## INDEPENDENT AUDITORS' REPORT

To the Administrative Committee of the  
Apex Industrial Technologies LLC 401(k) Profit Sharing Plan & Trust  
Mason, Ohio

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Apex Industrial Technologies LLC 401(k) Profit Sharing Plan & Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Apex Industrial Technologies LLC 401(k) Profit Sharing Plan & Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 5 of the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section -

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

#### Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Apex Industrial Technologies LLC 401(k) Profit Sharing Plan & Trust and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

#### Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Apex Industrial Technologies LLC 401(k) Profit Sharing Plan & Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

#### Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Apex Industrial Technologies LLC 401(k) Profit Sharing Plan & Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Apex Industrial Technologies LLC 401(k) Profit Sharing Plan & Trust's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### Other Matters - Supplemental Schedules Required by ERISA

The Supplemental Schedule of Assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures,

including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agrees to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a) (3) (C).

APEX INDUSTRIAL TECHNOLOGIES LLC 401(K) PROFIT SHARING PLAN & TRUST  
NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2023

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States as more explicitly described in the Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC).

Financial Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan's administrator to make estimates and assumptions that affect the reported amounts of net assets and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Administrative Fees

The Plan and Plan Sponsor share in the payment of the administrative expenses of the Plan. Substantially all of the fees paid by the Plan are investment advising fees and plan administration fees.

Investment Valuation and Income Recognition

Investments are reported at fair value. Purchases and sales of investments are recorded on a trade date basis. Net appreciation in fair value of investments includes realized gains and losses on investments sold during the year as well as net appreciation(depreciation) of the investments held at the end of the year. Interest and dividend income is accrued in the period earned.

Participant Loans

Participant loans are stated at the amount the Plan Administration expects to collect from outstanding balances. No allowance for credit losses is deemed necessary.

2. DESCRIPTION OF PLAN (Continued)

Mold Company, Apex Order Pickup Service, LLC, Veritas Automata LLC and Yuxi Pacific LLC.

The Plan is a defined contribution plan and is qualified under the Internal Revenue Code. The Plan allows all employees of the Company who have thirty days of service and have attained age 21 to participate except those covered by a collective bargaining agreement, non-resident aliens who receive no compensation from the employer which constitutes U.S. source income, leased employees, interns, co-ops and seasonal/temporary employees working less than 1,000 hours. The Company's matching contribution is made upon satisfaction of the eligibility requirements of one year of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

The Plan provides for employee salary deferrals within statutory limits. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. The Company currently matches 100% of employee deferrals up to 3% of wages and matches 50% of employee deferrals between 3% and 5% of wages. No contributions shall be made on behalf of a participant to the extent that, when added to the participant's salary deferral contributions, it would cause the amount allocated to exceed the limitations allowed by the Internal Revenue Service. The Company, upon approval of the Board of Directors, may also make additional contributions to the Plan subject to Internal Revenue Service limitations. Employer contributions are generally funded on the date of each payroll. The Company's matching contribution for 2023 was \$346,325. There were no profit sharing contributions for 2023.

Vesting

Participants are immediately vested in their voluntary contributions, employer matching safe harbor contributions and corresponding earnings. All Company contributions, other than safe harbor contributions, are subject to the following vesting schedule:

2. DESCRIPTION OF PLAN (Continued)

Participant Accounts

John Hancock Trust Company LLC (John Hancock) is the custodian of the Plan's investments. The Plan is funded through investment options offered by John Hancock. The Plan maintains the self-directed investment accounts for each participant containing the participant's contributions, company contributions, net earnings or losses, and distributions and withdrawals. Company contributions are allocated based on participants' compensation as defined by the Plan Agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Each participant directs both separately, and distinctly, into which investment the participant contribution and employer contribution are to be invested.

Distributions

Upon termination of service by reason of retirement, death, and permanent disability, or otherwise, participants or designated beneficiaries may elect to receive their vested balance either in a lump-sum amount or payments over a period of time in cash installments or in a form agreeable to the Plan administrator. If the participant's account balance is \$5,000 or less, the Plan administrator may elect to automatically distribute the participant's balance in a single-sum payment. In addition, participants may receive distributions of the employee deferral amount for qualified financial hardships.

Participant Loans

Participants may borrow from their vested account balance a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their account balance. Loans bear interest at an agreed-upon percentage based on prevailing market rates, subject to applicable usury limits and are accrued monthly. Loan terms are for a period not exceeding five years, except for loans made for the purchase of a principal residence, which may not exceed thirty years. Loans are secured by the balance in the participants' accounts. Principal and interest is paid ratably through payroll deductions.

Loans are considered in default if any scheduled loan payments are not made by the end of the calendar quarter following the calendar quarter in which the missed payment was due. If a loan is considered to be in default, the Plan will record the defaulted amount as a taxable distribution.

Forfeitures

Forfeitures of employer contributions are to be used to reduce matching contributions. Plan forfeitures were \$0 for the year ending December 31, 2023.

3. PARTICIPANT - DIRECTED INVESTMENTS

8. INVESTMENTS

The investment in common/collective trust and mutual funds are held by John Hancock Trust Company LLC and are not federally insured. The schedule on page 13 shows the detail of all investments held by the Plan at December 31, 2022.

The Fair Value Measurement and Disclosure Topic of FASB ASC establishes a fair value hierarchy that prioritizes the inputs used to measure the fair value of assets into three levels of input and expands disclosures regarding the fair value measurements. The FASB ASC Topic defines fair value as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. The disclosures that follow do not relate to what is known as investment risk, such as the risk of a permanent decline in the fair value of an investment, or an investment's custodial risk. The levels of input described below relate solely to the process of determining the fair value of each of the investments held by the Plan on the report date. The three levels of input are as follows:

- Level 1      Inputs are unadjusted quoted prices in active markets for identical assets, and the Plan has the ability to access that information on December 31.
- Level 2      Inputs are other than Level 1 quoted prices that are observable either directly or indirectly.
- Level 3      Valuations based on unobservable inputs such as when observable inputs are not available or inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

Level 1 Investments

The reported fair values of the Plan's investment in mutual funds shown below are based on quoted active market prices.

|              | <u>2023</u>         | <u>2022</u>         |
|--------------|---------------------|---------------------|
| Mutual funds | <u>\$10,327,906</u> | <u>\$ 8,859,162</u> |

Level 2 Investments

The reported fair value of the Plan's investment in a collective/common investment trust is based on the market value of the underlying investments provided by the administrator of the fund. The net asset value is used as a practical expedient to determine the fair value. Investment in the fund may be redeemed at any time.

9. RISK AND UNCERTAINTIES

Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
