INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of
Monroe Group 401(k) Plan
Denver, Colorado

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Monroe Group 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Monroe Group 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022 and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section -

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Monroe Group 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Monroe Group 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Monroe Group 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Monroe Group 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules listed in the accompanying table of contents as of or for the year ended December 31, 2023 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion-

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

MONROE GROUP 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS AS OF DECEMBER 31, 2023 AND 2022 AND FOR THE YEAR ENDED DECEMBER 31, 2023

NOTE 1-DESCRIPTION OF PLAN

The following description of the Monroe Group (the Company) 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

- A. General. The Plan, established June 1, 2020, is a defined contribution plan and, as such, is subject to some, but not all, of the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA). On June 1, 2020, net assets available for benefits held within the ADP Total Source Retirement Savings Plan, sponsored by the Monroe Group, Ltd. (the Former Plan) were transferred into the Monroe Group 401(k) Plan and were recognized at their balances as previously carried in the accounts of the Former Plan.

Employees are eligible to participate upon the completion of two months of service. The Plan entry date is the first day of the month coinciding with or next following the date in which a participant satisfies the eligibility requirements. The Plan Sponsor and Plan Administrator is Monroe Group, Ltd., and the Custodian is the Reliance Trust Company (Reliance Trust). Investment options are offered through Standard Insurance Company (The Standard), the Plan's Recordkeeper, which offers products and services in retirement markets.

- B. Contributions. Employees may elect to contribute pre-tax dollars to the Plan, through payroll deductions, to an annual limit of \$22,500 and \$20,500 for 2023 and 2022, respectively. Additionally, participants may elect to make after-tax contributions to the Plan. Participants who reach age 50 during the calendar year may be eligible to make catch-up contributions up to \$7,500 and \$6,500 for 2023 and 2022 in addition to the IRS limit of \$22,500 and \$20,500 in 2023 and 2022, all respectively. Participants can also elect a direct rollover of an existing balance from a tax-qualified retirement or savings plan into the Plan. Participants direct the investment of their contributions into various investment options offered by the Plan.

The Company makes a Safe Harbor contribution to the participant's account. In order to maintain safe harbor status, the Company makes a Safe Harbor matching contribution equal to 100% salary deferrals that do not exceed 4% compensation. The Company made Safe Harbor contributions of \$263,728 during the year ended December 31, 2023.

- C. Participant Accounts. Each participant's account is credited with the participant's contribution and allocation of the Company's contribution, and Plan earnings. Company contributions are invested in the investment options in the same allocation percentages as each participant's contributions. The benefit for a participant is the benefit that can be provided from the participant's vested account.
- D. Vesting. Upon eligibility, participants are immediately vested in their elective deferral contributions and the Company's Safe Harbor contributions, and actual earnings thereon.

MONROE GROUP 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS AS OF DECEMBER 31, 2023 AND 2022 AND FOR THE YEAR ENDED DECEMBER 31, 2023

- E. Notes Receivable from Participants. Participants may borrow from their fund accounts up to a maximum of the lesser of 50% of their vested account or \$50,000 as defined in the Plan document. The loans are collateralized by the balance in the participant's account, and bear interest at a rate ranging from 3.25% to 8.50%, which are commensurate with the prime rate at the time the loan is made. Principal and interest are paid ratably through bi-weekly after-tax payroll deductions. All principal and interest payments are allocated to the Plan's investment funds based on the participant's investment elections at the time of payment. Loans which are granted and repaid in compliance with the Plan provisions will not be considered distributions to the participant for tax purposes. Loans outstanding as of December 31, 2023 and 2022 totaled \$53,036 and \$49,575, respectively. Loan defaults deemed to be distributions to the participant were \$0 for the year ended December 31, 2023.
- F. Payment of Benefits. On termination of service due to death, disability or retirement, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. Participants may request a withdrawal of all or a portion of their elective contribution account balance if they can demonstrate financial hardship as defined by the Plan. Such amounts will be considered distributions to the participant for income tax purposes.

NOTE 2-SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting

The accompanying financial statements have been prepared under the accrual basis of accounting.

Investment valuation and income recognition

The Plan offers investments in various registered investment companies (mutual funds) maintained by The Standard, which are valued at fair value. Fair value is the exchange price that would be received to sell an asset or paid to transfer a liability (an exit price) in an orderly transaction between market participants at the measurement date. See Note 3. The Plan presents in the statement of changes in net assets available for benefits, the net gain (loss) in registered investment companies (mutual funds) which consists of the related appreciation (depreciation) in the fair value of its investments and the unrealized appreciation (depreciation) on those investments.

Interest income is recorded on the accrual basis. Dividend income is recorded on the ex-dividend date. Realized gains and losses on investments are recognized upon the sale of the related investments and unrealized appreciation or depreciation is recognized at period end when the carrying values of the related investments are adjusted to their estimated fair market value. Purchase and sales of securities are reflected on a trade-date basis.

Earnings on investments are allocated on a pro rata basis to individual participant accounts based on the type of investment and the ratio of each participant's individual account balance to the aggregate of participant account balances.

MONROE GROUP 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS AS OF DECEMBER 31, 2023 AND 2022 AND FOR THE YEAR ENDED DECEMBER 31, 2023

Notes receivable from participants

Notes receivable from participants are stated at the outstanding principal balance of the loan plus all accrued but unpaid interest, which approximates fair value. As of December 31, 2023 and 2022, the Plan does not have an allowance for credit losses, as repayments of principal and interest are generally received through payroll deductions, and the notes are collateralized by the participants' account balances.

The Plan is subject to the provisions of the Loans to Participants topic of the Financial Accounting Standards Board (FASB) Accounting Standards Update (ASU) 2010-25, Reporting Loans to Participants by Defined Contribution Pension Plans, which requires loans to participants in an entity's defined contribution plan be classified as notes receivable. These loans are to be reported separately from plan investments.

Plan administration costs

The Sponsor pays Plan administration costs related to legal, accounting, record keeping, and general administration. The Sponsor passes on the following Plan administration costs to participants: asset based fees, distribution fees, and loan fees.

Payment of benefits

Benefits are recorded when paid.

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Accordingly, actual results may differ from those estimates.

Accounting for uncertainty in income taxes

The Plan is subject to the Income Taxes topic of the FASB Accounting Standards Codification (ASC) 740, which provides guidance for how uncertain income tax positions should be recognized, measured, presented and disclosed in the financial statements. The Plan is required to evaluate the income tax positions taken or expected to be taken to determine whether the positions are more-likely-than-not to be sustained upon examination by the applicable tax authority. The Plan has determined that the application of the Income Taxes topic does not impact the operations of the Plan and that no provision for income tax is required in the Plan's financial statements. No interest or penalties have been recognized in the Plan's statement of net assets available for benefits as of December 31, 2023 and 2022 or its statement of changes in net assets available for benefits for the year ended December 31, 2023. Generally, federal and state returns are subject to examination for three years after the later of the original or extended due date or the date filed by the applicable tax authorities.

Subsequent events

The Plan Administrator performed an evaluation of the Plan's activity through October 4, 2024, the audit report date, and has concluded that there are no significant subsequent events that require disclosure through the date these financial statements were available to be issued.

NOTE 3-FAIR VALUE MEASUREMENTS

Fair value is defined as the exchange price that would be received to sell an asset or paid to transfer a liability (an exit price) in an orderly transaction between market participants at the measurement date. The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Accounting guidance establishes a fair value hierarchy which requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value.

The fair value hierarchy input levels are as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The following provides a description of the valuation methodology used for assets measured at fair value. The Company's policy for determining the timing of significant transfers between levels is at the end of the reporting period, if applicable. There were no transfers between level 1, 2 or 3 assets or liabilities during the year ended December 31, 2023.

Mutual funds - These investments are public investment securities valued using the Net Asset Value (NAV) provided by The Standard. The NAV is based on the value of the underlying assets owned by the fund, minus its liabilities, if applicable, and then divided by the number of units outstanding. The NAV is quoted in an active market. The mutual funds held by the Plan are deemed to be actively traded.

Funds held in insurance company general account - These investments are valued at fair value by discounting the related cash flows based upon current yields of similar instruments with comparable durations considering the credit worthiness of the issuer.

MONROE GROUP 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS AS OF DECEMBER 31, 2023 AND 2022 AND FOR THE YEAR ENDED DECEMBER 31, 2023

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although Plan management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 4-PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of mutual funds managed by The Standard. These transactions qualify as party-in-interest transactions. Fees paid by the Plan are incorporated in the return for the various mutual funds. The funds pay The Standard a fee for their services, which include any fees The Standard pays to the sub-advisors. There were no additional fees paid outside of the funds. Fees incurred by the Plan amounted to \$42,316 for the year ended December 31, 2023. These fees are recorded as administrative expenses in the accompanying statement of changes in net assets available for benefits.

The Company's President, Chief Accounting Officer and Director, Human Resources are currently participants in the Plan and serve as plan administrators and members of the 401(k) Advisory Committee.

Notes receivable from participants are permitted party-in-interest transactions.

These party-in-interest transactions are exempt from the prohibited transactions rules of ERISA.

NOTE 5-PLAN TERMINATION

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

MONROE GROUP 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS AS OF DECEMBER 31, 2023 AND 2022 AND FOR THE YEAR ENDED DECEMBER 31, 2023

NOTE 6-INFORMATION PREPARED AND CERTIFIED BY PLAN CUSTODIAN

Certain information related to investments from participants disclosed in the accompanying financial statements and supplemental schedules, including investments from participants held at December 31, 2023 and 2022, and net appreciation in fair value of investments, interest and dividends for the year ended December 31, 2023, was obtained or derived from information supplied to the Plan Administrator and certified as complete and accurate by Reliance Trust Company. The information prepared and certified is summarized as follows:

	<u>2023</u>	<u>2022</u>
Non-interest bearing cash	\$ 106	\$ -
Registered investment companies (mutual funds)	3,396,337	2,681,675
Funds held in insurance company general account	310,661	277,051
Net appreciation (depreciation) in registered investment companies (mutual funds)	377,737	(532,395)
Dividends	93,302	62,962
Interest on funds held in insurance company general account	5,628	3,045

NOTE 7-TAX STATUS

The Plan qualifies as a cash or deferred arrangement under Section 401(k) of the Internal Revenue Code (Code), and therefore, is exempt from federal income taxes under Section 501(a) of the Code. A favorable tax determination letter for this type of plan dated June 30, 2020 has been obtained from the Internal Revenue Service. Although the Plan has been amended since receiving the determination letter, the Plan Administrator and the Plan Sponsor believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Code, and therefore, believe the Plan is qualified as tax-exempt.

Under a plan qualified pursuant to Section 401(k) of the Code, participants generally will not be taxed on contributions or matching contributions, or earnings thereon, until such amounts are distributed to participants or their beneficiaries under the Plan. Participants have the option of making contributions as Roth 401(k) contributions. Roth 401(k) contributions are not deducted from the participant's income and are therefore taxable when contributed. The tax-deferred contributions and matching contributions are deductible by the Company for tax purposes when those contributions are made, subject to certain limitations set forth in Section 404 of the Code.

Participants or their beneficiaries will be taxed, at ordinary income tax rates, on the amount they receive as a distribution from the Plan at the time they receive the distribution. However, if the participant or beneficiary receives a lump sum payment of the balance under the Plan in a single taxable year, and the distribution is made by reason of death, disability, or termination of employment of the participant, or after the participant has attained age 59 1/2, then certain special tax rules may be applicable.

MONROE GROUP 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS AS OF DECEMBER 31, 2023 AND 2022 AND FOR THE YEAR ENDED DECEMBER 31, 2023

Accounting principles generally accepted in the United States of America require the Plan's management to evaluate tax positions taken by the Plan and to recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service or other taxing authorities.

The Plan is subject to routine audits by taxing authorities; however, there are currently no audits for any tax periods in process. The Plan Administrator believes the Plan is no longer subject to income tax examinations for years prior to 2020.

NOTE 8-RISK AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

The Plan's exposure to a concentration of credit risk is limited by the diversification of investments across 15 participant directed fund elections. Additionally, the investments within each participant-directed fund election are further diversified into varied financial instruments.

Plan contributions are made and the actuarial present value of accumulated plan benefits are reported based on certain assumptions pertaining to interest rates, inflation rates and employee demographics, all of which are subject to change. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near term would be material to the financial statements.

Part III Form M-1 Compliance Information (to be completed by welfare benefit plans)

11a If the plan provides welfare benefits, was the plan subject to the Form M-1 filing requirements during the plan year? (See instructions and 29 CFR 2520.101-2.) ☐ Yes ☐ No

If "Yes" is checked, complete lines 11b and 11c.

11b Is the plan currently in compliance with the Form M-1 filing requirements? (See instructions and 29 CFR 2520.101-2.) ☐ Yes ☐ No

11c Enter the Receipt Confirmation Code for the 2023 Form M-1 annual report. If the plan was not required to file the 2023 Form M-1 annual report, enter the Receipt Confirmation Code for the most recent Form M-1 that was required to be filed under the Form M-1 filing requirements. (Failure to enter a valid Receipt Confirmation Code will subject the Form 5500 filing to rejection as incomplete.)
