Independent Auditors' Report

The Plan Administrator
Barrette Outdoor Living 401(k) Retirement Savings Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Barrette Outdoor Living 401(k) Retirement Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of April 9, 2024 and December 31, 2023, and the related statement of changes in net assets available for benefits for the period from January 1, 2024 to April 9, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of April 9, 2024 and December 31, 2023, and for the period from January 1, 2024 to April 9, 2024, stating that the certified investment information, as described in Note (3) to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report,

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP").
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management has determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

BARRETTE OUTDOOR LIVING 401(K) RETIREMENT SAVINGS PLAN

Notes to the Financial Statements

April 9, 2024 and December 31, 2023

(1) Description of plan

The following description of the Barrette Outdoor Living 401(k) Retirement Savings Plan (the "Plan") provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

(a) General

The Plan was a defined contribution plan which was adopted to provide retirement benefits for employees of Barrette Outdoor Living, Inc. or any affiliate who had adopted the Plan (collectively, the "Plan Sponsor"). The Plan covered all full-time employees who were age eighteen or older effective upon employment commencement as defined by the plan document (the "participants"). The Plan was subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

On December 31, 2023, the Plan was closed to new participants and no additional contributions were allowed. The Plan's participants became eligible to participate in the CRH Americas 401(k) Plan as of January 1, 2024. At various dates during March through April 9, 2024, the net assets of the Plan were transferred into and the Plan was merged into the CRH Americas 401(k) Plan.

(b) Contributions

Prior to December 31, 2023, participants could voluntarily make qualified retirement contributions to the Plan which may have been Roth deferrals or pre-tax deferrals deductible by the participants for federal income tax purposes under Section 401(k) of the Internal Revenue Code ("IRC"). Participants were also able to contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Certain highly compensated participants' contributions were limited to the maximum amount of 9% of compensation. Non-highly compensated participants could defer up to 100% of compensation.

The Plan had an automatic enrollment provision in which employees were automatically enrolled at a deferral rate of 3%, unless the employee elected to not participate in the Plan. Each enrolled employee's deferral percentage automatically increased by 1% per year, to a maximum of 6% unless the employee elected otherwise. Employees had the right to complete a salary reduction agreement at any time to select an alternative deferral amount or to elect not to defer.

The Plan Sponsor could match a discretionary percentage of each participant's contribution; however, a contribution by the Plan Sponsor was not required. No matching contributions were made during the period from January 1, 2024 to April 9, 2024. Participant and Plan Sponsor contributions could not exceed the maximum amount deductible for federal income tax purposes.

(c) Participant accounts

Each participant's account was credited (charged) with the participant's contributions, Plan Sponsor contributions, investment earnings (losses), and administrative expenses allocable to such participants. Allocations were based on participant compensation or account balances as defined in the plan agreement. The benefit to which a participant was entitled was the benefit that could be provided from the participant's vested account.

(d) Vesting

Participants were immediately vested in their elective salary deferral plus actual earnings (losses) thereon. Vesting in the Plan Sponsor's contribution was based on years of continuous service. Participant's interests in the Plan Sponsor's matching and discretionary contributions and earnings thereon vested as follows:

<u>Years of Service</u>	<u>Vested Percentage</u>
1 Year	33%
2 Years	67%
3 Years	100%

(e) Notes receivable from participants

Participants could borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. The loans were secured by the balances in the respective participants' accounts and bore interest at fixed rates equal to the prime rate plus one percent, which was commensurate with local prevailing rates as determined quarterly by the plan administrator. Principal and interest were collected ratably through payroll deductions.

(f) Payment of benefits

On termination of service due to death, permanent disability, or retirement, a participant could elect to receive either a lump-sum payment or annual installments over a specified period equal to his or her entire account. For termination of service due to other reasons, a participant was entitled to receive only the vested interest in his or her account as a lump-sum distribution. In the event a participant's account balance was less than \$1,000, a lump-sum payment was required.

(g) Forfeited accounts

Forfeitures were created when participants terminated employment prior to becoming fully vested in the Plan Sponsor contribution portion of their accounts. Such forfeitures could be used to pay administrative expenses or reduce the Plan Sponsor's contributions to the Plan. Forfeitures of \$50,648 were used to pay administrative expenses during the period from January 1, 2024 to April 9, 2024. Forfeited nonvested accounts of \$50,180 were transferred into the CRH Americas Plan as of April 9, 2024. At December 31, 2023, forfeited nonvested accounts totaled \$79,794.

(h) Hardship withdrawals

The Plan permitted distributions in the event of a hardship, as defined in the plan agreement. These distributions were taxable and subject to a tax penalty equal to 10% of the hardship distribution amount if the participant was younger than age 59½. Hardship withdrawals were limited to the participant's elective account balance.

(i) Administrative expenses

Legal and audit fees were paid by the Plan Sponsor. Other expenses incurred in connection with the Plan were paid by the Plan. Investment related expenses were included in net appreciation of fair value of investments.

(2) Summary of significant accounting policies

(a) Basis of accounting

The accompanying financial statements were prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

(b) Cash

Cash consisted of highly liquid marketable securities and were stated at cost which approximated fair value.

(c) Investment valuation and income recognition

Investments were stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note (4) for discussion of fair value measurements.

Notes to the Financial Statements

April 9, 2024 and December 31, 2023

Purchases and sales of securities were recorded on a trade-date basis. Interest income was recorded on the accrual basis. Dividend income was recorded on the ex-dividend date. Net appreciation included the Plan's gains and losses on investments bought and sold as well as held during the year.

(d) Notes receivable from participants

Notes receivable from participants were measured at their unpaid principal balances plus any accrued but unpaid interest. Delinquent participant notes were classified as distributions based upon the terms of the plan document.

(e) Payment of benefits

Benefits were recorded when paid.

(f) Use of estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

(g) Events occurring after reporting date

The Plan Sponsor has evaluated events and transactions that occurred between April 9, 2024 and September 17, 2024, which is the date that the financial statements were available to be issued, for possible recognition or disclosure in the financial statements.

(3) Certified information

Certain information related to investments presented and disclosed in the accompanying financial statements, including investments held at fair value, notes receivable from participants and accrued investment income at April 9, 2024 and December 31, 2023, and net appreciation in fair value of investments, and interest and dividends, and interest income on notes receivable from participants for the period from January 1, 2024 through April 9, 2024, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by The Trust Company of Tennessee ("Trust Company").

(4) Fair value measurements

Fair value is a market-based measurement, not an entity-specific measurement. Therefore, a fair value measurement should be determined based on the assumptions that market participants would use in pricing the asset or liability. As a basis for considering market participant assumptions in fair value measurements, fair value accounting standards establish a fair value hierarchy that distinguishes between market participant assumptions based on market data obtained from sources independent of the reporting entity including quoted market prices in active markets for identical assets (Level 1), or significant other observable inputs (Level 2), and the reporting entity's own assumptions about market participant assumptions (Level 3). The Plan did not have any fair value measurements using significant unobservable inputs (Level 3) as of April 9, 2024 and December 31, 2023.

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used needed to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets at fair value. There have been no changes in the methodologies used at April 9, 2024 and December 31, 2023.

- (i) *Money market fund*: Valued at closing price reported on the active market on which the individual securities are traded.
- (ii) *Mutual funds*: Valued at the net asset value ("NAV") of shares held by the Plan at year end in an active market.

The methods described above may have produced a fair value calculation that may not have been indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan's management believed its valuation methods were appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Notes to the Financial Statements

April 9, 2024 and December 31, 2023

No assets were held at fair value as of April 9, 2024. The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023:

<u>Fair Value Measurements as of December 31, 2023 using the following inputs</u>				
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Money market fund	\$ 79,794	\$ -	\$ -	\$ 79,794
Mutual funds	<u>64,519,324</u>	<u>-</u>	<u>-</u>	<u>64,519,324</u>
Total assets in the fair value hierarchy	<u>\$ 64,599,118</u>	<u>\$ -</u>	<u>\$ -</u>	64,599,118
Investments measured at NAV as a practical expedient (a)				<u>976,832</u>
Investments at fair value				<u>\$ 65,575,950</u>

(a) Certain investments were measured at NAV as a practical expedient to estimate fair value and, therefore, have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

The following table summarizes investments for which the fair value is measured using NAV as a practical expedient as of April 9, 2024 and December 31, 2023, respectively. There were no participant redemption restrictions or redemption notice period for these investments.

<u>Description</u>	<u>Fair Value 4/9/2024</u>	<u>Fair Value 12/31/2023</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency (if currently eligible)</u>	<u>Redemption Notice Period</u>
Collective investment funds	\$-	\$976,832	n/a	Daily	None

(5) Income tax status

The Plan Sponsor adopted a pre-approved profit sharing plan, which received a favorable opinion letter from the Internal Revenue Service ("IRS") on June 30, 2020, which stated that the pre-approved plan was designed in accordance with the applicable sections of the IRC. The Plan itself had not received a determination letter from the IRS stating that the Plan was qualified under Section 401(a) of the IRC. However, the Plan Sponsor believed that the Plan was designed and operated in compliance with the applicable provisions of the IRC.

BARRETTE OUTDOOR LIVING 401(K) RETIREMENT SAVINGS PLAN

Notes to the Financial Statements

April 9, 2024 and December 31, 2023

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability or asset if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator had analyzed the tax positions taken by the Plan, and had concluded that as of April 9, 2024 and December 31, 2023, there were no uncertain positions taken or expected to be taken that would require recognition of a liability or asset or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

(6) Related party transactions

As described in Note (1), the Plan paid expenses to various service providers which qualified as parties-in-interest transactions. The Plan held notes receivable from participants which also qualified as party-in-interest transactions.

(7) Risks and uncertainties

The Plan utilized various investment instruments. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and market risk.
