INDEPENDENT AUDITOR'S REPORT

September 25, 2024

To the Plan Administrator of
JWD Group, Inc. 401(k) Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the JWD Group, Inc. 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT

(Continued)

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit Section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

(Continued)

INDEPENDENT AUDITOR'S REPORT

(Continued)

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

INDEPENDENT AUDITOR'S REPORT

Other Matter - Supplemental Schedule Required by ERISA (Continued)

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

JWD GROUP, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

1. DESCRIPTION OF THE PLAN

The following description of the JWD Group, Inc. 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan was originally established effective April 1, 1981 and has been restated effective June 30, 2020. The Plan is a defined contribution, salary deferral 401(k), and profit-sharing plan as permitted under Section 401(k) of the Internal Revenue Code (IRC). At December 31, 2023 and 2022, the assets of the Plan were maintained in investment funds held by Principal Trust Company (Principal). The Plan is a qualified plan subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Eligibility

The Plan covers substantially all full-time employees of John W. Danforth Company (the "Company") who are not covered by a collective bargaining agreement. Employees are eligible to participate in the plan on the first day of the month after their hire date as long as they have attained age 21.

Contributions

Participants who are eligible to participate in the Plan are automatically enrolled with an initial contribution of 5%. Each participant may elect to contribute from 0% to 100% of his or her salary subject to the limitations set by the Internal Revenue Code (\$22,500 in 2023 and \$20,500 in 2022) as a tax-deferred contribution to the Plan. Participants who are at least 50 years old may make additional "catch-up" contributions annually (\$7,500 in 2023 and \$6,500 in 2022). The Company will make non-discretionary matching contributions on 100% of pretax participant contributions up to 4% of the participants' eligible wages. The Plan provides that participants may deposit payments that they receive from other retirement plans. Such contributions are referred to as employee rollover contributions.

Participant Accounts

Each participant's account is credited with the participant's contribution, the Company's contribution, and allocated earnings/losses. Earnings/losses are allocated daily from the investment chosen by a participant based on the fair value of their respective ownership in the underlying investment.

Vesting

Participants are fully vested immediately in all voluntary and Company contributions.

Payment of Benefits

Participants are entitled to receive 100% of their account balances upon normal retirement at age 65. A participant may elect to defer benefits until age 70-1/2. Benefit payments can be made either in lump sum amounts based on the account balance at retirement date, installments (only if the participant is subject to lifetime required minimum distribution), ad-hoc amounts, or in any of four types of annuities. Benefits may be paid in cash or rolled over to an individual retirement account, or a combination thereof. In-service withdrawals may be made by participants who have attained age 59-1/2 during the year. Withdrawals may also be made for reasons of financial hardship prior to age 59-1/2 or upon early retirement.

1. DESCRIPTION OF THE PLAN (Continued)

Notes Receivable from Participants

The Plan provides for loans to participants with a minimum loan amount of \$1,000 and a maximum loan amount limited to the lesser of \$50,000 or one-half of the participant's vested account balance. The maximum term of a loan is five years. Interest is charged at a fixed rate established by the Plan as of the date of the loan.

Investments

Participants have the option of directing their contributions into mutual fund accounts, and/or common collective trusts managed by Principal. Participants may elect to change the allocation of their individual accounts among the investment alternatives at any time. Common collective trusts are advisor-managed accounts sponsored by Principal that invest in investment securities or mutual funds. Many of these common collective trusts are invested in a single mutual fund.

Plan Administration

The Plan is administered by the Company. Participant account records are maintained by the Plan's Trustee, Principal. A portion of the administrative expenses may be paid by the Plan. Administrative expenses not paid by the Plan are paid by the Plan Sponsor.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The Plan prepares its financial statements on the accrual basis of accounting and presents the fair value of net assets available for benefits and changes in those net assets in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions and deductions during the reporting period. Actual results could differ from management's estimates and assumptions.

Investment Valuation and Income Recognition

The Plan's assets are held in a trust maintained by Principal. Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Security Transactions and Investment Income

Purchases and sales of investments are recorded on a trade-date basis. Net appreciation (depreciation) in fair value of investments includes realized gains and losses, and unrealized gains and losses attributable to the investments. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants are recorded as a distribution based upon the terms of the Plan Document.

Benefit Payments

Benefits are recorded when paid.

Administrative Expenses

Investment fees are paid by the plan. Administrative expenses not paid by the Plan are paid by the Plan Sponsor.

Risks and Uncertainties

The Plan's assets include various types of investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investments and the level of uncertainty related to the value of such investments, changes in the values of investments will occur and such changes could materially affect the amounts reported in the financial statements.

Income Taxes

The Plan has relied on its determination letter received by Principal for its prototype plans and for subsequent Plan amendments that have been adopted to comply with changes under Federal law. Principal received its latest determination letter for its prototype plans on June 30, 2020, stating that the Plan is qualified under the Internal Revenue Code as exempt from Federal income taxes.

3. FAIR VALUE MEASUREMENTS

The Plan uses various valuation techniques in determining fair value. ASC Section 820 established a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described below:

3. FAIR VALUE MEASUREMENTS (Continued)

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used for the years ended December 31, 2023 and 2022.

Mutual Funds

The fair values of the Plan's mutual funds are based on quoted market prices in active markets.

Common Collective Trusts

Contain investments in a collective trust fund as well as a variety of separate accounts and mutual funds. The fair value of the collective trust fund and the separate accounts are not publicly quoted pricing inputs. The fair value of the mutual funds are publicly quoted pricing inputs. The fair value of all these investments are used in determining the net asset value ("NAV") of the common collective trust, which is not publicly quoted. The common collective trusts can be redeemed at NAV as of the measurement date.

The common collective trusts can be redeemed on a daily basis and there are no restrictions. There are no unfunded commitments.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Financial assets and liabilities are classified in their entirety based on the lowest level of input that is significant to the fair value measurements. For the year ended December 31, 2023, no transfers in or out of Level 1 occurred.

3. FAIR VALUE MEASUREMENTS (Continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value at December 31, 2023 and 2022:

<u>Investments at Fair Value December 31, 2023</u>				
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	<u>\$ 6,327,414</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 6,327,414</u>
Common collective trusts *				<u>23,243,856</u>
				<u>\$ 29,571,270</u>

<u>Investments at Fair Value December 31, 2022</u>				
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	<u>\$ 4,697,585</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 4,697,585</u>
Common collective trusts *				<u>19,830,902</u>
				<u>\$ 24,528,487</u>

* In accordance with Subtopic 820-10, certain investments that are measured at fair value using the net asset value per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statement of financial position.

4. FINANCIAL CERTIFICATION

The following financial information relating to the Plan's assets at December 31, 2023 and 2022, as well as investment income and investment transactions for the years then ended, has been derived from information provided by Principal Trust Company, the Trustee of the Plan, and has been certified by them as complete and accurate.

5. PARTY-IN-INTEREST TRANSACTIONS

During the years ended December 31, 2023 and 2022, certain plan investments were managed by Principal, the Trustee, and therefore these transactions qualify as party-in-interest.

Notes receivable from participants of \$385,375 and \$374,383 as of December 31, 2023 and 2022, respectively, with interest rates ranging from 3.25% to 8.50% qualify as party-in-interest.

6. RECONCILIATION TO FORM 5500

While net assets available for benefits and change in net assets available agree between the financial statements and Form 5500 in total as of and for the years ended December 31, 2023 and 2022, certain classifications differ between the financial statements and Form 5500.

7. SUBSEQUENT EVENTS

Subsequent events have been evaluated through September 25, 2024, the date the financial statements were available to be issued.
