INDEPENDENT AUDITOR'S REPORT

September 4, 2024

To the Participants and Plan Administrator of the
Shuman Physical Therapy Assoc. 401(k) Profit Sharing Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Shuman Physical Therapy Assoc. 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Shuman Physical Therapy 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT

(Continued)

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Shuman Physical Therapy Assoc. 401(k) Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Shuman Physical Therapy Assoc. 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Shuman Physical Therapy Assoc. 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Shuman Physical Therapy Assoc. 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations from Reporting and Disclosure under ERISA.

Other Matter - Supplemental Schedule Required by ERISA (Continued)

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

SHUMAN PHYSICAL THERAPY ASSOC. 401(K) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

1. DESCRIPTION OF PLAN

The following description of the Shuman Physical Therapy Assoc. 401(k) Profit Sharing Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan sponsored by Shuman Physical Therapy Associates for the benefit of the eligible employees of Shuman Physical Therapy Associates, P.C. and Iceplex Fitness, LLC (collectively, the Company). The Plan contains both 401(k) and profit-sharing provisions. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Administration

The Plan is sponsored and administered by the Company. Rimkus, Marciano, and Associates, Inc. (Rimkus) is the recordkeeper of the Plan. Nationwide Trust Company, FSB (Nationwide) is the custodian of the Plan's assets. Three employees of the Company serve as trustees.

Eligibility

Employees are eligible to participate in the Plan on the first date of the Plan year quarter after meeting the eligibility requirements: three months of employment, 250 hours of service, and the attainment of twenty-one years of age. Employees are eligible to participate in the employer safe harbor match and discretionary profit-sharing contributions on the first day of the Plan year quarter following one year of service and the attainment of age twenty-one.

Contributions

Participants may contribute a percentage of annual compensation, as defined in the Plan, on a pretax basis or Roth after tax basis (collectively, Elective Deferrals), not to exceed the maximum contribution limits established by the Internal Revenue Code (IRC). The Plan does have exclusions from compensation such as reimbursements, other expense allowances, fringe benefits, moving expenses, deferred compensation, welfare benefits, bonuses and commissions. Participants may also rollover contributions from other qualified retirement plans. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions.

Additionally, the plan has safe harbor contributions equal to the sum of 100% of the amount of the participant's Elective Deferrals that do not exceed 3% of the participant's compensation, plus 50% of the amount of the participant's Elective Deferrals that exceed 3% of the participant's compensation but do not exceed 5% of the participant's compensation. The Company may also decide each Plan year to make a discretionary profit-sharing contribution on behalf of the eligible participants. The Company did not make any discretionary profit-sharing contributions in either 2023 or 2022.

1. DESCRIPTION OF PLAN (Continued)

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contributions and, (b) Plan earnings (losses), and (c) an allocation of any administrative expenses paid by the Plan. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their voluntary and safe harbor matching contributions plus actual earnings thereon. Participants vest in the Plan's discretionary profit-sharing contributions 20% after two years of service and an additional 20% each year until full vesting after six years of service.

Benefits Paid to Participants

The Plan provides for normal retirement benefits upon reaching age 65 and has provisions for disability, death and termination benefits for those participants who are eligible to receive such benefits. Upon termination of service, participants can elect to have a qualified rollover of their vested balance or receive a lump-sum distribution, as defined in the Plan Document. The Plan also allows for certain in-service withdrawals, provided that the participant has obtained the age of 59 ½ and meets the requirements, as established within the Plan Document. The Plan provides for mandatory distribution of a participant's vested account balance following severance from employment when an account balance is less than \$5,000. The mandatory distribution is subject to automatic rollover if it exceeds \$1,000.

Forfeitures

Forfeitures of non-vested account balances are first used to pay plan expenses and then used to reduce Company contributions. During 2023 and 2022, there was no forfeiture activity. Accordingly, there was no balance in the forfeiture account for the years ended December 31, 2023 and 2022.

Notes Receivable from Participants

Participants may borrow from their vested account balance a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their vested account balance, whichever is less. Notes receivable are payable over a period not to exceed 5 years, except when used to acquire a principal residence, in which case notes receivable are payable over a period set by the Plan Administrator. The notes receivable are secured by the remaining vested account balance and bear interest at 1% above the prime rate at the time of loan issuance, which remains fixed for the duration of the loan. A participant may only have one outstanding loan at any time. All outstanding loan balances will become due and payable in their entirety upon severance of employment unless directly rolled over to another employer's plan. Principal and interest are paid ratably through payroll deductions over the term of the loan.

Administrative Expense

Certain Plan expenses are paid from the Plan's assets. These expenses are assessed against an individual participant's account either proportionately based on value of account balances or as an equal dollar amount based on the number of participants in the Plan. Expenses specifically incurred by or attributable to individuals are allocated directly to participant accounts.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Investments and Income Recognition

Investments are stated at fair value, with the exception of the Plan's investment in the group annuity contract that is stated at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis.

Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) of investments includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

Fair Value Measurements - Definition and Hierarchy

The Plan uses various valuation techniques in determining fair value. Financial Accounting Standards Board Accounting Standards Codification 820 (ASC 820) establishes a hierarchy for inputs used in measuring fair value that maximizes the use of observable inputs and minimizes the use of unobservable inputs by requiring that the observable inputs be used when available. The hierarchy is broken down into three levels based on the reliability of inputs as follows:

- Level 1 - Valuations based on quoted prices in active markets for identical assets or liabilities that the Plan has the ability to access.
- Level 2 - Valuations based on quoted prices in markets that are not active or for which all significant inputs are observable, directly or indirectly.
- Level 3 - Valuations based on inputs that are unobservable and significant to the overall fair value measurement.

A description of where the Plan's investments fall within the hierarchy is presented in Note 4.

In certain cases, the inputs used to measure fair value may fall into different levels of the fair value hierarchy. In such cases, for disclosure purposes, the level in the fair value hierarchy is determined based on the least reliable input that is significant to the fair value measurement.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued, but unpaid interest. Delinquent notes are reclassified as distributions based on the terms of the Plan document.

Benefit Payments

Benefit payments are recorded when paid.

Risks and Uncertainties

Investments are exposed to various risks, such as interest rate, market and credit risk. Due to the level of risk associated with investment securities and the level of uncertainty related to changes in the value of investments, it is at least reasonably possible that changes in values in the near term would materially affect participants' account balances and the amount reported in the accompanying financial statements.

Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

3. CERTIFIED INVESTMENT INFORMATION

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified as complete and accurate by Nationwide, as of and for the years ended December 31:

	<u>2023</u>	<u>2022</u>
Investments, at fair value	<u>\$ 12,381,537</u>	<u>\$ 9,740,705</u>
Investments, at contract value	<u>\$ 123,688</u>	<u>\$ 120,145</u>
Investment income (loss)	<u>\$ 1,826,847</u>	<u>\$ (1,889,161)</u>
Schedule of Assets (Held at End of Year)	Schedule I, except notes receivable from participants	

4. FAIR VALUE MEASUREMENTS

The Plan's assets at fair value, within the fair value hierarchy, were as follows at December 31, 2023:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	<u>\$ -</u>	<u>\$ 12,381,537</u>	<u>\$ -</u>	<u>\$ 12,381,537</u>

The Plan's assets at fair value, within the fair value hierarchy, were as follows at December 31, 2022:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	<u>\$ -</u>	<u>\$ 9,740,705</u>	<u>\$ -</u>	<u>\$ 9,740,705</u>

The following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used during 2023 and 2022.

Mutual funds: Valued at the net asset value of the underlying investment held in mutual funds. The underlying net assets have observable level 1 pricing inputs, which are used to determine the unit value of the underlying investment. However, since the calculation of the unit value of the investments is based on the observable underlying investment in the mutual fund, the item is classified as level 2 in the fair value hierarchy.

The methodology described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

5. GROUP FIXED ANNUITY CONTRACT

The Plan invests in a guaranteed investment contract (GIC) that is a group fixed annuity contract backed by the assets of the general account of Nationwide. This GIC is considered a fully benefit responsive investment contract and is measured, presented and disclosed at contract value. Participant transactions are executed using contract value without adjustment.

5. GROUP FIXED ANNUITY CONTRACT (Continued)

The GIC issuer guarantees to pay a specified interest rate which is reset quarterly on January 1, April 1, July 1, and October 1.

The GIC is reported at contract value as it meets the fully benefit-responsive investment contract criteria. Contract value is calculated as contributions, plus earnings, less withdrawals and administrative expenses. Participant transactions are executed at contract value less surrender charges, if applicable, which is the relevant measure for fully benefit-responsive investment contracts.

The Plan's ability to receive amounts due in accordance with fully benefit-responsive investment contracts is dependent on the issuer's ability to meet its financial obligation, which may be affected by future economic and regulatory developments. Certain events may limit the ability of the Plan Sponsor and/or Plan participants to transact at contract value with Nationwide. Examples of these events would include (but would not be limited to) premature termination of this contract and termination of the Plan. In these examples, the contract value could be reduced by any applicable surrender charges upon distribution of contract's funds. The Plan administrator does not believe any events which would limit the Plan's ability to transact at contract value with participants are probable.

6. PARTY-IN-INTEREST TRANSACTIONS

Nationwide is the custodian of the Plan assets. As such, transactions involving Nationwide and the Plan qualify as party-in-interest transactions. Additionally, transactions involving notes receivable from participants qualify as party-in-interest transactions.

7. TAX STATUS

The Plan is designed from a prototype plan document offered by Rimkus. Rimkus received an opinion letter from the Internal Revenue Service (IRS) dated June 30, 2020, which states that the prototype plan document satisfies the applicable provisions of the IRC. The Plan itself has not received a determination letter from the IRS. However, the Plan's management believes that the Plan is currently designed and being operated in compliance with applicable requirements of the IRS.

8. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become fully vested in their account balances.

9. RECONCILIATION TO FORM 5500

Certain items have been classified differently between the financial statements and Form 5500. Net assets available for benefits per the financial statements agreed to Form 5500 in total as of December 31, 2023 and 2022 and changes in net assets available for benefits per the financial statements agreed to Form 5500 for the years ended December 31, 2023 and 2022.

10. SUBSEQUENT EVENTS

Effective January 1, 2024, the Plan definition of compensation was amended to include bonuses, commissions, allowances, reimbursements, and fringe benefits. The Plan also appointed two employees of the Company to serve as trustees, for a total of five trustees.

Subsequent events have been evaluated through September 4, 2024, which is the date the financial statements were available to be issued.
