Teva PR LLC Savings Plan**, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements (2023 Financial Statements).

The financial statements of **Teva PR LLC Savings Plan** as of December 31, 2022, and for the year then ended were audited by other auditors who have ceased operations. Those auditors expressed an unqualified opinion on those financial statements in their report dated October 5, 2023.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2023 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution). Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information is complete and accurate.

### **Opinion**

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2023 Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2023 Financial Statements section of our report. We are required to be independent of **Teva PR LLC Savings Plan** and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about **Teva PR LLC Savings Plan's** ability to continue as a going concern for within one year after the date the financial statements were available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditors' Responsibilities for the Audit of the 2023 Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements taken as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

**YANIRA ROSARIO CPA LLC**

Certified Public Accountants  
and Business Advisors

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the **Teva PR LLC Savings Plan's** internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about **Teva PR LLC Savings Plan's** ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements taken as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

# **Teva PR LLC Savings Plan**

## **Notes to Financial Statements December 31, 2023**

### **1. Plan Description:**

The following description of the Teva PR LLC Savings Plan (formerly, Warner Chilcott Puerto Rico Savings Plan) (the Plan) is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

#### **General**

The Plan is a Puerto Rico only qualified defined contribution plan covering substantially all employees of Teva PR LLC (formerly, Warner Chilcott Company, LLC) and Forest Laboratories, Inc. (the Companies and Plan Sponsors). The Companies are indirectly wholly owned by Teva Pharmaceutical Industries Ltd., which acquired their direct parent companies during August 2016.

The Plan became effective January 1, 2004. The Plan was established for the purpose of providing retirement benefits to employees and to encourage and assist those employees in adopting a regular savings program by means of payroll deductions through a plan that qualifies under Sections 1081.01(a) and (d) of the Puerto Rico Internal Revenue Code of 2011, as amended. The Plan is subject to the provisions of the Employees' Retirement Income Security Act of 1974 (ERISA), as amended.

The Plan was amended and restated to conform to the requirements of the Puerto Rico Internal Revenue Code of 2011 (PR Code), as amended.

Effective on January 1, 2020, the Savings Plan Committee authorized an entire restatement of the Plan adopting the BPAS Master Trust Defined Contribution Cash or Deferred Arrangement Profit Sharing Plan. The Plan name was changed to Teva Puerto Rico LLC Savings Plan (formerly, Warner Chilcott Puerto Rico Savings Plan) and the plan sponsor to Teva PR LLC (formerly, Warner Chilcott Company, LLC). On such a date, the Savings Plan Committee appointed BPAS Trust Company of Puerto Rico as successor trustee to replace UBS Trust Company of Puerto Rico, and as recordkeeper of the Plan.

Due to the disaster declarations issued by the Governor of Puerto Rico and the President of the United States of America in 2020 resulting from the earthquakes that struck Puerto Rico in January 2020 and the novel coronavirus pandemic which commenced in late 2019 (COVID-19 Pandemic), the Plan Administrative Committee authorized declared disaster distributions from the Plan, known as "Special Disaster Distributions", whether as an in-service withdrawal or total distribution in cash, effective from April 6, 2020 through December 31, 2020, to affected participants, beneficiaries, or alternatives payees, as applicable, in conformity with guidance issued by the Puerto Rico Treasury Department Internal Revenue Circular Letters No. 20-09, No. 20-23, No. 20-24, and No. 20-29, and subject to the rules and procedures established by the Plan's Administrator.

As a result of the disaster declarations issued by the Governor of Puerto Rico and the President of the United States of America because of Hurricane Fiona, on October 24, 2022, the Plan Administrator authorized Special Disaster Distributions from the Plan to affected participants, beneficiaries, or alternatives payees, as applicable, in conformity with guidance issued by the Puerto Rico Treasury Department Internal Revenue Circular Letter No. 22-13, and subject to the rules and procedures established by the Plan's Administrator.

## **Eligibility**

An employee becomes a member of the Plan on the first pay period of the month immediately following the date of employment.

## **Contributions**

The participants of the Plan may authorize the Companies to make contributions to the Plan from pre-tax and after-tax payroll deductions of their monthly compensation before amounts paid for insurance or other welfare benefits, if any. The Companies match 100% of participants' contributions up to 8% of eligible compensation. At no time may participant pre-tax contributions exceed the \$15,000 limit imposed as per Section 1081.01(d) of the PR Code. Participants may also contribute amounts representing rollovers from other qualified defined benefit or contribution plans. Additionally, the Companies may make supplemental discretionary contributions to the Plan in such amount as it is determined by the Board of Directors. No supplemental discretionary contributions were made during plan year 2023.

## **Participants' Accounts**

Individual accounts are maintained for each Plan's participant. Each participant's account is credited with the participant's applicable pre-tax, after-tax, and/or rollover contributions and allocations of (a) the Companies' matching and supplemental contributions, and (b) plan earnings. Allocations are based on participant's share of the Plan's income (losses) and any related expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. The change in the value of the Plan's invested assets is posted to the participant's account daily.

## **Investment Alternatives**

Upon enrollment in the Plan, a participant may direct its contributions, along with the Companies' matching contribution, in (a) entirely in any one of the available funds; or (b) divided between any two or more of such investment funds in increments of 1%.

## **Vesting**

Participant's contributions and the Companies' matching, and supplemental contributions are vested at all times and shall not be subject to forfeitures for any reason.

## **Payment of Benefits and Withdrawals**

Payment shall be made as soon as practicable after the date of termination of employment as and not later than sixty days after the end of the plan year in which:

- the participants attain age 65, or if later;
- employment terminates.

Distribution of participant accounts may be made in: (a) one lump-sum cash payment, or (b) cash installments over a predetermined period. In the case of a participant termination because of death or disability, the entire account balance amount is paid to the person or persons legally entitled thereto regardless of the years of service.

If, at the time of distribution, the value of a participant's vested benefit is \$5,000 or less, the Plan administrator will immediately distribute such benefit without the participant's consent. However, a participant's vested benefit may not be paid without written consent if the value exceeds \$5,000.

A participant shall be entitled to withdraw at any time up to the full value of his account, except for pre-tax contributions, and supplemental Companies' contributions and earnings thereon.

## **Notes Receivable from Participants**

Notes receivable from participants should not exceed 50% of the participant's vested account balance. In no event will the amount of any loan granted to a participant exceed \$50,000 or be less than \$1,000.

Loans to participants under the Plan may be repaid within five years of the date on which the loan is made, except loans used to acquire a principal residence of the participant which may be repaid within twenty-five years. The notes receivable from participants are secured by the balance in the participant's account and will bear an interest rate as determined by the Plan administrator. Principal and interest are repaid to the Plan ratably through payroll deductions or manual loan repayments.

## **Plan Termination**

Although it has not expressed any intent to do so, the Companies have the right under the Plan provisions to discontinue their contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants shall be fully vested and nonforfeitable in their accrued benefits as of the date of termination or discontinuance.

## **2. Summary of Significant Accounting Policies:**

### **Basis of Accounting**

The accompanying financial statements of the Plan have been prepared under the accrual basis of accounting.

### **Use of Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect the reported amounts of assets and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and those changes could materially affect the amounts reported in the statement of net assets available for benefits.

### **Investments and Notes Receivable from Participants Valuation**

The Plan's investments are stated at fair market value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Quoted market prices are used to value investments, which represent the net asset value of units held by the Plan at year-end. Notes receivable from participants are valued at their outstanding principal amount, plus accrued but unpaid interest. Refer to Note 3 for fair value measurements.

Purchases and sales of investment units are reflected on a trade date basis. Income is recorded as earned on an accrual basis.

In accordance with the policy of stating investments at fair market value, net unrealized appreciation (depreciation) on investments for the year is reflected in the statement of changes in net assets available for benefits. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Management fees and certain operating expenses charged to the Plan for investments are deducted from income earned daily and are not separately reflected. Consequently, these management fees and operating expenses are reflected as a reduction of investment return for such investments.

## **Notes Receivable from Participants**

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on an accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2023 and 2022, no allowance for credit losses has been recorded.

If a participant does not make repayments and the Plan administrator considers the participant to be in default, the balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document. Notes receivable from participants are considered in default if any scheduled payment remains unpaid beyond the last day of the calendar quarter following the calendar quarter in which the participant missed the scheduled payment.

Outstanding notes receivable from participants on December 31, 2023 have final maturities ranging from January 2024 to November 2028, for general purpose loans, and from June 2040 to January 2045 for principal residence acquisition loans, and carry an interest rate ranging from 3.25% to 8.50%.

## **Contributions**

Participant contributions and employer matching contributions are recorded in the period in which the Companies makes the payroll deductions from the participant's compensation. Discretionary contributions are posted to Participant accounts annually.

## **Payment of Benefits**

Benefits payments to participants are recorded upon distributions.

## **Administrative Expenses**

Certain expenses for the administration of the Plan are paid by the Companies and amount to approximately \$74,400 during plan year 2023.

## **Subsequent Events**

The Plan administrator has evaluated subsequent events occurring between December 31, 2023, and September 27, 2024, the date the accompanying financial statements were available to be issued.

## **3. Fair Value Measurements:**

Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability (an exit price) in an orderly transaction between market participants at the measurement date. Valuation techniques used by the Plan are based upon observable and unobservable inputs.

Observable or market inputs reflect market data obtained from independent sources, while unobservable inputs reflect the Plan's assumptions about market participant assumptions based on the best information available.

Assets and liabilities are classified in the fair value hierarchy based on the lowest level of input that is significant to the fair value measurement:

- Level 1 – Quoted prices (unadjusted) in active markets for identical assets or liabilities.
- Level 2 – Quoted prices in active markets for similar assets or liabilities, quoted prices for identical or similar assets or liabilities in markets that are not active, and model-based valuation techniques for which all significant assumptions are observable in the market or can be corroborated by observable market data for substantially the full term of the asset or liabilities.
- Level 3 – Unobservable inputs for the asset or liability.

The fair value hierarchy gives the highest priority to observable inputs and lowest priority to unobservable inputs.

The following is a description of the valuation methodologies used for assets and liabilities:

Registered Investment Companies

- Collective investment/common collective trusts: Valued at the net asset value, established by the fund's sponsor on the last business day of the plan year, based on the fair value of the assets underlying the funds. There are no redemption restrictions or future commitments on these investments. Because the Plan owns and transacts at units of these collective trust funds, not the mutual fund underlying assets, the unit of account is at the fund level, not at the underlying investments level therefore are valued at net asset value per share, as a practical expedient, consequently no longer included within the fair value hierarchy.
- Mutual funds: Valued at quoted market prices, which represent the net asset value of shares held by the Plan at year-end.

The following are the major categories of assets measured at fair value on a recurring basis:

| 2023                        |                     |                                                                              |                                                          |                                                   |

#### **4. Tax Status:**

The Plan has obtained its latest favorable determination letter on November 16, 2020, wherein the Puerto Rico Department of Treasury stated that the Plan, as designed, continues to meet the qualifications requirements under Sections 1081.01(a) and (d) of the PR Code, and that the trust established thereunder continues to be exempt from Puerto Rico income tax. Under Section 1022(i)(1) of ERISA, the trust funding the Plan is intended to be exempt from federal income tax under Section 501(a) of the United States Internal Revenue Code of 1986, as amended. The Plan has not been amended since receiving the November 16, 2020 determination letter. Based on the best of knowledge and belief, the Plan Administrator understands that the Plan, as currently being designed and operated, meets the applicable requirements of the PR Code, ERISA, and the regulations issued thereunder.

Generally accepted accounting principles in the United States of America requires the Plan to evaluate uncertain tax positions. The financial statement effects of a tax position are recognized when the position is more likely than not, based on the technical merits, to be sustained upon examination by the tax authorities. The Plan has concluded that as of December 31, 2023 and 2022, there were no uncertain tax positions taken or expected to be taken. The Plan is subject to routine audits by taxing jurisdictions and regulators; however, there are currently no audits for any tax periods in progress.
