INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and Participants
The Quadrangle Companies' Tax Deferred Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of The Quadrangle Companies' Tax Deferred Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of The Quadrangle Companies' Tax Deferred Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 8 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of The Quadrangle Companies' Tax Deferred Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about The Quadrangle Companies' Tax Deferred Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of The Quadrangle Companies' Tax Deferred Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about The Quadrangle Companies' Tax Deferred Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

The Quadrangle Companies' Tax Deferred Savings Plan

Notes to the Financial Statements

1. Plan Description

The following description of The Quadrangle Companies' Tax Deferred Savings Plan (the Plan) is provided for general information purposes only. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan established by RGA, Inc. (the Plan Sponsor) under the provisions of Section 401(k) of the Internal Revenue Code (IRC). The Plan covers all employees of Quadrangle Development Corporation, Quadrangle Management Company, Quick Park Inc., and their affiliated companies who have adopted the Plan (collectively, the Companies), who are 21 years of age or older, who are regularly scheduled to work at least 30 hours per week after completing their first hour of service, and who have completed an eligibility year of service (defined as 1,000 hours of service beginning on the date the employee first performs an hour of service). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

Fidelity Management Trust Company (FMTC) is the trustee of the Plan and Fidelity Workplace Services LLC (Fidelity) is the Plan's recordkeeper.

Contributions

Employees are automatically enrolled in the Plan after meeting the applicable eligibility requirements with a deferral of 3% of their compensation unless they affirmatively elect another deferral amount or elect not to participate in the Plan. Participants may elect to defer between 0% and 90% of their compensation. Participants may also make Roth elective deferrals and participants who are aged 50 or older by the end of the plan year may elect to contribute catch-up contributions up to the maximum allowed by the IRC.

Employer contributions are discretionary and determined on an annual basis. The employer's discretionary matching contribution for the 2023 plan year, as determined by the Companies' board of directors, was 50% of the participant's total deferrals for the year on deferrals up to 6% of eligible compensation. The Companies can also make discretionary profit-sharing contributions; however, no profit-sharing contributions were made during the year ended December 31, 2023.

Contributions are subject to certain limitations imposed by the IRC.

Participant Accounts

Each participant's account is credited with the participant's contributions, the Companies' contributions, and allocations of the Plan's income, losses, and expenses, in accordance with the Plan Document. Participants direct their investments and may change their investment options anytime throughout the year via direct access to the Fidelity website. The benefit to which a

The Quadrangle Companies' Tax Deferred Savings Plan

Notes to the Financial Statements

participant is entitled is the benefit that can be provided by the participant's vested account balance.

Vesting

Participants are immediately vested in their contributions and the earnings thereon. A participant vests in employer contributions and earnings thereon according to the following schedule of service:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

Payment of Benefits

Plan benefits are available at normal retirement age (65), disability, death, or termination of service. Participants may elect to receive a lump-sum amount equal to the value of the participant's vested interest in their account or roll over the value of the participant's vested interest in their account into another qualified plan. The Plan also allows for in-service distributions upon reaching age 59½.

If the participant's vested account balance is less than \$1,000, it will be paid in a lump-sum amount. If the balance of the terminated participant's account is between \$1,000 and \$5,000, the Plan Sponsor may authorize that the benefit payment be rolled into an individual retirement account in the participant's name. Participants may also receive hardship withdrawals, as defined by the Plan.

Administrative Expenses

Administrative fees charged by the trustee and recordkeeper and investment advisory fees are paid by the Plan. Other administrative expenses are paid by the Companies.

Forfeited Amounts

Forfeitures consist of the portion of employer contributions not vested as of a participant's date of termination and can be used to reduce employer contributions or pay plan expenses. As of December 31, 2023 and 2022, forfeitures of \$6,984 and \$4,140, respectively, were available to offset future employer contributions. During the year ended December 31, 2023, the Companies used forfeitures totaling \$3,800 to offset employer contributions.

The Quadrangle Companies' Tax Deferred Savings Plan

Notes to the Financial Statements

2. Summary of Significant Accounting Policies

Date of Management's Review

The Plan has evaluated subsequent events through October 2, 2024, the date the financial statements were available to be issued.

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting in accordance with U.S. generally accepted accounting principles (GAAP).

Use of Estimates

The preparation of financial statements in conformity with GAAP requires the Plan's management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Income, Investment Valuation and Transactions

The Plan's investments are reported at fair value, which is the price that would be received to sell an asset or would be paid to transfer a liability in an orderly transaction between participants at the measurement date. See note 4 for discussion of fair value measurements.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividend income is recorded on the ex-dividend date. Net appreciation of investments includes the gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

3. Tax Status

The Plan adopted the FMR LLC Pre-Approved Defined Contribution Plan, which obtained its latest opinion letter on June 30, 2020, in which the Internal Revenue Service stated that the plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. Although the Plan has been amended since receiving the opinion letter, the plan administrator and the plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

GAAP requires the Plan's management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable federal and state tax authorities. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of

The Quadrangle Companies' Tax Deferred Savings Plan

Notes to the Financial Statements

December 31, 2023, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to audits for years prior to 2020.

4. Fair Value Measurements

FASB ASC 820, *Fair Value Measurements and Disclosures*, provides a framework for measuring fair value that prioritizes the inputs to valuation techniques used to measure fair value as follows: Level 1, investments are valued using unadjusted quoted prices for identical assets in active markets; Level 2, investments are not traded on an active market but for which observable market inputs are readily available; and Level 3, which refers to investments valued based on significant unobservable inputs.

The fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Money market funds (interest bearing cash): Valued at cost, which approximates fair value (Level 1).

Registered Investment Companies (mutual funds): Investments held in mutual funds are valued at quoted daily closing prices as of the last trading day of the Plan year. The mutual funds held by the Plan are deemed to be actively traded. There are no restrictions on redemption and the funds can be redeemed daily (Level 1).

Common Collective Trust: Investments in the Fidelity Managed Income Portfolio II, a common collective trust fund, are valued at NAV, as a practical expedient. NAV as reported to the Plan by FMTC represents contributions made under the contract, plus earnings, less participants withdrawals, and administrative expenses. Participant purchases and sales may occur daily. If the Plan were to proceed with a full redemption of the collective trust, the issuer reserves the right to delay temporarily the withdrawal from the trust to ensure that the liquidation of the securities is completed in an orderly fashion. As of December 31, 2023 and 2022, the collective trust had no unfunded commitments.

The Quadrangle Companies' Tax Deferred Savings Plan

Notes to the Financial Statements

The following tables show the Plan's assets at fair value by level within the fair value hierarchy, as of December 31, 2023 and 2022:

<i>December 31, 2023</i>	Level 1	Level 2	Level 3	Total
Interest-bearing cash	\$ 1,161	\$ -	\$ -	\$ 1,161
Mutual funds	25,372,469	-	-	25,372,469
Common collective trust*	-	-	-	1,800,675
Total investments	\$ 25,373,630	\$ -	\$ -	\$ 27,174,305

<i>December 31, 2022</i>	Level 1	Level 2	Level 3	Total
Interest-bearing cash	\$ 369	\$ -	\$ -	\$ 369
Mutual funds	18,548,973	-	-	18,548,973
Common collective trust*	-	-	-	3,804,607
Total investments	\$ 18,549,342	\$ -	\$ -	\$ 22,353,949

* In accordance with ASC 820-10, certain investments measured at net asset value per share have not been classified in the fair value hierarchy. The fair value amounts are presented in the tables to permit reconciliation of the total fair value hierarchy disclosure to the line items presented in the Statements of Net Assets Available for Benefits.

5. Related Party and Party-in-Interest Transactions

Certain plan investments are managed by FMTC. Interest-bearing cash is also held by FMTC. FMTC is the trustee, as defined by the Plan, and therefore, these transactions involving the Plan's investments qualify as party-in-interest transactions. Fees paid by the Plan to the trustee and recordkeeper and advisor were \$95,827 for the year ended December 31, 2023.

6. Plan Termination

Although they have not expressed any intent to do so, the Companies or the Plan Sponsor have the right under the Plan to discontinue their contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in employer contributions made on their behalf.

The Quadrangle Companies' Tax Deferred Savings Plan

Notes to the Financial Statements

7. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

8. Custodian and Trustee Certified Information

FMTTC, the trustee of the Plan, has certified the following information as complete and accurate: investments in registered investment companies, common collective trust, and interest-bearing cash included in the Statements of Net Assets Available for benefits as of December 31, 2023 and 2022, and the net appreciation in fair value of investments and dividends included in the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2023.
