Report of Independent Auditors'

To the Board of Trustees The Kokosing Group 401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of The Kokosing Group 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets as of December 31, 2023 and 2022, and the related statements of changes in net assets for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of The Kokosing Group 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of The Kokosing Group 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about The Kokosing Group 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of The Kokosing Group 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about The Kokosing Group 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets held for investment purposes as of December 31, 2023 and 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including the form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

THE KOKOSING GROUP

401(k) PROFIT SHARING PLAN

Notes to Financial Statements

Note 1. Description of Plan

The following description of The Kokosing Group (Company) 401(k) Profit Sharing Plan (Plan) provides only general information. Participants should refer to the Plan agreement, available at their employer's office, for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all salaried and substantially all nonunion hourly employees of the Company who have completed one thousand hours of service and are age eighteen or older. The Plan has been periodically amended to permit employees of Kokosing Materials, Inc., The Olen Corporation, Owl Creek Contracting, McGraw/Kokosing, Inc., C & S Limestone, Ltd., Wabash Steel, Black Diamond 2 Construction, Inc., Integrity Kokosing Pipeline Services, LLC, and Corman Construction to participate. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Participants are able to contribute to the Plan during each plan year a percentage of their compensation, not to exceed \$22,500 and \$20,500 (\$30,000 and \$27,000 for employees age 50 or older) for the years ended December 31, 2023 and 2022, respectively. Each year, the Company may make discretionary contributions to the plan uniformly applied to all participants. The plan may also make discretionary matching contributions based upon each employee's pay and elective deferral contributions. The annual compensation taken into account for each participant shall not exceed \$330,000 with a maximum allowable total contribution of the lesser of \$66,000 or 100% of participants' compensation. These amounts are scheduled to be adjusted annually to reflect changes in the cost of living.

Employer Contributions

The plan sponsor matches employee contributions 100% up to 4% of compensation. During the year, it was determined that a profit sharing contribution would be awarded based on 2% of eligible compensation.

Participant Accounts

Any earnings or losses of the Trust Fund are allocated in the same proportion that each participant's and former participant's nonsegregated accounts bear to the total of all participants' nonsegregated accounts as of such date.

Vesting

Participants are immediately vested in their elective contributions plus actual earnings thereon. Participants are 100% vested in safe harbor employer contributions. Profit sharing employer contributions and non-safe harbor non-elective contributions are 100% vested after six (6) years of service based upon a 6 year graded vesting schedule.

Payment of Benefits

Upon termination of service due to death, disability or retirement of a participant, all amounts credited to that participant's account become distributable. Participants may elect to receive either a lump-sum amount or installments for a specified period of time. For termination of service due to other reasons, a participant may receive the value of the vested portion of his or her account as a lump-sum distribution.

See accompanying independent auditors' report

Note 1. Description of Plan (Continued)

Participant Loans

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum of the lesser of \$50,000 or 50% of the vested portion of their account balance. The loans are secured by the balance in the participant's account and bear interest at the prime rate plus 1%, which is a reasonable rate commensurate with current interest rates charged for loans under similar circumstances. Principal and interest is paid ratably through payroll deductions. Loans are accounted for at cost, which approximates market value.

Forfeitures

At December 31, 2023 and 2022, forfeited nonvested accounts totaled \$194,192 and \$137,733, respectively. These accounts will be used to reduce future employer contributions.

Investments

The Plan investments are held in a Trust Fund invested in mutual funds managed by Charles Schwab Bank. The plan provides for participant directed investments up to the extent of allocated account balances. Fair market values of investments as determined by the Custodian are presented in Note 3.

Note 2. Summary of Significant Accounting Policies

Basis of Accounting

The accounting records of the Plan are maintained on the accrual basis.

Benefit Payments

Benefits are recorded when paid.

Transfers

As participants move from union status to non-union within the plan sponsor, funds are transferred between the Plan and the 401(k) plan established for the benefit of union employees.

Investment Valuation and Income Recognition

Investments are reported at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Investment Committee determines the Plan's valuation policies. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

Administrative Expenses

Administrative expenses charged by Charles Schwab Bank for providing certain accounting and investment services are paid by the Plan. The Company also provides administrative services related to the operation of the Plan.

Note 2. Summary of Significant Accounting Policies (Continued)**Use of Estimates**

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities; disclosures of contingent assets and liabilities at the date of the financial statements; and, the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Note 3. Information Certified by Trustee

The following table is a summary of the unaudited information regarding the Plan, included in the Plan's financial statements that were prepared by the Custodian and furnished to the Plan Administrator. The Plan Administrator has obtained a certification from the Custodian that such information is complete and accurate:

	2023	2022
Investments		
Fair value	\$ 187,177,675	\$ 155,012,354
Contract value	11,036,160	14,365,959
Participant loans	2,465,837	2,117,346
For the period ended:		
Interest and dividends	6,048,322	7,908,972
Net appreciation (depreciation) in fair value of investments	22,477,056	(40,566,329)

Information contained in the following supplemental schedules:
Schedule of Assets Held for Investment Purposes - Page 11

Note 4. Fair Value Measurements

Accounting Standards Codification (ASC) 820-10, *Fair Value Measurements and Disclosures*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under ASC 820-10 are described below:

Level 1	Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
Level 2	Inputs to the valuation methodology include: Quoted prices for similar assets or liabilities in active markets; Quoted prices for identical or similar assets or liabilities in inactive markets; Inputs other than quoted prices that are observable for the asset or liability; Inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
Level 3	Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

See accompanying independent auditors' report

Note 4. Fair Value Measurements (Continued)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Mutual funds: Valued at the new asset value ("NAV") of shares held by the plan at year end.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022:

Assets at Fair Value as of December 31, 2023				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$187,177,675	\$ -	\$ -	\$187,177,675

Assets at Fair Value as of December 31, 2022				
	Level 1	Level 2	Level 3	Total
Money market	\$155,012,354	\$ -	\$ -	\$155,012,354

Note 5. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

Note 6. Tax Status

The IRS has determined and informed the Company by a letter dated June 19, 2014, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 7. Investment Contract with Insurance Company

The plan participates in a fully benefit-responsive guaranteed investment contract with The Bank of New York Mellon ("Mellon"). Mellon maintains the contributions in a general account. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan, which may not be less than 0%. Contract value, as reported to the Plan by Mellon, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date. The Plan sponsor does not believe that any events may limit the ability of the plan to transact at contract value that are probable as of December 31, 2023, or the date of these financials are issued.

Note 8. Funds of the Plan

The allocation of participant funds among the investment options is made at the election of the participants. Investments held in the various funds are reflected at fair value and approximate the net assets available for benefits of those funds.

Note 9. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Note 10. Subsequent Events

Events subsequent to December 31, 2023 have been evaluated through October 2, 2024, the date these financial statements were available to be issued, to determine whether additional disclosures should be made to keep the financial statements from being misleading. Management found no subsequent events that should be disclosed.
