INDEPENDENT AUDITORS' REPORT

To the Participants and Plan Administrator of the
New Opportunities, Inc. 401K Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of New Opportunities, Inc. 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from qualified institutions as of and for the years ended December 31, 2023 and 2022 stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion on the financial statements.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at and of year) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NEW OPPORTUNITIES, INC. 401(K) PLAN

Notes to Financial Statements

December 31, 2023 and 2022

NOTE 1 – DESCRIPTION OF THE PLAN

The following description of the New Opportunities, Inc. 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan document and related amendments for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan established in 1966 by New Opportunities, Inc. (the “Organization” or “Employer”) covering full and part time employees. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

The Board of Directors is responsible for oversight of the Plan and determines the appropriateness of the Plan’s investment offerings, and monitors invest performance.

Eligibility

Employees are eligible to participate in the Plan if they are 21 years of age as defined by the Plan Document.

Contributions

Participants may contribute a percentage of their compensation, as defined in the Plan. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified retirement plans (rollovers).

The Organization may make discretionary matching contributions for participants who have one year of service and attained 21 years of age. All contributions are subject to certain limitations imposed by the Plan and the Internal Revenue Code (the “Code”).

Participant Accounts

Each participant’s account is credited with the participant’s contributions and Organization contributions, and allocations of plan earnings. Participant accounts are charged with an allocation of administrative expenses paid by the Plan. Allocations of Organization contributions, investment income and administrative expenses are based on participants’ compensation or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested accounts.

Vesting

Participants are immediately vested in their contributions and rollover contributions, including the earnings on these amounts. Participants are fully vested in their employer matching contributions after one year of service.

Investment Options

Participants may direct their contributions into any of the funds offered by the Plan, which are held at Capital Bank and Trust Company. These funds include a variety of investments with various objectives and degrees of financial risk.

NOTE 1 – DESCRIPTION OF THE PLAN - (CONTINUED)

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or one-half of their vested account balance. Loan terms range from one to five years, except for loans to purchase a primary residence, which may be offered over a term of up to fifteen years. The loans are secured by the balance in the participants' accounts and bear interest based on the prime rate published in the Wall Street Journal on the first business day of each month, plus 3%. A participant may only have two loans outstanding at any given time. Generally, principal and interest are repaid ratably through payroll deductions.

Payment of Benefits

Upon retirement, death, disability or termination of employment, the participant or beneficiary is entitled to the vested interest of his or her account. Distributions will be paid in a lump sum, purchase of an annuity or in installments over a specified period of time, based upon the election of the participant or as defined in the Plan or the Code. If a participant terminates employment for any reason and his or her vested account balance does not exceed \$5,000, the plan administrator may distribute such amount in a lump-sum payment to the participant without consent of the participant.

The Plan also provides for in-service withdrawals by participants who have attained the age of 59½, for hardship reasons and for childbirth and adoption purposes. Distributions may also be made under a qualified domestic relations order as defined in the Plan.

Forfeited Accounts

Forfeitures of Employer money purchase pension contributions may be used to reduce the Organization's future discretionary matching contributions. As of December 31, 2023 and 2022 there were no forfeited nonvested accounts. No forfeitures were utilized for the years ended December 31, 2023 and 2022.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in conforming with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value as determined by Capital Bank and Trust Company, the custodian of the Plan. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The plan administrator determines the Plan's valuation policies and procedures utilizing information provided by the custodian. See Note 4 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation/depreciation in the fair value of investments consists of the Plan's gains and losses on investments bought and sold as well as held during the year.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - (CONTINUED)

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on an accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 and 2022. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a deemed distribution benefit payment is recorded.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service (“IRS”) are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the 2022 excess contributions to the applicable participants prior to March 15, 2023.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid directly by the Organization and are excluded from these financial statements. Fees related to the administration of notes receivable from participants and distributions are charged directly to the participant’s account and are included in administrative expenses. Investment-related expenses are included in net appreciation/depreciation in fair value of investments.

Subsequent Events

The Plan has evaluated subsequent events through September 20, 2024, the date these financial statements were available to be issued.

NOTE 3 – CERTIFIED INVESTMENTS

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2023 and 2022, and net appreciation/depreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the years then ended, was obtained by management and agreed to or derived from information certified as complete and accurate by Capital Bank and Trust Company, the custodian of the Plan.

NOTE 4 – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements).

NOTE 4 – FAIR VALUE MEASUREMENTS - (CONTINUED)

The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded and classified as Level 1 within the fair value hierarchy.

Stable Value Fund/Common Collective Trusts: Valued at the NAV of units of a stable value fund or collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value, therefore categorization in the fair value hierarchy is not required. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchased and sales) may occur daily.

There have been no changes in the methodologies used at December 31, 2023 and 2022.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of:

	December 31, 2023				
	Level 1	Level 2	Level 3	Investments Measured at Net Asset Value (a)	Total
Mutual Funds	\$ 5,025,421	\$ -	\$ -	\$ -	\$ 5,025,421
Stable Value Fund				1,770,136	1,770,136
Total investments	<u>\$ 5,025,421</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 1,770,136</u>	<u>\$ 6,795,557</u>

NOTE 4 – FAIR VALUE MEASUREMENTS - (CONTINUED)

	December 31, 2022				
	Level 1	Level 2	Level 3	Investments Measured at Net Asset Value (a)	Total
Mutual Funds	\$ 4,699,788	\$ -	\$ -	\$ -	\$ 4,699,788
Common Collective Trust				2,373,358	2,373,358
Total investments	<u>\$ 4,699,788</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 2,373,358</u>	<u>\$ 7,073,146</u>

- (a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

Fair Value of Investment Entities that Use Net Asset Value:

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2023 and 2022. There are no participant redemption restrictions for these investments.

Investment	Fair Value		Unfunded Commitments	Redemption Frequency if Currently Eligible	Other Redemption Restrictions	Redemption Notice Period
	2023	2022				
Stavle Value Fund	\$ 1,770,136	\$ -	None	Daily	None	None
Common Collective Trust	\$ -	\$ 2,373,358	None	Daily	None	None

NOTE 5 – RELATED-PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

Capital Bank and Trust Company is the custodian of the Plan and invests primarily in the American Funds Group of mutual funds, a stable value fund with Reliance Trust Company, and a common collective trust with Reliance Trust Company, which are considered to be party-in-interest transactions. The Plan allows participants to take loans against their account balances, which are also considered exempt party-in-interest transactions. In addition, as described in Note 2, the Plan and the Company paid certain expenses related to the Plan operating and investment activity to various service providers.

NOTE 6 – TAX STATUS

The Plan has adopted a Prototype Non-Standardized Profit-Sharing Plan and has obtained an opinion letter from the IRS dated March 31, 2014, indicating that the prototype non-standardized plan is acceptable under the applicable sections of the Code. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualification. The plan administrator will take the necessary steps, if any, to maintain the Plan's qualified status. The Plan Sponsor believes that the Plan has been operated in compliance with the applicable requirements of the Code, and therefore, is qualified and the related trust is tax exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan has taken no uncertain tax positions as December 31, 2023 and 2022. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods pending or in progress.

NOTE 7 – RISKS AND UNCERTAINTIES

The Plan invests in various investments. These investments are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of the investment will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 8 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Employers have the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 9– RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2023 and 2022, to Form 5500:

	2023	2022
Net assets available for benefits per the financial statements	\$ 6,994,807	\$ 7,189,698
Excess contribution payable	-	15,092
Net assets available for benefits per Form 5500	<u>\$ 6,994,807</u>	<u>\$ 7,204,790</u>

The following is a reconciliation of net decrease per the accompanying financial statements to the Form 5500 at December 31, 2023 and 2022:

	2023	2022
Net decrease per the financial statements	\$ (194,891)	\$ (1,467,575)
Change in excess contributions payable	<u>(15,092)</u>	<u>5,577</u>
Net decrease per the Form 5500	<u>\$ (209,983)</u>	<u>\$ (1,461,998)</u>
