REPORT OF INDEPENDENT AUDITORS

To the Participants and Trustees of
Operating Engineers Local #49
Defined Contribution Plan

Opinion

We have audited the financial statements of Operating Engineers Local #49 Defined Contribution Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of Operating Engineers Local #49 Defined Contribution Plan as of December 31, 2023 and 2022, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Responsibilities of Management for the Financial Statements (continued)

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit;
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements;
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed;
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements; and
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

**OPERATING ENGINEERS LOCAL #49
DEFINED CONTRIBUTION PLAN**

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

NOTE 1. DESCRIPTION OF THE PLAN

Operating Engineers Local #49 Defined Contribution Plan (the Plan) was established effective May 1, 2020, as a result of negotiations between Associated General Contractors of Minnesota, Building Contractors Division, Minnesota Concrete & Masonry Contractors Association, and International Union of Operating Engineers Local #49 AFL-CIO (the Union). The Plan is a multiemployer defined contribution retirement plan subject to provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The Plan is administered by a joint board of trustees consisting of employer and union representatives. Benefits under the Plan are not insured by the Pension Benefit Guaranty Corporation.

The purpose of the Plan is to provide retirement benefits for eligible participants and beneficiaries. Participation in the Plan commences on the first day of the month following allocation by the Plan of 400 hours of service with a contributing employer. Voluntary contributions from participants are not allowed under the Plan. The Board of Trustees directs the investment of contributions made on behalf of participants.

Once a participant has 400 hours of service with a contributing employer within a 24-month period, a separate individual account is set up. Once a separate individual account is set up, the account is vested and is nonforfeitable at all times. If 400 hours are not completed in the 24-month period, the employer contributions are forfeited and the participant must start over and complete 400 hours during a new 24-month period. Forfeitures are available to pay administrative expenses incurred by the Plan. Forfeitures amounted to \$52,665 and \$25,619 for the years ended December 31, 2023 and 2022, respectively.

Participants' accounts are credited with employer contributions made on their behalf, as well as any investment returns or rollover contributions. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

An administrative fee of \$2 is deducted from each participant's account on a monthly basis. Prior to January 1, 2023, the administrative fee was \$3. In addition, each participant's account is charged for recordkeeping and custodial fees which are ratably allocated to all participants. Net assets available for benefits include \$626,477 and \$444,410 of an unallocated reserve at December 31, 2023 and 2022, respectively, which is available to pay administrative expenses incurred by the Plan.

NOTE 1. DESCRIPTION OF THE PLAN (CONTINUED)

A completed application for benefits must be submitted before benefits are approved for payment. A participant is eligible to receive a benefit distribution subject to the payment provisions of the Plan after the earliest of the following dates:

- The participant retires from employment with a contributing employer at or after attaining normal retirement age;
- The participant becomes totally and permanently disabled;
- The participant severs employment with an employer for a period of at least 12 consecutive months, provided that at the time of the receipt of a distribution, the participant has not then, and for the previous 12 consecutive months, been employed by or own an interest in, a corporation, partnership or other entity which is in the jurisdiction of the Union and is engaged in any craft within the jurisdiction of any Union collective bargaining agreement;
- The participant attains age 72 (effective January 1, 2024, the applicable required minimum distribution age); or
- The participant dies, including a death incurred while performing military service under Internal Revenue Code Section 414(u).

Participants should refer to the summary plan description for more complete information.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Method of Accounting - The accompanying financial statements have been prepared using the accrual basis of accounting.

New Accounting Pronouncement - In June 2016, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update No. 2016-13, *Financial Instruments - Credit Losses* (Topic 326), which is effective for the year ended December 31, 2023. This new standard provides financial statement users with more decision-useful information about the expected credit losses on financial instruments and other commitments to extend credit held by a reporting entity at each reporting date. The standard replaced the incurred loss impairment model with a methodology that reflects expected credit losses and requires consideration of a broader range of reasonable and supportable information to inform credit loss estimates. The standard had no material impact on the Plan's financial statements.

Investments - Investments are reported at fair value. The fair value of a financial instrument is the amount that would be received to sell that asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (the exit price). Net appreciation or depreciation includes the Plan's gains or losses on investments bought and sold, as well as held during the year.

Purchases and sales of investments are reflected on a trade-date basis.

Interest income is recorded on the accrual basis. Dividend income is recorded on the ex dividend date.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Contributions Receivable - Employer contributions due and not paid at year end are recorded as contributions receivable. Employer contributions owed as a result of payroll compliance audits are recorded as income upon settlement with the employer. An allowance for uncollectible accounts is considered unnecessary and is not provided.

Revenue Recognition - Revenue derived from employer contributions is recognized in the period in which covered work is performed, based on the number of hours worked in covered employment and the contribution rates currently in effect, as set forth in the collective bargaining agreement. Covered employment is primarily derived in the construction and maintenance industries. Employers are required to remit contributions monthly. The Plan carries out its purpose described in Note 1 within a jurisdiction primarily located in Minnesota, North Dakota, and South Dakota.

Reciprocal Contributions - The Plan is signatory to reciprocity agreements with various other multiemployer retirement plans for its participants performing work outside the geographical jurisdiction of the local union. Participants who are normally employed within the territory of one local union (home local union) may be temporarily employed within the territory of another local union (reciprocating local union). When a participant of the home local union works in the territory of a reciprocating local union, the latter is to make contributions to the former's benefit plans on the participant's behalf. Monies received by the Plan on behalf of persons from outside participating local unions are forwarded to their home local union benefit plans. The Plan uses the same recognition and measurement criteria for contributions received on behalf of its participants under the terms of reciprocity agreements, as for all other employer contribution revenue. Amounts paid to other plans under the terms of reciprocity agreements are not reflected in the statements of changes in net assets available for benefits, as the amounts received are not revenue earned by the Plan, and the corresponding payments are not an expense of the Plan. Employer contributions included reciprocal contributions of \$93,310 and \$28,716 for the years ended December 31, 2023 and 2022, respectively, from various other retirement plans under the terms of reciprocity agreements. The Plan remitted a total of \$56,823 and \$31,966 in reciprocal contributions to various other retirement plans under the terms of reciprocity agreements for the years ended December 31, 2023 and 2022, respectively. No material amounts were owed to other plans at December 31, 2023 and 2022.

Revenue Sharing - Revenue sharing income represents the portion of investment management fees that the investment manager has agreed to reimburse to help offset the cost of administrative services provided.

Payment of Benefits - Benefits paid to participants are recorded upon distribution. There were no participants who elected to withdraw from the Plan but were not yet paid at either December 31, 2023 or 2022.

Expenses - Certain investment related expenses are included in net appreciation (depreciation) in fair value of investments.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Estimates - The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures in the financial statements. Actual results could differ from those estimates.

Subsequent Events - Subsequent events have been evaluated through October 1, 2024, which is the date the financial statements were available to be issued.

NOTE 3. TAX STATUS

The Plan's latest determination letter is dated October 3, 2022, in which the Internal Revenue Service stated that the Plan and related trust were designed in accordance with Section 401(a) of the Internal Revenue Code and was therefore exempt from federal income taxes under the provisions of Section 501(a). The Plan has been amended since receiving the determination letter. The Plan's administrator and the Plan's legal counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. They therefore believe that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

Accounting principles generally accepted in the United States of America require the Plan to evaluate tax positions taken and recognize a tax liability if the Plan has taken uncertain tax positions that more likely than not would not be sustained upon examination by tax authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 4. PRIORITIES UPON TERMINATION

It is the intent of the Trustees to continue the Plan in full force and effect; however, the right to discontinue the Plan is reserved to the Trustees. In the event of termination, the net assets of the Plan will be allocated to pay benefits in priorities as prescribed by ERISA and its related regulations. Termination shall not permit any part of the Plan assets to be used for or diverted to purposes other than the exclusive benefit of the participants and their beneficiaries except that provision may be used for the payment of necessary expenses resulting from termination of the Plan. Whether or not a particular participant will receive full benefits should the Plan terminate at some future time will depend on the sufficiency of the Plan's net assets at that time and the priority of those benefits.

NOTE 5. FAIR VALUE MEASUREMENTS

The *Fair Value Measurements and Disclosures* Topic of the FASB Accounting Standards Codification established a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The following describes the three levels of the fair value hierarchy.

NOTE 5. FAIR VALUE MEASUREMENTS (CONTINUED)

Basis of Fair Value Measurement

Level 1	Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities
Level 2	Quoted prices in markets that are not considered to be active or financial instruments for which all significant inputs are observable, either directly or indirectly
Level 3	Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable

The following tables set forth, by level within the fair value hierarchy, the Plan's investment assets at fair value as of December 31, 2023 and 2022. As required, assets and liabilities are classified in their entirety based on the lowest level of input that is significant to the fair value measurement.

Total	<u>\$ 15,422,571</u>	<u>\$ 15,422,502</u>	<u>\$ 69</u>	<u>\$ -</u>

NOTE 5. FAIR VALUE MEASUREMENTS (CONTINUED)

Level 1 Measurements

The fair values of the mutual funds are determined by reference to the funds' underlying assets, which are principally marketable equity and fixed income securities. Shares held in mutual funds are traded on national securities exchanges and are valued at the net asset value as of the last business day of the period presented.

Level 2 Measurements

Invested cash is valued at cost, which approximates fair value.

NOTE 6. RISKS AND UNCERTAINTIES

Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

The Plan has a significant portion of its assets invested in one mutual fund at December 31, 2023; Vanguard 500 Index Fund Admiral Shares represented approximately 24% of the Plan's net assets available for benefits. At December 31, 2022, the Plan had a significant portion of its assets invested in two mutual funds; Vanguard 500 Index Fund Admiral Shares and Metropolitan West Total Return Bond Fund Plan Class represented approximately 26% and 25%, respectively, of the Plan's net assets available for benefits.

NOTE 7. FUNDING POLICY

The Plan is primarily funded by employer contributions as specified in the collective bargaining agreements. Hourly contribution rates ranged from \$.10 to \$1.60 during the years ended December 31, 2023 and 2022. The majority of employers made contributions at an hourly rate of \$1.00 during the year ended December 31, 2022, which increased to \$1.60 in 2023.

NOTE 8. RELATED ORGANIZATIONS

The Plan is related to several tax-exempt entities, which include a health and welfare plan, an apprentice fund and a local union.

Contributions for the Plan and related organizations are received and deposited into the welfare plan's operating account. Amounts owed are routinely transferred from the account to the respective organizations' cash accounts. No amounts were due from the related welfare plan for contributions received at either December 31, 2023 or 2022.

REPORT OF INDEPENDENT AUDITORS ON SUPPLEMENTAL SCHEDULES REQUIRED BY ERISA

To the Participants and Trustees of
Operating Engineers Local #49
Defined Contribution Plan

We have audited the financial statements of Operating Engineers Local #49 Defined Contribution Plan (the Plan) as of and for the years ended December 31, 2023 and 2022, and our report thereon dated October 1, 2024, which expressed an unmodified opinion on those financial statements, appears on pages 1 and 2. Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. Supplemental schedules 1 and 2 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA). Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
